Our 2016 Annual Report to Shareholders, which includes our audited consolidated financial statements. All shareholders will have the ability to access the Proxy Materials on a website referred to in these Proxy Materials.

VOTING INFORMATION

All shares represented by properly executed proxies received by the board of directors pursuant to this solicitation will be voted in accordance with the shareholder's directions specified in the applicable voting instructions or proxy card. If no directions have been specified during Internet or telephone voting or by marking the appropriate places on the physical proxy card, the shares will be voted in accordance with the board's recommendations which are:

FOR the election of each of the director nominees as directors of the Company for a term of two (2) years, and until their successors are elected and qualified.

FOR the approval of amendments to the Company's Amended Articles of Incorporation, as amended.

FOR the ratification of the appointment of Cherry Bekaert LLP as the Company's independent registered public accounting firm for fiscal year 2017.

A shareholder signing and returning a proxy has power to revoke it at any time prior to its exercise by delivering to the Company a later-dated proxy or by giving notice to the Company in writing or at the meeting, but without affecting any vote previously taken.

Record Date

You may vote all shares that you owned as of September 19, 2016, which is the record date for the annual meeting. On September 19, 2016, we had 9,443,408 common shares outstanding. Each common share is entitled to one (1) vote on each matter properly brought before the meeting.

Ownership of Shares

If your shares are registered directly in your name, you are the holder of record of these shares and we are sending these Proxy Materials directly to you. As the holder of record, you have the right to give your proxy directly to us, give your voting instructions by telephone or by the Internet directly to us, or vote in person at the annual meeting. If you hold your shares in a brokerage account or through a bank or other holder of record, you hold the shares in street name, and your broker, bank or other holder of record is sending these Proxy Materials to you. As a holder in street name, you have the right to direct your broker, bank or other holder of record how to vote by filling out a voting instruction form as provided to you by your broker or other person who is the holder of record, or if such Internet or telephone access is provided to you by such holder of record, by following the directions to provide your instructions to the record holder via the Internet or by telephone. Regardless of how you hold your shares, we invite you to attend the annual meeting.

Electronic Availability

In compliance with the proxy rules promulgated by United States Securities and Exchange Commission (SEC), our Proxy Statement and Annual Report to Shareholders are available over the Internet at www.proxyvote.com, a website established specifically for access to such materials. Such materials are also available on the Company's website at www.sunlinkhealth.com.

Table of Contents

How to Vote

Your Vote Is Important. We encourage you to vote promptly. Internet and telephone voting is available through 11:59 p.m. local time on Sunday, November 6, 2016 for all shares held of record. Depending on whether you are a record holder of your shares, or whether you hold your shares in street name, you may vote by any of the means described below.

Voting Procedures for Holders of Record

If you are a holder of record, you may vote your shares by any of the following methods:

By Telephone: If you are a holder of record located in the U.S., you can vote your shares by calling the toll-free telephone number provided on your proxy card. Holders of record may vote by telephone 24 hours a day. Our telephone voting system has easy-to-follow instructions and allows record holders to confirm that the system has properly recorded their votes. If you vote by telephone, you do not need to return your proxy card.

By Internet: If you are a holder of record you can also vote your shares by using the Internet. Your proxy card indicates the website you need to access for Internet voting. Holders of record may vote on the Internet 24 hours a day. As with telephone voting, you will be able to confirm that the system has properly recorded your votes. If you vote by Internet, you do not need to return your proxy card.

By Mail: If you are a holder of record, you can vote by marking, dating and signing your proxy card and returning it by mail in the enclosed postage-paid envelope.

At the Annual Meeting: You may vote in person at the Annual Meeting. If you vote your shares now, it will not limit your right to change your vote at the Annual Meeting if you attend in person.

Voting Procedures for Beneficial Holders

If you hold your shares in street name, you may vote your shares by any of the following methods:

By Telephone/Internet: The availability of telephone and Internet voting for beneficial owners will depend on the voting processes of your broker, bank or other holder of record. Therefore, we recommend that you follow the voting instructions in the materials you receive.

By Mail: If you hold your shares in street name, please complete and mail the voting instruction card you receive from your broker, bank or other holder of record.

At the Annual Meeting: You may vote in person at the Annual Meeting. If you hold your shares in street name, you must obtain a proxy, executed in your favor, from the holder of record if you wish to vote your shares in person at the Annual Meeting.

Broker Vote on Election of Directors, Routine and Non-Routine Proposals A broker non-vote occurs when a broker holding your shares in street name does not vote on a particular matter because you did not provide the broker voting instructions and the broker lacks discretionary voting authority to vote the shares because the matter is non-routine or fails to exercise such authority. New York Stock Exchange (NYSE) Rule 452 and Section 402.8 of the NYSE Listed Company Manual which regulate broker voting in connection with certain listed companies, including companies listed on the NYSE Amex Equities exchange, prohibit broker discretionary voting on a variety of matters, including,

but not limited to, the election of directors for shares held in client accounts when the broker has not timely received voting instructions from the client. Effective September 9, 2010, Rule 452 and Section 402.8 were amended to prohibit broker discretionary voting upon matters related to executive compensation, including, but not limited to, advisory votes on approval of compensation and the frequency of such advisory votes.

If you hold your shares in a bank or brokerage account, you should be aware that if you fail to instruct your bank or broker how to vote within ten (10) days of the meeting, the bank or broker is not permitted to vote your shares in its discretion on your behalf for the election of directors, but is permitted to vote your shares in its discretion on your behalf on routine items.

Table of Contents

NYSE Amex rules also determine whether proposals presented at the shareholder meetings are routine or not routine. If your holdings of our common shares are held in street name, under the rules of the NYSE your broker or other nominee may vote your shares on certain routine matters, other than the election of directors and compensation matters, if you do not provide such record holder with voting instructions. The ratification of the selection of our independent registered public accountants is considered a routine matter upon which brokerage firms and other nominees may vote on behalf of the beneficial owners if no voting instructions are provided.

While banks and brokers have historically cast their votes on routine items in support of management's recommendations in the absence of instructions from their clients, some firms are now casting uninstructed votes in the same proportion as their clients' instructed votes, giving, in effect, investors who provide voting instructions to brokers an opportunity to disproportionately influence the outcome of proxy voting.

If you want to ensure that your shares are voted in accordance with your wishes on Proposals 1, 2 and 3 you should complete and return your voting instruction form before November 4, 2016.

Revocation of Proxies: All shares that have been properly voted and not revoked will be voted at the meeting. If you sign and return your proxy card without any voting instructions, your shares will be voted as the board of directors recommends.

Holder of Record

You can revoke your proxy at any time before your shares are voted if you: (1) submit a written revocation to our Secretary; (2) submit a later-dated proxy; (3) provide subsequent telephone or Internet voting instructions within the time permitted for such voting methods; or (4) vote in person at the meeting.

Beneficial Holders

If you are a beneficial holder you can revoke your proxy or voting instructions at any time before your shares are voted if you (1) cause the record holder to submit a written revocation to our Secretary; (2) cause the record holder to submit a later dated proxy if you timely provide updated voting instructions to such holder by mail or if provided by the record holder by Internet or telephone voting; or (3) vote your shares in person at the annual meeting through a later-dated proxy, executed in your favor, from the holder of record.

Quorum and Required Vote

Quorum: We will have a quorum and will be able to conduct the business of the Annual Meeting if the holders of a majority of the shares that are entitled to vote are present at the meeting, either in person or by proxy.

Votes Required:

To elect directors a plurality of the votes cast is required.

Approval of the amendments to the Company's Amended Articles of Incorporation, as amended, requires the affirmative vote of a two thirds of the SunLink common shares outstanding as of the record date.

To ratify the appointment of Cherry Bekaert LLP as the Company's independent registered public accounting firm for fiscal year 2017, a majority of the votes cast is required.

How We Count Votes: Abstentions will be counted for purposes of determining the presence or absence of a quorum. In the case of Proposal 1 (Election of Directors) and Proposal 3 (Ratification of the Selection of Independent Registered Public Accountants), abstentions will not change the number of votes cast for or against

Table of Contents

these proposals and therefore will have no effect on the approval of these proposals. However, if you abstain from voting on Proposal 2 (approval of amendments to the Company's Amended Articles of Incorporation, as amended), your shares will be counted as present for purposes of establishing a quorum, but the abstention will have the same effect as a vote *against* the proposal. Broker non-votes will also have the same effect as a vote *against* Proposal 2.

Other Business; Adjournment and Postponements

We are not aware of any other business to be acted upon at the annual meeting. If, however, other matters are properly brought before the annual meeting, your proxies will have discretion to vote or act on those matters according to their best judgment.

Any adjournment of the annual meeting may be made from time to time by approval of the holders of a majority of the voting shares held by shareholders present in person or by proxy at the annual meeting, whether or not a quorum exists, without notice other than by an announcement made at the annual meeting. The record date for the annual meeting will continue to be the record date for all adjournments of such meeting unless the Board sets a new record date in which event notice of the record date and of the date to which the meeting has been adjourned will be given in accordance with Ohio law and applicable rules of the NYSE MKT. In all events, the record date for a change in shares will be the time when the certificate of amendment or of amended articles effecting the change is filed in the office of the Secretary of State of Ohio.

If a quorum is not present at the annual meeting, shareholders may be asked to vote on a proposal to adjourn or postpone the annual meeting in order to allow the solicitation of additional proxies. If a quorum is present at the annual meeting, a shareholder vote may be taken on any of the proposals in this Proxy Statement prior to any such adjournment if there are sufficient votes for approval of such proposal. If a quorum is present at the annual meeting but there are not sufficient votes at the time of the annual meeting to approve one or more proposal(s), shareholders may also be asked to vote on a proposal to adjourn or postpone the annual meeting in order to allow the solicitation of additional proxies with respect to any proposals on which action is not taken prior to adjournment of the meeting.

CORPORATE GOVERNANCE

Our business is managed by the Company's employees under the direction and oversight of the board of directors. Except for Mr. Thornton, none of our board members is an employee of the Company. The board limits membership on the audit committee, the executive compensation committee (referred to in this Proxy Statement as the *compensation committee*) and the strategic planning committee to independent non-management directors. We keep board members informed of our business through discussions with management, materials we provide to them, visits to our offices and facilities, and their participation in board and board committee meetings.

The board of directors has adopted charters for the standing board committees (other than the executive committee), resolutions governing the process for identification and nomination of candidates for the board, and the Company's code of ethics, known as the SunLink Health Systems, Inc. Code of Conduct. These documents, together with the Company's Articles of Incorporation and Code of Regulations, provide the framework for the governance of the Company. Our Code of Conduct is applicable to our directors and our employees, including our principal executive officer and principal financial officer. Members of our board are required to certify compliance with our Code of Conduct. Any amendment to or waiver of our Code of Conduct for any board member, our chief executive officer, our chief financial officer or any other executive officer as well as our comptroller and any other similar accounting officer will be disclosed on our website, www.sunlinkhealth.com.

A complete copy of the charters of the board committees, the resolutions governing the process for identification and nomination of candidates for the board and the Code of Conduct for employees, as in effect

Table of Contents

from time-to-time, may be found on the Company's website at www.sunlinkhealth.com. Copies of these materials are also available to shareholders without charge upon written request to the Secretary of the Company.

The board intends to review the Company's corporate governance principles, charters, Code of Conduct and other aspects of governance annually or more often if necessary, to remain current in all aspects of corporate governance. The board has also adopted a policy to self-evaluate its performance and that of each of its committees on an annual basis.

Summary of the Corporate Governance Principles

Board Leadership Structure

Our Company is led by Mr. Robert M. Thornton, Jr. who has served as chief executive officer and chairman of the board of directors since 1998. We combine this traditional leadership structure with a board structure in which our non-management directors meet regularly outside of the presence of Mr. Thornton. We believe that this structure currently works best for the Company by providing us with the benefits of a single person setting the tone and having primary responsibility for managing our operations and provides clear leadership. At the same time, by having a board which is composed mainly of independent directors, including former CEOs, individuals with healthcare industry operating experience, and diverse other talents, we believe that we have created a board that is collegial, well versed in board processes and the duties of the committees on which they sit, and well engaged in their responsibilities. The board believes its members have no reticence about forcefully expressing their views while at the same time fully and fairly considering the views of their fellow directors, and that the members of the board have the experience and ability to critically evaluate the performance of our Chairman and CEO in implementing the strategic, as well as day to day, goals of the Company. Although the board periodically evaluates alternative board governance models and refinements to the existing structure, it believes, after assessing the current service of the Company's Chairman and CEO and the current composition of the board, that the current board leadership structure is appropriate for the Company.

Independence

The board of directors is required to consist of a majority of independent, non-management directors who meet the criteria for independence required by NYSE Amex. Under such rules, a director is independent if he or she does not have a material relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our board annually evaluates each board member's independence.

The board of directors has determined that, as of September 19, 2016, six (6) of the Company's seven (7) incumbent directors are independent under these guidelines: Ms. Brenner and Messrs. Baileys, Bursleson, Ford, Turner and Mills. Mr. Thornton, as a management director, also participates in the board's activities and provides valuable insights and advice. Each member of our audit and compensation committees is an independent director both under the general definition for board independence as well as any separate independence criteria for service on the applicable committee whether required by the SEC, NYSE Amex or SunLink. Independence requirements for committee service are set forth in the respective committee charters.

The non-management directors meet periodically in executive session without the management director present. The executive sessions of non-management directors are presided over by the director who is the chairperson of the committee responsible for the issue being discussed. General discussions, such as the review of the Company's overall performance, are presided over by the chairperson or a director elected by a majority of the non-management directors.

Role of the Board in Risk Oversight

The business of the Company is managed by the Company's employees under the direction and oversight of the board. Among the oversight activities of the board is the broad oversight of risk. Risk is inherent in virtually

Table of Contents

every business activity. Accordingly, the board's primary role with respect to risk is to ensure that the Company's management implements appropriate procedures designed to identify and, where possible, quantify and/or mitigate risks. The board administers its risk oversight function both at a board level and through its various committees. Our board committees consider, among other things, risk issues within their areas of responsibilities. For example: The audit committee oversees the accounting and financial reporting process, the adequacy of our risk-related internal financial controls, internal audit, the impact of risks on our current financial position, and related compliance matters. The compensation committee oversees the annual performance evaluations of executive management, succession planning, and the evaluation of risks that may be implicated by the Company's compensation structure. The responsibilities of the individual committees are discussed in greater detail elsewhere in this Proxy Statement.

Business Combinations

In the event SunLink receives any formal written offer to purchase more than 20% of the Company's outstanding common shares, such proposal is required to be evaluated by the board of directors, who have delegated the evaluation of such offer(s) to the strategic planning committee of the board of directors. Such committee is required to be comprised of a majority of independent directors and currently is comprised solely of outside directors. The strategic planning committee has established three criteria for any takeover proposal it considers: (1) adequate price both in light of the limited trading market for the Company's common shares and the factors analyzed by the Board in connection with the Company's current plans to go private, (2) certainty of financing, and (3) minimum execution risk. The strategic planning committee may retain such legal and financial advisors as it may deem necessary to advise it and the board in respect of any offer or other proposal.

In the event of any proposed business combination involving SunLink, the compensation committee is authorized to retain an independent financial advisor to evaluate and make recommendations to the compensation committee concerning any severance or retention package proposed for any of SunLink's officers or directors in connection with any proposed business combination. The compensation committee will evaluate any such proposals in light of existing severance benefits and the financial effect of any existing or additional benefits.

Director Share Ownership

SunLink believes that each director should have a personal investment in the Company. Each outside director (or future outside director, as the case may be) is required to own at least one thousand (1,000) common shares of SunLink. Each outside director (or future outside director, as the case may be) must maintain ownership of such number of common shares until such outside director ceases to serve as a member of the board. Each of our incumbent directors has complied with such ownership requirement since at least July 1, 2008.

Annual Meeting Attendance

The board of directors encourages all of its members to attend the annual meeting of shareholders. In November 2015, all director nominees and all then directors were personally present at the annual meeting of shareholders, except Mr. Mills.

Communications By and With Directors

In connection with the proper discharge of their duties, our independent non-management directors have access to individual members of management or to other employees of the Company on a confidential basis. Likewise, in connection with the discharge of their duties, non-management directors—as authorized by the board or a committee thereof—also have access to Company records and files, and our directors may contact other directors without informing

Company management of the purpose or even the fact of such contact.

The board of directors has provided a means by which shareholders, employees or other interested persons may send communications to the board or to individual members of the board. Such communications, whether by

Table of Contents

letter, e-mail or telephone, should be directed to the Secretary of the Company at SunLink Health Systems, Inc., Office of Corporate Secretary, 900 Circle 75 Parkway, Suite 1120, Atlanta, Georgia 30339. Our corporate secretary will forward communications to the intended recipients. However, unsolicited advertisements or invitations to conferences or promotional material, in the discretion of the Secretary or his designee, may not be forwarded to the directors.

If a shareholder wishes to communicate to the chairperson of the audit committee about a concern relating to the Company's financial statements, accounting practices or internal controls, the concern should be submitted in writing to the chairperson of the audit committee in care of the Company's Secretary at our headquarters address. If the concern relates to the Company's governance practices, business ethics or corporate conduct, the concern likewise should be submitted in writing to the chairperson of the audit committee in care of the Company's Secretary at our headquarters address. If the shareholder is unsure as to which category his or her concern relates, he or she may communicate it to any one of the independent directors in care of the Company's Secretary.

The Company's whistleblower policy prohibits the Company or any of its employees from retaliating or taking any adverse action against anyone for raising a concern. If a shareholder or employee nonetheless prefers to raise his or her concern in a confidential or anonymous manner, the concern may be directed to the chairperson of the Company's compliance committee (consisting of the Corporate Risk Manager, one facility Risk Manager and one facility CEO) at the Company's headquarters or by telephone at (866) 244-5952. The officer responsible for such services or his designee will refer the concern to the compliance committee or, if appropriate, the chairperson of the audit committee to ensure that the matter is properly investigated.

Related Party Transactions

The Company is subject to a variety of prohibitions on, or approval procedures with respect to, related party transactions.

First, the Company is subject to certain NYSE Amex requirements which require shareholder approval of certain related party transactions. Second, the Company's Code of Conduct prohibits related party transactions which could give rise to a conflict of interest including, but not limited to, employment by third parties that do business with the Company; conducting business, not on behalf of the Company, with the Company's vendors, suppliers, and contractors; representing the Company in any transaction where such person representing the Company has a substantial personal interest; disclosure or use of confidential or inside information about the Company for personal gain; competition with the Company in any purchase, sale or ownership of property, property rights or interests; performing services for vendors or competitors of the Company; service on any board of directors or trustees that might conflict with the Company's interests and; the acceptance of any faculty or speaker positions and any honoraria in connection therewith. A related party transaction must be approved by the Company's compliance committee, or, in the case of a member of the board of directors and/or an executive officer, such related party transaction must be approved by the board's audit committee, with such action reported to the Company's independent directors. To assist in identifying related party transactions, each director and executive officer is required, annually, to submit a Conflict of Interest Disclosure Statement. We have not adopted formal standards for the approval of related party transactions, but instead the compliance committee reviews these transactions on a case-by-case basis and may approve such transactions that are in, or not inconsistent with, the best interests of the Company and its shareholders.
