NOTICE OF VOTE AND PROTEST

JOSÉ AURÉLIO VALPORTO DE SÁ JUNIOR (“José Aurélio”), Brazilian citizen, executive and economist, single, holder of identity card No. 09868928-2, issued by DETRAN/RJ, registered with the CPF/ME under No. 343.384.701-00, resident at Rua Jorge Figueiredo 201, Anil, Rio de Janeiro, RJ, CEP 22750-120, as shareholder holding one hundred (100) common shares issued by BRASKEM S.A. (“Braskem” or the “Company”), hereby, for all legal purposes, registers his vote and lodges a protest (as applicable) on the following topics, which comprise the agenda of the Annual and Extraordinary Meeting, held at the Company’s head office located at Rua Eteno, 1.561, Polo Petroquímico, Camaçari, BA, on April 16, 2019, at 10:00 am (“AGOE”), requesting that this notice of vote be received by the chairman of the AGOE and filed along with the minutes in the records of the Commercial Registry of the State of Bahia, the Securities and Exchange Commission of Brazil, and the US Securities and Exchange Commission:

Agenda (Annual General Meeting):

(i) “Review, discuss and vote on the Management Report and respective Administrators’ Accounts and Financial Statements of the Company, containing Explanatory Notes for the fiscal year ended on December 31, 2018, accompanied with the Independent Auditors’ Report and the Fiscal Board’s Report”

1. Notice of Vote and Protest. José Aurélio votes against the Management Report and respective Managers’ Accounts and Financial Statements of the Company, containing Explanatory Notes for the fiscal year ended on December 31, 2018, accompanied with the Independent Auditors’ Report and the Fiscal Board’s Report.

1.1. To protect the rights of the Company, its shareholders, investors, and the market in general, José Aurélio lodges and formalizes his protest with respect to the above Agenda item, under the following terms:

1.2. The Company controllers, ODEBRECHT S.A., registered with the CNPJ/ME under No. 05.144.757/0001-72, with head office at Av. Luiz Vianna Filho, 2.841, Centro, Salvador, BA (“Odebrecht”) e ODEBRECHT SERVIÇOS E PARTICIPAÇÕES S.A., registered with the CNPJ/ME under No. 10.904.193/0001-69, with head office at Av. Rebouças, 3.970, 32º andar, São Paulo, SP (hereinafter referred to as “Odebrecht Participações” and, collectively with Odebrecht, the “Odebrecht Group”), have negotiated leniency agreements executed by them in conjunction with Braskem and gave guidance to the Company executives in the process of negotiating their leniency agreements (the “Agreements”) with American, Brazilian, and Swiss government officials. In this process, the Odebrecht Group had full access to the terms of the Agreements, but never permitted the entirety of the Agreements to be made available so that the other Company shareholders could make informed decisions, and as a result the minority shareholders not only drafted the accounting reports, but also made decisions about the accounts, after the execution of the Agreements, in a

blatant uninformed manner.

1.3. There is a pending claim filed by José Aurélio, in the capacity as procedural substitute of the Company, requesting compensation for the damage sustained by Braskem resulting from the corruption practices admitted in the Agreements (the “Claim”)

1.4. Shareholder Geração Futuro Lpar Fundo de Investimento em Ações (the “Fund”), a traditional shareholder of the Company since 2007, joined the Claim as assistant co-party, endorsing the legality of the request made by José Aurélio.

1.5. In the Claim, the Odebrecht Group argues, as the central grounds of its defenses, the existence of a supposed clause prohibiting reimbursement by the Company, contained in the leniency agreement executed with the US Department of Justice (the “Clause”).

1.6. The Clause has never been disclosed to the minority shareholders, as substantially evidenced by the notice of vote submitted by shareholder Petróleo Brasileiro S.A. (“Petrobras”) in the Company’s Annual and Extraordinary Meeting held on September 19, 2017, which, despite approving the accounts regarding the fiscal year ended December 31, 2016, recommended that the Company’s management sought “*in accordance with Law No. 6,404/76, reimbursement for the loss sustained due to the acts disclosed in the Operation Car Wash, of those who caused it*”.

1.7. The Clause shall not bind the Company shareholders, who can and must, just as José Aurélio and the Fund have been doing, seek reimbursement for the corruption practices admitted by the Odebrecht Group executives, who were appointed by it to comprise Braskem’s management for over a decade.

1.8. The controlling companies could not have approved the financial statements and accounts of the previous fiscal years, especially those subsequent to the execution of the Agreements, if said Agreements (i) granted them a particular benefit by preventing the Company from seeking compensation directly against the Odebrecht Group for the corruption practices admitted; (ii) were not fully disclosed to the other Company shareholders; (iii) were not subject to a specific resolution of the shareholders’ meeting, considering that now, the Odebrecht Group, wishes to take advantage of the approval of accounts recorded in the 2016 to confirm, before the Court, that the Agreements had supposedly been “approved” by the shareholders on that opportunity.

1.9. In conclusion, the Odebrecht Group cannot use its control power on the decisions made by the Company to their own sole and exclusive benefit. It must act in strict compliance with the provisions of the law, with the purpose of meeting the company’s social function and complying with all good corporate governance practices.

(ii) “Examine, discuss and vote on the Management Proposal for allocation of the net profit for the fiscal year ended December 31, 2018”

1 Case No. 1097498-46.2018.8.26.0100, pending before the 2nd Corporate and Arbitration-Related Conflict Court of the Central Forum of the Judicial District of São Paulo (the “Court”)

2. Notice of Vote. With respect to the examination, discussion, and voting of the Management Proposal for allocation of the net profit for the fiscal year ended December 31, 2018, José Aurélio voted for approval with restrictions of the payment of both the Compulsory Dividends and the Additional Dividend²⁻³ to the Company shareholders, considering that, strictly with respect to the Odebrecht Group, in view of the facts listed in this Notice of Vote and Protest (and explained in detail in the Claim), instead of being credited to its own accounts, the Compulsory Dividends and the Additional Dividend to which it is eligible must be deposited by the Company in a court account in favor of the Court, with the purpose of ensuring a future indemnity to be received by the Company by virtue of the acts carried out by the controlling companies abusing the power of control.

COURT OF JUSTICE OF THE STATE OF SÃO PAULO

Order

Interlocutory Appeal Case No. 2056503-46.2019.8.26.0000

Reporting Justice: ARALDO TELLES

Judging Body: **2nd CORPORATE RESERVED CHAMBER;**

This is an ancillary request for interlocutory appeal protection made within the scope of an Interlocutory Appeal, which originally, did not contain it, for purposes of attachment of all dividends to be distributed by a company in which the defendants are controlling companies, in a meeting scheduled for tomorrow.

And shall be included in the brief report located on pages 89/90.

As was with the original case, this appeal contains peculiarities that must be taken into consideration, mainly for the purposes intended by appellant, as per its petition contained in pages 452/458.

Primarily, the original request not address the attachment of the dividends to be distributed, but to the Braskem's shares held by the defendants, not covered by those that they were granted in fiduciary guarantee (pages 32 of the origin - item 128, subitem a).

It should be stressed that the Honorable Trial Court Judge failed to examine this specific case.

However, taking into account that, if it were generic, it could cover other assets, one ought to consider that, at this time, there is no evidence, **with the exception of the background examination of this appeal**, of the near certainty of the right alleged by the appellant, considering that the sufficiency of the collateral provided by him must be assessed, the subject matter of another appeal, as well as the consideration that, despite the damages payable to the Company, without disregarding the deviations referred to in the complaint, in favor of corruption acts, benefits, albeit partially illegal, were achieved and, in this particular sense, an increase or reduction in the assets shall be ascertained.

In addition, upon filing of this appeal, appellant was already aware of the call for the annual/extraordinary meetings scheduled for tomorrow (page 15 - item 51) and failed to make this request, which leads to the conclusion that , if the situation is unchanged, he could not foresee the **periculum in mora** indicated herein.

Finally, the appeal was completed and, in conjunction with the other ones, is to be judged by the Judging Panel, which shall take place in an on-site session to be designated by the Presidency of the Chamber shortly.

In the light of the foregoing, I hereby **REJECT** the request contained in pages 452/458.

São Paulo, April 15, 2019.
