### INFORMATION STATEMENT

WE ARE NOT ASKING  
YOU FOR A PROXY  
AND YOU ARE  
REQUESTED NOT TO  
SEND US A PROXY.

This Information Statement is being mailed on or about September 8, 2003 to all stockholders of record of NovaMed, Inc., a Nevada corporation ("Corporation"), as of the close of business on August 8, 2003. It is being furnished in connection with the adoption of an amendment to the Corporation's articles of incorporation and the approval of certain appointments to the board of directors. The actions taken were approved by the written consent of the holders of a majority of the outstanding shares of the Corporation's common stock. The Corporation anticipates that the amendment to the articles of incorporation will become effective on September 28, 2003. A copy of the amendment to our articles of incorporation is attached to this document as Exhibit A.

On August 8, 2003, the Corporation's board of directors adopted resolutions proposing and declaring advisable an amendment to our articles of incorporation and stockholder approval of appointments to the board of directors. Specifically, the board of directors proposed that the Corporation change its name from "NovaMed, Inc." to "WWA Group, Inc.", and that the stockholders approve the appointment of Eric Montandon, Cornelis van Lieshout and Digamber Naswa to the Corporation's board of directors.

On August 8, 2003 the actions considered were adopted by the written consent of the holders of a majority of the issued and outstanding shares of the Corporation's common stock entitled to vote thereon in accordance with the provisions set forth in the State of Nevada Revised Statutes Title 7, Chapter 78 Section 320 and Article II, Section 10 of the Corporation's bylaws. Our board of directors decided to obtain the written consent of the holders of the majority of the outstanding common stock entitled to vote on the actions taken in order to eliminate the cost and delay involved in holding a special meeting of the Corporation's stockholders and in order to amend our articles of incorporation in a timely manner.

The record date for purposes of determining the stockholders entitled to vote and to whom this Information Statement is to be sent is August 8, 2003. As of the record date, we had 15,742,803 shares of common stock issued and outstanding and entitled to vote on the actions presented for consideration, with each share of common stock entitled to one vote. The holders of 10,025,000 shares of the issued and outstanding common stock, representing approximately 63% of the votes entitled to be cast with regard to the actions presented, approved the actions by written consent.

Pursuant to regulations promulgated under the Securities Exchange Act of 1934, as amended, the amendment may not be effected until at least 20 calendar days after this Information Statement is sent or given to the Corporation's stockholders. We anticipate that the amendments will become effective on September 28, 2003 upon filing with the Nevada Secretary of State.

There will not be a meeting of stockholders to approve these actions and none is required under the Nevada Revised Corporate Statutes because these actions have been approved by written consent of the holders of a majority of the outstanding shares of the Corporation's voting common stock. Under the State of Nevada Revised Statutes Title 7, Chapter 78 Section 370, Article II, Section 4 of the Corporation's bylaws and Section 14(c) of the Securities Exchange Act of 1934, we are required to provide prompt notice of the taking of corporate action without a meeting to our stockholders of record who have not consented in

### AMENDMENT TO THE ARTICLES OF INCORPORATION

#### NAME CHANGE TO WWA GROUP, INC.

The Corporation's board of directors and the stockholders holding a majority of the outstanding shares of the Corporation's common stock have approved the change of our corporate name from "NovaMed, Inc." to "WWA Group, Inc." by means of an amendment to the Corporation's articles of incorporation. The corporate name change will become effective upon the filing of an amendment to the Corporation's articles of incorporation with the Nevada Secretary of State, which is expected to occur as soon as is reasonably practicable on or after the twentieth (20th) day following the mailing of this Information Statement to our stockholders.

#### REASONS FOR NAME CHANGE

The stockholders holding a majority of the outstanding shares of the Corporation's common stock believe that changing our corporate name to "WWA Group, Inc." is in the best interests of the Corporation and our stockholders to better reflect our new business.

The Corporation recently acquired 100% of World Wide Auctioneers, Ltd. ("WWA Dubai") as a wholly owned subsidiary. WWA Dubai is an international equipment auction company based in the United Arab Emirates that holds unreserved auctions for the sale of construction, industrial and transportation equipment on a consignment basis. Virtually all other equipment auction companies trade for their own accounts in their own auctions, a practice that diminishes the auctioneer's returns and antagonizes equipment dealers. WWA Dubai's business focus on selling on behalf of consignors rather than buying or selling on its own account eliminates any conflict between its own interests and those of buyers or sellers.

WWA Dubai has conducted heavy equipment consignment auctions in Dubai and Jakarta, Indonesia using a sophisticated auction and mailing information system developed in-house over three years of holding auctions. Management is in the process of formalizing agreements to auction large packages of equipment in the U.S., South America and Australia. Equipment, once secured, will be auctioned either in Dubai or through a partner in Australia. Joint ventures to conduct auctions in China, South America and India are also under consideration.

The voting and other rights that accompany the Corporation's securities will not be affected by the change in our corporate name. However, both our ticker symbol, which is "NOMD," and our CUSIP number will change as a result of the Corporation's name change. Stockholders may, but need not, exchange their certificates to reflect the change in corporate name and CUSIP number. Your existing certificate or certificates will continue to represent shares of the Corporation's common stock as if its name had not changed. The Corporation's transfer agent will issue stock certificates with its new name as stock certificates are sent in upon transfers of shares by our existing stockholders. Until you sell or otherwise transfer your shares of common stock, there is no need to send our transfer agent or us your existing stock certificates.

### VOTE REQUIRED

The affirmative vote of the holders of a majority of the outstanding shares of common stock is required for approval of this amendment to the Corporation's articles of incorporation. The Corporation has obtained this approval through the written consent of stockholders owning a majority of the outstanding voting shares of its common stock. Therefore, an extraordinary meeting of the stockholders to approve the name change and the amendment to the articles of incorporation is unnecessary and will not take place for this purpose. A copy of the amendment is attached to this Information Statement as Exhibit A.

### Corporate Governance; Board Committees; and Meetings

Beginning in the second quarter of 2002, the Corporation began an initiative to evaluate its current corporate governance policies and practices and to institute changes in its corporate governance in order to comply with current and proposed corporate accountability standards required under the Sarbanes-Oxley Act of 2002. The results of that evaluation were a determination to form a standing audit committee. The audit committee has not yet been created. The Corporation further determined to form a compensation committee at such time as the composition of the board of directors is comprised of sufficient members to permit useful oversight of the actions of managerial directors.

The board of directors held two meetings during fiscal 2002. Various matters were however approved during fiscal 2002 and fiscal 2003 to date by the unanimous written consent of the board of directors.
