Item 2.02. Results of Operations and Financial Condition.

On May 2, 2018, Alimera Sciences, Inc. (“Alimera”) issued a press release regarding its results of operations and financial condition for the first quarter ended March 31, 2018. Alimera will be hosting a conference call, as well as a live webcast on the Investor Relations section of its corporate website at www.alimerasciences.com, on May 3, 2018 at 9:00 A.M. ET to discuss its first quarter ended March 31, 2018 financial results and to provide regulatory and commercial updates. The full text of the press release, which includes information regarding Alimera’s use of non-GAAP financial measures, is furnished as Exhibit 99.1 to this Current Report on Form 8-K.

Various statements to be made during the conference call and webcast are “forward-looking statements,” within the meaning of the Private Securities Litigation Reform Act of 1995, regarding, among other things, the positive effects of Alimera’s new loan agreement, including removal of a stringent liquidity requirement present in the former loan agreement, which Alimera believes will allow it to focus on initiatives and opportunities that will grow its business successfully. Words such as “anticipate,” “believe,” “estimate,” “expect,” “intend,” “may,” “plan,” “contemplate,” “predict,” “target,” “likely,” “potential,” “continue,” “ongoing,” “will,” “would,” “should,” “could,” or the negative of these terms and similar expressions are intended to identify forward-looking statements, although not all forward-looking statements contain these identifying words. Such forward-looking statements are based on current expectations and involve inherent risks and uncertainties, including factors that could delay, divert or change any of them, and could cause actual results to differ materially from those projected in its forward-looking statements. Meaningful factors which could cause actual results to differ include, but are not limited to, (a) whether the new loan agreement will allow the Company to focus on initiatives and opportunities that will grow its business successfully and (b) other factors discussed in the “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” sections of Alimera’s Annual Report on Form 10-K for the year ended December 31, 2017, which is on file with the Securities and Exchange Commission (SEC) and available on the SEC’s website at <http://www.sec.gov>. Additional factors may also be set forth in those sections of Alimera’s Annual Report on Form 10-Q for the three months ended March 31, 2018, to be filed with the SEC in the near future. In addition to the risks described above and in Alimera’s Annual Report on Form 10-K, Quarterly Reports on Form 10-Q, Current Reports on Form 8-K and other filings with the SEC, other unknown or unpredictable factors could affect Alimera’s results. There can be no assurance that the actual results or developments anticipated by Alimera will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on, Alimera. Therefore, no assurance can be given that the outcomes stated in such forward-looking statements and estimates will be achieved.

All forward-looking statements made during the conference call and webcast are expressly qualified by the cautionary statements contained or referred to herein. Alimera cautions investors not to rely too heavily on the forward-looking statements Alimera makes or that are made on its behalf. These forward-looking statements speak only as of the date of this press release (unless another date is indicated). Alimera undertakes no obligation, and specifically declines any obligation, to publicly update or revise any such forward-looking statements, whether as a result of new information, future events or otherwise.

The information in Item 2.02 of this Current Report on Form 8-K and the press release furnished as Exhibit 99.1 hereto shall not be deemed “filed” for purposes of Section 18 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), or otherwise subject to the liabilities of that section, nor shall it be deemed incorporated by reference in any filing under the Securities Act of 1933, as amended (the “Securities Act”), or the Exchange Act, except as expressly set forth by specific reference in such a filing.

Item 7.01. Regulation FD.

The earnings webcast will include certain non-GAAP financial measures. Reconciliations of these non-GAAP financial measures to the comparable measures calculated and presented in accordance with GAAP are included in Alimera’s press release issued May 2, 2018 and attached hereto as Exhibit 99.1.

The information in this Current Report on Form 8-K under Item 7.01 is being “furnished” and not “filed” with the SEC for purposes of Section 18 of the Exchange Act, or otherwise subject to the liabilities under such section. Furthermore, such information shall not be deemed incorporated by reference in any filing under the Securities Act, or the Exchange Act, unless specifically identified as being incorporated therein by reference.
