PROXY STATEMENT

These proxy materials are furnished to you in connection with the solicitation of proxies by the Board of Directors (the “Board”) of Cardtronics, Inc., for use at our 2014 Annual Meeting of Stockholders and any adjournments or postponements of the meeting (the “Annual Meeting”). The Annual Meeting will be held on Wednesday, May 21, 2014, at 5:00 p.m., central daylight time, at our principal executive offices, which are located at 3250 Briarpark Drive, Suite 400, Houston, Texas 77042. Directions to our offices are set forth on the last page of this Proxy Statement.

On or about April 10, 2014, we mailed a Notice of Internet Availability to our stockholders of record and beneficial owners who owned shares of our common stock at the close of business on March 25, 2014. The Notice of Internet Availability contains information on how to access the proxy materials and vote online. The Notice of Annual Meeting, this Proxy Statement, and our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 (“Annual Report”) are available to you in the Investor Relations section of our website at www.cardtronics.com or, upon your request paper version of these materials will be delivered to you by mail.

ABOUT THE ANNUAL MEETING

What is the purpose of the 2014 Annual Meeting of Stockholders?

At the Annual Meeting, our stockholders will be asked to (1) elect two Class I directors to serve until the 2017 Annual Meeting of Stockholders; (2) adopt a resolution in which they approve, on an advisory basis, the compensation of the Named Executive Officers as disclosed in this Proxy Statement; (3) ratify the Audit Committee's selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014; (4) adopt a resolution to amend our Amended and Restated Certificate of Incorporation to remove plurality voting for the election of directors; (5) increase the maximum number of Shares that can be granted as equity incentive awards under the Amended and Restated 2007 Stock Incentive Plan ("the "2007 Plan"); (6) approve the modification to material terms of the 2007 Plan for purposes of Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"); and (7) transact such other business as may properly come before the Annual Meeting. Each of the above matters that will be submitted to the stockholders for their approval (each a "Proposal") is described in more detail on pages 6 to 15 herein.

Why did I receive these proxy materials?

You received these proxy materials from us in connection with the solicitation by our Board of proxies to be voted at the Annual Meeting because you owned our common stock at the close of business on March 25, 2014. We refer to this date as the "record date."

This Proxy Statement contains important information for you to consider when deciding how to vote your shares at the Annual Meeting. Please read this Proxy Statement carefully.

What is a proxy?

A proxy is your legal designation of another person to vote the shares that you own. That other person is called a proxy. If you designate someone as your proxy in a written document, that document is also called a proxy or a proxy card. Our Board has appointed J. Chris Brewster and Michael E. Keller (the “Proxy Holders”) to serve as proxies for the Annual Meeting.

If you are a stockholder of record (as discussed in more detail below) and you properly complete and submit a proxy, your shares will be voted by the Proxy Holders in accordance with your instructions on the proxy. If you complete and submit a proxy, but do not indicate any contrary voting instructions, the Proxy Holders will vote in accordance with the recommendations of the Board. See “What are the recommendations of the Board?” below for additional information.

If you are a street name stockholder, in some cases, your shares may be voted even if you do not provide your broker, bank, or other nominee with voting instructions. At the Annual Meeting, except for Proposal No. 3 (Ratification of the Selection of the Independent Registered Public Accounting Firm), brokers will not have discretionary authority to vote on any of the proposals in the absence of timely instructions from the beneficial owners. See “What is the effect of abstentions and broker non-votes and what vote is required to approve each proposal discussed in this Proxy Statement?” below for additional information.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, then you own our common stock through multiple accounts with our transfer agent and/or brokers, banks, or other nominees. Please sign and return all proxy cards to ensure that all of your shares are voted at the Annual Meeting.

What is the difference between holding shares as a “stockholder of record” and holding shares in “street name”?

•**Stockholder of Record.** If your shares are registered directly in your name with our transfer agent, Wells Fargo Bank, N.A., you are considered a “stockholder of record” with respect to those shares, and you are receiving these proxy materials directly from us. As the stockholder of record, you have the right to mail your proxy directly to us or to vote in person at the Annual Meeting.

•Street Name Stockholder. If your shares are held in a stock brokerage account, by a bank or other holder of record (commonly referred to as being held in “street name”), you are the “beneficial owner” with respect to those shares and these proxy materials are being forwarded to you by that custodian, which is considered, with respect to those shares, the stockholder of record. As the beneficial owner, you have the right to direct your broker, bank, or other nominee how to vote and you are also invited to attend the Annual Meeting. However, since you are not the stockholder of record, you may not vote these shares in person at the Annual Meeting unless you obtain a signed proxy from the stockholder of record giving you the right to vote the shares. Your broker, bank, or other nominee has provided voting instructions for you to use in directing the broker, bank, or other nominee how to vote your shares. If you fail to provide sufficient instructions to your broker, bank, or other nominee, the stockholder of record may be prohibited from voting your shares as discussed elsewhere in this Proxy Statement.

How many votes must be present to hold the Annual Meeting?

There must be a quorum for the Annual Meeting to be held. A quorum is the presence at the Annual Meeting, in person or by proxy, of the holders of a majority of the outstanding shares of common stock entitled to vote as of the record date. Abstentions and broker non-votes will be counted for purposes of establishing a quorum at the Annual Meeting. As of the record date, there were 44,481,159 shares of our common stock outstanding and entitled to vote at the Annual Meeting. Consequently, the presence of the holders of at least 22,240,580 shares of common stock, in person or by proxy, is required to establish a quorum for the Annual Meeting.

If less than a quorum is represented at the Annual Meeting, the presiding officer of the meeting or the holders of a majority of the issued and outstanding stock, (on an as converted basis) present in person or represented by proxy, at the Annual Meeting, may adjourn the meeting and the proxy holders will vote the proxies they have been authorized at the Annual Meeting in favor of such an adjournment. In the event a quorum is present at the Annual Meeting but sufficient votes to approve any of the items proposed by our Board have not been received, the presiding officer of the meeting or the persons named as proxies may propose one or more adjournments of the Annual Meeting to permit further solicitation of proxies. A stockholder vote may be taken on one or more of the proposals in this proxy statement prior to such adjournment if sufficient proxies have been received and it is otherwise appropriate.

How many votes do I have?

You are entitled to one vote for each share of common stock that you owned on the record date on all matters considered at the Annual Meeting.

How do I vote my shares?

•**Stockholder of Record.** Shares held directly in your name as the stockholder of record can be voted in person at the Annual Meeting or you can provide a proxy to be voted at the Annual Meeting by signing and dating the enclosed proxy card and returning it in the enclosed postage-paid envelope. If you plan to vote in person at the Annual Meeting, please bring proof of identification. Even if you currently plan to attend the Annual Meeting, we recommend that you also submit your proxy as described above so that your vote will be counted if you later decide not to attend the Annual Meeting.

•**Street Name Stockholder.** If you hold your shares in “street name”, please follow the instructions provided by your bank, broker, or other holder of record (the record holder). Shares held in street name may be voted in person by you at the Annual Meeting only if you obtain a signed proxy from the record holder giving you the right to vote the shares. If you hold your shares in street name and wish to simply attend the Annual Meeting, please bring proof of ownership and identification.

What are the recommendations of the Board?

Our Board recommends that you vote:

•**FOR** the election of the two nominated Class I directors;

•**FOR** the resolution in which the stockholders approve, on an advisory basis, the compensation of the Named Executive Officers as disclosed in this Proxy Statement;

- FOR the proposal to ratify the Audit Committee’s selection of KPMG LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2014;
- FOR the proposal to amend our Certificate of Incorporation to remove plurality voting for the election of directors;
- FOR the proposal to increase the maximum number of shares that can be granted as equity incentive awards under the 2007 Plan; and
- FOR the proposal to approve the modification to material terms of the 2007 Plan for purposes of Section 162(m) of the Code.

Can I change my vote after I return my proxy card?

Yes. Even after you have returned your proxy card, you may revoke your proxy at any time before it is exercised by (1) submitting a written a notice of revocation to our General Counsel and Secretary, Michael E. Keller, by mail to Cardtronics, Inc., 3250 Briarpark Drive, Suite 400, Houston, Texas 77042 or by facsimile at (832) 308-4761 no later than May 20, 2014; (2) mailing in a new proxy card bearing a later date but no later than May 20, 2014; or (3) attending the Annual Meeting and voting in person, which suspends the powers of the Proxy Holders.

If you are a “street name” stockholder, you may change your vote by submitting new voting instructions to your bank, broker, or nominee in accordance with that entity’s procedures.

Could other matters be decided at the Annual Meeting?

At the time this Proxy Statement was filed, we did not know of any matters to be raised at the Annual Meeting other than those referred to in this Proxy Statement. With respect to any other matter that properly comes before the Annual Meeting, the Proxy Holders will vote the proxies as recommended by our Board or, if no recommendation is given, in their own discretion.

What is the effect of abstentions and broker non-votes and what vote is required to approve each proposal discussed in this Proxy Statement?

Abstentions and Broker Non-Votes. Abstentions and broker non-votes are counted for purposes of determining the presence or absence of a quorum for the transaction of business. Abstentions occur when stockholders are present at the Annual Meeting but choose to withhold their vote for any of the matters upon which the stockholders are voting. Broker non-votes occur when other holders of record (such as banks and brokers) that hold shares on behalf of beneficial owners do not receive voting instructions from the beneficial owners before the Annual Meeting and do not have discretionary authority to vote those shares if they do not receive timely instructions from the beneficial owners.

Election of Directors. A plurality of the votes cast is required for the election of directors. This means that the two Class I director nominees receiving the highest number of affirmative votes will be elected to our Board. You may vote “FOR” or “WITHHOLD AUTHORITY” for each Class I director nominee. If you “WITHHOLD AUTHORITY,” your votes will be counted for purposes of determining the presence or absence of a quorum, but will have no legal effect on the election of directors under Delaware law or our Bylaws. Broker non-votes are not treated as entitled to cast a vote and therefore will have no impact on the proposal.

Advisory Vote on Executive Compensation. The affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item is required to approve this proposal. You may vote “FOR,” “AGAINST” or “ABSTAIN” on this proposal. If you “ABSTAIN,” your votes will be counted for purposes of establishing a quorum, and the abstention will have the same effect as a vote “AGAINST” the proposal. Broker non-votes are not treated as entitled to vote and therefore will have no impact on the proposal.

Ratification of the Appointment of the Independent Registered Public Accounting Firm. The affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item is required to approve this proposal. You may vote “FOR,” “AGAINST” or “ABSTAIN” on this proposal. If you “ABSTAIN,” your votes will be counted for purposes of establishing a quorum, and the abstention will have the same effect as a vote “AGAINST” the proposal. This proposal is considered a “routine” matter, so if you are a street name stockholder, your broker, bank, trust or other holder of record is permitted to vote your shares on this proposal even if the broker does not receive voting instructions from you.

Amendment to our Certificate of Incorporation. Under the terms of our Certificate of Incorporation, the affirmative vote of the holders of no less than 66 2/3% of the shares represented in person or by proxy and entitled to vote on the item is required to approve this proposal. You may vote “FOR,” “AGAINST” or “ABSTAIN” on this proposal. If you “ABSTAIN,” your votes will be counted for purposes of establishing a quorum, and the abstention will have the same effect as a vote “AGAINST” the proposal. Broker non-votes are not treated as entitled to vote and therefore will have no impact on the proposal.

Increase in Shares Available Under the 2007 Plan. The affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item is required to approve this proposal. You may vote “FOR,” “AGAINST” or “ABSTAIN” on this proposal. If you “ABSTAIN,” your votes will be counted for purposes of establishing a quorum, and the abstention will have the same effect as a vote “AGAINST” the proposal. Broker non-votes are not treated as entitled to vote and therefore will have no impact on the proposal.

Modification to Material Terms of the 2007 Plan. The affirmative vote of the holders of a majority of the shares represented in person or by proxy and entitled to vote on the item is required to approve this proposal. You may vote “FOR,” “AGAINST” or “ABSTAIN” on this proposal. If you “ABSTAIN,” your votes will be counted for purposes of establishing a quorum, and the abstention will have the same effect as a vote “AGAINST” the proposal. Broker non-votes are not treated as entitled to vote and therefore will have no impact on the proposal.

Who is participating in this proxy solicitation and who will pay for its cost?

We will bear the entire cost of soliciting proxies, including the cost of the preparation and distribution of this Proxy Statement, the proxy card, and any additional information furnished to our stockholders. In addition to this solicitation, our directors, officers, and other employees may solicit proxies by use of mail, telephone, facsimile, electronic means, in person or otherwise. These persons will not receive any additional compensation for assisting in the solicitation, but may be reimbursed for reasonable out-of-pocket expenses in connection with the solicitation.

We have retained Broadridge Investor Communication Solutions, Inc. (“Broadridge”) to aid in the distribution of

proxy materials and to provide voting and tabulation services for the Annual Meeting. For these services, we will pay Broadridge a fee of approximately \$46,000 and reimburse it for certain expenses. In addition, we will reimburse brokerage firms, nominees, fiduciaries, custodians, and other agents for their expenses in distributing proxy materials to the beneficial owners of our common stock.

May I propose actions for consideration at the next annual meeting of stockholders or nominate individuals to serve as directors?

You may submit proposals for consideration at future stockholder meetings, including director nominations. Please see “Corporate Governance – Our Board – Director Selection and Nomination Process” and “Proposals for the 2015 Annual Meeting of Stockholders” for more details.

What is “householding” and how does it affect me?

The Securities and Exchange Commission (“SEC”) has implemented rules regarding the delivery of proxy materials to households. This method of delivery, often referred to as “householding,” permits us to send a single Annual Report and/or a single Proxy Statement to any household at which two or more different stockholders reside where we believe the stockholders are members of the same family or otherwise share the same address or where one stockholder has multiple accounts. In each case, the stockholder(s) must provide express or implied prior consent to the householding process. Under the householding procedure, each stockholder continues to receive a separate notice of any meeting of stockholders and proxy card. Householding reduces the volume of duplicate information our stockholders receive and reduces our expenses. We may institute householding in the future and will notify our registered stockholders who will be affected by householding at that time.

Many banks, brokers, and other holders of record have instituted householding. If you or your family have one or more “street name” accounts under which you beneficially own our common stock, you may have received householding information from your bank, broker, or other holder of record in the past. Please contact the holder of record directly if you have questions, require additional copies of this Proxy Statement or our Annual Report or wish to revoke your decision to household and thereby receive multiple copies. You should also contact the holder of record if you wish to institute householding. These options are available to you at any time.

Whom should I contact with questions about the Annual Meeting?

If you have any questions about this Proxy Statement or the Annual Meeting, please contact our General Counsel and Secretary, Michael E. Keller, at 3250 Briarpark Drive, Suite 400, Houston, Texas 77042 or by telephone at (832)

308-4000.

Where may I obtain additional information about Cardtronics, Inc.?

We refer you to our Annual Report on Form 10-K for the fiscal year ended December 31, 2013 filed with the SEC on February 18, 2014. Our Annual Report, including audited financial statements, is available on our website at www.cardtronics.com. Our Annual Report is not part of the proxy solicitation material.

IF YOU WOULD LIKE TO RECEIVE ADDITIONAL INFORMATION ABOUT CARDTRONICS, INC., PLEASE CONTACT OUR GENERAL COUNSEL AND SECRETARY, MICHAEL E. KELLER, AT 3250 BRIARPARK DRIVE, SUITE 400, HOUSTON, TEXAS 77042.

On the following pages, we have set forth the six proposals that are being submitted to the stockholders for their approval. Following each proposal is a summary of the proposal as well as the Board's recommendation in support thereof.

PROPOSAL NO. 1:

ELECTION OF CLASS I DIRECTORS

Our Director Nominees

Our Board currently has nine director positions that are divided into three classes, with one class to be elected at each Annual Meeting of Stockholders to serve for a three-year term. The term of our Class I directors expires at the 2014 Annual Meeting of Stockholders; the term of our Class II directors expires at the 2015 Annual Meeting of Stockholders; and the term of our Class III directors expires at the 2016 Annual Meeting of Stockholders; with each director to hold office until his or her successor is duly elected and qualified or until the earlier of his or her death, retirement, resignation or removal. Our Class I directors are Jorge M. Diaz and G. Patrick Phillips; our Class II directors are J. Tim Arnoult, Dennis F. Lynch, and Juli C. Spottiswood; and our Class III directors are Julie Gardner, Steven A. Rathgaber and Mark Rossi. Our Board currently has one vacant director position.

Effective March 5, 2014, acting upon the recommendation of the Nominating & Governance Committee, the Board nominated Jorge M. Diaz and G. Patrick Phillips for re-election as Class I directors at the Annual Meeting. Each nominee is currently a director, has consented to being named a nominee in this Proxy Statement, and has indicated a willingness to serve if elected. Class I directors elected at the Annual Meeting will serve for a term to expire at the 2017 Annual Meeting of Stockholders, with each director to hold office until his successor is duly elected and qualified or until his earlier death, retirement, resignation or removal. We did not pay any third-party fees to assist in the process of identifying or evaluating these candidates.

Unless authority to vote for a particular nominee is withheld, the shares represented by the enclosed proxy will be voted FOR the election of each of Jorge M. Diaz and G. Patrick Phillips as Class I directors. In the event that any nominee becomes unable or unwilling to serve, the shares represented by the enclosed proxy will be voted for the election of such other person as the Board may recommend in his place. We have no reason to believe that any nominee will be unable or unwilling to serve as a director.

A plurality of the votes cast at the Annual Meeting is required to elect each nominee as a Class I director.

Stockholders may not cumulate their votes in the election of our directors.

The names and certain information about the Class I director nominees, including their ages as of the Annual Meeting date, positions with Cardtronics, Inc., as well as the specific experience, qualifications, attributes and skills that led the

Board to the conclusion that the director should be nominated to serve on the Board in light of our business, are set forth below:

| Name | Age | Position |
|---------------------|-----|------------------|
| Jorge M. Diaz | 49 | Class I Director |
| G. Patrick Phillips | 64 | Class I Director |

Jorge M. Diaz has served as a director of our company since December 2004. Mr. Diaz is the Division President and Chief Executive Officer of Fiserv Output Solutions, a division of Fiserv, Inc. (“Fiserv”), and has held that position since April 1994. Fiserv Output Solutions provides card production services, statement processing and electronic document distribution services. In January 1985, Mr. Diaz co-founded National Embossing Company, a predecessor company to Fiserv Output Solutions. Mr. Diaz sold National Embossing Company to Fiserv in April 1994. Mr. Diaz serves as a director for the local chapter of the Boys and Girls Club, a national non-profit organization.

Mr. Diaz’ extensive experience in the electronic funds transfer processing industry, as well as his long-standing association with our company, makes him uniquely qualified to serve on our Board, our Compensation Committee, and our Nominating & Governance Committee.

G. Patrick Phillips has served as a director of our company since February 2010. Mr. Phillips retired from Bank of America in 2008, after a 35-year career, most recently serving as President of Bank of America’s Premier Banking and Investments group from August 2005 to March 2008. During his tenure at Bank of America, Mr. Phillips led a variety of consumer, commercial, wealth management and technology businesses. Mr. Phillips also serves on the board of directors of USAA Federal Savings Bank where he serves as Chairman of the Finance and Audit Committee. Mr. Phillips previously served as a director of Visa USA and Visa International from 1990 to 2005 and 1995 to 2005, respectively. Mr. Phillips received a Masters of Business Administration from the Darden School (of business) at the University of Virginia in 1973 and graduated from Presbyterian College in Clinton, South Carolina in 1971.

Mr. Phillips’ extensive experience in the banking industry and the electronic payments industry makes him uniquely qualified to serve on our Board, our Audit Committee, and as Chairman of our Compensation Committee.

OUR BOARD RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” EACH OF THE CLASS I DIRECTOR NOMINEES IDENTIFIED ABOVE.

Continuing Directors

In addition to the Class I directors to be elected at the Annual Meeting, the directors who will continue to serve on our Board after the Annual Meeting, their ages as of the Annual Meeting date, positions with Cardtronics, Inc., as well as the specific experience, qualifications, attributes and skills that led the Board to the conclusion that the director should serve on the Board in light of our business are set forth below:

| Name | Age | Position |
|---------------------|-----|--------------------|
| J. Tim Arnoult | 65 | Class II Director |
| Dennis F. Lynch | 65 | Class II Director |
| Juli C. Spottiswood | 47 | Class II Director |
| Julie Gardner | 56 | Class III Director |
| Steven A. Rathgaber | 60 | Class III Director |
| Mark Rossi | 57 | Class III Director |

J. Tim Arnoult has served as a director of our company since January 2008. Mr. Arnoult provides over 30 years of banking, payments and information technology experience to our Board. From 1979 to 2006, Mr. Arnoult served in various positions at Bank of America, N.A., including President of Global Treasury Services in 2005 and 2006, President of Global Technology and Operations from 2000 to 2005, President of Central U.S. Consumer and Commercial Banking from 1996 to 2000, and President of Private Banking from 1992 to 1996. In September 2012, Mr. Arnoult was elected to serve on the board of directors for Stellus Capital Investment Corporation. Mr. Arnoult has experience serving as a director for public and private companies as well as significant nonprofit and industry association boards, including the board of Visa USA. We believe Mr. Arnoult's broad financial services background, including international responsibilities, and past directorship experience make him well qualified to serve on our Board, as Chairman of our Nominating & Governance Committee, on our Audit Committee, and on our Finance Committee.

Dennis F. Lynch has served as a director of our company since January 2008 and Chairman of the Board since November 2010. Mr. Lynch has over 30 years of experience in the payments industry and has led the introduction and growth of various card products and payment solutions. Mr. Rathgaber also served as Chairman of the Everlink board from June 2004 until May 2006. Mr. Rathgaber holds a Bachelor of Science degree in Accounting from St. John’s University.

The Board has concluded that Mr. Rathgaber should continue to serve as a director for our company based upon the following reasons, among others: (1) his current position as our Chief Executive Officer enables him to bring invaluable operational, financial, regulatory, and governance insights to the Board; and (2) his considerable role in the management of our company enables him to continually educate and advise the Board on our business, industry and related opportunities and challenges.

PROPOSAL NO. 2:

ADVISORY VOTE TO APPROVE NAMED EXECUTIVE OFFICER COMPENSATION

Pursuant to Section 14A of the Securities Exchange Act of 1934, as amended (the “Exchange Act”) we are asking stockholders to approve, on an advisory basis, the compensation of our Named Executive Officers as disclosed in this Proxy Statement in accordance with the compensation disclosure rules of the SEC. We believe that it is appropriate to seek the views of stockholders on the design and effectiveness of our executive compensation program, and we value your opinion. Based on the stockholder vote on the frequency of an advisory vote on executive compensation that took place at our 2011 Annual Meeting, the Board determined to hold the vote on executive compensation annually until the next stockholder vote on the frequency of such advisory vote. Thus, our stockholder advisory vote to approve executive compensation currently takes place annually, and the next such vote will take place at our 2015 Annual Meeting of Stockholders. As described in the “Compensation Discussion and Analysis” section of this Proxy Statement, the Compensation Committee has structured our executive compensation program to achieve the following key objectives as described below. Stockholders are given an opportunity to cast an advisory vote on the frequency of “say-on-pay” votes every six years, with the next opportunity expected to occur in connection with our Annual Meeting in 2017:

| Objectives | How Our Executive Compensation Program Achieves The Objectives |
|---|---|
| The primary objectives of our executive compensation program are to attract, retain, and motivate qualified individuals who are capable of leading our company to meet its business objectives and to create stockholder value. | We believe our executive compensation program aligns the interests of management with those of our investors and creates incentives for and rewards performances of individuals based on our overall success and the achievement of individual performance objectives. Specifically, our compensation program provides management with the incentive to achieve or maximize certain company-level performance measures. Each year, based upon the expected circumstances and conditions confronting us for that year, the Compensation Committee selects performance metrics that it believes will produce the best return for our stockholders given the then-current conditions. For 2013, the Compensation Committee selected (1) Adjusted Operating Income, as defined below in the “Compensation Discussion and Analysis” or “CD&A”; (2) Adjusted Earnings per Share, as defined below in the CD&A; and (3) Revenues, as reported in our audited financial statements. |

We urge stockholders to read the “Compensation Discussion and Analysis” section of this Proxy Statement, which describes in more detail how our executive compensation policies and procedures operate and are designed to achieve our compensation objectives, as well as the Summary Compensation Table for 2013 and other related compensation tables and narrative discussions, which provide detailed information of the compensation of our Named Executive Officers. The Compensation Committee and the Board believe that the policies and procedures articulated in the “Compensation Discussion and Analysis” section of this Proxy Statement are effective in achieving our goals and that

the compensation of our Named Executive Officers reported in this Proxy Statement has contributed to our long-term success.

In accordance with Section 14A of the Exchange Act, and as a matter of good corporate governance, we are asking stockholders to adopt the following resolution at the 2014 Annual Meeting of Stockholders:

“RESOLVED, that the stockholders of Cardtronics, Inc. approve, on an advisory basis, the compensation of Cardtronics Inc.’s Named Executive Officers as disclosed in the Proxy Statement for the 2014 Annual Meeting of Stockholders of Cardtronics, Inc. pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables, and narrative discussion.”

This advisory vote, commonly referred to as a “say-on-pay” vote, is not binding on our Board or our Compensation Committee, will not overrule any decisions made by our Board or our Compensation Committee, or require our Board or our Compensation Committee to take any action. Although the vote is non-binding, our Compensation Committee will take into account the outcome of the vote when considering future executive compensation decisions. In particular, to the extent there is any significant vote against our Named Executive Officers’ compensation as disclosed in this Proxy Statement, we will consider our stockholders’ concerns and our Compensation Committee will evaluate whether any actions are necessary to address those concerns.

OUR BOARD RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE ADOPTION OF THE ADVISORY RESOLUTION APPROVING NAMED EXECUTIVE OFFICER COMPENSATION.

PROPOSAL NO. 3:

RATIFICATION OF THE SELECTION OF THE
INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has selected KPMG LLP as our independent registered public accounting firm to conduct our audit for the fiscal year ending December 31, 2014.

We engaged KPMG LLP to serve as our independent registered public accounting firm and to audit our consolidated financial statements beginning with the fiscal year ended December 31, 2001. The engagement of KPMG LLP for the fiscal year ending December 31, 2014 has been recommended by our Audit Committee and approved by our Board. Our Audit Committee has reviewed and discussed the audited consolidated financial statements included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2013, and has recommended, and our Board has approved, their inclusion therein. See “Audit Matters—Report of the Audit Committee” included elsewhere in this Proxy Statement.

Although stockholder ratification of the selection of KPMG LLP is not required, our Audit Committee and our Board consider it desirable for our stockholders to vote upon this selection. However, if the selection is not ratified, the Audit Committee will consider whether it is appropriate to select another independent registered public accounting firm. Even if the selection is ratified, our Audit Committee may, in its discretion, direct the appointment of a different independent registered public accounting firm at any time during the year if it believes that such a change would be in the best interests of us and our stockholders.

A representative of KPMG LLP is expected to be present at the Annual Meeting and will have an opportunity to make a statement if the representative desires to do so and will be available to respond to appropriate questions from stockholders at the Annual Meeting.

OUR BOARD RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE RATIFICATION OF THE SELECTION OF KPMG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE FISCAL YEAR ENDING DECEMBER 31, 2014.

PROPOSAL NO. 4:

AMENDMENT OF OUR CERTIFICATE OF INCORPORATION

Article V of our Third Amended and Restated Certificate of Incorporation currently provides that elections of directors are determined by a plurality of the votes cast by the stockholders entitled to vote. Under plurality voting, a stockholder cannot vote “against” a director. Instead, a stockholder can vote “for” a director or “withhold” its vote for that director. A withhold vote is counted only for purposes of determining the presence or absence of a quorum but has no legal effect on the election of directors. Accordingly, a director who receives one “for” vote is elected even if all other ballots are marked “withhold.” Stockholders are being asked at this Annual Meeting to approve and adopt an amendment to our Certificate of Incorporation to eliminate the plurality voting standard.

Based upon the recommendation of the Nominating & Governance Committee, our Board is submitting this Proposal No. 4 to our stockholders as part of its ongoing evaluation of its corporate governance practices. In determining whether to recommend a vote for the approval of Proposal No. 4, the Board considered the arguments in favor of and against maintaining the existing plurality voting standard. The Board recognizes that, in recent years, many public companies have eliminated plurality voting in favor of majority voting for uncontested elections of directors. The Board has also considered the views of some of our stockholders, who believe that a majority voting standard offers a better process for boards and stockholders in that it ensures accountability and the opportunity for a positive mandate. Accordingly, after careful consideration, the Board has determined that it would be in the best interests of our stockholders to amend the Certificate of Incorporation to eliminate the plurality voting standard.

If Proposal No. 4 is approved by the affirmative vote of at least 66 2/3% of the shares represented in person or by proxy and entitled to vote, the Board will separately amend our Bylaws at the Board meeting immediately following the Annual Meeting to adopt a majority voting standard, which will apply to future uncontested elections of directors. At this Annual Meeting, the existing plurality voting standard will apply to the Class I directors currently up for re-election. If this proposal is not approved, the proposed amendment to our Certificate of Incorporation will not be implemented and the current plurality voting standard will remain in place.

This summary of the proposed amendment to our Certificate of Incorporation is qualified in its entirety by reference to the text of the proposed amendment attached as Appendix A to this proxy statement, with deletions indicated by strike outs and additions indicated by underlining.

OUR BOARD RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE AMENDMENT OF THE COMPANY’S CERTIFICATE OF INCORPORATION TO REMOVE THE PLURALITY VOTING STANDARD.

PROPOSAL NO. 5:

INCREASE OF THE MAXIMUM NUMBER OF SHARES THAT CAN BE GRANTED AS EQUITY INCENTIVE AWARDS UNDER THE AMENDED AND RESTATED 2007 STOCK INCENTIVE PLAN

General

A summary description of the Amended and Restated 2007 Stock Incentive Plan (herein the “2007 Plan”), as proposed to be modified by the amendment described below, is set forth in Appendix B, except as specifically noted therein.

Description of the Proposed Amendment

The 2007 Plan was originally approved by our Board and our stockholders at our 2007 Annual Meeting of Stockholders. The 2007 Plan provides for the granting of various types of equity incentive awards, including incentive stock options intended to qualify under Section 422 of the Code, nonqualified stock options, restricted stock awards, performance awards, phantom stock awards, restricted stock unit awards, annual incentive awards and bonus stock awards, to our officers, directors, employees and consultants. The 2007 Plan was originally adopted with a reservation of 3,179,393 shares of our common stock to be used in connection with the granting of awards pursuant to the 2007 Plan. On April 23, 2010, our Board approved the first amendment to the 2007 Plan in the form of an amendment and restatement that, among other administrative changes to the plan, authorized an additional 2,000,000 shares of our common stock to be utilized for awards pursuant to the 2007 Plan, which our stockholders approved at the 2010 Annual Meeting of Stockholders. On March 25, 2014, our Board approved a second amendment to the 2007 Plan in the form of a second amendment and restatement of the 2007 Plan to increase the number of shares of our common stock to be utilized for awards by an additional 4,500,000 shares of common stock, along with certain administrative changes that are intended to impact the plan’s compliance with Section 162(m) of the Code and which are described in greater detail within Proposal No. 6 (the “Amendment”). If our stockholders approve this Proposal No. 5, we intend to file, pursuant to the Securities Act of 1933, as amended, a registration statement on Form S-8 to register the additional shares available for issuance under the 2007 Plan.

Reason for the Proposed Amendment

The use of equity-based awards under the 2007 Plan has been a key component of our compensation program since its adoption in 2007. The awards granted under the 2007 Plan assist us in attracting and retaining capable, talented individuals to serve in the capacity of employees, officers and directors. The 2007 Plan authorized us to issue up to 5,179,393 shares of common stock. As of March 25, 2014, there were 1,699,342 shares available for issuance as awards under the 2007 Plan. Accordingly, our Board has determined that there are not sufficient shares available for issuance under the 2007 Plan to meet our needs for future grants during the coming years, and an increase in available shares is necessary to continue granting incentive and reward opportunities to eligible participants while assisting us in retaining a competitive edge in the dynamic business environment in which we operate.

Consequences of Failure to Approve the Proposal

Our stockholders are only voting to approve the increase in the number of shares of common stock approved for issuance under the 2007 Plan within this Proposal No. 5. The 2007 Plan shall continue regardless of the outcome of the stockholder vote. Further, failure of our stockholders to approve this Proposal No. 5 will not affect the rights of existing award holders under the 2007 Plan or under any previously granted awards under the 2007 Plan. However, if this Proposal No. 5 is not approved, we do not expect to be able to issue further meaningful or valuable equity-based incentive awards pursuant to the 2007 Plan in future periods. As such awards have traditionally been a fundamental element of our compensation philosophy of “pay for performance,” and we believe that such awards further our goal of providing a long-term incentive for our employees and directors by motivating them to increase the value of our common stock, we will be required to reevaluate our compensation program in general.

OUR BOARD RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE APPROVAL OF INCREASE IN THE SHARES THAT CAN BE GRANTED AS EQUITY INCENTIVE AWARDS UNDER THE 2007 PLAN.

PROPOSAL NO. 6:

APPROVAL OF THE MODIFICATION TO MATERIAL TERMS OF THE 2007 PLAN FOR PURPOSES OF SECTION 162(M) OF THE CODE

General

Except as specifically described below, a summary description of the 2007 Plan, as proposed to be modified by the Amendment, is set forth in Appendix B.

Description of the Proposed Amendment

In addition to the increase in shares available for the 2007 Plan that is described above in Proposal No. 5, the Amendment also modifies certain provisions of the 2007 Plan that are primarily related to the plan's intended compliance with Section 162(m) of the Code. The Amendment modifies the annual award limitations for any individual participant of the 2007 Plan, which is considered to be a modification of a material term of the 2007 Plan under Section 162(m) of the Code (see further discussion on the relevance of material term modifications in the "Reason for the Proposed Amendment" section below). Following the adoption of the Amendment, no award may be granted in any fiscal year to any eligible participant with regard to shares of common stock equaling more than 1,500,000 shares, and no payment may be made in cash with respect to awards that are not related to common stock in excess of \$3,500,000.

The Amendment also updates the business criteria that may be used for performance awards under the 2007 Plan, which is also considered to be a material amendment under Section 162(m) of the Code (such awards are described under the heading "Performance Awards and Annual Incentive Awards" within the summary description of the 2007 Plan found in Appendix B). Following the adoption of the Amendment, one or more of the following business criteria for us, on a consolidated basis, and/or for our specified subsidiaries or business or geographical units, shall be used in establishing performance goals for performance awards that are intended to meet the "performance-based compensation" criteria of Section 162(m) of the Code: (i) earnings per share; (ii) revenues; (iii) cash flow; (iv) cash flow from operations; (v) free cash flow; (vi) return on net assets; (vii) return on assets; (viii) return on investment; (ix) return on capital; (x) return on equity; (xi) economic value added; (xii) operating margin; (xiii) contribution margin; (xiv) net income; (xv) net income per share; (xvi) pretax earnings; (xvii) pretax earnings before interest, depreciation and amortization; (xviii) pretax operating earnings before stock-based compensation, intangible asset amortization expense, loss on disposal of assets, and extraordinary or non-recurring items; (xix) total stockholder return; (xx) debt reduction; (xxi) market share; (xxii) change in the fair market value of the common stock; (xxiii) operating income; (xxiv) gross margin and gross margin percentage; (xxv) pretax operating earnings before interest expense, stock-based compensation, intangible asset amortization and extraordinary or non-recurring items; (xxvi) adjusted net income and adjusted net income per diluted share as reported in public filings; (xxvii) any of the above goals determined on an absolute or relative basis or as compared to the performance of a published or special index

deemed applicable by the Compensation Committee of our Board including, but not limited to, the Standard & Poor's 500 Stock Index or a group of comparable companies; (xxviii) any of the above metrics presented as a percentage of revenues; and (xxix) any of the above criteria applied to operating segments within the company. The business criteria shall be subject to adjustment for changes in accounting standards required by the Financial Accounting Standards Board after the goal is established, and, to the extent provided for in any award agreement, shall be subject to adjustment for specified significant extraordinary items or events, or nonrecurring transactions or events. In this regard, business criteria based on the price of our common stock shall be proportionately adjusted for any changes in the price due to a stock split, recapitalization or similar corporate transaction. The 2007 Plan administrator, in its sole discretion, may provide for an adjustable performance award value based upon the level of achievement of performance measures and/or provide for a reduction in the value of a performance award during the performance period.

Reason for the Proposed Amendment

The use of equity-based awards under the 2007 Plan has been a key component of our compensation program since its adoption in 2007. The awards granted under the 2007 Plan assist us in attracting and retaining capable, talented individuals to serve in the capacity of employees, officers and directors. We also desire to ensure the deductibility of awards granted under the 2007 Plan for U.S. federal income tax purposes, and the deductibility of awards granted to certain employees after this meeting will potentially be limited unless this Proposal No. 6 is approved by our stockholders. The awards under the 2007 Plan are intended to qualify for exemption from the deduction limitations of Section 162(m) of the Code by providing "performance-based compensation" to "covered employees" within the meaning of Section 162(m) of the Code. Under Section 162(m) of the Code, the federal income tax deductibility of compensation paid to our Chief Executive Officer and three other most highly compensated officers (other than our principal financial officer) determined pursuant to the executive compensation disclosure rules under the Securities Exchange Act of 1934 (our "Covered Employees") may be limited to the extent such compensation exceeds \$1,000,000 in any taxable year. However, we may deduct compensation paid to our Covered Employees in excess of

that amount if it qualifies as “performance-based compensation” as defined in Section 162(m) of the Code. In addition to certain other requirements, in order for awards under the 2007 Plan to constitute “performance-based compensation,” the material terms of the 2007 Plan must be disclosed to and approved by our stockholders on a regular basis or any time that an amendment is made to a material term of the plan. Under the regulations of Section 162(m) of the Code, the material terms of the 2007 Plan are (i) the maximum amount of compensation that may be paid to a participant under the 2007 Plan in any fiscal year, (ii) the employees eligible to receive compensation under the 2007 Plan, and (iii) the business criteria on which the performance goals are based. The Amendment does not alter the eligibility provisions of the 2007 Plan in any manner, although certain of the remaining material terms have been amended and restated in the Amendment to improve the 2007 Plan’s compliance with Section 162(m) of the Code. We intend for certain awards under the 2007 Plan to continue to qualify for exemption from the deduction limitations of Section 162(m) of the Code. Accordingly, we are asking stockholders to approve the Amendment so that awards under the 2007 Plan that are intended to qualify as “performance-based compensation” within the meaning of Section 162(m) may be fully deductible.

Consequences of Failure to Approve the Proposal

With respect to this Proposal No. 6 our stockholders are only voting to approve (i) the maximum amount of compensation that may be paid to a participant under the 2007 Plan in any fiscal year, (ii) the employees eligible to receive compensation under the 2007 Plan, and (iii) the business criteria on which the performance goals are based for purposes of Section 162(m) of the Code. The 2007 Plan shall continue regardless of the outcome of the stockholder vote. Further, failure of our stockholders to approve this Proposal No. 6 will not affect the rights of existing award holders under the 2007 Plan or under any previously granted awards under the 2007 Plan. However, if this Proposal No. 6 is not approved, certain awards granted to Covered Employees in future years may not be deductible to the extent they exceed \$1,000,000, meaning that we may be limited in our ability to grant awards that are both deductible and satisfy our compensatory objectives.

OUR BOARD RECOMMENDS THAT STOCKHOLDERS VOTE “FOR” THE APPROVAL OF THE MODIFICATION TO MATERIAL TERMS OF THE 2007 PLAN FOR PURPOSES OF SECTION 162(M) OF THE CODE.

CORPORATE GOVERNANCE

The remainder of this Proxy Statement sets forth important information regarding our corporate governance; stock ownership by our directors, executive officers, and other persons owning more than 5% of our stock; executive officers; compensation practices for executive officers and directors; related person transactions; audit matters; procedures for submitting proposals for the 2015 Annual Meeting of Stockholders; and directions to our offices.

Our Governance Practices

We are committed to good corporate governance. Our Board has adopted several governance documents, which include our Corporate Governance Principles, Code of Business Conduct and Ethics, Financial Code of Ethics, Related Persons Transactions Policy, Whistleblower Policy, and charters for each standing committee of our Board. Each of these documents is available on our website at www.cardtronics.com and you may also request a copy of each document at no cost by writing (or telephoning) the following: Cardtronics, Inc., Attention: General Counsel and Secretary, 3250 Briarpark Drive, Suite 400, Houston, Texas 77042, (832) 308-4000.

Code of Ethics

Our Board has adopted a Code of Business Conduct and Ethics (“Code of Ethics”) for our directors, officers, and employees. In addition, our Board has adopted a Financial Code of Ethics for our principal executive officer, principal financial officer, principal accounting officer, and other accounting and finance officers. We intend to disclose any amendments to or waivers of these codes on behalf of our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer, Controller, and persons performing similar functions, on our website at www.cardtronics.com promptly following the date of any amendment or waiver. Since becoming a publicly traded company on December 10, 2007, we have not granted to any officer or employee a waiver to our Code of Ethics or our Financial Code of Ethics.

Our Board

Board Size

Our Board of Directors currently has nine director positions that are divided into three classes, with one class to be elected at each Annual Meeting of Stockholders to serve for a three-year term. The term of our current Class I

directors expires in 2014; the term of our Class II directors expires in 2015; and the term of our Class III directors expires in 2016. Each director holds his or her office until a successor is duly elected and qualified or until the earlier of his or her death, retirement, resignation, or removal. Our Class I directors are Jorge M. Diaz, and G. Patrick Phillips; our Class II directors are J. Tim Arnoult, Dennis F. Lynch, and Juli C. Spottiswood; and our Class III directors are Steven A. Rathgaber, Julie Gardner and Mark Rossi. Our Board currently has one vacant director position.

The Nominating & Governance Committee of our Board considers and makes recommendations to our Board concerning the appropriate size and needs of our Board and considers candidates to fill new positions created by expansion or vacancies that occur by resignation, retirement, or any other reason.

Pursuant to the provisions of our Bylaws, any vacancy may be filled only by a majority vote of the directors then in office, although less than a quorum, or a sole remaining director. Any director so chosen to fill a vacancy will hold office until the next election of the class for which such director was designated at the time of his or her appointment and until his or her successor is duly elected and qualified, unless sooner displaced.

Director Independence

As required under the listing standards of The NASDAQ Stock Market LLC (“NASDAQ”), a majority of the members of our Board must qualify as “independent,” as affirmatively determined by our Board. Our Board has delegated this responsibility to the Nominating & Governance Committee. Pursuant to its charter, the Nominating & Governance Committee determines whether or not each director and each prospective director is independent.

The Nominating & Governance Committee evaluated all relevant transactions or relationships between each director, or any of his or her family members, and our company, senior management and independent registered accounting firm. Based on this evaluation, the Nominating & Governance Committee has determined that all of our directors are independent under the applicable standards set forth by the NASDAQ and SEC, with the exception of Mr. Rathgaber, our executive officer.

In making these independence determinations, the Nominating & Governance Committee, in conjunction with our Board, considered the following relationships and transactions and found that they did not impact the independence of the applicable directors:

- Jorge M. Diaz. Mr. Diaz is an executive officer with Fiserv Output Solutions, a division of Fiserv. Fiserv serves as one of our vendors with respect to the processing of our ATM transactions, network hosting, network sponsorship, maintenance, cash management, and cash replenishment. The amounts paid to Fiserv for the years ended December 31, 2013, 2012, and 2011 were immaterial.

- Dennis F. Lynch. In 2012, Mr. Lynch, the chairman of our Board, was elected to the board of directors of Fiserv. As noted above, we have a business relationship with Fiserv but that relationship is not material. Prior to joining Fiserv's board of directors, Mr. Lynch disclosed his nomination to that board to the Nominating & Governance Committee. After a review of the relationship between our company and Fiserv, our Nominating & Governance Committee determined that Mr. Lynch's service on Fiserv's board did not create a conflict of interest with his service on our Board.

- G. Patrick Phillips. Mr. Phillips serves on the board of directors of USAA Federal Savings Bank ("USAA") where he serves as Chairman of the Finance and Audit Committee. USAA is one of many financial institutions that brand our ATMs and is a customer of our Allpoint network, the largest surcharge-free ATM network within the U.S (based on the number of participating ATMs). The amounts received from USAA for the years ended December 31, 2013, 2012, and 2011 were immaterial.

Board Leadership Structure; Role in Risk Oversight

The Board has determined that having a non-executive director serve as Chairman of the Board is in the best interest of our stockholders at this time. Our CEO is responsible for setting our strategic direction and providing us day-to-day leadership, while the Chairman of the Board provides guidance to our CEO and sets the agenda for Board meetings and presides over meetings of the full Board as well as the executive sessions of independent directors. We believe this structure ensures a greater role for the non-executive directors in the oversight of our company and active participation of the non-executive directors in setting agendas and establishing priorities and procedures for the work of the Board.

Risk is inherent with every business, and how well a business manages risk can ultimately determine its success. We face a number of risks, including economic and regulatory risks, and others, such as the impact of competition, change in consumer behavior, and technological changes. Management is responsible for the day-to-day management of risks our company faces, while our Board, as a whole and through its committees, has the responsibility for the oversight of risk management. In its risk oversight role, our Board has the responsibility to satisfy itself that the risk management processes designed and implemented by management are adequate and functioning as designed.

Our Board believes that establishing the right “tone at the top” and that full and open communication between management and our Board are essential for effective risk management and oversight. Our Chairman has regular discussions with our CEO and other executive officers to discuss strategy and risks facing us, and the Board is regularly updated by our management on strategic matters involving our operations.

While our Board is ultimately responsible for risk oversight, each of our Board committees assists our Board in fulfilling its oversight responsibilities in certain areas of risk. The Audit Committee assists our Board in fulfilling its oversight responsibilities with respect to risk management in the areas of financial reporting, internal controls, and compliance with legal and regulatory requirements, and, in accordance with the NASDAQ Listing Standards, discusses policies with respect to risk assessment and risk management. The Compensation Committee assists our Board in fulfilling its oversight responsibilities with respect to the management of risks arising from our compensation policies and programs as described in more detail in “Compensation Discussion and Analysis” below. The Nominating & Governance Committee assists our Board in fulfilling its oversight responsibilities with respect to the management of risks associated with Board organization, membership and structure, succession planning for our directors and executive officers, and corporate governance.

Meetings

Meetings. Our Board held a total of eight meetings (four quarterly and four special meetings) and also acted through either electronic secured voting or unanimous written consent two times during the year ended December 31, 2013.

During 2013, each director attended at least 75% of the aggregate of the total number of meetings of the Board and the total number of meetings held by all Board committees on which such person served.

Executive Sessions; Presiding Director. According to our Corporate Governance Principles, our independent directors must meet in executive session at each quarterly meeting and did so during the fiscal year ended December 31, 2013. The Chairman of the Board presides at these meetings and is responsible for preparing an agenda for these executive sessions.

Annual Meeting Attendance. All of our directors attended our 2013 annual meeting held on May 15, 2013, except for Mr. Robert P. Barone who resigned from the Board effective as of June 28, 2013. We do not have a formal policy regarding director attendance at annual meetings. However, our directors are expected to attend all Board and committee meetings, as applicable, and to meet as frequently as necessary to properly discharge their responsibilities.

Limitation on Public Company Board Service

Members of our Audit Committee are prohibited from serving on the audit committees of more than two other public companies. In addition, our Board monitors the number of public company boards on which each director serves and develops limitations on such service as appropriate to ensure the ability of each director to fulfill his or her duties, as required by applicable securities laws and NASDAQ listing standards.

Board and Committee Self-Evaluation

Our Board and each standing committee of our Board conduct an annual self-evaluation to determine whether they are functioning effectively. The Nominating & Governance Committee leads the Board's self-evaluation effort by conducting an annual evaluation of the Board's performance. Similarly, each committee reviews the results of its evaluation to determine whether any changes need to be made to the committee or its procedures.

Director Selection and Nomination Process

The Nominating & Governance Committee is responsible for establishing criteria for selecting new directors and actively seeking individuals to become directors for recommendation to our Board. In addition to having a proven track record of high business ethics and integrity, the present criteria for director qualifications include: (1) possessing the qualifications of an “independent” director in accordance with applicable NASDAQ listing rules; (2) capacity to devote sufficient time to learn and understand our marketplace and industry and to prepare for and attend our meetings; (3) commitment to enhancing stockholder value; (4) ability to develop productive working relationships with other board members and management; and (5) demonstrated skills, background, and competencies that complement and add diversity to the Board. The Nominating & Governance Committee does not require that a successful candidate possess each and every criteria.

The Nominating & Governance Committee may consider candidates for our Board from any reasonable source, including from a search firm engaged by the Nominating & Governance Committee or stockholder recommendations, provided that the procedures set forth above are followed. The Nominating & Governance Committee does not intend to alter the manner in which it evaluates candidates based on whether the candidate is recommended by a stockholder or not. However, in evaluating a candidate’s relevant business experience, the Nominating & Governance Committee may consider previous experience as a member of our Board. Any invitation to join our Board must be extended by our Board.

The Nominating & Governance Committee did not receive stockholder nominations for the Annual Meeting.

Stockholders or a group of stockholders may recommend potential candidates for consideration by the Nominating & Governance Committee by sending a written request to our General Counsel and Secretary, Michael E. Keller, at 3250 Briarpark Drive, Suite 400, Houston, Texas 77042, generally not later than 120 calendar days prior to the first anniversary of the date of the previous year’s annual meeting. The written request must include the following:

- the name and address of the person or persons to be nominated;
- the number and class of all shares of each class of our stock owned of record and beneficially by each nominee, as reported to the nominating stockholder by the nominee;

- the information regarding each such nominee required by paragraphs (a), (d), (e), and (f) of Item 401 of Regulation S-K adopted by the SEC;
- a signed consent by each nominee to serve as our director, if elected;
- the nominating stockholder's name and address;
- the number and class of all shares of each class of our stock owned of record and beneficially by the nominating stockholder; and
- in the case of a person that holds our stock through a nominee or street name holder of record, evidence establishing such indirect ownership of stock and entitlement to vote such stock for the election of directors at an annual meeting.

From time to time, the Nominating & Governance Committee may request additional information from the nominee or the nominating stockholder.

The stockholder recommendation procedures described above do not preclude a stockholder of record from making proposals at any annual stockholder meeting, provided that they comply with the requirements described in the section entitled "Proposals for the 2015 Annual Meeting of Stockholders."

Communications from Stockholders and Interested Parties

Our Board welcomes communications from our stockholders and other interested parties. Stockholders and any other interested parties may send communications to our Board, any committee of our Board, the Chairman of our Board or any director in particular to: c/o Cardtronics, Inc., 3250 Briarpark Drive, Suite 400, Houston, Texas 77042, Attention: General Counsel and Secretary.

Our Secretary (or any successor to the duties thereof) will review each such communication received from stockholders and other interested parties and will forward the communication, as expeditiously as reasonably

practicable, to the addressees if: (1) the communication complies with the requirements of any applicable policy adopted by us relating to the subject matter of the communication, and (2) the communication falls within the scope of matters generally considered by our Board. To the extent the subject matter of a communication relates to matters that have been delegated to a committee of our Board to or to an executive officer, our Secretary may forward such communication to the executive or the chairman of the committee to which such matter has been delegated. The acceptance and forwarding of communications to the members of our Board or an executive does not imply or create any fiduciary duty of our Board members or executive to the person submitting the communications.

In addition, the Board, in its business judgment, has determined that each member of the Audit Committee satisfies the financial literacy requirements of the NASDAQ listing standards and that its Chairman, Ms. Spottiswood, qualifies as an “audit committee financial expert” within the meaning of the SEC’s rules and regulations. For information regarding the business experience of Ms. Spottiswood, please read “Proposal No. 1: Election of Class I Directors—Continuing Directors” above.

- assist the Board in overseeing the integrity of our financial statements;

- assist the Board in overseeing our compliance with legal and regulatory requirements;

The Audit Committee may require any of our officers or employees, our outside legal counsel, or our independent registered public accounting firm to attend a meeting of the Audit Committee or to meet with any members of, or consultants to, the Audit Committee. The Audit Committee is responsible for the resolution of any disagreements between the independent registered public accounting firm and management regarding our financial reporting. The Audit Committee meets periodically with management and the independent registered public accounting firm in separate executive sessions, as needed, to discuss any matter that the Audit Committee or each of these groups believe should be discussed privately. The Audit Committee makes regular reports to our Board.

The Report of the Audit Committee is set forth below under the “Audit Matters—Report of the Audit Committee” section included below.

The Audit Committee held nine meetings during the fiscal year ended December 31, 2013.

Compensation Committee. Our Nominating & Governance Committee, in its business judgment, has determined that all four directors on the Compensation Committee satisfy the standards of independence established under the applicable SEC rules and regulations, NASDAQ listing standards, and our Corporate Governance Principles.

The Compensation Committee is delegated all authority of our Board as may be required or advisable to fulfill the purposes of the Compensation Committee as set forth in its charter. Pursuant to its charter, the Compensation Committee may form and delegate some or all of its authority to subcommittees when it deems appropriate. The Compensation Committee also has the authority to delegate responsibility for the day-to-day management of executive compensation to our senior officers.

Pursuant to its charter, the purposes of the Compensation Committee are to:

Nominating & Governance Committee. The Nominating & Governance Committee, in its business judgment, has determined that it is comprised entirely of directors who satisfy the applicable standards of independence established under the SEC's rules and regulations, NASDAQ listing standards, and our Corporate Governance Principles. For information regarding the Nominating & Governance Committee's policies and procedures for identifying, evaluating and selecting director candidates, including candidates recommended by stockholders, see "Corporate Governance—Our Board—Director Selection and Nomination Process" above.

The Nominating & Governance Committee is delegated all authority of our Board as may be required or advisable to fulfill the purposes of the Nominating & Governance Committee as set forth in its charter. More particularly, the purpose of the Nominating & Governance Committee is to serve as an independent and objective body to:

The Finance Committee does not hold regular meetings but will convene upon the request of the Chief Executive Officer or Chief Financial Officer. The Finance Committee held four meetings during the fiscal year ended December 31, 2013.

STOCK OWNERSHIP MATTERS

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Act requires our executive officers, directors, and persons who own more than 10% of a registered class of our equity securities to file reports of ownership on Form 3 and changes in ownership on Form 4 or Form 5 with the SEC. Such executive officers, directors and 10% stockholders are also required by securities laws to furnish us with copies of all Section 16(a) forms they file.

Based solely on our review of copies of these reports, or written representations from reporting persons, we believe that during the year ended December 31, 2013, all of our executive officers, directors and greater than 10% holders filed the reports required to be filed under Section 16(a) on a timely basis under Section 16(a).

- (1) “Beneficial ownership” is a term broadly defined by the SEC in Rule 13d-3 under the Exchange Act and includes more than the typical forms of stock ownership, that is, stock held in the person’s name. The term also includes what is referred to as “indirect ownership” meaning ownership of shares as to which a person has or shares investment or voting power, or a person who, through a trust or proxy, prevents the person from having beneficial ownership. For the purpose of this table, a person or group of persons is deemed to have “beneficial ownership” of any shares as of March 25, 2014, if that person or group has the right to acquire such shares within 60 days after March 25, 2014.

- (4) Restricted Stock Units do not carry voting rights and may not be sold. They do, however, represent an economic ownership of our common stock, as each unit is convertible to one share of common stock upon passage of time. Performance-based Restricted Stock Units that are granted but not yet earned are not included.
- (5) As reported on Schedule 13G/A, dated as of December 31, 2013 and filed with the SEC on January 31, 2014, BlackRock, Inc. has sole voting power over 4,230,892 shares and sole dispositive power over 4,366,416 shares.

Mr. Conrad began his career with KPMG LLP in its audit practice. Mr. Conrad holds a Masters in Professional Accounting and a Bachelors of Business Administration from the University of Texas and is a licensed certified public accountant in the state of Texas.

COMPENSATION DISCUSSION AND ANALYSIS

The Compensation Discussion and Analysis (or “CD&A”) set forth below provides an explanation of our compensation programs, including the objectives of such programs and the rationale for each element of compensation, for our Chief Executive Officer, our Chief Financial Officer, and our three other most highly compensated executive officers serving as of December 31, 2013 (collectively, the “Named Executive Officers”). For the year ended December 31, 2013, our Named Executive Officers were as follows:

| Name | Position |
|-----------------------|--|
| Steven A. Rathgaber | Chief Executive Officer |
| J. Chris Brewster | Chief Financial Officer |
| David W. Dove | Group President – Enterprise Growth |
| Michael H. Clinard | President – Global Services |
| Jonathan Simpson-Dent | Managing Director – Cardtronics Europe |

This CD&A also describes the actions and decisions of the Compensation Committee of our Board of Directors as it relates to 2013 compensation decisions. The discussion is divided into the following sections:

- Executive Summary

- Role of Compensation Committee, Compensation Consultant, and Management

- Elements of Total Compensation

- Factors Considered in Setting Executive Pay

Executive Summary

Compensation Program Philosophy and Design. The primary objectives of our executive compensation program are to attract, retain, and motivate qualified individuals who are capable of leading our company to meet its business objectives and to increase overall stockholder value. To achieve these objectives, our Compensation Committee's philosophy has been to implement a total compensation program that aligns the interests of management with those of our investors and to provide a compensation program that creates incentives for and rewards performances of the individuals based on our overall success and the achievement of individual performance objectives, without encouraging excessive risk-taking.

The framework of our executive compensation program is set forth below:

- we provide our Named Executive Officers with annual compensation that includes three primary elements: (i) base salary, (ii) annual non-equity incentive plan awards, and (iii) long-term equity-based incentive awards;

- our annual non-equity incentive plans are tied to specific pre-established financial performance goals;

- the cash awards under our non-equity incentive plan are capped at 200% of target;
- we have a compensation recoupment (“clawback”) policy that applies to all participants in our annual non-equity incentive plan;
- 75% of restricted stock unit awards (“RSUs”) under our long-term incentive plan to the Named Executive Officers are performance-based, contingent upon the achievement of certain pre-established company financial performance goals, and the remaining 25% of the RSUs are time-based, requiring four years of service to be rewarded with total value;
- earned performance-based RSUs are subject to additional time-based vesting requirements which require four years of service to be rewarded with total value;
- the number of performance-based restricted stock units that can be earned by each Named Executive Officer is capped at 200% of target, with total share grants subject to the company-wide equity funding pool, as approved by our Compensation Committee;
- our Compensation Committee, which is comprised solely of independent directors, reviews and approves all elements of Named Executive Officer compensation;
- our Compensation Committee reviews our compensation program annually to ensure that it does not incent excessive risk-taking;
- our Compensation Committee retains an independent compensation consultant to advise on executive compensation matters and best practices; and
- our executives officers and directors are subject to stock ownership requirements.

Prior Year Say on Pay Results. At the May 15, 2013 Annual Meeting of Stockholders, the “Advisory Vote on Executive Compensation” proposal (the “say on pay” vote) received support from approximately 89% of votes cast. The Compensation Committee considered these results and, based on the overwhelming support from stockholders, determined that the results of the vote did not call for any significant changes to our executive compensation plans and

programs already in place for 2013 or for the 2014 fiscal year.

2013 Performance. We had strong financial performance during 2013, including approximately 12% growth in Revenues and 20% growth in Adjusted Earnings per Share (defined later in this proxy). This strong performance was primarily attributable to the growth in our ATM operating revenues, due to the combination of: (i) contributions from businesses acquired over the past year; (ii) increased transactions per ATM; (iii) ATM unit growth expansion; (iv) growth of our surcharge-free network, Allpoint; and, (v) increased revenues from our bank branding arrangements. The Compensation Committee considered these results in relation to our 2013 performance goals, and the foreign currency exchange movements in authorizing the payouts of incentives under our non-equity incentive plan and under our equity plan, as described below and in detail later in this CD&A.

Cash Incentives Earned for 2013 Performance. For 2013, payments under our annual non-equity incentive plan were reflective of our performance and the achievement of certain performance goals. As discussed further in “2013 Compensation Decisions – Non-Equity Incentive Plan” below, we met our 2013 company-level Adjusted Operating Income financial target of \$119.3 million, with actual results of \$119.3 million. With respect to our Revenues financial metric, we achieved Revenues results of \$832.9 million, which was below the target goal of \$847.4 million but above the threshold level. As a result of the combination of the achievement of the Adjusted Operating Income metric at target level and the slight under-performance on the Revenue metric, the Compensation Committee approved actual payout amounts for our Named Executive Officers that was below our target payout amounts but was more than the threshold payout amount, except for Mr. Simpson-Dent who was approved the maximum payout amount in recognition of his achievements during 2013.

Equity Awards Earned for 2013 Performance. For 2013, grants under our long-term incentive plan (“LTIP”) also reflect our performance and achievement of certain performance goals. As discussed further in “2013 Compensation Decisions – 2013 Long-Term Incentive Plan” below, we exceeded the target level for the Adjusted Earnings per Share metric. For the Revenue metric, actual results were below the target level but above the threshold level. As a result of the combination of over-performance on the Adjusted Earnings per Share metric and under-target performance on the Revenue metric, our Named Executive Officers that received a grant in 2013 under our LTIP earned 106% of the target number of restricted share units, except for Mr. Brewster who received an additional discretionary grant of 4,000 units. The awards will vest based on continued employment with the

company (or to an employee's qualified retirement date, if earlier) and will be fully vested in January 2017.

Role of Compensation Committee, Compensation Consultant, and Management

Compensation Committee. The Compensation Committee of our Board of Directors is responsible for establishing all compensation programs for our executive officers (including each of the Named Executive Officers) as well as oversight for other broad-based employee benefits programs. The Compensation Committee receives information and advice from third-party compensation consultants as well as from our human resources department and management to assist in making decisions regarding compensation matters.

Compensation Consultant. The Compensation Committee has sole authority to retain and terminate the services of a compensation consultant who reports to the Compensation Committee. The role of the compensation consultant is to advise the Compensation Committee in its oversight role, advise management in the executive compensation design process and provide independent compensation data and analysis to facilitate the annual review of our compensation programs. The compensation consultant attends Compensation Committee meetings as requested by the Compensation Committee.

During 2013, the Compensation Committee retained Meridian Compensation Partners, LLC ("Meridian") as its independent advisor. Meridian is an independent compensation consulting firm and does not provide any other services to us outside of matters pertaining to executive officer and director compensation and applicable corporate governance. Meridian reports directly to the Compensation Committee, which is the sole party responsible for determining the scope of services performed by Meridian and the directions given to Meridian regarding the performance of such services. Meridian was not given a specific list of instructions, but rather was engaged to provide the Compensation Committee with information and advice that might assist the Compensation Committee in performing its duties. During 2013, the services provided by Meridian included:

- updating the Compensation Committee on regulatory changes affecting our compensation program;

- providing information on market trends, practices, and other data;

- reviewing the company's Peer Group (as defined in "Elements of Total Compensation – Peer Company Compensation Analysis") and conducted a competitive analysis of compensation for our Named Executive Officers and our Board of Directors;

- assisting in reviewing and designing program elements; and

- providing overall guidance and advice about the efficacy of each element of our compensation program and its fit within the Compensation Committee's developing compensation philosophy.

While the Meridian guidance has been a valuable resource for the Compensation Committee in identifying compensation trends and determining competitive compensation packages for our executives, the Compensation Committee is not bound to adhere to any advice or recommendations that Meridian may provide to the Compensation Committee.

In March 2014, the Compensation Committee considered the independence of Meridian in light of new SEC rules and proposed NASDAQ listing standards. The Compensation Committee requested and received a letter from Meridian addressing the consulting firm's independence, including the following factors: (1) other services provided to us by the consultant; (2) fees paid by us as a percentage of the consulting firm's total revenue; (3) policies or procedures maintained by the consulting firm that are designed to prevent a conflict of interest; (4) any business or personal relationships between the individual consultants involved in the engagement and a member of the Compensation Committee; (5) any company stock owned by the individual consultants involved in the engagement; and (6) any business or personal relationships between our executive officers and the consulting firm or the individual consultants involved in the engagement. The Compensation Committee discussed these considerations, among other things, and concluded that the work of Meridian did not raise any conflict of interest.

Role of the Chief Executive Officer in Executive Compensation Decisions. Our CEO works very closely with our Compensation Committee; however, except for providing a self-evaluation report to the Compensation Committee, he does not make, participate in, provide input for, or make recommendations about his own compensation. Our CEO sets our strategic direction and strives to promote compensation programs that motivate employee behavior, consistent with our strategic objectives. Under the direction of the Compensation Committee, and in coordination with the compensation consultant, our CEO coordinates the annual review of the compensation programs for the executive officers. This review includes an evaluation of each officer's historical pay and career development, individual and corporate performance, competitive practices and trends and various compensation issues. Based on the results of this review, our CEO makes recommendations to the Compensation Committee regarding each element of compensation for each of the executive officers, other than himself. Our CEO also provides the Compensation Committee with his evaluation of performance of each executive officer other than himself during the prior year for their consideration. The Compensation Committee also meets in executive session, independently of the CEO and other members of senior management, to review not only compensation issues related to the CEO, but those of all Named Executive Officers and other executive employees. Other than the CEO, none of our other Named Executive Officers provides direct recommendations to the Compensation Committee or participates in the executive compensation setting process; however, our Chief Financial Officer provides information and recommendations to our Compensation Committee when it sets incentive performance goals.

Elements of Total Compensation

The table below summarizes the elements of our compensation program, the form in which each element is paid, the purpose or objective of each element, key features of the element, and any performance metrics associated with each element.

| Element | Form of Compensation | Purpose/Objective | Key Features | Performance Metric(s) |
|-------------|----------------------|---|---|-----------------------|
| Base Salary | Cash — fixed | To provide an executive officer with a fixed income stream, based upon the executive's roles and responsibilities within our organization and relative skills and experience, consistent with market for comparable positions | Initial salaries for executive officers are set by the Compensation Committee based on responsibilities and market data. Amounts are reviewed annually by our Compensation Committee, with adjustments made based on the executive's individual performance and our company's performance for the year. Additional factors considered may include other achievements or | Not performance-based |

accomplishments, any mitigating priorities that may have resulted in a change in the goals, market conditions, participation in the development of other company employees, as well as any additional responsibilities that were assumed by the executive during the period.

Annual
Non-Equity
Incentive
Plan Awards

Cash — variable To reward operating results consistent with the non-equity incentive compensation plan and to provide a strong motivational tool to achieve earnings and other related pre-established performance objectives

The Compensation Committee establishes a threshold, a target, and a maximum possible payout for each executive.

Amounts are paid after year end once the Compensation Committee has determined the company’s performance and each executive’s performance relative to pre-established performance goals, which reflects the Compensation Committee’s desire that the Plan pay amounts relative to actual performance and to provide for substantially increased rewards when performance targets are exceeded.

Performance metrics are selected on an annual basis that the Compensation Committee believes will produce the best return for our stockholders given the then-current conditions. For 2013, the Compensation Committee selected Revenues and Adjusted Operating Income, defined in the “2013 Compensation Decisions – Non-Equity Incentive Plan” section below.

| | | | | |
|-----------------------------------|---|--|--|---|
| <p>Long-Term Incentive Awards</p> | <p>Performance-based restricted stock units (RSUs), time-based RSUs, and stock options — variable</p> | <p>To create a strong financial incentive for achieving or exceeding performance goals, to tie the interests of management to the interests of stockholders, to encourage a significant equity stake in our company, and to attract and retain our executive talent base in future years</p> | <p>2013 LTIP: Under our 2013 LTIP, the size of an award is based on an analysis of competitive pay that translates an award into a percentage of base salary. Equity awards granted under the 2013 LTIP were comprised of 75% of the units being performance-based and 25% of the units being time-based.</p> | <p>75% of RSUs granted under our 2013 Long-Term Incentive Plan are performance-based awards. For 2013, the Compensation Committee selected Revenue and Adjusted Earnings per Share as the two performance metrics.</p> |
| | | | <p>RSUs granted to new hires are typically not performance-based and generally vest ratably over four years. During 2013, Mr. Dove and Mr. Simpson-Dent received RSUs in conjunction with their hiring and relocation. Mr. Dove’s grants included both time-based RSUs and performance-based RSUs.</p> | <p>Time-based RSUs, restricted stock awards and stock options are not performance-based in the sense that we assign specific performance metrics to the awards, but stock options will not provide the holder with value unless our stock price increases above the exercise price of that award.</p> |
| | | | <p>Performance-based RSUs: The performance-based RSUs (except for those granted to Mr. Dove, which have unique performance and vesting periods) are earned based on performance achievement over a one-year period followed by vesting requirements based on continued employment (or to an employee’s qualified retirement date, if earlier), over 24, 36, and 48 months from January 31st of the grant year, at the rate of 50%, 25%, and 25%, respectively.</p> | |

Time-based RSUs: The time-based RSUs are earned at the time of issuance and vest in accordance with the same schedule as performance-based RSUs.

Stock options: We did not grant stock options to our Named Executive Officers during 2013, and have not done so in the past few years, although certain of our executives still hold outstanding stock options.

Discretionary Cash — variable Bonuses

To reward an executive for significant contributions to a company initiative or when the executive has performed at a level above what was expected

Granted at the discretion of our Compensation Committee, discretionary bonuses are not a recurring element of our executive compensation program. During 2013, Mr. Dove received a discretionary bonus, which he received in conjunction with his hiring and relocation, and Mr. Simpson-Dent received a discretionary bonus to increase his payout level under the Annual Non-Equity Incentive Plan Awards to maximum in recognition of his achievements during 2013.

Varies, but typically relates to performance with respect to special projects that require significant time and effort on the part of the executive. Payments made in conjunction with significant relocation are not performance-based.

| | | | | |
|--|---|--|---|-----------------------|
| Health, Life, Retirement Savings and Other Benefits | Eligibility to participate in benefit plans generally available to our employees, including retirement, health, life insurance and disability plans — generally fixed | Plans are part of our broad-based employee benefits program, which is designed to allow us to remain competitive in the market in terms of attracting and retaining employees and, in the case of our 401(k) plan, to assist our employees in providing for their retirement | Under our 401(k) plan, for 2013, we matched 50% of employee contributions up to 4% of the employee’s salary (for a maximum matching contribution of 2% of the employee’s salary by us). Employees immediately vest in their contributions while our matching contributions vest at a rate of 20% per year. We do not provide any supplemental retirement benefits to our Name Executive Officers. For Mr. Dent, we provided retirement, health, and life insurance benefits that are customarily provided to executives in the U.K. | Not performance-based |
| Executive Severance and Change in Control Agreements | Payment of compensation and for benefit coverage costs in the form of separation payments — subject to compliance with restrictive covenants and related conditions. Levels are fixed for duration of employment agreements | To provide the executive with assurances against certain types of terminations without cause or resulting from change-in-control where the terminations were not based upon cause. This type of protection is intended to provide the executive with a basis for keeping focus and functioning in the stockholders’ interests at all times | Governed by the terms of employment agreements with certain Named Executive Officers, these agreements and our severance terminology are described in the “Executive Compensation — Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table — Employment-Related Agreements of Named Executive Officers” section below. These agreements provide for severance compensation to be paid if the officer’s employment is terminated under certain conditions, such as following a corporate change, involuntary termination, termination by us “without cause,” death or disability, each as defined in the applicable executive’s agreement. | Not performance-based |
| Limited Perquisites | Cash — fixed | To provide the executive with additional benefits considered necessary or customary for the executive’s position | Very limited in nature and not guaranteed to be provided to any Named Executive Officer in any given year. However, during 2013, we agreed to reimburse Mr. Dove for certain moving expenses | Not performance-based |

incurred to commence his employment with us. Additionally, we provided Mr. Simpson-Dent with a monthly car allowance. No other Named Executive Officers received any significant perquisites during 2013.

Factors Considered in Setting Executive Pay

Tally Sheets. The Compensation Committee reviews “tally sheets” for each executive which are prepared by management and reviewed by Meridian. The tally sheets contain information related to prior years’ compensation, outstanding equity awards (both vested and unvested), and various termination scenarios. The tally sheets enable the Compensation Committee to review and evaluate various components of the executive pay programs, understand the magnitude of potential payouts as a result of certain employment terminations, and consider changes to our plans and programs in light of emerging trends.

Other Factors. In determining the level of total compensation to be set for each compensation component, our Compensation Committee considers a number of factors, including market competitiveness analyses of our compensation levels compared with those paid by comparable companies, our most recent annual performance, each individual Named Executive Officer’s performance, the desire to generally maintain internal equity and consistency among our executive officers, tally sheets (as discussed above) and any other considerations that the Compensation Committee deems to be relevant. While our Compensation Committee reviews the total compensation package we provide to each of our Named Executive Officers, our Board and the Compensation Committee view each element of our compensation program as serving a specific purpose and, therefore, as distinct elements. In other words, a significant amount of compensation paid to an executive in the form of one element will not necessarily cause us to reduce another element of the executive’s compensation. Accordingly, we have not adopted any formal or informal policy for allocating compensation between long-term and short-term, between cash and non-cash or among the different forms of non-cash compensation.

Peer Company Compensation Analysis. The Compensation Committee has historically identified and analyzed the compensation practices of a group of companies we consider to be our peers. The base Peer Group used for its market analyses for 2013 compensation decisions included the following companies, which we refer to as the “Peer Group”:

| | |
|-----------------------------------|---------------------------------|
| ACI Worldwide, Inc. | Jack Henry & Associates Inc. |
| Axiom Corp | Neustar Inc. |
| CSG Systems International Inc. | Outerwall, Inc. |
| Earthlink Inc. | Sapient Inc. |
| Euronet Worldwide, Inc. | SS&C Technologies Holdings Inc. |
| Fair Isaac Corp | TNS, Inc. |
| Global Cash Access Holdings, Inc. | WEX, Inc. |
| Global Payments Inc. | |

This group was compiled based on a combination of the following factors: (i) companies that have the same GICS (Global Industry Classification Standard) classification; (ii) companies that generate a similar amount of revenues; (iii) companies with similar market value; and (iv) companies that provide services that are similar to the services we provide. The Compensation Committee believes that using a Peer Group provides meaningful reference points for competitive practices, types of equity awards used, and equity usage levels for the executives as well as the total amount of shares set aside for equity programs. The Compensation Committee’s goal is to provide a total compensation package that is competitive with prevailing practices in our industry and within the Peer Group.

In addition to studying the compensation practices and trends at companies that are considered peers, the Compensation Committee has also determined that it is beneficial to our understanding of general industry compensation market data from surveys to consider the best practices in compensation policies from other companies that are not necessarily peers or limited to our industry. The Compensation Committee does not react to or structure our compensation programs on market data alone, and it has not historically utilized any true “benchmarking” techniques when making compensation decisions. Furthermore, the Compensation Committee did not use the Peer Group to establish a particular range of compensation for any element of pay in 2013; rather, Peer Group and other

survey market data were used as general guidelines in the Committee's deliberations.

2013 Compensation Decisions

Base Salaries. In its review of the base salary of each of our Named Executive Officers for 2013, the Compensation Committee generally considered the market data available for the aforementioned Peer Group. The Compensation Committee evaluated the results of the market data available and the performance of the executive and made adjustments to the base salaries of certain Named Executive Officers, as deemed necessary, to bring their base salaries comparable to our peers.

The following table reflects base salary amounts for our 2013 Named Executive Officers for 2013 and 2012:

| Named Executive Officer | 2013 Base Salary (1) | 2012 Base Salary | Percentage Increase |
|-------------------------|-------------------------|---------------------|---------------------|
| Steven A. Rathgaber | \$ 595,000 | \$ 575,000 | 3.5% |
| J. Chris Brewster | \$ 375,000 | \$ 363,363 | 3.2% |
| David W. Dove | \$ 500,000 | \$ N/A (2) | N/A |
| Michael H. Clinard | \$ 404,914 | \$ 404,914 | 0.0% |
| Jonathan Simpson-Dent | \$ 400,086 (3) | \$ N/A (2) | N/A |

- (1) The amounts presented in the “2013 Base Salary” column above were effective as of March 24, 2013 and, therefore, vary from the amounts presented in the “Salary” column of the “Summary Compensation Table for 2013” below.
- (2) Mr. Dove and Mr. Simpson-Dent joined Cardtronics in 2013.
- (3) The base salary for Mr. Simpson-Dent has been converted from pounds sterling to United States dollars using the exchange rate of approximately \$1.60, the average effective rate for the days he was employed with Cardtronics in 2013.

Non-Equity Incentive Plan. Each year, management proposes and the Compensation Committee approves a non-equity incentive compensation plan (the “Cash Bonus Plan”). Under the Cash Bonus Plan, each executive officer has a threshold, a target, and a maximum possible payout, which are set by the Compensation Committee in its discretion. For our Named Executive Officers, the 2013 and 2012 threshold, target, and maximum annual incentive payout amounts were as follows:

| Named Executive Officer | 2013 Incentive Payout as a % of Base Salary | | | 2012 Incentive Payout as a % of Base Salary | | |
|-------------------------|---|---------|---------|---|---------|---------|
| | Threshold | Target | Maximum | Threshold | Target | Maximum |
| Steven A. Rathgaber | 50.0 % | 100.0 % | 200.0 % | 50.0 % | 100.0 % | 200.0 % |
| J. Chris Brewster | 32.5 % | 65.0 % | 130.0 % | 32.5 % | 65.0 % | 130.0 % |
| David W. Dove | 40.0 % | 80.0 % | 160.0 % | N/A (1) | N/A (1) | N/A (1) |
| Michael H. Clinard | 32.5 % | 65.0 % | 130.0 % | 32.5 % | 65.0 % | 130.0 % |
| Jonathan Simpson-Dent | 20.0 % | 40.0 % | 60.0 % | N/A (1) | N/A (1) | N/A (1) |

- (1) Mr. Dove and Mr. Simpson-Dent joined Cardtronics in 2013.

The Compensation Committee did not adjust the potential payout percentages for any of our Named Executive Officers from 2012 to 2013, since the Compensation Committee concluded the current levels of payout were appropriate for similar executive positions at a company of our size, based on market compensation information compiled by Meridian.

Under the 2013 Cash Bonus Plan, two components factor into whether a participant’s award will be paid, as well as what level of payout may be achieved: (1) performance qualifiers; and (2) performance metrics, both of which are further described below.

Performance Qualifiers. Performance qualifiers are minimum levels of company performance that must be attained in order for payouts under the Cash Bonus Plan to occur. Amounts of potential payouts under the Cash Bonus Plan are not adjusted based on the level of performance achieved, but rather act as absolute prerequisites that must be met before we will make payments under the Cash Bonus Plan. For 2013, the qualifiers were (i) our achievement of our threshold level of fiscal year corporate Adjusted Operating Income, which is described in greater detail below, (ii) our compliance with all material public company regulations and reporting requirements for the fiscal year, and (iii) the participant's achievement of the minimum performance standards established by his superior or the Board.

Performance Metrics. Performance metrics are key metrics designated as critical to our success. For 2013, the metrics for the Cash Bonus Plan were (i) Adjusted Operating Income and (ii) Revenues. Adjusted Operating Income is defined as "Income from Operations" under generally accepted accounting principles ("GAAP") as reported in our 2013 consolidated financial statements or as reported in the financial statements for a division of the company, plus "Loss on Disposal of Assets" and "Stock-based Compensation Expense" and other adjustments as reported in the reconciliation of non-GAAP measures included in our 2013 consolidated financial statements or as reported in the division's financial statements, calculated in the same manner as in our consolidated financial statements. Revenues is defined as "Total Revenues" under GAAP as reported in our 2013 consolidated financial statements or as reported in the division's financial statements, calculated in the same manner as in our consolidated financial statements. Adjusted Operating Income and Revenues were selected as we believe these two metrics are appropriate indicators of success and sustainable business performance that translate into increased stockholder value and are easily understandable and measurable.

The following table provides (i) the 2013 pre-established threshold, target, and maximum performance levels for each of our performance metrics, and (ii) our performance results for each metric, as adjusted for the effects of foreign currency exchange rate movements from budget and the pro forma impact of a material acquisition consummated during the year.

| Performance Metric | Threshold | Target | Maximum | Performance |
|----------------------------------|----------------|------------|------------|-------------|
| | | | | Results |
| | (In thousands) | | | Achieved |
| Global Adjusted Operating Income | \$ 114,525 | \$ 119,297 | \$ 128,841 | \$ 119,263 |
| Global Revenues | \$ 830,417 | \$ 847,364 | \$ 881,259 | \$ 832,935 |
| U.S. Adjusted Operating Income | \$ 113,827 | \$ 118,570 | \$ 128,056 | \$ 120,210 |
| U.S. Revenues | \$ 659,448 | \$ 672,906 | \$ 699,822 | \$ 665,709 |
| U.K. Adjusted Operating Income | £ 0 | £ 344 | £ 1,548 | £ 2,683 |
| U.K. Revenues | £ 75,287 | £ 77,615 | £ 81,496 | £ 82,214 |

When establishing the appropriate threshold, target, and maximum performance levels for the performance measures, we typically set the target level which requires growth from the prior year, and is reflective of the Board-approved budget. Our goal for each performance measure is to establish a target level of performance that we are not certain to attain, so that achieving or exceeding the target level requires significant effort by our executive officers. Once the target levels are set, the Compensation Committee sets the threshold and maximum amounts. Taking a variety of business factors into account, the Compensation Committee sets the threshold at what it considers to be the lowest level of acceptable performance and the maximum at what the Compensation Committee views would be outstanding performance versus budget. Performance below threshold for a metric will result in no incentive payout for that metric. After achievement of the qualifying factors, a threshold level of performance for a given metric will result in 50% of the target opportunity being earned for that metric; performance at the target level for a metric will result in 100% of the target opportunity being earned for that metric; and performance at or above the maximum level for a metric will result in 200% of the target opportunity being earned.

The Compensation Committee retains absolute discretion in determining the extent to which any actual payouts are made under the Cash Bonus Plan. Furthermore, the Compensation Committee retains the right to make adjustments to actual performance results to take into account the occurrence of any material event, such as a material acquisition, which would impact the calculation of these performance metrics. The Compensation Committee exercised the operating discretion that is provided within the 2013 Cash Bonus Plan during the 2013 year to adjust the actual performance results. These adjustments included: (i) the neutralization of foreign currency exchange rate changes as compared to the annual budget; (ii) the pro forma impact of a material acquisition consummated during the year; and, (iii) other adjustments related to certain costs that had the net effect of reducing the calculated performance measures. Additionally, the Compensation Committee awarded Mr. Simpson-Dent a discretionary amount to increase his payout to the pro-rated maximum level for 2013.

In addition to setting and potentially adjusting the performance levels for each performance metrics, the Compensation Committee also determines the relative weightings of each performance metrics for each Named Executive Officer, which were as follows for 2013:

| Named Executive Officer | Adjusted Operating Income | | Revenues | |
|-------------------------|---------------------------|----------|--------------------|----------|
| | U.S. | U.K. | U.S. | U.K. |
| | Worldwide Division | Division | Worldwide Division | Division |
| Steven A. Rathgaber | 50.0 % | — | 50.0 % | — |
| J. Chris Brewster | 50.0 % | — | 50.0 % | — |
| David W. Dove | 50.0 % | — | 50.0 % | — |
| Michael H. Clinard | 50.0 % | — | 50.0 % | — |
| Jonathan Simpson-Dent | 25.0 % | — | 25.0 % | 25.0 % |

For the specific amount paid to each Named Executive Officer under the 2013 Cash Bonus Plan, see the “Non-Equity Incentive Plan Compensation” column of our “Summary Compensation Table for 2013” included in the “Executive Compensation” section below.

Recoupment. The 2013 Cash Bonus Plan contains a recoupment policy pursuant to which any payouts made to participants must be returned to us if the operating or financial results used to calculate the payout are later restated. Under this policy, an executive who engages in fraud or other misconduct leading to the restatement is required to repay any cash payout for the period in question.

2013 Long-Term Incentive Plan. We have two stockholder-approved long-term equity incentive plans: (i) the 2007 Stock Incentive Plan (the “2007 Plan”); and (ii) the 2001 Stock Incentive Plan (the “2001 Plan”). The purpose of each of these plans is to provide directors and employees of our company and our affiliates with additional equity-based incentive and reward

opportunities that are designed to enhance the profitable growth of our company and affiliates. For additional details of these plans, see the “Executive Compensation – Narrative Disclosure to Summary Compensation Table and Grants of Plan-Based Awards Table – Equity Incentive Awards” section below. Pursuant to and subject to the terms and conditions of our 2007 Plan, which expressly allows for annual equity awards to be made to eligible employees, in March 2013, the Compensation Committee approved the 2013 Long-Term Incentive Plan (the “2013 LTIP”), an equity-based sub-program underneath our 2007 Plan providing for the granting of 75% performance-based RSUs and 25% time-based RSUs. The performance-based RSUs are earned based on performance achievement over a one-year period followed by vesting requirements based on continued employment (or to an employee’s qualified retirement date, if earlier), over 24, 36, and 48 months from January 31st of the grant year, at the rate of 50%, 25%, and 25%, respectively. The time-based RSUs are earned at the time of issuance and vest in accordance with the same schedule as performance-based RSUs.

Under the 2013 LTIP, the size of our 2013 awards was based on a competitive long-term equity compensation that is translated into a percentage of base salary. For example, our CFO was granted RSUs with a target value approximately equal to 1.5x his base salary (based on a 20-day average stock price in December 2012). Under the 2013 LTIP, the total number of RSUs earned was subject to an annual share pool limitation established by the Compensation Committee. RSUs were then earned based on the achievement of a Revenue performance metric and an Adjusted Earnings per Share performance metric, with each metric being equally weighted. Revenues is defined as “Total Revenues” under GAAP as reported in our 2013 consolidated financial statements and Adjusted Earnings per Share is defined as Adjusted Net Income per share as reported in our filings with the SEC. These two measures were selected as we believe they are the best measures of sustainable business performance and drive increased stockholder value.

The following table provides (i) the 2013 pre-established threshold, target, and maximum performance levels for each of our performance metrics, and (ii) our performance results for each metric, on an adjusted basis for the effects of foreign currency exchange rate movements from prior year and the pro forma impact of a material acquisition consummated during the year. The two targeted amounts for Revenue and Adjusted Earnings per Share were set based on our intermediate-term growth objectives.

| Performance Metric | Threshold | Target | Maximum | Performance Results Achieved |
|--------------------|----------------|------------|------------|------------------------------|
| | (In thousands) | | | |
| Revenue | \$ 830,417 | \$ 847,364 | \$ 881,259 | \$ 832,935 |

Adjusted Earnings per Share \$ 1.69 \$ 1.78 \$ 1.92 \$ 1.86

If we did not meet a given threshold amount for a metric, all of the awards would be forfeited with respect to that metric. If we achieved our Revenue and Adjusted Earnings per Share performance levels at the threshold, target, or maximum levels of performance, then 50%, 100% or 200% of the targeted number of RSUs would be deemed earned, respectively. The Compensation Committee retains the right to make adjustments to actual performance results, similar to the Cash Bonus Plan, and exercised the operating discretion in 2013 by adjusting the actual performance results with the same adjustments made to the Cash Bonus Plan as described above.

The Compensation Committee believes that this long-term incentive design is competitive and allows us to attract and retain our executive talent base in future years. In addition to serving as a retention tool, these grants were also made to incentivize the executives to work towards achieving certain levels of Revenue and Adjusted Earnings per Share in 2013.

In March 2013, our Compensation Committee awarded the following target number of RSUs under the 2013 LTIP to our Named Executive Officers:

| Named Executive Officers: | Time-based | | Performance-based | |
|---------------------------|------------|-----|-------------------|-----|
| | RSUs | | RSUs | |
| Steven A. Rathgaber | 16,459 | | 49,376 | |
| J. Chris Brewster | 7,193 | | 21,579 | |
| David W. Dove | N/A | (1) | N/A | (1) |
| Michael H. Clinard | 7,767 | | 23,301 | |
| Jonathan Simpson-Dent | N/A | (1) | N/A | (1) |

(1) Mr. Dove and Mr. Simpson-Dent joined Cardtronics in 2013.

We achieved Adjusted Earnings per Share that was between target and maximum for the 2013 year, and achieved slightly above the threshold for the Revenue metric, thus resulting in 106% of target number of RSUs “earned” for each participant. In addition, the Committee granted an additional discretionary grant of 4,000 units to Mr. Brewster. However, in each case, RSU awards remain subject to the additional time-based vesting requirements discussed above. Pursuant to the terms of the 2013 LTIP, vesting is contingent upon continued employment (or to an employee’s qualified retirement date, if earlier), over 24, 36, and 48 months from January 31st of the grant year, at the rate of 50%, 25%, and 25%, respectively. For information regarding the fair value of these awards, see the “Stock Awards” column and the related footnotes of our “Summary Compensation Table for 2013” included in the “Executive Compensation” section below.

Other Compensation and Tax Matters

Stock Ownership Guidelines. We have a stock ownership policy (the “Policy”) for senior executives and outside directors (collectively the “Participants”), requiring the Participants to maintain a stated level of stock ownership in the company. This Policy was implemented in May 2011 to align the interests of Participants with those of our stockholders. The Policy was based on market trend information regarding executive and director stock ownership policies, including design approaches, types of stock counted towards ownership, time provided to Participants to meet goals, and common multiples of base salary.

The Policy applies to our common stock acquired by Participants on or after June 1, 2011 (the “Policy Date”) or the Participant’s hire date, excluding shares acquired in the open market (the “Covered Shares”). Under the terms of the Policy, Participants must attain target levels of ownership (set forth below) in Covered Shares before they no longer are required to adhere to the holding requirement (also set forth below), unless ownership falls below these levels. The total stock value of the Participant’s Covered Shares must equal or exceed the specified target value.

| Position | Target Ownership Level |
|----------------------------|------------------------|
| Outside Directors | 3x annual retainer |
| CEO | 3x base salary |
| Designated executives | 2x base salary |
| Designated senior managers | 1x base salary |

Prior to attaining the above target ownership levels, a Participant is prohibited from selling, gifting, or otherwise transferring more than 50% of any of the shares subject to the Policy, unless those shares are tendered to us in payment of (i) a stock option exercise price or (ii) the minimum state and federal income tax withholding obligations of the Participant that automatically arise upon the lapsing of any restrictions on any restricted stock (or other equity award). If a Participant wishes to sell unrestricted Covered Shares in excess of the allowable amount and is under the target ownership level, the individual must request an exception and have it approved by the Compensation

Committee, who has complete discretion to allow or disallow any such sales.

Participants are not subject to a time period to attain their target ownership level, since this will be achieved through the retention of a specified percentage of equity grants each year through our incentive plans. If a Participant receives a raise in his or her base salary, leading to an increase in the ownership requirement, the Participant's future equity grants will continue to be subject to the holding requirement until the new target ownership level is attained. It is anticipated that actual levels of stock ownership will fluctuate over time based on the change in pay rates and the value of the underlying shares. Accordingly, on a periodic basis, the Compensation Committee will review the target ownership levels to determine if any adjustments are appropriate. Furthermore, in response to unusual circumstances and in its sole discretion, the Compensation Committee may grant temporary relief or a waiver to individuals and/or categories of Participants so as to permit them to sell unrestricted Covered Shares even if such sale results in that Participant falling below his or her prescribed target ownership level. All of our Named Executive Officers are currently in compliance with the Policy.

Equity Granting and Exercise Policy and Policy against Backdating. Under the terms of the governing option agreements, the exercise price of each stock option awarded to employees under our 2007 Plan is calculated as the average of the high and the low sales prices of our stock on the date of grant to ensure that options are not granted at less than their fair market value. We do not backdate options and have a specific company policy in place along with a notification system administered by our legal department to be mindful of black-out periods during which the exercise of options or other sales of stock would be prohibited or would violate insider trading rules.

Board and Compensation Committee meetings are generally scheduled several months in advance. The meeting dates on which options, restricted stock, or any other rewards are granted are not established in regard to planned releases of earnings or any other major announcements. Also, the Compensation Committee does not currently believe that it would be appropriate to recommend the re-pricing or discounting of options to any of our employees in the event of a decline in our share price.

Tax Deductibility of Compensation. Internal Revenue Code (the “Code”) Section 162(m) limits the amount of non-performance-based compensation paid to certain "covered employees" as defined in Section 162(m) of the Code to \$1,000,000. Our "covered employees" for purposes of Section 162(m) of the Code include, as of the last day of the applicable taxable year, our CEO (or the individual acting as our CEO) and the three most highly compensated Named Executive Officers (other than our Chief Financial Officer). Section 162(m) of the Code will limit certain deductions for compensation payments made to these covered employees unless the specifics of the plans impacted have been previously submitted to our stockholders for approval as “performance-based compensation.” Although the Compensation Committee attempts to establish and maintain compensation programs that optimize the tax deductibility of compensation, the Compensation Committee retains discretion to authorize payment of compensation that may not be fully tax deductible when it believes this would be in our best interest.

COMPENSATION COMMITTEE REPORT

(1) Amounts included in the “Stock Awards” columns represent the aggregate grant date fair value of the awards made to our Named Executive Officers, computed in accordance with Financial Accounting Standards Board (“FASB”) ASC Topic 718, disregarding any estimates for forfeitures. Except for the award made to Mr. Simpson-Dent, which is entirely comprised of time-based RSUs, a portion of the awards made to our Named Executive Officers are performance-based RSUs that are based upon the probable outcome of certain performance conditions at the date of grant. The grant date fair values ultimately realized by the executives upon the actual earning of the awards may be or were different to the values reflected above. For the stock awards granted in 2013, Messrs. Rathgaber, Brewster, and Clinard earned 106% of the target number of performance-based RSUs, except for Mr. Brewster who received an additional discretionary grant of 4,000 units. Mr. Dove’s performance-based RSUs have three annual performance periods that commence in 2014; therefore, the ultimate grant date fair value realized by him may differ from the value reflected above and may not exceed the maximum value in the table that follows. All RSUs will vest based on continued employment with the company (or to an employee’s qualified retirement date, if earlier). The maximum values of the 2013 performance-based RSUs, if the highest level of performance conditions were achieved, would have been as follows:

| Name | Maximum Value of Stock Awards That Could Have Been Achieved |
|---------------------|--|
| Steven A. Rathgaber | \$ 3,159,950 |
| J. Chris Brewster | \$ 1,381,002 |
| David W. Dove | \$ 6,125,000 |
| Michael H. Clinard | \$ 1,491,206 |

Assumptions used in the calculation of these amounts are included in Part II, Item 8. Financial Statements and Supplementary Data, Note 3, Stock-Based Compensation, to our audited consolidated financial statements for the fiscal year ended December 31, 2013, included in our 2013 Annual Report on Form 10-K.

(2) Amounts presented in the “All Other Compensation” column for 2013 include the following:

The “Other” column for Mr. Simpson-Dent includes \$16,670 of contribution to a personal pension plan and \$6,668 of auto allowance.

(3)Mr. Dove joined Cardtronics in 2013. The \$250,000 amount presented within the “Bonus” column represents Mr. Dove’s sign-on bonus with us.

(4)The base salary for Mr. Simpson-Dent has been converted from pounds sterling to United States dollars using the exchange rate of approximately \$1.60, the average effective rate for the days he was employed with Cardtronics in 2013.

Annual Non-Equity Incentive Plan Awards

The amounts awarded to each of the Named Executive Officers under our annual non-equity incentive plan for the fiscal year ended December 31, 2013 year were paid to the executives in March 2014. For additional information on the terms of our non-equity incentive compensation plan, see “Compensation Discussion and Analysis — 2013 Compensation Decisions — Non-Equity Incentive Plan” above.

Equity Incentive Awards

As noted above, we have two long-term equity incentive plans – the 2007 Plan and the 2001 Plan. The LTIP, which is an equity-based program subject to the terms and conditions of our 2007 Plan, is annually approved by the Compensation Committee. The following is a description of each plan and program.

2001 Plan. In June 2001 and prior to us being a publicly traded company, our Board adopted the 2001 Plan. Various plan amendments have been approved since that time, the most recent being in November 2007. The 2001 Plan allowed for the issuance of equity-based awards in the form of non-qualified stock options and stock appreciation rights. However, as a result of the adoption of the 2007 Plan, at the direction of the Board, no further awards will be granted under our 2001 Plan. As of December 31, 2013, options to purchase an aggregate of 6,438,172 shares of common stock (net of options cancelled) had been granted pursuant to the 2001 Plan, all of which were non-qualified stock options. Of that amount, 6,099,962 options had been exercised.

2007 Plan. In August 2007, our Board and our stockholders approved our 2007 Plan. The adoption, approval, and effectiveness of this plan were contingent upon the successful completion of our initial public offering, which occurred in December 2007. In June 2010, our stockholders approved the amendment and restatement of the 2007 Plan. The 2007 Plan provides for the granting of incentive stock options intended to qualify under Section 422 of the Code, nonqualified stock options,

restricted stock awards, restricted stock unit awards, annual incentive awards, performance awards, phantom stock awards, and bonus stock awards. The number of shares of common stock that may be issued under the 2007 Plan may not exceed 5,179,393 shares, subject to further adjustment to reflect stock dividends, stock splits, recapitalizations and similar changes in our capital structure. The individual share limitations that any one participant can receive in any given fiscal year is 1,500,000 shares and, for awards denominated in cash amounts, the amount may not exceed \$2,000,000 in a given year. As of December 31, 2013, options to purchase an aggregate of 416,500 shares of common stock (net of options cancelled) had been granted pursuant to the 2007 Plan, all of which were non-qualified stock options. Of that amount, 232,275 options had been exercised. Additionally, as of December 31, 2013, 4,102,458 shares of restricted stock awards and units, net of cancellations, had been granted pursuant to the 2007 Plan.

LTIP. In the first quarter of each year since 2011, the Compensation Committee of our Board has approved our annual LTIPs, which are equity programs subject to the terms and conditions of our 2007 Plan that allow for annual equity awards to be made to eligible employees. The Compensation Committee has the sole authority to grant awards under the respective year's LTIP to our Section 16 Officers, as defined by the SEC, and our Chief Executive Officer has the authority to grant awards to all non-Section 16 Officers and other employees. The Compensation Committee determined that any awards granted would be in the form of RSUs (as defined in the 2007 Plan). All awards in 2011 and 2012, and 75% of the awards in 2013, were performance-based RSUs and are subject to a time-based vesting schedule. The remaining 25% of the awards in 2013 only have a service-based vesting schedule, with no performance requirements. The number of performance-based RSUs potentially earned under the LTIP is based on the level of performance achieved during a given year. If we fail to achieve at least the threshold performance levels, none of these performance-based RSUs would be earned, and all of the grants would be forfeited. (See the "Compensation Discussion and Analysis – 2013 Compensation Decisions – Approval of 2013 Long-Term Incentive Plan" section above for the 2013 threshold, target, and maximum amounts of each selected performance metric.) As of December 31, 2013, 888,411 RSUs (net of cancellations) had been granted pursuant to the LTIPs, which is included in the number of restricted stock, net of cancellations, that is presented under the "2007 Plan" section above. Unless in exceptional circumstances, the Compensation Committee intends for all future equity grants to be made pursuant to the current year's LTIP.

The type and number of awards held by each of our Named Executive Officers as of December 31, 2013 that were granted pursuant to each of our equity incentive plans are described below in the "Outstanding Equity Awards at Fiscal 2013 Year-End" section.

Incentive-Based Compensation in Proportion to Total Compensation

The following table sets forth the percentage of total compensation that we paid under our annual non-equity incentive plan and LTIP for the year ended December 31, 2013 to each Named Executive Officer:

(1) The market value of shares that have not vested is based on the closing market price of our stock on December 31, 2013 of \$43.45 per share.

(2) These units vest after 24, 36, and 48 months from January 31st of the grant year, at the rate of 50%, 25%, and 25%, respectively (or to an employee's qualified retirement date, if earlier). These restricted shares were granted under our respective year's LTIPs, which are governed by our 2007 Plan. The number of unearned units that have not vested shown above are at target level of performance achievement.

- (3) These units vest at the rate of 25% of the award vesting on each of the first four anniversaries of the grant date. These units were granted pursuant to our 2007 Plan.
- (4) These units vest at the rate of 25% of the award vesting on each vesting date of September 1, 2014, September 1, 2015, September 1, 2016, and February 28, 2017. These units were granted pursuant to our 2007 Plan.
- (5) These units are divided into three separate tranches of 16,666, 16,666 and 16,668 units each, with each tranche having its own annual performance period (specifically, for calendar years 2014, 2015, and 2016) and performance targets or goals. The number of units earned for the applicable year will be determined by the Compensation Committee of our Board on or before March 31 of the year immediately following each performance period. These units were granted pursuant to our 2007 Plan.
- (6) These units vest at the rate of 25% of the award vesting on each vesting date of August 7th of 2014, 2015, 2016, and 2017. These units were granted pursuant to our 2007 Plan.

Option Exercises and Stock Vested During Fiscal Year 2013

The following table sets forth information relating to each exercise of stock options and each vesting of restricted stock awards and units during the year ended December 31, 2013 for each of our Named Executive Officers.

| Name | Option Awards | Value | Stock Awards | Value |
|-----------------------|---------------------------------------|----------------------------|--------------------------------------|-------------------------|
| | Number of Shares Acquired on Exercise | Realized Upon Exercise (1) | Number of Shares Acquired on Vesting | Realized on Vesting (2) |
| Steven A. Rathgaber | — | — | 132,350 | \$ 3,448,968 |
| J. Chris Brewster | 53,682 | \$ 1,266,314 | 42,900 | \$ 1,102,481 |
| David W. Dove | — | — | — | — |
| Michael H. Clinard | — | — | 47,000 | \$ 1,208,240 |
| Jonathan Simpson-Dent | — | — | — | — |

(1) Value realized was calculated based on the difference between the market price of our common stock upon exercise and the exercise price of the option.

(2) Value realized was calculated by multiplying the market value of our common stock (which was the average of the high and low trading price of our common stock on the applicable vesting date) by the number of shares that became vested on the applicable vesting dates.

Pension Benefits

Currently, we do not offer, and, therefore, none of our Named Executive Officers participate in or have account balances in qualified or non-qualified defined benefit plans sponsored by us. The contribution to pension plan made on behalf of Mr. Simpson-Dent was made to his personal pension plan that is not sponsored by us. In the future, however, the Compensation Committee may elect to adopt qualified or non-qualified defined benefit plans if it determines that doing so is in our best interests (e.g., in order to attract and retain employees.)

Nonqualified Deferred Compensation

Currently, we do not offer, and, therefore, none of our Named Executive Officers participate in or have account balances in non-qualified defined contribution plans or other deferred compensation plans maintained by us. In the future, however, the Compensation Committee may elect to provide our officers and other employees with non-qualified defined contribution or deferred compensation benefits if it determines that doing so is in our company's best interests.

Potential Payments upon a Termination or Change in Control

We provide our Named Executive Officers with certain severance and change in control benefits in order to provide them with assurances against certain types of terminations without cause or resulting from change in control transactions where the terminations were not based upon cause. This type of protection is intended to provide the executive with a basis for keeping focus and functioning in the stockholders' interests at all times. In addition to the potential acceleration of our equity-based awards upon certain events, our employment agreements with Messrs. Rathgaber, Brewster, Clinard, Dove, and Simpson-Dent contain severance and change in control provisions.

The employment agreements in place as of December 31, 2013 contain the following definitions for each of the possible "triggering events" that could result in a termination payment to the below-referenced Named Executive Officers:

- Cause. Messrs. Rathgaber, Brewster, Clinard, and Dove may be terminated for cause if the executive: (i) engages in gross negligence, gross incompetence, or willful misconduct in the performance of his employment duties; (ii) refuses, without proper legal reason, to perform his employment duties and responsibilities; (iii) materially breaches any material provision of his employment agreement, any written agreement or a corporate policy or code of conduct established; (iv) willfully engages in conduct that is materially injurious to us; (v) discloses without

specific authorization confidential information that is materially injurious to us; (vi) commits an act of theft, fraud, embezzlement, misappropriation, or willful breach of a fiduciary duty to us; (vii) is convicted of (or pleads no contest to) a crime involving fraud, dishonesty or moral turpitude, or any felony (or a crime of similar import in a foreign jurisdiction).

In addition to the above-referenced causes for termination, under Mr. Dove's employment agreement, Mr. Dove may be terminated if he fails three successive quarterly performance reviews.

Mr. Simpson-Dent may be terminated for cause if he: (i) commits any material breach of his duties, or repeats any breach or continuously breaches or fails to observe any express or implied obligations arising from his position with us, including refusing to comply with any reasonable/lawful instructions given to him by the Board; (ii) commits any serious misconduct; (iii) has been guilty of engaging in any conduct, which in the opinion of the Board, adversely impacts the reputation of the Company; (iv) becomes prevented by applicable law or regulation from continuing to perform his obligations with us; (v) commits any act of fraud or dishonesty (whether or not in connection with his position with the Company) or committed any act, which in the reasonable opinion of the Board, adversely affects his ability properly to carry out his duties; (vi) becomes unable to pay his debts; (vii) is convicted of a criminal offense; (viii) is convicted of any offense relating to bribery or insider dealing; or (ix) becomes of unsound mind or a patient or has been admitted to a hospital due to a mental disorder.

•Change in Control. Messrs. Rathgaber, Brewster, Clinard and Dove's agreements state that a change in control may occur upon any of the following events:

•a merger, consolidation, or asset sale where all or substantially all of our assets are sold to another entity if (i) the holders of our equity securities no longer own the same proportion of equity securities of the resulting entity that are entitled to 60% or more of the votes eligible to be cast in the election of directors of the resulting entity, or (ii) the members of the Board immediately prior to such transaction no longer constitute at least a majority of the board of directors of the resulting entity immediately after such transaction or event;

•our dissolution or liquidation;

•the date any person or entity, including a "group" as contemplated by Section 13(d)(3) of the Securities Exchange Act of 1934, as amended, acquires or gains ownership or control (including, without limitation, power to vote) of more than 50% of the combined voting power of the resulting entity's outstanding securities; or

•as a result of or in connection with a contested election of directors, the members of the Board immediately before such election cease to constitute a majority of the Board.

Our Named Executive Officers may be subject to a federal excise tax on compensation they receive in connection with a change in control of our company. The value determined in accordance with Section 280G of the Internal Revenue Code of payments and benefits provided that are contingent upon a change in control may be subject to a 20% excise tax to the extent of the excess of such value over the executive's average annual taxable compensation from our company for the five years preceding the year of the change in control (or such shorter period as the executive was employed by us), if the total value of such payments and benefits equals or exceeds an amount equal to three times such average annual taxable compensation. In accordance with their employment agreements, if such excise tax is applicable, Messrs. Rathgaber, Brewster, and Clinard are entitled to receive a "gross-up payment" from the company in an amount necessary to place the executive in the same after-tax position had no portion of such contingent payments been subject to excise tax. Mr. Dove's employment agreement does not provide for a potential gross-up payment.

A change in control under Mr. Simpson-Dent's employment agreement is any event of liquidation of the company due to merger, consolidation or sale or as part of any arrangements for the merger, consolidation or demerger not involving liquidation.

•**Good Reason.** Messrs. Rathgaber, Brewster, Clinard, and Dove have the right to terminate employment upon the occurrence of any of the following good reason events (which in the case of Mr. Dove's employment agreement, are limited to those events that occur within the 12 month period immediately following a Change in Control): (i) a material diminution in the executive's base salary (defined as 5% or more for Mr. Dove); (ii) a material diminution of the executive's authority, duties or responsibilities of his job function; and (iii) without the executive's prior consent, a required involuntary relocation of more than 75 miles (50 miles for Mr. Dove) from our corporate headquarters in Houston, Texas. Additionally, in the case of Messrs. Rathgaber and Dove, they may also terminate employment for good reason in the event of a material breach by us of our agreement with them and in the case of Mr. Dove, he may also terminate employment for good reason in the event of a material diminution of the executive's reporting relationship with his immediate supervisor(s).

Under Mr. Simpson-Dent's employment agreement, either we or the executive may terminate employment for any reason upon providing at least six months' prior written notice.

•**Totally Disabled.** Under Messrs. Rathgaber, Brewster, Clinard and Dove's employment agreements, we have the right to terminate the executive's employment at any time if the employee is unable to perform his duties or fulfill his obligations by reason of any medically determinable physical or mental impairment that can be expected to result in death or can be expected to last for a continuous period of not less than six months, as certified by a competent physician (without this specifically being deemed as "totally disabled").

Pursuant to Mr. Simpson-Dent's employment agreement, we may terminate the executive's employment if the executive cannot perform his duties by reason of ill-health or accident or other incapacity, and has been so prevented for at least a continuous period of 243 days or for an aggregate period of 243 days in the preceding 12 month period (whether or not, in either case, working days).

•**Without Cause Termination.** Under Messrs. Rathgaber, Brewster, Clinard, and Dove's employment agreements, a termination without cause shall mean a termination of the executive's employment other than for death, voluntary resignation, total disability, or cause (and in Mr. Dove's case, termination for failure to pass three successive quarterly performance reviews).

Each of our Named Executive Officers has received restricted stock grants pursuant to our 2007 Stock Incentive Plan, the award agreements of which contain provisions permitting accelerated lapsing of forfeiture restrictions upon certain termination and change in control scenarios. Awards granted were granted under either the sub-plan LTIPs or the overriding 2007 Plan. Under Messrs. Rathgaber, Brewster, and Clinard's employment agreements, the Named Executive Officers are entitled to the following equity award treatment in the event of a termination or employment or a change in control:

- Each of the executives will receive partial (25%) accelerated lapsing upon a termination of employment for death or disability;
- Messrs. Rathgaber, Brewster, and Clinard also will receive partial (50%) accelerated lapsing upon the occurrence of a change in control; this acceleration will be increased to 100% if a termination other than for cause or a good reason termination follows such a change in control; and
- Finally, if Mr. Rathgaber terminates his employment with us for Good Reason or if he is terminated by us without Cause, then he will receive partial (25%) accelerated vesting.

Each equity award granted between 2011 and 2013 consisted of RSU awards. Under the terms of the agreements governing our applicable LTIPs and Restricted Stock Unit Agreements, if a Named Executive Officer: (i) is terminated due to death or disability; (ii) resigns and such resignation constitutes a “Qualified Retirement” (defined as the employee (a) having been employed for a minimum of 5 years by us, and (b) being 60 years of age at the time of resignation); or (iii) is involuntarily terminated within 24 months following a Corporate Change (which is substantially the same definition as the Change in Control definition in the employment agreements described above), then the forfeiture restrictions on all earned RSUs that have not previously lapsed will immediately lapse. In the event that a Named Executive Officer is eligible for Qualified Retirement after the end of the performance period, but prior to the date that is 12 months prior the end of the time-based vesting period, then a Corporate Change that also qualifies as a change in control pursuant to Section 409A of the Code will result in all earned RSUs becoming fully vested and paid out in shares of our common stock. If the Named Executive Officer is not eligible for a Qualified Retirement during the period noted in the preceding sentence, then the holder may be eligible to receive a replacement award for the RSU. A “replacement award” shall be an award that has a value at least equal to the value of the replaced RSU, it relates to a publicly traded equity security of the successor of the Corporate Change, and it has terms no less favorable to the participant than the terms of the original RSU award. If an RSU holder is provided with a replacement award following a Corporate Change to replace the then-outstanding earned RSUs, then the replaced RSUs will be cancelled. However, if the Named Executive Officer does not receive a replacement award for his or her earned RSUs in connection with a Corporate Change, then the earned RSUs that the Named Executive Officer holds at the time of the Corporate Change will become fully vested and paid out in shares of our common stock.

Unless otherwise noted above, the definitions of the applicable terms in the restricted stock and RSU agreements are substantially similar to the same terms as described above within Messrs. Rathgaber, Brewster, Clinard and Dove’s employment agreements.

The table below reflects the amount of compensation payable to our Named Executive Officers in the event of a termination of employment or a change in control of the company on December 31, 2013. For purposes of calculating the potential payments, we have made certain assumptions that we have determined to be reasonable and relevant to our stockholders. Upon the occurrence of any of the termination events listed, or in the event of a for-cause termination or a voluntary termination (neither of which are shown in the table below), the terminated executive would receive any base salary amount that had been earned but had not been paid at the time of termination. In the event of a without cause termination, a termination for good reason, or a termination in connection with a change in control, the executive would also be entitled to receive payment of any prior year amount earned under our non-equity incentive plan (if not already paid) and a pro rata portion of the amount earned under our non-equity incentive plan for the year in which the termination occurred. However, such amounts would not be considered “termination payments” but rather would represent compensation earned by the executive for services rendered, and we, therefore, have not reflected the amount of earned but unpaid salary and non-equity incentive compensation awards in the table below. The executives are also entitled to receive reimbursement payments for reasonable business expenses, and we have assumed that for purposes of the calculations below, all expense reimbursements were current as of December 31, 2013.

The amount of compensation payable to each applicable Named Executive Officer for each situation is listed below based on the equity award agreements and/or the employment agreements in place for each executive as of December 31, 2013. The amounts shown assume that such termination event was effective as of December 31, 2013 and that the

closing price of our common stock on that date was \$43.45. There are no values disclosed in the table below attributable to any stock option awards, as each stock option held by our Named Executive Officers on December 31, 2013 was already vested and exercisable. The amounts below are our best estimates as to the amounts that each executive would receive upon that particular termination event; however, exact amounts that any executive would receive could only be determined upon an actual termination of employment.
