(a) (b)

Zephyr Holdco holds (i) 64,914 shares of Series A Preferred Stock and (ii) 35,086 shares of Series B Preferred Stock as of the date hereof.

Series A Preferred Stock initially has a Stated Value of \$1,000 per share, which will accrete at a fixed rate of 8.0% per annum, compounded quarterly (the *Accreted Value*). Each share of Series A Preferred Stock is convertible into (i) the number of shares of Common Stock equal to the product of (A) the *Accreted Value* with respect to such share on the conversion date multiplied by (B) the Conversion Rate as of the applicable conversion date divided by (C) 1,000 plus (ii) cash in lieu of fractional shares. The initial Conversion Rate is equal to 166.11 shares. Prior to obtaining Stockholder Approval (as defined below), the Issuer will be required to pay an amount in cash upon conversion in lieu of delivering shares in excess of a share cap of 10,783,050 (the *Share Maximum*). The initial conversion rate is subject to adjustment from time to time upon the occurrence of certain customary events in accordance with the terms of the Series A Certificate of Designations.

Series B Preferred Stock initially has a Stated Value of \$1,000 per share, subject to increase in the event cash dividends due on such Series B Preferred Stock are not paid in respect of any dividend payment period. Dividends are payable, in cash, at a fixed rate of 10.0% per annum on the Stated Value per share, which rate will automatically increase by 1.0% every six months that the Series B Preferred Stock remains outstanding (subject to a cap of 12.0%). Following Stockholder Approval, each share of Series B Preferred Stock will automatically be converted into the number of shares of Series A Preferred Stock equal to the liquidation preference (equal to the Stated Value plus accrued but unpaid dividends) of such share of Series B Preferred Stock divided by the *Accreted Value* of a share of Series A Preferred Stock on the date of conversion plus cash in lieu of fractional shares.

All of the computations and share amounts used herein do not give effect to any accretion on the shares of Preferred Stock. As a result of its beneficial ownership of Series A Preferred Stock and Series B Preferred Stock, as described above, the Reporting Persons may be deemed to beneficially own an aggregate of 10,782,865 shares of Common Stock of the Issuer, which would be received upon conversion of the Series A Preferred Stock, subject to the *Share Maximum*, representing in the aggregate approximately 19.9% of the issued and outstanding shares of Common Stock of the Issuer. Pursuant to the terms of the Series A Certificate of Designations, the Stated Value per share of Series A Preferred Stock accretes at a fixed rate of 8.0% per annum, compounded quarterly, and as a result, the number of shares of Common Stock into which each share of Series A Preferred Stock may be converted will increase over time, subject to the *Share Maximum*, if applicable.

The percentages of beneficial ownership in this Schedule 13D are based on (i) the conversion by the Reporting Persons of 64,914 of Series A Preferred Stock into 10,782,865 shares of Common Stock, subject to the *Share Maximum*, as of the date hereof and (ii) 54,186,180 shares of Common Stock outstanding as of January 14, 2019, as provided by the Issuer.

(c) Except as set forth in Item 3 to this Schedule 13D, none of the Reporting Persons have effected any transaction in the Issuer's Common Stock during the past 60 days.

(d) No one other than the Reporting Persons has the right to receive or the power to direct the receipt of dividends from, or the proceeds from the sale of, any of the securities of the Issuer reported on this Schedule 13D.

(e) Not applicable.

Item 6. Contracts, Arrangements, Understandings or Relationships With Respect to Securities of the Issuer.

The information set forth or incorporated in Item 3 and Item 4 is hereby incorporated by reference in its entirety into this Item 6.

Series A Certificate of Designation

On February 20, 2019 (the *Closing Date*), the Issuer established the rights and preferences of the shares of the Series A Preferred Stock pursuant to a Certificate of Designations (the *Series A Certificate of Designations*), which is in addition to any rights and preferences of Zix's preferred stock provided for in Zix's Restated Articles of Incorporation (the *Articles of Incorporation*). The Series A Preferred Stock ranks senior to Zix's Common Stock, and on a parity basis with the Series B Preferred Stock with respect to the payment of dividends and distribution of assets upon liquidation, dissolution and winding up.

Accretion; Dividends; No Stated Maturity

The Series A Preferred Stock initially has a Stated Value (as defined in the Series A Certificate of Designations) of \$1,000 per share. From the Closing Date, the Stated Value per share of Series A Preferred Stock accretes at a fixed rate of 8.0% per annum, compounded quarterly (the *Rate of Accretion*). The Series A Preferred Stock is also entitled to receive any dividends paid in respect of the Common Stock on an as-converted basis.

The Series A Preferred Stock has no stated maturity and will remain outstanding indefinitely unless converted into Common Stock or repurchased or redeemed by Zix.

Voting Rights

The holders of the Series A Preferred Stock (the *Series A Holders*) are entitled to vote, together with the holders of Common Stock, on an as-converted basis (subject to the Share Maximum until the Stockholder Approval is obtained) on all matters submitted to a vote of the holders of Common Stock, and as a separate class on all matters relating to the Series A Preferred Stock.

Liquidation Rights

The Series A Preferred Stock has a liquidation preference equal to the greater of (i) the Stated Value per share as it has accreted as of such date (the *Accreted Value*) and (ii) the amount such holder would have received if the Series A Preferred Stock had converted into Common Stock immediately prior to such liquidation.

Optional Redemption

At any time after the fourth anniversary of the Closing Date, Zix may redeem the Series A Preferred Stock for an amount per share of Series A Preferred Stock equal to the Accreted Value per share of the Series A Preferred Stock to be redeemed as of the applicable redemption date *multiplied by 1.50*.

Holder Conversion Right

At any time, each Series A Holder may, subject to the Share Maximum until Stockholder Approval is obtained, elect to convert each share of such Series A Holder's then-outstanding Series A Preferred Stock into (i) the number of shares of Common Stock equal to the product of (A) the Accreted Value with respect to such share on the conversion date *multiplied by* (B) the Conversion Rate as of the applicable conversion date *divided by* (C) 1,000 *plus* (ii) cash in lieu of fractional shares. Prior to obtaining Stockholder Approval, Zix will be required to pay an amount in cash upon conversion in lieu of delivering shares that are otherwise restricted from being delivered upon conversion prior to

obtaining Stockholder Approval. The initial Conversion Rate is equal to 166.11 shares, and is subject to adjustment from time to time upon the occurrence of certain customary events in accordance with the terms of the Series A Certificate of Designations.

Change of Control

Upon a change of control (as defined in the Series A Certificate of Designations), Zix is required to redeem the Series A Preferred Stock at a price per share of Series A Preferred Stock in cash equal to the greater of (i) the Series A Change of Control Redemption Price (as defined below) of such share of Series A Preferred Stock and (ii) (A) the amount of cash such Series A Holder would have received *plus* (B) the fair market value of any other assets in each case had such Series A Holder, immediately prior to such change of control, converted such shares of Series A Preferred Stock into shares of Common Stock. The Series A Change of Control Redemption Price per share of Series A Preferred Stock is the product of the Accreted Value of such share as of the date of determination *multiplied by* (1) 1.30 (if the change of control occurs before the first anniversary of the Closing Date), (2) 1.35 (if the change of control occurs on or after the first anniversary of the Closing Date but before the second anniversary of the Closing Date), (3) 1.40 (if the change of control occurs on or after the second anniversary of the Closing Date but before the third anniversary of the Closing Date), (4) 1.45 (if the change of control occurs on or after the third anniversary of the Closing Date but before the fourth anniversary of the Closing Date) and (5) 1.50 (if the change of control occurs on or after the fourth anniversary of the Closing Date).

Consent Rights

So long as any shares of Series A Preferred Stock are outstanding, the consent of the holders of a majority of the then-outstanding shares of Series A Preferred Stock is necessary for Zix to effect (1) any amendment, alteration or repeal to the Articles of Incorporation or the Series A Certificate of Designations in a manner that would adversely affect the rights, preferences, privileges or power of the Series A Preferred Stock, (2) any amendment or alteration to the Articles of Incorporation or any other action to authorize or create, or increase the number of authorized or issued shares of, or any securities convertible into shares of, or reclassify any security into, or issue any parity stock or senior stock as to dividend or liquidation rights, (3) the issuance of shares of Series A Preferred Stock other than in connection with the conversion of Series B Preferred Stock that was issued on the Closing Date, (4) any action that would cause Zix to cease to be treated as a domestic corporation for U.S. federal income tax purposes, or (5) the incurrence of indebtedness that would cause Zix to exceed a specified leverage ratio.

Series B Certificate of Designation

On the Closing Date, the Issuer established the rights and preferences of the shares of the Series B Preferred Stock pursuant to a Certificate of Designations (the Series B Certificate of Designations), which is in addition to any rights and preferences of Zix's preferred stock provided for in the Articles of Incorporation. The Series B Preferred Stock rank senior to the Common Stock and on a parity basis with the Series A Preferred Stock with respect to the payment of dividends and distribution of assets upon liquidation, dissolution and winding up.

Dividends; No Stated Maturity

The Series B Preferred Stock initially has a Stated Value (as defined in the Series B Certificate of Designations) of \$1,000 per share. The holders of Series B Preferred Stock (Series B Holders) are entitled to receive dividends accruing daily on a cumulative basis payable quarterly in arrears in cash at a fixed rate of 10.0% per annum on the Stated Value per share (the Dividend Rate), which rate will automatically increase by 1.0% every six months that the Series B Preferred Stock remains outstanding (subject to a cap of 12.0%). The cash dividends are payable only when, as and if declared by the Board out of funds legally available therefor. If a cash dividend is not paid in respect of any dividend payment period, then the liquidation preference of each outstanding share of Series B Preferred Stock will automatically increase at the Dividend Rate. Such liquidation preference of each outstanding share of Series B Preferred Stock is in full satisfaction of the dividend that would have otherwise accrued for such dividend payment period.

Edgar Filing: ZIX CORP - Form SC 13D

The Series B Preferred Stock has no stated maturity and will remain outstanding indefinitely unless converted into Series A Preferred Stock upon Stockholder Approval, repurchased or redeemed by Zix.

Voting Rights

The Series B Holders are entitled to vote as a separate class on certain matters relating to the Series B Preferred Stock. Otherwise, the Series B Holders do not have any voting rights, except as otherwise provided by the Texas Business Organizations Code.

Liquidation Rights

The Series B Preferred Stock has a liquidation preference equal to the sum of (i) the Stated Value and (ii) without duplication, any accrued but unpaid preferred dividends.

Automatic Conversion

Following the Stockholder Approval (as defined below), each share of Series B Preferred Stock will automatically be converted into the number of shares of Series A Preferred Stock equal to the liquidation preference of such share of Series B Preferred Stock *divided by* the accreted value of a share of Series A Preferred Stock on the date of conversion *plus* cash in lieu of fractional shares. If the Stockholder Approval is not obtained, the Series B Preferred Stock will not be convertible into shares of Series A Preferred Stock or Common Stock.

Optional Redemption by Zix

At any time after the fourth anniversary of the Closing Date, Zix may redeem any then-outstanding shares of Series B Preferred Stock for an amount per share of Series B Preferred Stock equal to the liquidation preference per share of the Series B Preferred Stock to be redeemed as of the applicable redemption date *multiplied by* 1.50.

Holder Redemption Right

At any time after the seventh anniversary of the Closing Date, upon 90 days prior notice, each Series B Holder may elect to require Zix to redeem the Series B Preferred Stock for an amount per share of Series B Preferred Stock equal to the liquidation preference per share of the Series B Preferred Stock to be redeemed as of the applicable redemption date *multiplied by* 1.50.

Change of Control

Upon a change of control (as defined in the Series B Certificate of Designations), Zix is required to redeem the Series B Preferred Stock at a price per share of Series B Preferred Stock in cash equal to the greater of (i) the Series B Change of Control Redemption Price (as defined below) of such share of Series B Preferred Stock and (ii) (A) the amount of cash such Series B Holder would have received *plus* (B) the fair market value of any other assets in each case had such Series B Holder, immediately prior to such change of control, converted such shares of Series B Preferred Stock into shares of Series A Stock. The Series B Change of Control Redemption Price per share of Series B Preferred Stock is the product of the liquidation preference of such share as of the date of determination *multiplied by* (1) 1.30 (if the change of control occurs before the first anniversary of the Closing Date), (2) 1.35 (if the change of control occurs on or after the first anniversary of the Closing Date but before the second anniversary of the Closing Date), (3) 1.40 (if the change of control occurs on or after the second anniversary of the Closing Date but before the third anniversary of the Closing Date), (4) 1.45 (if the change of control occurs on or after the third anniversary of the Closing Date but before the fourth anniversary of the Closing Date) and (5) 1.50 (if the change of control occurs on or after the fourth anniversary of the Closing Date).

Investment Agreement

On January 14, 2019, the Issuer entered into the Investment Agreement with True Wind Capital pursuant to which Zephyr Holdco purchased the Preferred Stock on February 20, 2019.

Consent Rights

For so long as any Preferred Stock is outstanding, the consent of True Wind will be necessary for Zix to effect any issuance by Zix of debt securities convertible into any capital stock, subject to certain exceptions. So long as True Wind beneficially owns shares of Preferred Stock and/or Common Stock that represent, in the aggregate and on an as-converted basis, at least 5% of the then-outstanding Common Stock, (i) the consent of True Wind will be necessary for Zix to effect any acquisition, directly or indirectly, of any entity, entities or assets in one or a series of related transactions for consideration in excess of \$10 million where such acquired entity is outside Zix's principal line of business, (ii) the Company and its subsidiaries shall not adopt a stockholder rights agreement, poison pill or similar anti-takeover agreement or plan and shall take such actions as may be necessary to render inapplicable any anti-takeover provision in the Texas Business Organizations Code and/or the Company's articles of incorporations and bylaws, in each case, that is or could become applicable to True Wind as a result of the transactions described herein. So long as True Wind beneficially owns any shares of Preferred Stock, the consent of True Wind will be necessary for Zix to (a) enter into any material transaction with a related party (as defined in Item 404 of Regulation S-K promulgated under the Exchange Act) that does not comply with the Company's related party transaction policy or (b) repurchase or redeem any outstanding Common Stock from a related party (as such term is defined in Item 404 of Regulation S-K promulgated under the Exchange Act) in a privately negotiated transaction at a price that is more than the Current Market Price (as defined in the Series A Certificate of Designations and Series B Certificate of Designations) as of the date of repurchase or redemption.

Board Designations

Pursuant to the Investment Agreement, at the Closing Date, Zix (i) increased the number of directors comprising Zix's Board of Directors from six to eight and (ii) appointed two designees of True Wind, James H. Greene, Jr. and Brandon Van Buren, to the Board. At such time as True Wind no longer beneficially owns shares of Preferred Stock and/or Common Stock that represent, in the aggregate and on an as-converted basis, at least 10% of the then-outstanding Common Stock, but continues to beneficially own shares of Preferred Stock and/or Common Stock that represent, in the aggregate and on an as-converted basis, at least 5% of the then-outstanding Common Stock, then True Wind will have the right to appoint one director to the Board. At such time as True Wind no longer beneficially owns shares of Preferred Stock and/or Common Stock that represent, in the aggregate and on an as-converted basis, at least 5% of the then-outstanding Common Stock, then True Wind will no longer have a right to appoint a director to the Board. So long as True Wind beneficially owns shares of Preferred Stock and/or Common Stock that represent, in the aggregate and on an as-converted basis, at least 5% of the then-outstanding Common Stock, without True Wind's consent, the Company shall not (a) increase the size of the Board to more than a total of 8 director seats or (b) decrease the size of the Board if such decrease would require the resignation of either or both of True Wind's designees.

Standstill

Until the earlier of (i) a Change of Control (as defined in the Certificates of Designations) and (ii) the later of (A) the first day on which no True Wind designee serves on the Board and True Wind has no rights to appoint a director and (B) the two-year anniversary of the Closing Date (the later of such dates, the Standstill Expiration Date), without the prior written approval of the Board, True Wind will not, among other things,: (a) acquire additional securities of the Company (other than as contemplated by the transactions described herein); provided that True Wind and its affiliates may acquire up to, (X) for each of 2019, 2020 and 2021, 2.5% in the aggregate in any such calendar year of the then outstanding Common Stock (with any unused amounts in any calendar year being carried over to succeeding calendar

years) and (Y) for 2022 and thereafter, any unused amount referred to in the preceding clause (X); (b) make or participate in any solicitation of proxies (as defined in the rules of the SEC), to vote any voting

securities of the Company, or call or seek to call a meeting of the Company's stockholders or initiate any stockholder proposal for action by the Company's stockholders or seek the removal of any director from the Board, in each case inconsistent with the recommendations of the Board; (c) offer, seek, propose or indicate an interest in, any merger, consolidation or business combination, of the Company or any subsidiary of the Company; and (d) otherwise act to seek to control or influence the management, board of directors or policies of the Company or any of its subsidiaries.

Transfer Restrictions

Subject to certain exceptions, until the earlier of (x) the 12-month anniversary of the Closing Date and (y) a Change of Control (as defined in the Series A Certificate of Designations and the Series B Certificate of Designations) or entry into a definitive agreement that would result in a Change of Control, True Wind may not transfer any Preferred Stock or any Common Stock issued upon conversion of the Series A Preferred Stock, other than to certain permitted transferees; and until the earlier of (x) the 2-year anniversary of the Closing Date and (y) a Change of Control or entry into a definitive agreement that would result in a Change of Control, True Wind will not make any short sale of, grant any option for the purchase of, or enter into any hedging or similar transaction of, any shares of Preferred Stock or Common Stock.

Voting Agreement

Subject to certain exceptions, so long as True Wind beneficially owns shares of Preferred Stock and/or Common Stock that represent, in the aggregate and on an as-converted basis, at least 5% of the then-outstanding Common Stock, True Wind must take such action as may be required so that all of the shares of Series A Preferred Stock or Common Stock beneficially owned by True Wind and entitled to vote at such meeting of stockholders are voted (i) in favor of each director nominated and recommended by the Board for election at any such meeting, (ii) against any stockholder nominations for director which are not approved and recommended by the Board for election at any such meeting, (iii) in favor of the Company's say-on-pay proposal and any proposal by the Company relating to equity compensation that has been approved by the compensation committee of the Board and (iv) in favor of the Company's proposal for ratification of the appointment of the Company's independent registered public accounting firm; provided, that True Wind is under no obligation to vote in the same manner as recommended by the Board or in any other manner, other than in True Wind's sole discretion, with respect to any other matter;; True Wind shall be present, in person or by proxy, at all meetings of the stockholders of the Company so that all shares of Series A Preferred Stock or Common Stock beneficially owned by the True Wind may be counted for the purposes of determining the presence of a quorum and voted in accordance with this paragraph at such meetings.

Participation Rights

Subject to certain exceptions, until the later of (A) the date True Wind no longer beneficially owns shares of Preferred Stock and/or Common Stock that represent, in the aggregate and on an as-converted basis, at least 5% of the then-outstanding Common Stock, and (B) the four-year anniversary of the Closing Date, if the Company or a subsidiary of the Company proposes to issue equity securities of any kind, then True Wind will have a right to participate in such transaction based on its pro rata ownership of the Common Stock then outstanding (on an as-converted basis), pursuant to the terms of the Investment Agreement.

Stockholder Approval

The Investment Agreement requires Zix to include in its proxy statement prepared and filed with the Securities Exchange Commission for its 2019 annual meeting of stockholders a proposal for shareholders to approve the issuance of shares of Common Stock to True Wind in connection with any future conversion of the Preferred Stock into Common Stock, including after giving effect to the conversion of shares of Series B Preferred Stock into shares of Series A Preferred Stock in accordance with the terms of such Preferred Stock, and in connection with any issuance

of Common Stock pursuant to, or upon conversion, exercise or exchange of, any securities issued pursuant to True Wind's participation under the Investment Agreement that would, absent such approval, violate Nasdaq Listing Rule 5635 (the "Stockholder Approval"). No shares of the Series A Preferred Stock issued under the Investment Agreement may be voted for such approval.

Registration Rights Agreement

On the Closing Date, Zix entered into a Registration Rights Agreement with Zephyr Holdco. Pursuant to the Registration Rights Agreement, the Company is required to prepare and file within 120 days after the Closing Date a registration statement with the Securities and Exchange Commission (the "SEC") covering the sale or distribution by True Wind of True Wind's Preferred Stock and Common Stock. True Wind may request that the Company launch up to four underwritten offerings within a year, subject to certain limitations, including that the anticipated gross proceeds of each such underwritten offering must be equal to or greater than \$10,000,000. In the event that the Company proposes to file a registration statement with the SEC, under certain circumstances, True Wind will be entitled to certain "piggyback" registration rights allowing True Wind to include its shares in such registration, subject to certain marketing and other limitations. The Company will pay the expenses of one counsel for True Wind and one counsel for all other stockholders party to the Registration Rights Agreement. True Wind's rights pursuant to the Registration Rights Agreement will terminate upon the date on which True Wind no longer holds any registrable securities covered thereby.
