(e) None of the Reporting Persons is, and during the last five years none of the Reporting Persons has been, subject to (i) a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or (ii) a finding of any violation with respect to federal or state securities laws as a result of a civil proceeding of a judicial or administrative body of competent jurisdiction during the last five years the result of which subjected him or her to (i) a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or (ii) a finding of any violation with respect to federal or state securities laws.

Item 4. Purpose of Transaction.

Item 4 is hereby amended and restated in its entirety as follows:

EDFI initially acquired the securities referenced in this report pursuant to (i) an investor agreement, dated July 20, 2007 (the "Investor Agreement"), between EDFI and Constellation, entered into in connection with the joint venture arrangement between EDFI and Constellation with respect to development of nuclear projects in the United States and Canada, and (ii) a series of open-market purchases consummated by EDFI pursuant to an Accelerated Share Purchase Agreement entered into on August 28, 2008 with Citibank N.A. Subsequently, on October 15, 2009, EDFI contributed the securities referenced in this report to its wholly-owned subsidiary, EDFD, as permitted by the terms of the Amended and Restated Investor Agreement between EDFI and Constellation described in Item 6.

On November 6, 2009, EDFD consummated the acquisition of a 49.99% ownership interest in the nuclear generation and operation business of Constellation (the "Transaction"). In connection with the Transaction, on December 17, 2008, EDFD provided a \$1 billion up-front cash investment in Constellation in the form of nonconvertible cumulative preferred stock (the "Preferred"), which was redeemed and credited against the purchase price for the nuclear generation and operation business upon consummation of the Transaction. In connection with the acquisition of the Preferred by EDFD, EDFD appointed an observer to the board of directors of Constellation. Following consummation of the Transaction, Constellation is appointing to its board EDFI's director designee.

In connection with the Transaction, EDFD provided additional liquidity support to Constellation through an asset put option pursuant to which Constellation could, at its option, sell to EDFD non-nuclear generation assets of Constellation having an aggregate value of up to \$2 billion (the "Put Option"). The Put Option will terminate on December 31, 2010.
