Item 1.01. Entry into Material Definitive Agreements

On April 30, 2007, Xerox Corporation ("Xerox" or "we") amended and restated its \$1.25 billion unsecured revolving credit facility that was entered into in April 2006 (the "2006 Credit Facility"). The amended and restated facility, with affiliates of Citibank, N.A. and JPMorgan Chase Bank, N.A., as lead arrangers and bookrunners, and a group of lenders (the "2007 Credit Facility"), has been increased to \$2 billion and includes a \$300 million letter of credit

subfacility. The 2007 Credit Facility also includes an accordion feature, which would allow us to increase from time to time, with willing lenders, the overall size of the facility to an aggregate amount not to exceed \$2.5 billion. The 2007 Credit Facility matures on April 30, 2012, although we have the right to request a one year extension on each of the first and second anniversaries of the facility.

On April 30, 2007, Xerox also entered into a \$1 billion interim bridge credit facility with Citibank, N.A., as administrative agent, and Citigroup Global Markets Inc. and J.P. Morgan Securities Inc., as joint lead arrangers and bookrunners, and a group of lenders (the "Interim Facility", each of the "2007 Credit Facility" and the "Interim Facility" individually a "facility", and collectively the "facilities"). The Interim Facility matures on April 28, 2008.

The proceeds of the facilities will be used to provide working capital for Xerox and its subsidiaries and for general corporate purposes.

Our obligations under the facilities are unsecured and are not guaranteed by any of our subsidiaries. However, if in the future any of our domestic subsidiaries guarantee any debt for money borrowed by Xerox of more than \$100 million, that subsidiary is required to guaranty Xerox's obligations under the facilities as well. In the event any of our subsidiaries borrows under the 2007 Credit Facility, its borrowings thereunder would be guaranteed by Xerox.

The facilities contain various conditions to borrowing, events of default and affirmative, negative and financial maintenance covenants, which are substantially identical to those included in the 2006 Credit Facility, which are described in our Annual Report on Form 10-K for the year ended December 31, 2006.

The foregoing description of the terms and conditions of the facilities is not complete and is in all respects subject to the actual provisions of each of the facilities, copies of which have been filed as exhibits to this Current Report on Form 8-K.
