(c) Consents. Seller agrees to use commercially reasonable efforts to take, or cause to be taken, all actions and to do, or cause to be done, all things necessary, proper or advisable to consummate and make effective as promptly as practicable the transaction contemplated by this Agreement, including after Closing, and to cooperate with the Purchaser in connection with the foregoing, including using reasonable commercial efforts to cause the landlords of any leases specified as Assets in this Agreement to provide all required lease consents to the transaction contemplated hereby.

Seller further agrees that the Purchaser shall have the right to issue stop transfer instructions to its transfer agent until such time as a sale is permitted under the Act. Seller has been informed that any share certificates representing the Net2Auction Shares will bear the following or substantially similar legend:

The Net2Auction shares being issued are common restricted (R-144) shares and pursuant to the R-144 Regulations the stock cannot be sold for a period of One (1) year from the date of the issuance. The Company upon the One (1) Year anniversary will instruct our corporate counsel, The Woltjen Law Firm, to issue an opinion letter which will allow the legend to be removed from the stock therefore, becoming freely tradeable and sold at the Sellers discretion.

- (k) Survival. The warranties and representations set forth in this Article are ongoing warranties and representations by Seller, and shall survive the Closing.

ARTICLE IV.
