Notice to the Market
CSN announces a US\$ 750 million bond issue maturing in 2019

Companhia Siderúrgica Nacional (“CSN”) hereby announces that on this date, through its wholly-owned subsidiary CSN Islands XI Corp., it priced a US\$ 750 million bond issue with a coupon of 6.875% p.a. maturing in September 2019, pursuant to Rule 144A and Regulation S of the United States of America. The notes will be guaranteed by CSN and the proceeds will be used to extend the group’s debt profile and for general corporate purposes.

The notes were not and will not be registered in accordance with the U.S. Securities Act of 1933 and may not be offered or sold in the United States of America. Consequently, they will not be registered with the Securities and Exchange Commission or with any other capital market regulatory agency or body in any other country and therefore may not be sold in the United States of America without an exemption from the applicable registration. Since the notes will not be offered or placed in Brazil, they will also not be registered with the Brazilian Securities and Exchange Commission (CVM). This Notice does not constitute an offer to sell or a request to purchase any marketable security.

FORWARD-LOOKING STATEMENTS

This press release may contain forward-looking statements. These statements are statements that are not historical facts, and are based on management's current view and estimates of future economic circumstances, industry conditions, company performance and financial results. The words "anticipates", "believes", "estimates", "expects", "plans" and similar expressions, as they relate to the company, are intended to identify forward-looking statements. Statements regarding the declaration or payment of dividends, the implementation of principal operating and financing strategies and capital expenditure plans, the direction of future operations and the factors or trends affecting financial condition, liquidity or results of operations are examples of forward-looking statements. Such statements reflect the current views of management and are subject to a number of risks and uncertainties. There is no guarantee that the expected events, trends or results will actually occur. The statements are based on many assumptions and factors, including general economic and market conditions, industry conditions, and operating factors. Any changes in such assumptions or factors could cause actual results to differ materially from current expectations.
