News Release

14 July 2011

ANGLOGOLD ASHANTI TO SELL MINING AREA TO BLYVOORUITZICHT GOLD MINING COMPANY

AngloGold Ashanti confirms that it has offered to sell to Blyvooruitzicht Gold Mining Company, subject to the finalisation of a binding agreement, some 390,000 square metres of its neighbouring Savuka mining area for a consideration of R35 million. The area offered for sale is not within AngloGold Ashanti’s current mine plan. Pending the signing of the sale agreement and securing of the necessary regulatory approvals, Blyvoor will mine the area under contract.

Given the potential losses in jobs and community livelihoods that would follow should Blyvoor be unable to sustain its operations, AngloGold Ashanti believes that the transaction offers a “win-win” for both companies and the communities in which they operate.

Certain statements made in this communication, including, without limitation, those concerning the economic outlook for the gold mining industry,

expectations regarding gold prices, production, cash costs and other operating results, growth prospects and outlook of AngloGold Ashanti’s operations,

individually or in the aggregate, including the completion and commencement of commercial operations of certain of AngloGold Ashanti’s exploration and

production projects, the completion of announced mergers and acquisitions transactions, AngloGold Ashanti’s liquidity and capital resources, and

expenditure and the outcome and consequences of any litigation proceedings or environmental issues, contain certain forward-looking statements regarding

AngloGold Ashanti’s operations, economic performance and financial condition. Although AngloGold Ashanti believes that the expectations reflected in such

forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been

correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result of, among other factors, changes in economic and market conditions, success of business and operating initiatives, changes in the regulatory environment and other government actions including environmental approvals and actions, fluctuations in gold prices and exchange rates, and business and operational risk management. For a discussion of certain of these factors, refer to AngloGold Ashanti's annual report for the year ended 31 December 2010, which was distributed to shareholders on 29 March 2011. The company's 2010 annual report on Form 20-F, was filed with the Securities and Exchange Commission in the United States on May 31, 2011. AngloGold Ashanti undertakes no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events. All subsequent written or oral forward-looking statements attributable to AngloGold Ashanti or any person acting on its behalf are qualified by the cautionary statements herein. AngloGold Ashanti posts information that is important to investors on the main page of its website at www.anglogoldashanti.com and under the "Investors" tab on the main page.
