Item 1.01 Entry Into a Material Definitive Agreement.

Securities Purchase Agreement

On August 26, 2008, China Valves Technology, Inc. (the “Company”) entered into a securities purchase agreement (the “Securities Purchase Agreement”) with certain accredited investors (collectively, the “Investors”). Under the Securities Purchase Agreement, the Company agreed to issue and sell to the Investors 16,778,523 shares of the Company’s common stock (the “Shares”), representing approximately 29.5% of the issued and outstanding capital stock of the Company on a fully-diluted basis as of and immediately after consummation of the transactions contemplated by the Securities Purchase Agreement, for an aggregate purchase price of approximately \$30 million (the “Purchase Price”), or \$1.788 per share. The closing of the transactions contemplated by the Securities Purchase Agreement occurred on August 26, 2008 (the “Closing Date”).

The Company also agreed that no later than ninety (90) days following the Closing Date, the board of directors of the Company will be comprised of a minimum of five members with a majority of them being independent directors and at least two of them being fluent English speakers (such a board of directors being referred to as a “Qualified Board”). In addition, the Company agreed to hire, no later than ninety (90) days following the Closing Date, a chief financial officer who is (i) a certified public accountant, (ii) fluent in English, (iii) an expert in United States generally accepted accounting principles (“GAAP”) and auditing procedures and compliance for United States public companies, and (iv) approved by a majority-in-interest of the Investors (such a chief financial officer being referred to as a “Qualified CFO”). Finally, the Company also agreed hire CCG Elite (the “IR Firm”) as its investor relations firm no later than thirty (30) days following the Closing Date.

Other than with respect to this transaction, none of the Investors have had a material relationship with the Company or any of the Company’s officers, directors or affiliates or any associate of any such officer or director.

Registration Rights Agreement

On August 26, 2008, as a condition precedent to the consummation of the transactions contemplated by the Securities Purchase Agreement, the Company and the Investors also entered into a registration rights agreement (the “Registration Rights Agreement”), pursuant to which the Company is obligated to register the Shares within a pre-defined period. Under the terms of the Registration Rights Agreement, the Company is obligated to file a registration statement under the Securities Act of 1933 on Form S-1 or on Form S-3 (if the Company is eligible) covering the resale of the Shares and any other shares of common stock issued to the Investors under the Securities Purchase Agreement. If the Company does not file the required registration statements in a timely manner, or if the Company fails to file a pre-effective amendment to such registration statements and respond in writing to the comments made by the Securities and Exchange Commission (the “SEC”) within a pre-defined period, then the Investors are entitled to liquidated damages equal to 1.0% of the aggregate contribution of each Investor in any 30-day period up to a maximum of 10% of the aggregate amount of the Purchase Price. The Registration Rights Agreement also gives the Investors customary piggyback registration rights.

Lock-up Agreements

On August 26, 2008, the Company entered into separate lock-up agreements (the “Lock-up Agreements”) with each director and officer of the Company (each a “Holder”), pursuant to which each Holder agreed that, except as set forth in the Lock-up Agreement, such Holder will not offer, pledge, encumber, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase or otherwise transfer or dispose of, directly or indirectly, or announce the offering of, any of his or her shares of the Company’s common stock (including any securities convertible into, or exchangeable for, or representing the rights to receive, the

Company's common stock) or engage in any short sales with respect to any security of the Company, for a period commencing from and after the date of the Lock-up Agreement and through and including the one year anniversary of the effective date of a registration statement resulting in all Shares being registered for resale by the Investors.

#### Holdback Escrow Agreement

On August 26, 2008, the Company entered into a holdback escrow agreement (the “Holdback Escrow Agreement”) with the Investors and Escrow, LLC, as escrow agent (the “Escrow Agent”), pursuant to which the Company agreed that an aggregate of \$3,150,000 of the Purchase Price (the “Holdback Amount”) will be deposited on the Closing Date with the Escrow Agent and be distributed upon the satisfaction of certain covenants set forth in the Securities Purchase Agreement.

Pursuant to the Holdback Escrow Agreement, \$1,500,000 of the Holdback Amount will be released to the Company upon the Company’s satisfaction of the covenant regarding the Qualified Board; \$1,500,000 of the Holdback Amount will be released to the Company upon the Company’s satisfaction of the covenant regarding the Qualified CFO; and \$150,000 of the Holdback Amount will be released to the Company upon the Company’s satisfaction of the covenant regarding the hiring of the IR Firm and from time to time to cover the Company’s investor relations related expenses.

If the Company fails to satisfy the covenants regarding the Qualified Board and Qualified CFO (each such failure being referred to as a “Holdback Event”), then the Investors are entitled to liquidated damages equal to 1.0% of the aggregate contribution of each Investor on the date of each such Holdback Event (each, a “Holdback Event Date”) and on each monthly anniversary of such Holdback Event Date until the applicable Holdback Event is cured.

#### Make Good Escrow Agreement

Also in connection with the entry into the Securities Purchase Agreement, on August 26, 2008, the Company entered into a make good escrow agreement (the “Make Good Escrow Agreement”) with Bin Li (the “Pledgor”), the Investors, Brean Murray, Carret & Co., LLC (“Brean Murray”) and the Escrow Agent, pursuant to which the Pledgor agreed to certain “make good” provisions in the event that the Company does not meet certain income thresholds for fiscal years 2008, 2009 and/or 2010. Pursuant to the Make Good Escrow Agreement, the Pledgor will establish an escrow account and deliver to the Escrow Agent certificates evidencing 25,166,064 shares of the Company’s common stock held by the Pledgor (the “Make Good Shares”) along with blank stock powers, to be held for the benefit of the Investors.

The Pledgor agreed that (i) if the after tax net income (the “ATNI”) for the Company’s 2008 fiscal year is less than \$10,500,000; or (ii) if the Company’s earnings per share (calculated by dividing the Company’s ATNI by the weighted average number of shares of common stock of the Company outstanding during the calculation period, calculated on a fully diluted basis, and referred to herein as the “Earnings Per Share”) for the Company’s 2009 fiscal year is less than \$.369 per share or the ATNI for the Company’s 2009 fiscal year is less than \$23,000,000; or (iii) if the Company’s Earnings Per Share for the Company’s 2010 fiscal year is less than \$.497 per share or the ANTI for the Company’s 2010 fiscal year is less than \$31,000,000, then, in each case, the Pledgor will transfer to the Investors, on a pro rata basis, one-third of the Make Good Shares within 10 business days after the Company’s annual report on Form 10-K is filed for the respective fiscal year.

In such event, the Pledgor's obligation to transfer the Make Good Shares continues to apply to each of the Investors, even if an Investor has transferred or sold all or any portion of its securities, and each of the Investors shall have the right to assign its rights to receive a pro rata portion of the Make Good Shares in conjunction with negotiated sales or transfers of any of its securities.

If the ATNI for the Company's 2008 fiscal year is no less than \$10,500,000 (after the exclusion of certain items from the calculation), then one-third of the Make Good Shares will be released to the Pledgor. If the Earnings Per Share is no less than \$.369 per share or the ATNI is no less than \$23,000,000 for the Company's 2009 fiscal year (after the exclusion of certain items from the calculation), then an additional one-third of the Make Good Shares will be released to the Pledgor. If the Earnings Per Share is no less than \$.497 per share or the ATNI is no less than \$31,000,000 for the Company's 2010 fiscal year (after the exclusion of certain items from the calculation), then the remaining one-third of the Make Good Shares will be released to the Pledgor.

The parties also agreed that for purposes of determining the ATNI under the Make Good Agreement, the release of the Make Good Shares to the Investors or the Pledgor as a result of the operation of the Make Good Escrow Agreement shall not be deemed to be an expense, charge, or other deduction from revenues even though GAAP may require contrary treatment. The Make Good Escrow Agreement will terminate upon the distribution of all the Make Good Shares.
