(1) Represents shares of common stock underlying vested restricted stock that are being withheld to satisfy payment of the Issuer's tax withholding obligation upon the vesting of the performance based restricted stock units. The share of performance based restricted stock units were granted to the filing person on January 11, 2013. The vesting of the shares of performance based restricted stock units was conditioned upon the achievement of certain 2013 earnings before interest, taxes, depreciation, and amortization ("EBITDA") performance versus pre-established targets. The restricted stock units vested over a three year period from 2014-2016. The third and final tranche of shares for this award has been issued.

(2) The common stock number referred in Table I is an aggregate number and represents 18,113 shares of common stock and 6,937 unvested performance based restricted stock units, for which the performance period has been satisfied. These performance based restricted stock units vest over a three year period, in which 33.33% of the performance based restricted stock units vest each year. The satisfaction of the performance target for the 2015 performance based restricted stock units and the one-time NYSE merger-related performance based restricted stock units, and the corresponding number of shares of common stock to be issued pursuant to these awards, will not be determined until February 2016 and February 2017, respectively, and will be reported at those times.
