Effective August 15, 2007, Smart Online, Inc. (the "Company") entered into an employment agreement with Joseph Francis Trepanier III (the "Trepanier Agreement") pursuant to which Mr. Trepanier will serve as the Company's Chief Operating Officer.

Mr. Trepanier, who is 38 years of age, joined the Company after serving as Chief Operations and Financial Officer of DataFlux Corporation, a SAS company, from 2004 to 2007. At DataFlux, Mr. Trepanier oversaw all financial and accounting management and strategic business and sales operations. From 2002 to 2004, Mr. Trepanier served as the Director of Worldwide Finance & Operations for Aspen Technology, based in Cambridge, Massachusetts. Mr. Trepanier is a licensed Certified Public Accountant in North Carolina and Massachusetts.

The term of the Trepanier Agreement commences on August 15, 2007 and may be terminated as provided in the Trepanier Agreement. Under the terms of the Agreement, Mr. Trepanier will (i) receive an initial annual base salary of \$163,000, subject to annual increases as may be approved by the Company's Board of Directors or any committee thereof and (ii) be eligible to participate in all applicable incentive, savings, and retirement plans, practices, policies, and programs of the Company for which senior management employees are eligible generally. Mr. Trepanier will also receive an award of 25,000 shares of restricted stock in the Company pursuant to the Company's 2004 Equity Compensation Plan, which will vest in 8 equal quarterly installments. In connection with the grant of the restricted stock, Mr. Trepanier executed a Restricted Stock Agreement in the form attached hereto as Exhibit 10.1, which is incorporated herein by reference.

If Mr. Trepanier's employment is terminated (i) by the Company for Cause (as defined below), (ii) by Mr. Trepanier other than for Good Reason (as defined below), (iii) by death, (iv) by disability, or (v) following a Change in Control (as defined below), the Company shall only be obligated to pay Mr. Trepanier his annual base salary then in effect through the date of termination and shall have no further obligations under the Trepanier Agreement.

If the Company terminates Mr. Trepanier's employment without Cause (as defined below) or if Mr. Trepanier terminates his employment for Good Reason (as defined below), Mr. Trepanier will be entitled to receive his base salary then in effect and benefits for sixty days following termination.

For purposes of the Trepanier Agreement, "Cause" is defined to mean unacceptable conduct by Mr. Trepanier, including but not limited to any:

For purposes of the Trepanier Agreement, "Good Reason" is defined to mean:

- any demotion or diminution in Mr. Trepanier's position, title, reporting position, or duties;
- relocation of Mr. Trepanier's office to a location more than thirty miles outside of Research Triangle Park, North Carolina; or
- any material, continuing breach of the Trepanier Agreement by the Company.

For purposes of the Trepanier Agreement, a "Change of Control" will generally be deemed to have occurred if:

- the direct or indirect beneficial ownership (within the meaning of Section 13(d) of the Securities Exchange Act and Regulation 13D thereunder) of 50% or more of the Company's common stock is acquired or becomes held by any person or group of persons (within the meaning of Section 13(d)(3) of the Act), but excluding the Company and any employee benefit plan sponsored or maintained by the Company; or

Provided, however, that a Change in Control shall not be deemed to have occurred upon an investment by one or more venture capital funds, Small Business Investment Companies (as defined in the Small Business Investment Act), or similar financial investors.
