DORCHESTER MINERALS, L.P. ANNOUNCES FIRST QUARTER RESULTS

DALLAS, TEXAS -- Dorchester Minerals, L.P. (the "Partnership") announced today the Partnership's net earnings for the first quarter ended March 31, 2003 ("Q1 2003") of \$3,943,000, or \$0.18 per common unit. This is the initial reporting period for the Partnership since the combination of the business and properties of Dorchester Hugoton, Ltd., Republic Royalty Company and Spinnaker Royalty Company was consummated on January 31, 2003. In accordance with applicable accounting rules, Dorchester Hugoton, Ltd. was deemed to be the acquirer of the Republic and Spinnaker assets. Consequently, Q1 2003 results reflect Dorchester Hugoton's operations during January and the Partnership's operations during February and March, and the acquisitions of Republic and Spinnaker's assets are recorded at the values assigned in accordance with purchase accounting rules. The value assigned to these assets results in depletion expense for periods subsequent to the combination that reflect a greater percentage of net operating revenues than experienced by Dorchester Hugoton. Q1 2003 earnings also reflect severance payments and other payments made by Dorchester Hugoton in connection with the combination transaction. Accounting methods require the first quarter 2003 Partnership results to be compared to the first quarter 2002 Dorchester Hugoton, Ltd. results.

A comparison of results for the periods ending March 31, 2002 and March 31, 2003 are set forth below:

	Three Months Ended March 31,		Two Months Ended March 31,
	2003	2002	2003
Net Operating Revenues	\$13,956,000	\$ 3,700,000	\$11,543,000
Depreciation, Depletion, Amortization	(4,971,000)	(4,803,000)	(541,000)
All Other Expenses	(5,042,000)	(1,342,000)	(1,055,000)
	-----	-----	-----
Net Earnings	\$ 3,943,000	\$ 1,817,000	\$ 5,685,000
	=====	=====	=====
Earnings Per Common Unit	\$0.18	\$0.17	\$0.21
	=====	=====	=====

The Partnership's cash distributions reflect cash receipts attributable to its Net Profits Interests and Royalty Properties less cash disbursements attributable to Management Expenses and Direct Expenses. The Partnership's cash distributions are not comparable to its net earnings due to timing and other differences.

Dorchester Minerals, L.P. is a Dallas area based owner of producing and non-producing natural gas and crude oil royalty, overriding royalty, net profits, and leasehold interests and its common units trade on the Nasdaq Stock Market under the symbol DMLP.

FORWARD-LOOKING STATEMENTS

Portions of this document may constitute "forward-looking statements" as defined by federal law. Such statements are subject to certain risks, uncertainties and assumptions. Should one or more of these risks or

uncertainties materialize, or should underlying assumptions prove incorrect, actual results may vary materially from those anticipated, estimated or projected. Examples of such uncertainties and risk factors include, but are not limited to, changes in the price or demand for oil and natural gas, changes in the operations on or development of the Partnership's properties, changes in economic and industry conditions and changes in regulatory requirements (including changes in environmental requirements) and the Partnership's financial position, business strategy and other plans and objectives for future operations. These and other factors are set forth in the Partnership's filings with the Securities and Exchange Commission.
