**Item 5.03 Amendments to Articles of Incorporation or Bylaws; Change in Fiscal Year.**

On September 26, 2007, the Board of Directors of Bowne & Co., Inc. (the "Registrant") adopted an amendment to the Registrant's By-Laws (the "By-Laws").

The amendment to the By-Laws was adopted by the Registrant to comply with a recent amendment to the New York Stock Exchange ("NYSE") rules that requires NYSE listed companies to have their listed securities eligible to participate in the Direct Registration System ("DRS"). DRS is a system administered by The Depository Trust Company, which allows an investor's ownership to be recorded and maintained on the books of the issuer or the transfer agent without the issuance of a physical stock certificate.

The text of the amendment, which adds a new Article VIII, Section 2 to the By-Laws, is as follows:

"Section 2. Electronic Securities Recordation.

Notwithstanding the provisions of Section 1 of this Article VIII, the Corporation may adopt a system of issuance, recordation and transfer of its shares by electronic or other means not involving any issuance of certificates, provided the use of such system by the Corporation is permitted in accordance with applicable law."
