Item 1.01 Entry into a Material Definitive Agreement

On February 5, 2010, the Company completed an acquisition of SinoCoking, a coal and coke producer based in the Henan Province of the People's Republic of China, by means of a share exchange. Simultaneously with the acquisition, the Company completed a USD \$7 million private placement of its securities to non-U.S. investors at \$6.00 per unit, with each unit consisting of one share of common stock, and a warrant to purchase 0.5 shares of common stock with an exercise price of \$12.00 per share. Madison Williams and Co., a Manhattan-based investment bank, has been engaged to act as placement agent for SinoCoking.

From February 8, 2010, our common stock will be quoted on the Over-the-Counter Bulletin Board under the new stock symbol "SCOK". Previously, our common stock was traded on the NYSE Amex under the symbol "AAC."

Acquisition of SinoCoking by Share Exchange

On February 5, 2010, the Company, previously named "Ableauctions.com, Inc." and now renamed "SinoCoking Coal and Coke Chemical Industries, Inc." (the "Company" or "SinoCoking"), consummated an acquisition pursuant to a Share Exchange Agreement ("Exchange Agreement") with the Company's majority shareholders, Abdul and Hanifa Ladha ("Ladha"), Top Favour Limited, a British Virgin Islands corporation ("Top Favour"), and the shareholders of Top Favour, consisting of 12 individuals and 5 entities, who collectively hold 100% of Top Favour's issued and outstanding share capital (the "Top Favour Shareholders"). Under the Exchange Agreement, the Top Favour Shareholders exchanged their shares of Top Favour capital stock for newly-issued shares of the Company. Hereinafter, this share exchange transaction is described as the "Acquisition."

Top Favour is a holding company that, through its wholly owned subsidiary Pingdingshan Hongyuan Energy Science and Technology Development Co., Ltd. ("Hongyuan"), controls Henan Province Pingdingshan Hongli Coal & Coke Co., Ltd. ("Hongli"), a coal and coke producer in Henan Province in the central region of the People's Republic of China ("PRC" or "China"). Hongli produces coke, coal, coal byproducts and electricity through its branch operation, Baofeng Coking Factory, and its wholly owned subsidiaries, Baofeng Hongchang Coal Co., Ltd. and Baofeng Hongguang Environment Protection Electricity Generating Co., Ltd, which we refer to collectively as the "Baofeng Subsidiaries". We refer to Hongli and the Baofeng Subsidiaries collectively as "Hongli Group". Top Favour controls Hongli Group through contractual arrangements with Hongli Group and its owners (see exhibits 10.1, 10.2, 10.3, 10.4, 10.5 and 10.6 included with this Form 8-K). These contractual arrangements provide for management and control rights, and in addition entitle Top Favour to receive the earnings and control the assets of Hongli Group. As a result of the Acquisition, the Company, Top Favour, Hongyuan and Hongli Group are now collectively referred to as "SinoCoking".

SinoCoking's principal products include coke, or carbon fuel produced by distillation of coal. This coke is produced from coal that it mines as well as coal that it purchases. SinoCoking produces and sells two types of coke, metallurgical coke primarily used in steel manufacturing and chemical coke used mainly for synthesis gas production. SinoCoking also sells coal, including raw coal, "washed coal" (which is processed coal that is ready for coking or thermal uses), and "medium coal" and coal slurries (both of which are byproducts of the coal-washing process). SinoCoking also produces and sells coal tar, which is a byproduct from its coke manufacturing process.

As a result of the Acquisition, the Company acquired 100% of the coal and coke producer known as SinoCoking, the business and operations of which now constitutes the primary business and operations of the Company. Specifically, as a result of the Acquisition on February 5, 2010:

- The Company acquired and now owns 100% of the issued and outstanding shares of capital stock of Top Favour, the British Virgin Islands holding company which owns and controls the SinoCoking coal and coking company business, making Top Favour a wholly-owned subsidiary of the Company;
- The Company issued 13,117,952 shares of its common stock to the Top Favour Shareholders;
- The ownership position of the shareholders of the Company who were holders of common stock immediately prior to the Acquisition changed from 100% to 3% of the Company's outstanding shares; and
- Top Favour Shareholders were issued common stock of the Company constituting approximately 97% of the outstanding shares of the Company.

For accounting purposes, the Acquisition will be treated as a reverse acquisition which results in the legal acquirer, the Company, being treated as being acquired by Top Favour under purchase accounting.

On February 5, 2010, the Company distributed all of its pre-Acquisition assets relating to the former Ableauctions business (after payment or assignment of liabilities) to Able (U.S.) Liquidating Trust, a liquidating trust for the benefit of holders of Company's shares immediately prior to the closing of the Acquisition. The Company will cease to operate the Ableauctions business, which management will be taken over by Able (U.S.) Liquidating Trust. For further details concerning this distribution of assets, please refer to Item 2.01 of the Company's Form 8-K filed on February 5, 2010 filed concurrently with this Form 8-K.

The parties to the Exchange Agreement waived certain conditions under the agreement in connection with the closing of the Acquisition. Top Favour and the Top Favour Shareholders agreed that the Company's common stock would be delisted from the NYSE Amex on the closing date of the Acquisition, and that the post-transaction company's post-reverse-split shares of common stock will be quoted on the OTC Bulletin Board until the Company meets the listing criteria for quotation on a national exchange. The parties agreed that the Company will apply for listing of its post-Acquisition common stock on the Nasdaq Stock Market in addition to the NYSE American Stock Exchange. The parties agreed that immediately after the reverse stock split on the closing date of the Acquisition, the Company will complete an initial closing of a private placement financing with gross proceeds of approximately \$7 million, and accordingly Top Favour and the Top Favour Shareholders waived the applicable financing condition in the Exchange Agreement. The former officers and directors of the Company also waived application of the indemnification provisions under the Company's Articles of Incorporation, for any of their acts prior to the Acquisition.

#### Reverse Stock Split and Name Change

On February 5, 2010, the Company effected a 1-for-20 reverse stock split of its common stock and changed its name to “SinoCoking Coal and Coke Chemical Industries Inc.”, by filing an amendment to its articles of incorporation with the Florida State Department. For further information concerning the reverse stock split and name change, please refer to Item 5.03 of this Form 8-K.

#### Change in Management

On the closing date of the Acquisition, Mr. Abdul Ladha stepped down as Chief Executive Officer, Chief Financial Officer and Secretary of the Company and was succeeded by Jianhua Lv, the founder and president of SinoCoking. As of February 5, 2010, Mr. Lv was appointed Chief Executive Officer, President and Chairman of the Board, and Mr. Zan Wu was appointed as the Chief Financial Officer, Treasurer and Secretary of the Company. Also on the closing date of the Acquisition, the four former directors of Ableauctions stepped down from the Company’s board of directors and were succeeded by seven directors appointed by Top Favour to take office on February 15, 2010. For additional details concerning the change in management please refer to Item 5.02 below in this Form 8-K.

#### Equity Financing at \$6.00 per Unit

On February 5, 2010, immediately following the 1-for-20 reverse stock split and share exchange, the Company executed a private placement financing in which it sold and issued \$7,085,352 of its units, at a purchase price of USD \$6.00 per unit, to 34 non-U.S. investors under Regulation S. Each unit consists of one (1) share of common stock and a warrant for the purchase of 0.5 shares of common stock with an exercise price of \$12.00 per share. The investor warrants are exercisable for a period of five years from the date of issuance.

In connection with the private placement financing, on February 5, 2010 the Company entered into a Securities Purchase Agreement with the 34 non-U.S. investors, and executed and delivered the investor warrants.

On the closing date, the Company issued a total of 1,180,892 shares of common stock, and warrants for the purchase of an additional 590,446 shares of common stock, to the investors in the private placement.

Item 3.02                      Unregistered Sales of Equity Securities

Equity Financing at \$6.00 per Unit

Reference is made to the \$7 million private placement transaction described under the subheading “Equity Financing at \$6.00 per Unit” in Item 1.01 above, which is incorporated into this Item 3.02 by reference.

The securities issued in the private placement were exempt from registration, and not issued pursuant to any registration statement. The securities issued are subject to applicable restrictions on resale pursuant to Regulation S promulgated under the Securities Act of 1933.

Item 5.01                      Changes in Control of Registrant

Reference is made to Items 1.01 and 5.02, which items are incorporated by reference into this Item 5.01.

As a result of the closing of the Acquisition and Initial Financing on February 5, 2010 (i) Honour Express Limited, a British Virgin Islands company, will receive 6,694,091 shares of common stock representing approximately 45.51% of the total and outstanding shares; Mr. Lv may be deemed to be a beneficial owner of the shares of the Company held by Honour Express Limited, because he is a director of that entity; (ii) Mr. Liuchang Yang will receive 574,566 shares of common stock representing approximately 3.91% of the total and outstanding shares; and (iii) Ms. Ruiyun Li will receive 913,009 shares of common stock representing approximately 6.21% of the total and outstanding shares. These parties each received shares of the Company in the Acquisition, in exchange for the shares of Top Favour they previously held. The foregoing percentages are based on 14,708,554 shares issued and outstanding immediately following the closing of the Acquisition and Initial Financing. In addition, the foregoing share holdings reflect an agreement among Honour Express, Liuchang Yang and Ruiyun Li to adjust the number of post-transaction shares of common stock to be received by each of these parties at closing amongst themselves, such that Mr. Yang’s holdings would be reduced by 236,123 shares, Ms. Li’s shares would be reduced by 236,123 shares, and Honour Express’ holdings would be increased by 472,246 shares.

Prior to the closing of the Acquisition and the Initial Financing, Abdul and Hanifa Ladha beneficially owned approximately 53.9% of the pre-Acquisition issued and outstanding common stock of the Company.
