Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

On November 22, 2013, Kite Realty Group, L.P. (the “Borrower”), Kite Realty Group Trust (the “Parent”), and KRG Parkside I, LLC and KRG Parkside II, LLC, subsidiaries of the Company (the “Subsidiary Guarantors”) entered into a secured loan agreement (the “Agreement”) with each of the financial institutions initially signatory thereto, The Huntington National Bank, as administrative agent (the “Agent”), and such lenders, including Administrative Agent, as may from time to time become a party to the Agreement (collectively, the “Lenders”), relating to a secured loan facility allowing for borrowings up to an aggregate amount of \$87,225,000 (the “Facility”). Proceeds from the Facility will be used for the construction and development of Parkside Town Commons, a retail center located in Cary, North Carolina anticipated to consist of approximately 440,000 net rentable square feet (the “Project”).

The Parent and the Subsidiary Guarantors are guarantors of all indebtedness and obligations owing by the Borrower to any Lender or the Agent under the Facility, and the Facility is secured by the Borrower’s equity interests in each of the Subsidiary Guarantors and each of the Subsidiary Guarantor’s estate, right, title and interest in the Project.

The Facility has an initial maturity date of November 21, 2016 (the “Initial Maturity Date”). The Borrower has the option to extend the maturity of the Facility for one additional period of 48 months to November 21, 2020 (the “Extension Term”), subject to certain terms and conditions including payment of an extension fee.

Subject to certain exceptions, borrowings under the Facility initially will bear interest at a rate of LIBOR plus 2.10%, reducing to LIBOR plus 1.95% upon meeting certain requirements, including lien-free construction completion. Monthly interest-only debt service payments begin on December 1, 2013. Following the Initial Maturity Date, during the Extension Term, if applicable, the Borrower will be required to make monthly payments of principal and interest. The Facility may be prepaid in part or in full, at any time, and without penalty. The Facility includes various restrictive covenants, including with respect to liens, indebtedness, investments, mergers, asset sales and maintenance of certain operating and financial covenants.

The Facility is also subject to customary default provisions that are usual for loans of this type. Upon any bankruptcy default, all principal, accrued interest and any other obligations will automatically become immediately due and payable. Upon any other default, at the request of the lenders, the Agent may declare any and all principal, accrued interest and any other obligations immediately due and payable.
