Re: OFFICIAL LETTER GAE CAEM 1.245-10

Dear Sir,

This letter is a response to today's Official Letter GAE/CAEM 1245-10, which requested clarifications regarding the report on the Company published in the newspaper *Valor Econômico* on May 31, 2010.

We hereby inform you that Dad Engenharia e Serviços Ltda. ( Dad Engenharia ) was hired by Companhia Siderúrgica Nacional ( CSN ) to undertake maintenance services at the Presidente Vargas Steelworks in Volta Redonda.

Due to various instances of contractual non-performance, CSN, having duly notified Dad Engenharia, and as it was entitled to do under the terms of the contract entered into by the parties, withheld payment of approximately R\$2.5 million.

As a result, Dad Engenharia filed nine notices of protest against CSN in the approximate amount of R\$1.3 million, and filed a petition of bankruptcy against the Company, as reported in today's edition of *Valor Econômico*.

CSN would like to make it clear that: (i) the bankruptcy petition is entirely unfounded; (ii) the amount in dispute has been fully guaranteed by a judicial deposit; and (iii) the amounts in question are not material, nor do they represent any risk to the Company's solid financial and credit situation.

We remain at your disposal for any further information you may require.

Sincerely,

## **Companhia Siderúrgica Nacional**
