Formerly, Directors were eligible to receive options to purchase shares of our common stock under our 1998 Stock Option Plan, or 2005 Stock Incentive Plan ("2005 Plan"). Each nonemployee director, including the Chairman, automatically received an option to purchase 15,000 shares of our common stock on the date of his or her initial election or appointment as director. Each nonemployee director, including the Chairman, thereafter received an option to purchase 10,000 shares of our common stock immediately following the next year's annual meeting of shareholders and each annual meeting of shareholders thereafter for as long as the director served on our board.

Under the new compensation package, Directors will receive restricted stock units ("RSUs") under our 2005 Plan. Each nonemployee director, including the Chairman, will automatically receive 5,000 RSUs on the date of his or her initial election or appointment as director. Each nonemployee director, including the Chairman, thereafter will receive 5,000 RSUs immediately following the next year's annual meeting of shareholders and each annual meeting of shareholders thereafter for as long as the director serves on our board. All RSU grants will vest in 1/3 increments on each anniversary of the date of grant over a three year period, assuming a director's continued service on our board of directors during that time.

As before, directors who are employed by the Company will receive no additional compensation for their services rendered as directors of the Company.
