PROXY STATEMENT
FOR THE ANNUAL MEETING OF STOCKHOLDERS
TO BE HELD ON JULY 14, 2015

INFORMATION CONCERNING SOLICITATION AND VOTING

The Board of Directors of Tile Shop Holdings, Inc. (the “Company”) is soliciting your proxy to vote at the Annual Meeting of Stockholders (the “Annual Meeting”) to be held at the Company’s headquarters, located at 14000 Carlson Parkway, Plymouth, Minnesota 55441, on Tuesday, July 14, 2015, at 10:00 a.m. (Central Time), including at any adjournments or postponements of the Annual Meeting. You are invited to attend the Annual Meeting to vote on the proposals described in this proxy statement. However, you do not need to attend the meeting to vote your shares. Instead, you may simply complete, sign and return the enclosed proxy card, if you received paper copies of the proxy materials, or follow the instructions below to submit your proxy over the telephone or the Internet.

In accordance with rules and regulations adopted by the U.S. Securities and Exchange Commission (the “SEC”), we have elected to provide our beneficial owners and stockholders of record access to our proxy materials over the Internet. Beneficial owners are stockholders whose shares are held in the name of a broker, bank or other agent (i.e., in “street name”). Accordingly, a Notice of Internet Availability of Proxy Materials (the “Notice”) will be mailed on or about May 20, 2015 to our beneficial owners and stockholders of record who owned our common stock at the close of business on May 15, 2015. Beneficial owners and stockholders of record will have the ability to access the proxy materials on a website referred to in the Notice or request a printed set of the proxy materials be sent to them by following the instructions in the Notice. Beneficial owners and stockholders of record who have previously requested to receive paper copies of our proxy materials will receive paper copies of the proxy materials instead of a Notice.

QUESTIONS AND ANSWERS ABOUT THIS PROXY MATERIAL AND VOTING

Why did I receive in the mail a Notice of Internet Availability of Proxy Materials instead of a full set of proxy materials?

We are pleased to take advantage of the SEC rule that allows companies to furnish their proxy materials over the Internet. Accordingly, we have sent to our beneficial owners and stockholders of record a Notice of Internet Availability of Proxy Materials. Instructions on how to access the proxy materials over the Internet or to request a paper copy may be found in the Notice. Our stockholders may request to receive proxy materials in printed form by mail or electronically on an ongoing basis. A stockholder's election to receive proxy materials by mail or electronically by email will remain in effect until the stockholder terminates its election.

Why did I receive a full set of proxy materials in the mail instead of a Notice of Internet Availability of Proxy Materials?

We are providing paper copies of the proxy materials instead of a Notice to beneficial owners or stockholders of record who have previously requested to receive paper copies of our proxy materials. If you are a beneficial owner or stockholder of record who received a paper copy of the proxy materials, and you would like to reduce the environmental impact and the costs incurred by us in mailing proxy materials, you may elect to receive all future proxy materials electronically via email or the Internet.

You can choose to receive our future proxy materials electronically by visiting <http://www.proxyvote.com>. Your choice to receive proxy materials electronically will remain in effect until you instruct us otherwise by following the instructions contained in your Notice and visiting <http://www.proxyvote.com>, sending an electronic mail message to sendmaterial@proxyvote.com, or calling 1-800-579-1639.

The SEC has enacted rules that permit us to make available to stockholders electronic versions of the proxy materials even if the stockholder has not previously elected to receive the materials in this manner. We have chosen this option in connection with the Annual Meeting with respect to our beneficial owners and stockholders of record.

Who can vote at the Annual Meeting?

Only stockholders of record at the close of business on May 15, 2015 will be entitled to vote at the Annual Meeting. On the record date, there were 51,315,047 shares of common stock of the Company outstanding and entitled to vote.

Stockholder of Record: Shares Registered in Your Name

If, on May 15, 2015, your shares were registered directly in your name with the Company's transfer agent, Continental Stock Transfer & Trust Company, then you are a stockholder of record. As a stockholder of record, you may vote in person at the meeting or vote by proxy. Whether or not you plan to attend the meeting, we urge you to vote your shares by completing, signing, dating and mailing your proxy card in the envelope provided, if you received paper copies of the proxy materials, or vote by proxy over the telephone or the Internet as instructed below to ensure your vote is counted.

Beneficial Owner: Shares Registered in the Name of a Broker or Bank

If, on May 15, 2015, your shares were held not in your name, but rather in an account at a brokerage firm, bank, dealer, or other similar organization, then you are the beneficial owner of shares held in "street name" and these proxy materials are being forwarded to you by that organization. The organization holding your account is considered to be the stockholder of record for purposes of voting at the Annual Meeting. As a beneficial owner, you have the right to direct your broker or other agent regarding how to vote the shares in your account. You are also invited to attend the Annual Meeting; however, since you are not the stockholder of record, you may not vote your shares in person at the meeting unless you request and obtain a valid proxy from your broker or other agent.

What am I voting on?

There are three matters scheduled for a vote:

Election of the following three nominees recommended by the Board of Directors to be Class III directors and to hold office until the fiscal 2018 Annual Meeting of Stockholders: Christopher T. Cook, Robert A. Rucker and William E. Watts.

- Ratification of the appointment by the Audit Committee of the Company's Board of Directors of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015.
- Approval, on a non-binding advisory basis, of the compensation paid to the Company's named executive officers (a "Say-on-Pay" vote).

How do I vote?

You may either vote "For" all of the nominees to the Board of Directors or you may "Withhold" your vote for any nominee you specify. For the ratification of the Audit Committee's selection of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015, you may vote "For" or "Against" or abstain from voting. For the advisory vote on named executive officer compensation, you may vote "For" or "Against" or abstain from voting.

The procedures for voting are as follows:

Stockholder of Record: Shares Registered in Your Name

If you are a stockholder of record, you may vote in person at the Annual Meeting, vote by proxy using the enclosed proxy card (if you received paper copies of the proxy materials), vote by proxy over the telephone, or vote by proxy over the Internet. Whether or not you plan to attend the meeting, we urge you to vote by proxy to ensure your vote is counted. You may still attend the meeting and vote in person even if you have already voted by proxy.

• To vote in person, come to the Annual Meeting and we will give you a ballot when you arrive. If you would like directions to the meeting location, please call 763-852-2950.

If you received paper copies of the proxy materials, to vote using the proxy card, simply complete, sign and date the enclosed proxy card and return it promptly in the envelope provided. If you return your signed proxy card to us before the Annual Meeting, we will vote your shares as you direct.

To vote over the telephone, dial toll-free 1-800-690-6903 using a touch-tone phone and follow the recorded instructions. Please have available the 12-Digit Control Number from the enclosed proxy card, if you received one, or from your Notice. Your vote must be received by 11:59 p.m. Eastern Time (10:59 p.m. Central Time) on July 13, 2015, to be counted.

To vote over the Internet, go to <http://www.proxyvote.com> to complete an electronic proxy card. Please have available the 12-Digit Control Number from the enclosed proxy card, if you received one, or from your Notice. Your vote must be received by 11:59 p.m. Eastern Time (10:59 p.m. Central Time) on July 13, 2015, to be counted.

We are providing Internet proxy voting to allow you to vote your shares online, with procedures designed to ensure the authenticity and correctness of your proxy vote instructions. However, please be aware that you must bear any costs associated with your Internet access, such as usage charges from Internet access providers and telephone companies.

Beneficial Owner: Shares Registered in the Name of Broker or Bank

If you are a beneficial owner of shares registered in the name of your broker, bank, or other agent, you may have received a proxy card and voting instructions with these proxy materials from that organization rather than from us. Simply complete and mail the proxy card to ensure that your vote is submitted to your broker or bank. Alternatively, you may vote by telephone or over the Internet as instructed by your broker or bank. To vote in person at the Annual Meeting, you must obtain a valid proxy from your broker, bank, or other agent. Follow the instructions from your broker or bank included with these proxy materials, or contact your broker or bank to request a proxy form.

How many votes do I have?

On each matter to be voted upon, you have one vote for each share of common stock you own as of May 15, 2015. There is no cumulative voting for election of directors.

What if I return a proxy card but do not make specific choices?

If you return a signed and dated proxy card without marking any voting selections, your shares will be voted “For” the election of the nominees for director, “For” the ratification of the selection of Ernst & Young LLP as the Company’s independent auditors for the fiscal year ending December 31, 2015, and “For” the advisory vote on named executive officer compensation. If any other matter is properly presented at the meeting, your proxyholder (one of the individuals named on your proxy card) will vote your shares using his or her best judgment.

Who is paying for this proxy solicitation?

We will pay for the entire cost of soliciting proxies. Our directors and employees may solicit proxies in person, by telephone, or by other means of communication. Directors and employees will not be paid any additional compensation for soliciting proxies. We may also reimburse brokerage firms, banks and other agents for the cost of forwarding proxy materials to beneficial owners.

What does it mean if I receive more than one proxy card?

If you receive more than one proxy card, your shares are registered in more than one name or are registered in different accounts. Please complete, sign and return **each** proxy card to ensure that all of your shares are voted.

Are proxy materials available on the Internet?

This proxy statement and our fiscal 2014 Annual Report to Stockholders are available at <https://materials.proxyvote.com/88677Q>.

Can I change my vote after submitting my proxy?

Yes. You can revoke your proxy at any time before the final vote at the Annual Meeting. If you are the record holder of your shares, you may revoke your proxy in any one of four ways:

- You may submit another properly completed proxy card with a later date.
- You may submit a new vote by telephone or Internet.
- You may send a timely written notice that you are revoking your proxy to our Secretary at 14000 Carlson Parkway, Plymouth, Minnesota 55441.
- You may attend the Annual Meeting and vote in person; however, simply attending the Annual Meeting will not, by itself, revoke your proxy.

If your shares are held by your broker or bank as a nominee or agent, you should follow the instructions provided by your broker or bank.

How many votes are needed to approve each proposal?

For Proposal 1, the election of Class III directors, the three nominees receiving the most “For” votes (from the holders of shares present in person or represented by proxy at the Annual Meeting and voting on the election of directors) will be elected. Only “For” votes will affect the approval of this proposal.

To be approved, Proposal 2, ratification of the appointment of Ernst & Young LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2015, must receive a “For” vote from the majority of shares present in person or by proxy at the Annual Meeting and voting on this proposal. If you “Abstain” from voting, it will have no effect on the approval of this proposal.

Proposal 3, regarding named executive officer compensation, is an advisory vote, which means that the vote is not binding on the Company, our Board of Directors or the Compensation Committee of the Board of Directors. To the extent there is any significant vote against our named executive officer compensation as disclosed in this proxy statement, the Compensation Committee will evaluate whether any actions are necessary to address the concerns of stockholders.

How are votes counted?

Votes will be counted by the inspector of election appointed for the Annual Meeting.

What are “broker non-votes”?

If you hold your shares in street name and do not provide voting instructions to your broker, your shares will not be voted on any proposal for which your broker does not have or does not exercise discretionary authority to vote (a “broker non-vote”). Shares constituting broker non-votes are not counted or deemed to have been voted on a non-routine matter at the Annual Meeting. Accordingly, broker non-votes have no effect on the election of directors in Proposal 1 or the Say-on-Pay in Proposal 3, because such proposals are considered non-routine matters. If you do not provide voting instructions to your broker, your broker will have discretion to vote your shares on Proposal 2, because the ratification of auditor appointment is considered a routine matter. Broker non-votes are counted as present for the purpose of determining a quorum at the Annual Meeting.

What is the quorum requirement?

A quorum of stockholders is necessary to hold a valid meeting. A quorum will be present if stockholders holding at least a majority of the outstanding shares are present at the meeting in person or represented by proxy. On the record date, there were 51,315,047 shares outstanding and entitled to vote. Thus, the holders of 25,657,524 shares must be present in person or represented by proxy at the meeting to have a quorum.

Your shares will be counted towards the quorum only if you submit a valid proxy (or one is submitted on your behalf by your broker, bank or other nominee) or if you vote in person at the meeting. Proxies marked “Abstain” as well as broker non-

votes will also be counted towards the quorum requirement. If there is no quorum, the holders of a majority of shares present at the meeting in person or represented by proxy, or the chairman of the meeting, may adjourn the meeting to another date.

How can I find out the results of the voting at the Annual Meeting?

Preliminary voting results will be announced at the Annual Meeting. Final voting results will be published in a Current Report on Form 8-K, which we will file within four business days of the Annual Meeting.

When are stockholder proposals due for the 2016 Annual Meeting?

Any appropriate proposal submitted by a stockholder and intended to be included in the Company proxy statement and related proxy and presented at the 2016 Annual Meeting must be submitted in writing to our Secretary at 14000 Carlson Parkway, Plymouth, Minnesota 55441, and received no later than February 5, 2016. A stockholder proposal will need to comply with the SEC regulations under Rule 14a-8 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), regarding the inclusion of stockholder proposals in company-sponsored proxy materials. Although our Board of Directors will consider stockholder proposals, we reserve the right to omit from our proxy statement, or to vote against, stockholder proposals that we are not required to include under the Exchange Act, including Rule 14a-8.

Additionally, pursuant to the advance notice provisions of the Company’s Bylaws, as authorized by applicable state law, in order for stockholders to present director nominations or other business at the 2016 Annual Meeting, a stockholder’s notice of such nomination or other business must be received by our Secretary at the same address no earlier than the close of business on March 16, 2016 and no later than the close of business on April 15, 2016 and must be in a form that complies with the requirements set forth in the Company’s Bylaws. You are advised to review the Company’s Bylaws for these requirements.

PROPOSAL 1 — ELECTION OF DIRECTORS

The Board of Directors is divided into three classes, with each class serving staggered three-year terms. Vacancies on the Board may be filled only by persons elected by a majority of the remaining directors. A director elected by the Board to fill a vacancy in a class, including vacancies created by an increase in the number of directors, shall serve for the remainder of the full term of that class and until the director's successor is elected and qualified, subject to the director's earlier death, resignation or removal.

The term of office of the Class III directors expires at the Annual Meeting. The Nominating and Corporate Governance Committee recommended to the Board, and the Board has set the number of Class III directors at three and has nominated Christopher T. Cook, Robert A. Rucker and William E. Watts for election at the Annual Meeting. Messrs. Rucker and Watts have been members of the Company's Board since June 2012 and August 2012, respectively. Mr. Cook was appointed to serve as a member of the Company's Board in September 2014. Previously, Mr. Rucker was our Chief Executive Officer and President from June 2012 until December 2014. If elected at the Annual Meeting, each of these nominees would serve until the 2018 Annual Meeting and until his successor is elected and has qualified, or, if sooner, until the director's death, resignation or removal.

Directors are elected by a plurality of the votes cast in person or by proxy and entitled to vote on the election of directors. The three nominees receiving the most "For" votes (among votes properly cast in person or by proxy) will be elected. If no contrary indication is made, shares represented by executed proxies will be voted "For" the election of the three nominees named above. If, prior to the meeting, it should become known that any of the nominees will be unwilling or unable to serve as a director after the meeting by reason of resignation, death, incapacity or other unexpected occurrence, the proxies will be voted "For" such substitute nominee as is determined by the Board or, alternatively, not voted for any nominee. The Board has no reason to believe that any nominee will withdraw or be unable to serve.

The following is a brief biography for the nominees for Class III director and each person whose term of office as a Class I or Class II director will continue after the Annual Meeting.

Mr. Krasnow holds an M.B.A. from the Harvard University Graduate

School of Business and an A.B. in Chemistry from Cornell University. We believe that Mr. Krasnow is qualified to serve on our Board due to his operating and management experience and his expertise in sales and marketing.

Information Regarding the Board of Directors and Corporate Governance

Independence of the Board of Directors

As required under the rules and regulations of the Nasdaq Stock Market (“Nasdaq”) a majority of the members of a listed company’s board of directors must qualify as “independent,” as affirmatively determined by the Board of Directors. Based upon information requested from and provided by each director concerning his background, employment, and affiliations, including family relationships, we have determined that Messrs. Cook, Jacullo, Kamin, Krasnow, Suttin, and Watts, representing six of our eight directors, do not have a relationship that would interfere with the exercise of independent judgment in carrying out the responsibilities of a director and that each of these directors will be “independent” as that term is defined under the applicable rules and regulations of the SEC and the listing requirements and rules of Nasdaq. Mr. Homeister, the Company’s Chief Executive Officer and President, is not an independent director by virtue of his employment with the Company. Mr. Rucker, an advisor to and previously Chief Executive Officer of the Company, is not an independent director by virtue of his employment with the Company.

Board Leadership Structure

We have separate individuals serving as Chairman of the Board and as Chief Executive Officer because we believe independent directors and management have different perspectives and roles in strategy development. The CEO is responsible for setting the strategic direction of the Company and managing the day-to-day leadership and performance of the Company, while the Chairman provides guidance to the CEO, sets the agenda for meetings of the Board and presides over meetings of the full Board. We believe this structure promotes active participation of the independent directors and strengthens the role of the Board in fulfilling its oversight responsibility and fiduciary duties to our stockholders while recognizing the day-to-day management direction of the Company by the CEO.

Oversight of Risk Management

The Board has an active role, as a whole and also at the committee level, in overseeing management of the Company's risks. The Board regularly reviews information regarding the Company's credit, liquidity and operations, as well as the risks associated with each, and the Board receives regular reports from members of senior management on areas of material risk to the Company, including without limitation operational, financial, legal, regulatory, strategic and reputational risks. The Compensation Committee is responsible for overseeing the management of risks relating to the Company's compensation policies, plans and arrangements. The Compensation Committee addresses risk by monitoring regulatory compliance with respect to compensation matters and by setting compensation in a manner that encourages accountability and is within the Company's range of risk tolerance. The Compensation Committee does not undertake a formal "risk assessment." The Audit Committee oversees our internal controls, conducts a regular review of the Company's policies and processes with respect to risk assessment and risk management, including guidelines and policies to govern the processes by which the Company's exposure to risk is handled, and oversees any transactions the Company may have with related persons in order to manage risks relating to potential conflicts of interest. The Nominating and Corporate Governance Committee manages risks associated with the composition and independence of the Board and matters covered by the Company's Code of Business Conduct and Ethics (described below). The Nominating and Corporate Governance Committee also oversees succession planning for senior executives in order to manage transitions and the risks associated with an unplanned vacancy. While each committee is responsible for evaluating certain risks and overseeing the management of such risks, the entire Board is regularly informed through committee reports about such risks and has overall risk management oversight responsibility.

Code of Business Conduct and Ethics

The Company has adopted a Code of Business Conduct and Ethics that applies to all officers, directors and employees. We intend to maintain the highest standards of ethical business practices and compliance with all laws and regulations applicable to our business. The Code of Business Conduct and Ethics is available on the "Investor Relations" section of our website, at <http://investors.tileshop.com>, under the "Corporate Governance" heading. We intend to satisfy the disclosure requirement under Item 5.05 of Form 8-K regarding an amendment to, or waiver from, a provision of

our Code of Business Conduct and Ethics by posting such information on our website at the web address and location specified above.

Stockholder Communications with the Board of Directors

Stockholders may communicate directly with the Board. All communications should be made via our investor relations telephone number or email address, as listed below. Email subject lines should prominently indicate whether the message is intended for the full Board, for non-management directors or for a specific director, and the Company's Secretary will forward the communications as indicated. If no director is specified, the communication will be forwarded to the entire Board.

Director Attendance at Annual Meetings of Stockholders

Directors' attendance at the Annual Meeting provides stockholders with an opportunity to communicate with directors about issues affecting the Company. We encourage, but do not require, our directors and nominees for director to attend the Annual Meeting. All members of our Board attended the 2014 Annual Meeting of Stockholders.

Meetings of the Board of Directors

Our Board met eight times between January 1, 2014 and December 31, 2014. All directors attended at least 75% of the aggregate of the meetings of the Board and of the committees on which they served and which were held during the period for which they were directors or committee members. In addition, the directors often communicate informally to discuss the affairs of the Company and, when appropriate, take formal action by written consent, in accordance with the Company's charter and bylaws and Delaware law.

Involvement in Certain Legal Proceedings

In October 2011, Mr. Kinder was involved in a domestic dispute (misdemeanor charge stayed) and a verbal altercation with police officers (pled guilty to a gross misdemeanor).

Mr. Jacullo serves as a manager and secretary of BlueEarth Biofuels, LLC, which filed for bankruptcy in May 2014.

*Committee Chairperson

Below is a description of each committee of the Board as such committees are presently constituted. Members of the committees serve until their resignation from the committee or until otherwise determined by our Board. The Board has determined that each current member of each committee meets the applicable SEC and Nasdaq rules and regulations regarding “independence” and that each member is free of any relationship that would impair his individual exercise of independent judgment with regard to the Company.

Audit Committee

Our Audit Committee, established in accordance with section 3(a)(58)(A) of the Exchange Act, oversees our corporate accounting and financial reporting processes, the audit of our financial statements, and our internal control processes. Among other matters, the Audit Committee evaluates our independent auditors' qualifications, independence, and performance; determines the engagement, retention, and compensation of the independent auditors; reviews and approves the scope of the annual audit and the audit fee; discusses with management and the independent auditors the results of the annual audit and the review of our quarterly financial statements, including the disclosures in our annual and quarterly reports to be filed with the SEC; approves the retention of the independent auditors to perform any proposed permissible non-audit services; reviews our risk assessment and risk management processes; establishes procedures for receiving, retaining, and investigating complaints received by us regarding accounting, internal accounting controls, or audit matters; monitors the rotation of

partners of the independent auditors on our engagement team as required by law; reviews our critical accounting policies and estimates; and oversees any internal audit function. Additionally, the Audit Committee reviews and approves related person transactions and reviews and evaluates, on an annual basis, the Audit Committee charter and the committee's performance. Our independent registered public accounting firm and management each periodically meet privately with our Audit Committee.

The current members of our Audit Committee are Messrs. Jacullo, Kamin, and Suttin, with Mr. Kamin serving as the chair of the committee. All members of our Audit Committee meet the requirements for financial literacy under the applicable rules and regulations of the SEC and Nasdaq. Our Board has determined that Mr. Kamin is an audit committee financial expert as defined under the applicable rules of the SEC and has the requisite financial sophistication as defined under the applicable rules and regulations of Nasdaq. A description of Mr. Kamin's experience is set forth above under "Proposal 1 – Election of Directors." Messrs. Jacullo, Kamin, and Suttin are independent directors as defined under the applicable rules and regulations of the SEC, Nasdaq and Public Company Accounting Oversight Board ("PCAOB"). The Audit Committee operates under a written charter that satisfies the applicable standards of the SEC and Nasdaq, a current copy of which is available at our website, <http://investors.tileshop.com>, under the "Corporate Governance" heading. The Audit Committee met seven times between January 1, 2014 and December 31, 2014.

Report of the Audit Committee of the Board of Directors

In accordance with its written charter, the Audit Committee assists the Board with fulfilling its oversight responsibility regarding the quality and integrity of the accounting, auditing and financial reporting practices of the Company. In discharging its oversight responsibilities regarding the audit process, the Audit Committee:

- (1) reviewed and discussed the audited financial statements with management and the independent auditors;
- (2) discussed with the independent auditors the material required to be discussed by PCAOB Auditing Standard No. 16, *Communications With Audit Committees*, with and without management present; and
- (3) received the written disclosures and the letter from the independent auditors required by applicable requirements of the PCAOB regarding the independent accountant's communications with the Audit Committee concerning independence, and discussed with the independent accountant the independent accountant's independence.

Based upon the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2014, as filed with the Securities and Exchange Commission.

Compensation Committee

Our Compensation Committee reviews and recommends policies relating to compensation and benefits of our executive officers and employees. The Compensation Committee annually reviews and approves corporate goals and objectives relevant to compensation of our Chief Executive Officer and other executive officers, evaluates the performance of these officers in light of those goals and objectives, and sets the compensation of these officers based on such evaluations. The Compensation Committee also reviews and makes recommendations to the Board with respect to director compensation and administers the issuance of stock options and other awards under our equity compensation plans. The Compensation Committee reviews and prepares the necessary compensation disclosures required by the SEC. Additionally, the Compensation Committee reviews and evaluates, on an annual basis, the Compensation Committee charter and the Committee's performance.

The current members of our Compensation Committee are Messrs. Jacullo, Krasnow, and Watts, with Mr. Krasnow serving as the chair of the Committee. All of the members of our Compensation Committee are independent under the applicable rules and regulations of the SEC, Nasdaq, and Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Compensation Committee operates under a written charter that satisfies the applicable standards of the SEC and Nasdaq, a current copy of which is available at our website, <http://investors.tileshop.com>, under the "Corporate Governance" heading. The Compensation Committee met four times between January 1, 2014 and December 31, 2014.

The Compensation Committee may approve executive compensation arrangements or, in its discretion, may recommend such matters to the full Board for approval. All executive compensation is based on assessments of executive performance, which are prepared by the Compensation Committee and submitted to the full Board for review and discussion. All Compensation Committee recommendations regarding director compensation are subject to approval by the full Board. Pursuant to its charter, the Compensation Committee may delegate any of its responsibilities to a subcommittee comprised of one or more members of the Compensation Committee; provided that the Compensation Committee is not permitted to delegate its responsibilities with respect to any executive compensation arrangements intended to comply with Section 162(m) of the Code by virtue of it being approved by a committee of “outside directors” or intended to be exempt from Section 16(b) under the Exchange Act by virtue of it being approved by a committee of “non-employee directors.”

No executive officers may be present during any Compensation Committee voting or deliberations with respect to our Chief Executive Officer’s compensation. Our Chief Executive Officer may, at the Compensation Committee’s discretion, be present during any other voting or deliberations regarding compensation of our other executive officers, but may not vote on such items of business.

Compensation Committee Interlocks and Insider Participation

The Compensation Committee currently consists of Messrs. Jacullo, Krasnow, and Watts and consisted of these same members in the fiscal year ended December 31, 2014. None of our Compensation Committee members has ever been an executive officer or employee of the Company. In connection with the Business Combination, each of Messrs. Jacullo, Krasnow and Watts received compensation from and entered into agreements with the Company as described in “Transactions with Related Persons.” None of our executive officers currently serves, nor in the past year has served, as a member of the Board or Compensation Committee (or other Board committee performing equivalent functions) of any entity that has one or more executive officers serving on our Board or Compensation Committee.

Nominating and Corporate Governance Committee

Our Nominating and Corporate Governance Committee is responsible for making recommendations regarding corporate governance; identification, evaluation and nomination of candidates for directorships; and the structure and composition of our Board and committees thereof. In addition, the Nominating and Corporate Governance Committee oversees our corporate governance guidelines, approves our committee charters, oversees compliance with our Code of Business Conduct and Ethics, contributes to succession planning, reviews actual and potential conflicts of interest of our directors and officers other than related person transactions reviewed by the Audit Committee, and oversees the Board of Director self-evaluation process. Additionally, the Nominating and Corporate Governance Committee reviews and evaluates, on an annual basis, the Nominating and Corporate Governance Committee charter and the Committee’s performance.

The current members of our Nominating and Corporate Governance Committee are Messrs. Cook, Kamin and Krasnow, with Mr. Cook serving as the chair of the Committee. All of the members of our Nominating and Corporate Governance Committee are independent under the applicable rules and regulations of Nasdaq. The Nominating and Corporate Governance Committee operates under a written charter, a current copy of which is available at our website, <http://investors.tileshop.com>, under the "Corporate Governance" heading. The Nominating and Corporate Governance Committee met one time between January 1, 2014 and December 31, 2014.

The Nominating and Corporate Governance Committee considers the following criteria, among other criteria that it deems appropriate, in recommending candidates for service on the Board:

• Personal and professional integrity;

• Experience in corporate management, such as service as an officer of a publicly held company and a general understanding of marketing, finance and other elements relevant to the success of a publicly held company;

• Experience in the Company's industry;

• Experience as a member of the board of directors of another publicly held company;

• Academic expertise in the area of the Company's operations;

• Practical and mature business judgment, including the ability to make independent analytical inquiries; and

The manner in which a candidate's appointment to the Board would impact the overall composition of the Board with regard to diversity of viewpoint, professional experience, education, skill, race, gender and national origin.

In assessing director candidates, the Nominating and Corporate Governance Committee considers diversity, age, skills, and such other factors as it deems appropriate given the current needs of the Board of Directors and the Company, to maintain a balance of knowledge, experience and capability. The Nominating and Corporate Governance Committee does not have a formal diversity policy and does not follow any ratio or formula with respect to diversity in order to determine the appropriate composition of the Board. In the case of incumbent directors whose terms of office are set to expire, the Nominating and Corporate Governance Committee reviews these directors' overall service to the Company during their terms, including the number of meetings attended, level of participation, quality of performance, and any other relationships and transactions that might impair the directors' independence. In the case of new director candidates, the Nominating and Corporate Governance Committee also determines whether the nominee is independent for Nasdaq purposes, which determination is based upon applicable Nasdaq listing standards, applicable SEC rules and regulations and the advice of counsel, if necessary. The Nominating and Corporate Governance Committee conducts any appropriate and necessary inquiries into the backgrounds and qualifications of possible candidates after considering the function and needs of the Board of Directors. The Nominating and Corporate Governance Committee meets to discuss and consider the candidates' qualifications and then selects a nominee by majority vote.

The Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders. The Nominating and Corporate Governance Committee does not intend to alter the manner in which it evaluates candidates, including the minimum criteria set forth above, based on whether or not the candidate was recommended by a stockholder. To nominate a director for the 2016 Annual Meeting, stockholders must submit such nomination in writing to our Secretary at 14000 Carlson Parkway, Plymouth, Minnesota 55441 no later than the close of business on April 15, 2016 nor earlier than the close of business on March 16, 2016, provided, however, that in the event that the date of the 2016 Annual Meeting is advanced more than 30 days prior to July 14, 2016 or delayed more than 70 days following July 14, 2016, such notice must be received by the Company no earlier than 120 days prior to the 2016 Annual Meeting and no later than the later of 70 days prior to the date of the 2016 Annual Meeting or the 10th day following the day on which public announcement of the date of the 2016 Annual Meeting was first made by the Company. You are advised to review the Company's Bylaws for requirements relating to director nominees.

VOTE REQUIRED

The Board recommends that you vote "For" each of the nominees to the Board set forth in this Proposal 1. Under our Bylaws, the election of each nominee requires the affirmative vote of a plurality of the votes cast by the stockholders entitled to vote on the election of directors at the Annual Meeting at which a quorum is present.

PROPOSAL 2 — RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015, and has further directed that management submit the selection of our independent registered public accounting firm for ratification by the stockholders at the Annual Meeting. Representatives of Ernst & Young LLP are expected to be present at the Annual Meeting. They will have an opportunity to make a statement if they so desire and will be available to respond to appropriate questions.

Neither the Company's Bylaws nor other governing documents or law require stockholder ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm. However, the Audit Committee is submitting the appointment of Ernst & Young LLP to the stockholders for ratification as a matter of good corporate practice. If the stockholders fail to ratify the appointment, the Audit Committee will consider whether or not to retain that firm. Even if the appointment is ratified, the Audit Committee in its discretion may direct the appointment of a different independent registered public accounting firm at any time during the year if the Audit Committee determines that such a change would be in the best interests of the Company and its stockholders.

The affirmative vote of the holders of a majority of the shares present in person or represented by proxy and entitled to vote at the Annual Meeting will be required to ratify the appointment of Ernst & Young LLP.

Changes in and Disagreements with Accountants on Accounting and Financial Disclosure

Effective April 9, 2013, the Audit Committee approved the dismissal of Deloitte as the Company's independent registered public accounting firm, and engaged Ernst & Young LLP ("E&Y") as its independent registered public accounting firm effective immediately. Deloitte's audit reports on the consolidated financial statements of the Company and subsidiaries as of December 31, 2011 and 2012 and for each of the years in the two-year period ended December 31, 2012 did not contain any adverse opinion or disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope, or accounting principles. During the fiscal years ended December 31, 2011 and 2012 and the subsequent interim period through April 9, 2013 there were no disagreements with Deloitte on any matter of accounting principles or practices, financial statement disclosure, or auditing scope or procedure, which, if not resolved to the satisfaction of Deloitte, would have caused Deloitte to make reference to the subject matter of the disagreement(s) in connection with its reports. During the fiscal years ended December 31, 2011 and December 31, 2012 and the subsequent interim period through April 9, 2013 there were no "reportable events" as defined in Regulation S-K, Item 304(a)(1)(v), other than:

-

On Form 10-K for the fiscal year ended December 31, 2011, the Company reported the existence of a material weakness in its internal control over financial reporting relating to deficiencies in the financial statement close process. Specifically, the Company lacked sufficient personnel with requisite competencies within its finance function for a company of its size and complexity and did not maintain financial close processes, procedures, and reporting systems that were adequately designed to support the accurate and timely reporting of its financial results. The Company reported the remediation of this material weakness in Item 9A of its Annual Report on Form 10-K for the fiscal year ended December 31, 2012.

On a Form 8-K dated February 18, 2013, the Company reported that its previously-issued financial statements for the three and nine months ended September 30, 2012 contained a misstatement relating to its accounting for outstanding common stock purchase warrants, and on a Form 10-Q/A filed March 18, 2013 restated such financial statements. As a result of the restatement, on Form 10-K for the fiscal year ended December 31, 2012 the Company reported the existence of a material weakness in its internal control over financial reporting relating to its identification and analysis of the complex accounting and financial reporting attributes associated with certain non-routine transactions such as the Company's common stock purchase warrant agreements, including not utilizing •qualified external experts to supplement internal resources. The Company implemented additional procedures to remediate the material weakness, which included (1) developing a common process for identifying non-routine events and transactions that may require the involvement of subject matter experts, (2) developing a common methodology for assessing the accounting, disclosure and reporting implications surrounding non-routine transactions, (3) increasing our critical analysis of the guidance and recommendations provided by subject matter experts and (4) developing an appropriate concluding framework that enables management to consider all relevant input in arriving at a conclusion. Management believes the efforts effectively remediated the material weakness as of December 31, 2013.

During the fiscal years ended December 31, 2011 and December 31, 2012 and the subsequent interim period through April 9, 2013, the Company did not consult with E&Y regarding either (i) the application of accounting principles to a specific completed or contemplated transaction or the type of audit opinion that might be rendered on the Company's consolidated financial statements, and neither a written report was provided to the Company or oral advice was provided that E&Y concluded was an important factor considered by the Company in reaching a decision as to the accounting, auditing or financial reporting issue, or (ii) any matter that was either the subject of a disagreement as defined in (a)(1)(iv) of Item 304 of Regulation S-K and the related instructions to Item 304 of Regulation S-K or a reportable event as that term is defined in (a)(1)(v) of Item 304 of Regulation S-K.

Principal Accountant Fees and Services

The following table presents fees for professional services rendered by Ernst & Young, LLP our principal accountants for the fiscal year 2014 and 2013:

	2014	2013
Audit Fees(1)	\$671,532	\$435,000
Audit-Related Fees(2)	—	34,600
Tax Fees(3)	—	5,132
All Other Fees(4)	—	—
	\$671,532	\$474,732

- (1) Audit Fees were principally for services rendered for the audit and/or review of our consolidated financial statements.
- (2) Audit-Related Fees includes fees for services rendered in connection with the filing of registration statements with the SEC, and the issuance of accountant consents and comfort letters.
- (3) Tax Fees consist of fees billed in the indicated year for professional services with respect to tax compliance, tax advice and tax planning.
- (4) All Other Fees consist of fees billed in the indicated year for other permissible work that is not included within the above category descriptions.

Pre-Approval Policies and Procedures

Pursuant to its written charter, the Audit Committee is required to pre-approve the audit and non-audit services performed by our independent auditors. Notwithstanding the foregoing, separate Audit Committee pre-approval shall not be required (a) if the engagement for services is entered into pursuant to pre-approval policies and procedures established by the Audit Committee regarding the Company's engagement of the independent auditor (the "Pre-Approval Policy") as to matters within the scope of the Pre-Approval Policy or (b) for de minimus non-audit services that are approved in accordance with applicable SEC rules. The Audit Committee has determined that the

rendering of the services other than audit services by its principal accountant is compatible with maintaining the principal accountant's independence. All services rendered by the Company's independent auditors were pre-approved by our Audit Committee expressly or pursuant to the Pre-Approval Policy.

VOTE REQUIRED

The Board recommends that you vote "For" the ratification of the appointment of Ernst & Young LLP as the Company's independent registered public accounting firm for the fiscal year ending December 31, 2015. Ratification of the appointment of Ernst & Young LLP requires the affirmative vote of a majority of the shares present in person or represented by proxy and voting on this proposal at the Annual Meeting.

PROPOSAL 3 — ADVISORY VOTE ON EXECUTIVE COMPENSATION

The Dodd-Frank Wall Street Reform and Consumer Protection Act and Section 14A of the Exchange Act require that we provide our stockholders with the opportunity to vote on a nonbinding advisory basis regarding the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. In accordance with the preference of our stockholders, as expressed in a non-binding advisory vote on the frequency of advisory votes on executive compensation at last year's annual stockholder meeting, the Company has determined to hold annual advisory votes on the compensation of the named executive officers.

We seek to closely align the interests of our named executive officers with the interests of our stockholders. We designed our compensation program to reward our named executive officers for their individual performance and contributions to our overall business objectives and for achieving and surpassing the financial goals set by our Compensation Committee and our Board.

The vote on this resolution is not intended to address any specific element of compensation. Instead, the vote relates to the overall compensation of our named executive officers, as described in this proxy statement in accordance with the compensation disclosure rules of the SEC.

Accordingly, we ask our stockholders to vote on the following resolution at the Annual Meeting:

“RESOLVED, that the Company's stockholders approve, on an advisory basis, the compensation of the named executive officers, as disclosed in the Company's Proxy Statement for the 2015 Annual Meeting of Stockholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the 2014 Summary Compensation Table and the other related tables and disclosures.”

While the Board and especially the Compensation Committee intend to carefully consider the results of the vote on this proposal when making future decisions regarding executive compensation, the vote is not binding on the Company or the Board and is advisory in nature. To the extent there is any significant vote against the compensation of our named executive officers in this Proposal 3, the Compensation Committee will evaluate what actions may be necessary to address our stockholders' concerns.

VOTE REQUIRED

The Board recommends that you vote “For” the non-binding advisory resolution approving the compensation of our named executive officers, as disclosed in this proxy statement.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

This section discusses our policies and decisions with respect to the compensation of our executive officers and employees who are named in the “2014 Summary Compensation Table” and the most important factors relevant to an analysis of these policies and decisions. Our executive compensation philosophy as a publicly traded company differs from our historical compensation philosophy as a privately-held company, and our Compensation Committee engages in ongoing review and evaluation of our compensation philosophy and structure. The “named executive officers” to whom this discussion applies are:

- Robert A. Rucker, Chief Executive Officer (through December 31, 2014);
- Chris Homeister, Chief Operating Officer (through December 31, 2014), Chief Executive Officer (beginning January 1, 2015);
- Kirk L. Geadelmann, Chief Financial Officer (beginning August 12, 2014);
- Timothy Clayton, Chief Financial Officer (through August 11, 2014);
- Joseph Kinder, Senior Vice President – Supply Chain and Distribution; and
- Carl Randazzo, Senior Vice President – Retail.

Except as otherwise noted above, all of our named executive officers served as executive officers during the entire 2014 fiscal year.

Overview

We recognize that our ability to excel depends on the integrity, knowledge, imagination, skill, diversity, and teamwork of our employees. To this end, we strive to create an environment of mutual respect, encouragement, and teamwork that rewards commitment and performance and that is responsive to the needs of our employees. The principles and objectives of our compensation and benefits programs for our employees generally, and for our named executive officers specifically, are to:

- align compensation incentives with our corporate strategies, business, and financial objectives and the long-term interests of our stockholders;
- motivate and reward executives whose knowledge, skills, and performance ensure our continued success; and
- ensure that total compensation is fair, reasonable, and competitive.

Prior to completion of the Business Combination in August 2012, the compensation for our named executive officers consisted of (i) base salary, (ii) performance bonus, (iii) phantom equity units, (iv) perquisites and health and welfare benefits, and (v) 401(k) plan retirement savings opportunities. Effective immediately prior to the consummation of the Business Combination, we terminated our Deferred Compensation Plan, pursuant to which we previously granted phantom equity units. We made a lump-sum cash payment to each former holder of phantom equity units, including certain of our named executive officers, on August 20, 2013, in full satisfaction of all phantom equity units previously held by such individuals.

Effective upon consummation of the Business Combination, we adopted an equity award plan, and made grants to certain of our named executive officers thereunder. For a further description of the plan, see “Executive Compensation — Compensation Discussion and Analysis — Executive Compensation Program Components — 2012 Omnibus Award Plan” beginning on page 18 of this proxy statement.

Each of the primary elements of our executive compensation program is discussed in more detail below. While we have identified particular compensation objectives that each element of executive compensation serves, our compensation programs are designed to be flexible and complementary and to collectively serve all of the executive compensation objectives described above. Accordingly, whether or not specifically mentioned below, we believe that each individual element, to some extent, serves each of our objectives. Further, while each of our executive officers has not been, and may

not be, compensated with all individual compensation elements, we believe that the compensation provided to each individual executive officer is, and will be, consistent with the overall compensation philosophy and objectives set forth above.

Compensation Determination Process

We review executive compensation at least annually, including evaluating our philosophy and compensation programs as circumstances require. As part of this review process, we expect to apply the values and the objectives outlined above, together with consideration for the levels of compensation that we would be willing to pay to ensure that our compensation remains competitive and that it is meeting our retention objectives in light of the cost to us if we were required to replace a key employee. In addition, we consider the results of non-binding advisory votes on executive compensation, commonly referred to as “say-on-pay” votes. At our 2014 Annual Meeting of Stockholders, we held a say-on-pay vote on the compensation of our named executive officers as described in the proxy statement for that meeting. Stockholders approved the compensation of the named executive officers by a favorable vote of approximately 99% of votes cast, including abstentions. We are mindful of the opinions of our stockholders and considered these results when deciding to retain our general compensation philosophy and core objectives for the upcoming fiscal year.

The compensation levels of our named executive officers reflect, to a significant degree, the varying roles and responsibilities of such executives. As a result of the assessment by our Board of Robert Rucker’s roles and responsibilities, there is and has been a significant compensation differential between his compensation levels and those of our other named executive officers.

Executive Compensation Program Components

Base Salary. Base salaries of our named executive officers are initially established through arm’s-length negotiation at the time an executive is hired, taking into account such executive’s qualifications, experience, and prior salary. Base salaries of our named executive officers are approved and reviewed periodically by our Chief Executive Officer, and in the case of our Chief Executive Officer’s base salary, by our Board, and adjustments to base salaries are based on the scope of an executive’s responsibilities, individual contribution, prior experience, and sustained performance. Decisions regarding salary increases may take into account the executive officer’s current salary, equity or equity-linked interests, and the amounts paid to an executive officer’s peers within our Company. In making decisions regarding salary increases, we may also draw upon the experience of members of our Board of Directors with other companies. Base salaries are also reviewed in the case of promotions or other significant changes in responsibility. No formulaic base salary increases are provided to our named executive officers. This strategy is consistent with our intent of offering base salaries that are cost-effective while remaining competitive.

In anticipation of the consummation of the Business Combination in August 2012, we entered into offer letter agreements with each of Messrs. Rucker, Clayton, Kinder and Randazzo, which provide for annual base salaries of \$303,991, \$200,000, \$200,000, and \$200,000, respectively. Pursuant to the terms of his offer letter, Mr. Rucker's base salary increased to \$500,000 effective January 1, 2013. Our Chief Operating Officer, Chris R. Homeister, was hired in October 2013, at an annual base salary of \$300,000. In February 2014, the Compensation Committee approved increases to the base salaries of Messrs. Clayton, Kinder and Randazzo to \$208,000 each, on an annualized basis. Our Chief Financial Officer, Kirk Gadelmann, was hired in August 2014, at an annual base salary of \$210,000. For a further description of these offer letter agreements, see "Executive Compensation — Offer Letter Agreements" beginning on page 24 of this proxy statement.

The actual base salaries earned by all of our named executive officers in 2014, 2013 and 2012 are set forth in the "Summary Compensation Table." Effective January 1, 2015 and in connection with his promotion to Chief Executive Officer, Mr. Homeister's base salary was increased to \$400,000. In February 2015, the Compensation Committee approved increases to the base salaries of Messrs. Gadelmann, Kinder, and Randazzo, to \$212,000 each, on an annualized basis.

2012 Omnibus Award Plan. In June 2012, our Board and stockholders adopted an equity award plan, which became effective upon the consummation of the Business Combination. The principal purpose of the equity award plan is to attract, retain, and motivate selected employees, consultants, and directors. As initially adopted, the equity award plan provided for stock-based compensation awards. In February 2013, the Compensation Committee and the Board amended the equity award plan to authorize grants of performance-based awards. At the same time, the plan was renamed the 2012 Omnibus Award Plan (the "Omnibus Plan"). The Compensation Committee of our Board administers the Omnibus Plan, subject to the right of our Board to assume authority for administration or delegate such authority to another committee of the Board. Awards under the Omnibus Plan may be granted to individuals who are then our officers, employees, directors, or consultants or are the officers, employees, directors, or consultants of our subsidiaries.

Under the Omnibus Plan, 2,500,000 shares of our common stock were initially reserved for issuance pursuant to a variety of stock-based compensation awards, including stock options and restricted stock awards. As initially adopted, the number of shares initially reserved for issuance or transfer pursuant to awards under the Omnibus Plan would increase on the first day of each calendar year beginning in 2013 and ending in 2022, in an amount equal to the least of (A) 2,500,000 shares, (B) six percent (6%) of the shares of common stock outstanding (on an as-converted basis) on the last day of the immediately preceding calendar year, and (C) such smaller number of shares of common stock as determined by our Board. In February 2013, the Compensation Committee and the Board acknowledged that 2,500,000 shares of common stock were added to the Omnibus Plan reserve effective January 1, 2013 in accordance with the automatic share increase provision and amended the Omnibus Plan to eliminate the automatic share increase for subsequent years.

In the event of a change of control, as such term is defined in the Omnibus Plan, the administrator may, in its sole discretion, accelerate vesting of awards issued under the Omnibus Plan such that 100% of any such award may become vested and exercisable. Additionally, the administrator has complete discretion to structure one or more awards under the Omnibus Plan to provide that such awards will become vested and exercisable on an accelerated basis. The administrator may also make appropriate adjustments to awards under the Omnibus Plan and is authorized to provide for the acceleration, termination, assumption, substitution, or conversion of such awards in the event of a change of control or certain other unusual or nonrecurring events or transactions.

The types of awards we intend to grant under the Omnibus Plan are as follows:

Cash Performance Awards. Historically, annual cash bonuses were awarded to The Tile Shop's named executive officers when The Tile Shop's board of managers or its Chief Executive Officer determined that such bonuses were merited in light of corporate performance. After the Business Combination, the Company employed the same procedures for awarding cash bonuses to our named executive officers for the remainder of fiscal 2012.

During 2012, Mr. Rucker was awarded an annual cash bonus in an amount sufficient to provide him with total actual after-tax bonus compensation equal to 3% of our net income, inclusive of the bonus compensation and associated tax adjustment payable to him, for the corresponding period. Our other named executive officers were awarded annual cash bonuses in an amount determined by our Chief Executive Officer and approved by the Board reflecting (i) our annual operating performance, (ii) our year-over-year operating growth, (iii) attainment of individual and corporate goals, and (iv) other discretionary factors deemed relevant.

In February 2013 and 2014, the Board and the Compensation Committee of the Board adopted specific performance targets and payout levels for each executive officer for the then-current fiscal year. Fiscal 2013 performance targets and payout levels for Mr. Homeister and fiscal 2014 performance targets and payouts for Mr. Geadelmann were determined upon commencement of employment with the Company. Mr. Rucker was eligible to earn target cash incentive compensation equal to 100% of his base salary and each of Messrs. Clayton, Kinder, Randazzo, Homeister

and Geadelmann was eligible to earn target cash incentive compensation equal to 50% of his base salary, based on our Adjusted EBITDA for the year. The target incentive compensation was payable if we achieved the Adjusted EBITDA target set forth in our budget. Each of Messrs. Rucker, Clayton, Kinder, Randazzo, Homeister and Geadelmann was entitled to receive a partial incentive payment if we achieved at least 85% of our budgeted Adjusted EBITDA, and an incentive of up to double the target incentive amount if we achieved 115% of our budgeted Adjusted EBITDA and attained targeted sales goals. For the 2013 fiscal year, Mr. Homeister's cash incentive arrangement was pro-rated for the partial year during which he was employed with the Company. For the 2014 fiscal year, Mr. Geadelmann's cash incentive arrangement was pro-rated for the partial year during which he was employed with the Company.

The Compensation Committee reviews and certifies performance following the end of each fiscal year and may also consider discretionary factors when making awards. As a result of this review, for fiscal year 2013, the Compensation Committee approved incentive awards in the amount of \$30,000 to each of Messrs. Homeister, Clayton, Kinder and Randazzo, partially based on the forgoing performance measures and partially based on discretion. The Compensation Committee did not approve any incentive awards based on the performance of the Company in fiscal year 2014.

The cash bonuses for which our named executive officers were eligible in 2014 are set forth in the "Grants of Plan Based Awards in Fiscal Year 2014" table. The actual cash bonuses earned by all of our named executive officers in 2014, 2013 and 2012 are set forth in the "2014 Summary Compensation Table."

Effective January 1, 2015, Mr. Homeister is eligible to receive an annual cash bonus equal to 75% of his base salary, with possible payment of between 0% and 150% of such amount based on performance versus budgeted objectives as approved by the Board of Directors. In February 2015, the Compensation Committee determined to continue the same cash incentive award structure and performance measures as used in 2013 and 2014 for all executive officers other than Mr. Homeister, adjusted to reflect performance targets that correspond to the fiscal 2015 budget.

Equity and Equity-Linked Incentives. Historically, in order to align the interests of our named executive officers with those of our stockholders, we granted certain of our employees and each of our named executive officers, other than Mr. Rucker, phantom equity units pursuant our Deferred Compensation Plan that were payable upon a change in control in cash based on the appreciation in the value of The Tile Shop's Common Units. At all times from January 1, 2009 until the termination of our Deferred Compensation Plan in connection with the consummation of the Business Combination, Messrs. Kinder and Randazzo each held 300,000 phantom equity units of The Tile Shop. Effective immediately prior to the consummation of the Business Combination, we terminated our Deferred Compensation Plan. We made a lump-sum cash payment to each former holder of phantom equity units, including a \$2,060,000 payment to each of Messrs. Kinder and Randazzo, on August 20, 2013, in full satisfaction of all phantom equity units previously held by such individuals.

Going forward, we intend to continue to use equity incentive awards pursuant to our Omnibus Plan to link the interests of our named executive officers with those of our stockholders. The Omnibus Plan provides that the administrator may grant or issue stock options and restricted stock or any combination thereof. Stock options may be either nonqualified stock options or incentive stock options. We expect vesting of these equity incentive awards to be dependent in whole or in part on continued employment in order to encourage the retention of our named executive officers through the vesting period of the awards. In some cases, vesting may also be partially based on the annual appreciation of our common stock. In determining the size of inducement and ongoing equity awards to our named executive officers, our Compensation Committee considers a number of internal factors, such as the relative job scope, the value of outstanding equity awards, individual performance history, prior contributions to us, and the size of prior awards, as well as external factors such as the levels of unvested equity awards held by our executive officers in relation to their peers at comparable companies. The Compensation Committee also intends to consider the foregoing factors for future awards.

In February 2014, we granted 50,000 non-qualified stock options to Chris R. Homeister and 55,000 non-qualified stock options to Timothy Clayton pursuant to the Omnibus plan, both of which are subject to time-based vesting over a five-year period. Mr. Clayton forfeited this option upon the termination of his employment in August 2014. Also in August 2014, we granted 100,000 non-qualified stock options to Kirk Gadelmann pursuant to the Omnibus Plan, which are subject to time-based vesting over a five-year period. The equity grants made to our named executive officers in 2014 are set forth in the "Grants of Plan Based Awards in Fiscal Year 2014" table and are discussed in the "Equity Grants" section of this item.

To date in 2015, we have granted options or issued an aggregate of 150,000 shares of the Company's common stock to named executive officers under the Omnibus Plan. See the subsection below entitled "Equity Grants". We do not have

any securities ownership requirements for our named executive officers.

Retirement Savings. All of our full-time employees, including our named executive officers, are eligible to participate in The Tile Shop 401(k) Retirement Plan. Employees may elect to reduce their current compensation by up to the statutorily prescribed annual limit, which was \$17,500 in 2014 (or \$23,000 for employees over 50), and to have the amount of this reduction contributed to the 401(k) plan. In 2014, 2013 and 2012, we made a matching contribution of \$0.25 for every \$1.00 that each applicable employee contributed to the 401(k) plan, up to a maximum of 5% of such employee's salary. Each year, this matching contribution vests as to 20% of the aggregate matching contributions for such employee, such that all previous and future matching contributions will be vested after the employee has been employed by us for a period of five years.

Perquisites. From time-to-time, we have provided certain of our named executive officers with perquisites that we believe are reasonable. We do not view perquisites as a significant element of our comprehensive compensation structure, but do believe they can be useful in attracting, motivating, and retaining executive talent. We believe that these additional benefits may assist our executive officers in performing their duties and provide time efficiencies for our executive officers in appropriate circumstances, and may consider providing additional perquisites in the future. There are no material perquisites to our named executive officers that are contractual obligations pursuant to written agreements. All future practices regarding perquisites will be approved and subject to periodic review by our Compensation Committee.

Tax Considerations. Our Board considers the potential effects of Section 162(m) of the Code on the compensation paid to our executive officers. Section 162(m) disallows a tax deduction for any publicly-held corporation for individual compensation exceeding \$1.0 million in any taxable year for the Chief Executive Officer and each of the next three most highly compensated executive officers (other than the Chief Financial Officer, if any), unless the compensation is

“performance based” or based on another available exemption. Prior to being a publicly-held corporation, The Tile Shop’s board of managers did not take the deductibility limit imposed by Section 162(m) into consideration in setting compensation. The restricted stock granted to Mr. Rucker in August 2012 was not “performance based,” and the restricted stock granted to Mr. Homeister in October 2013 was not “performance based.” We expect that our Compensation Committee will, where reasonably practicable, seek to qualify the variable compensation paid to our executive officers for an exemption from the deductibility limitations of Section 162(m), including by awarding stock options that satisfy the “qualified performance-based compensation” exception by virtue of being approved by a qualifying compensation committee of two or more outside directors, being issued pursuant to an underlying plan that sets the maximum number of shares that can be granted to any person within a specified period and compensating recipients based solely on an increase in the stock price after the grant date (i.e., the exercise price or base price is greater than or equal to the fair market value of the stock subject to the award on the grant date). In approving the amount and form of compensation for our executive officers in the future, our Compensation Committee will consider all elements of the cost to us of providing such compensation, including the potential impact of Section 162(m). However, our Compensation Committee may, in its judgment, authorize compensation payments that do not comply with the exemptions in Section 162(m) when it believes that such payments are appropriate to attract and retain executive talent.

Taxation of “Parachute” Payments and Deferred Compensation. In 2012, we provided Mr. Rucker, with a “gross-up” or reimbursement payment in the amount of \$844,225 for tax liability relating to the cash incentives he earned in that year. We have not provided any named executive officer with any “gross-ups” relating to tax liability that he or she might owe as a result of the application of Sections 280G, 4999 or 409A of the Code, and we have not agreed, nor are otherwise obligated, to provide any executive officer with any “gross-up” or other reimbursement in the future. Sections 280G and 4999 of the Code provide that executive officers and directors who hold significant equity interests and certain other service providers may be subject to an excise tax if they receive payments or benefits in connection with a change of control that exceeds certain prescribed limits, and that we, or a successor, may forfeit a deduction on the amounts subject to this additional tax. Section 409A of the Code also imposes additional significant taxes on the individual in the event that an executive officer, director, or other service provider received “deferred compensation” that does not meet the requirements of Section 409A of the Code.

Compensation Committee Report

The Compensation Committee has reviewed and discussed the Compensation Discussion and Analysis with management. Based upon this review and discussion, the Compensation Committee recommended to the Board of Directors that the Compensation Discussion and Analysis be included in this proxy statement on Schedule 14A and in our Annual Report on Form 10-K for the fiscal year ended December 31, 2014.
