Item 8.01. Other Information.

On May 15, 2014, the Iowa Attorney General, Bridgepoint Education, Inc. (the "Company") and Ashford University entered into an Assurance of Voluntary Compliance, or the AVC, in full resolution of the Iowa Attorney General's allegations and Civil Investigative Demand. The AVC, in which neither the Company nor Ashford University admit any liability, contains several components including injunctive relief, nonmonetary remedies and a payment of \$7.25 million to the Iowa Attorney General to be used for restitution to Iowa consumers, costs and fees. The AVC also provides for the appointment of a settlement administrator for a period of three years to review the Company's and Ashford University's compliance with the terms of the AVC. In December 2013, the Company previously accrued \$9.0 million related to this matter split between both current and long-term liabilities, which continues to represent its best estimate of the restitution, cost of non-monetary remedies and future legal costs related to the AVC.
