### TELUS Files Shelf Prospectus

Vancouver, B. C. – TELUS Corporation today filed a preliminary short form base shelf prospectus and a registration statement with securities regulators in Canada and the United States, respectively. This will enable TELUS to offer and issue up to Cdn\$4 billion of debt, equity and/or warrants from time to time during the 25-month period after the shelf prospectus becomes final and the registration statement becomes effective. The shelf prospectus and registration statement, upon becoming final, will replace TELUS' existing shelf prospectus and registration statement that expire on September 30, 2009.

The preliminary shelf prospectus will not become final until a final shelf prospectus is filed with securities regulatory authorities in Canada and a receipt obtained. A registration statement relating to these securities has been filed with the Securities and Exchange Commission ("SEC") but has not yet become effective. These securities may not be sold nor may offers to buy be accepted prior to the time the receipt for the final prospectus is obtained in Canada and the registration statement becomes effective. This news release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any jurisdiction in which such an offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such jurisdiction.

TELUS has no immediate intention to offer securities pursuant to the shelf prospectus or registration statement.

A copy of the preliminary shelf prospectus will be available on SEDAR ([www.sedar.com](http://www.sedar.com)) and on EDGAR ([www.sec.gov](http://www.sec.gov)) or may be obtained on request from the contacts listed below.
