Item 1.01 Entry into a Material Definitive Agreement.

On September 30, 2007, our Compensation Committee approved certain amendments to the ADC Telecommunications, Inc. Executive Change in Control Severance Pay Plan, the ADC Telecommunications, Inc. 401(k) Excess Plan and the Compensation Plan for Non-employee Directors of ADC Telecommunications, Inc. (collectively, the "Plans") to comply with Section 409A of the Internal Revenue Code.

Among the changes made to the Plans were changes to certain definitions, including "Separation from Service" and "Specified Employee." In addition, in the ADC Telecommunications, Inc. 401(k) Excess Plan and the Compensation Plan for Non-employee Directors of ADC Telecommunications, Inc. the definition of "Change in Control" was also changed. These new definitions now comply with Section 409A.

In the Executive Change in Control Severance Pay Plan, we also changed the time frame under which severance distributions and bonuses were paid out to plan participants. Prior to amendment, such distributions were paid out as soon as administratively feasible. Following this amendment, such distributions are paid out on the first day of the seventh month following the participant's separation from service. Additionally, if adjusted bonus payments are to be paid, under this amendment, those adjusted bonus payments are now to be paid no later than two and one-half months following the end of the bonus period. These changes were made to comply with Section 409A of the Internal Revenue Code.

With respect to the 401(k) Excess Plan, we added a provision regarding distributions of account balances of certain employees in the case of an unforeseeable emergency, as that term is defined in the 401(k) Excess Plan. Such a distribution will not be subject to the six-month delay that otherwise applies to all distributions due to a separation from service.
