Item 9. Regulation FD Disclosure

On August 30, 2002, the Department of the Navy notified Boeing (the "Company") and General Dynamics Corporation that unless they paid, within 30 days, approximately \$2.3 billion that the Government claims they owe in the A-12 case, it would turn the matter over to the Defense Finance and Accounting Service for collection. The letter acknowledges that negotiations regarding a settlement are ongoing and that the Navy fully supports that effort. As noted in the Company's Form 10-Q for the six month period ended June 30, 2002, the Company is continuing to pursue its legal appeal in this matter.
