**Item 7.01 Regulation FD Disclosure**

Cole Credit Property Trust II, Inc. (the Company) initially registered 25,000,000 shares of common stock for sale pursuant to its Amended and Restated Distribution Reinvestment Plan for up to \$237,500,000 under a registration statement on Form S-11 (Commission File No. 333-138444) (the Registration Statement). As provided in Prospectus Supplement No. 5 under the Registration Statement, effective as of September 4, 2008, the Company reallocated the aggregate amount of shares being offered under such registration statement, to the effect that 6,000,000 shares were offered pursuant to the Amended and Restated Distribution Reinvestment Plan for up to \$57,000,000.

On September 18, 2008, the Company adopted its Second Amended and Restated Distribution Reinvestment Plan (the Plan) and filed a registration statement on Form S-3 (Commission File No. 333-153578) (the DRIP Registration Statement) under the Securities Act of 1933, as amended. The Company registered 30,000,000 shares of its common stock in the DRIP Registration Statement for up to \$285,000,000 pursuant to the Plan (the Offering). Pursuant to the Plan, each holder of the Company's common stock may elect to have his or her distributions reinvested in additional shares of the Company's common stock at the higher of 95% of the value of one share as estimated by the Company's board of directors or \$9.50 per share. No selling commissions or dealer manager fees will be paid in connection with the Offering. The DRIP Registration Statement automatically became effective upon its filing. The Company believes the registration of 30,000,000 shares will allow stockholders that elect to participate in the Company's distribution reinvestment program to reinvest their distributions in the Company's common stock pursuant to the Plan for several years.

As a result of the Offering, effective November 14, 2008, the Company terminated its Amended and Restated Distribution Reinvestment Plan. As of November 14, 2008, there were 66,778 shares remaining under the Amended and Restated Distribution Reinvestment Plan that were registered for sale pursuant to the Registration Statement. The Company intends to de-register such shares.

Immediately upon the termination of the Company's Amended and Restated Distribution Reinvestment Plan, all distributions to stockholders participating in the Company's distribution reinvestment program will be made pursuant to the Plan and the DRIP Registration Statement.
