**Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.**

On June 3, 2013, the Compensation Committee of the Board of Directors of The Goodyear Tire & Rubber Company (the "Company") approved forms of grant agreements under the 2013 Performance Plan for non-qualified stock options and non-qualified stock options with tandem stock appreciation rights.

Consistent with the Company's other long-term incentive plans, the Compensation Committee also approved an amendment to all outstanding grants under the Executive Performance Plan in order to provide for the vesting of those grants if a participant's employment is terminated involuntarily other than for Cause, death, disability or mandatory retirement or by the participant for Good Reason during certain periods before or within two years following a Change in Control of the Company. The Compensation Committee adopted this amendment in order to continue to provide for the vesting of Executive Performance Plan awards in the event of an officer's Severance during certain periods before or within two years following a Change in Control, which provisions were previously included in the Continuity Plan for Salaried Employees prior to its amendment in February 2013 and the related adoption of the Executive Severance and Change in Control Plan (the "Severance Plan").

The Compensation Committee also designated Arthur de Bok as a participant in the Severance Plan for purposes of the change in control provisions only. Mr. de Bok will be entitled to benefits under the Severance Plan in connection with his Severance during certain periods before or within two years following a Change in Control.

"Cause", "Good Reason", "Change in Control" and "Severance" are used as defined in the Severance Plan. The Severance Plan was previously filed as Exhibit 10.1 to the Current Report on Form 8-K, filed on March 6, 2013.
