PROXY STATEMENT

These Proxy materials are being delivered in connection with the solicitation by the Board of Directors (the “Board” or the “Board of Directors”) of Talon International, Inc., a Delaware corporation (“Talon,” the “Company,” “we,” or “us”), of Proxies to be voted at our 2016 annual meeting of stockholders (the “Annual Meeting”) and at any adjournments or postponements.

You are invited to attend our Annual Meeting on June 9, 2016, beginning at 2 p.m. Pacific Daylight Time. The meeting will be held at our Corporate Conference Center located at 21900 Burbank Boulevard, Suite 270, Woodland Hills, California 91367.

Record Date and Stockholders Entitled to Vote

Holders of our common stock at the close of business on April 18, 2016 (the “Record Date”) are entitled to receive this notice and to vote their shares at the Annual Meeting. As of April 18, 2016, there were 92,267,831 shares of Common Stock outstanding.

Mailing of Proxy Statements

We anticipate mailing this Proxy Statement and the accompanying Proxy to stockholders on or about May 10, 2016.

Proxies

Your vote is important. If your shares are registered in your name, you are a stockholder of record. If your shares are in the name of your broker or bank, your shares are held in street name. We encourage you to vote by Proxy so that your shares will be represented and voted at the meeting even if you cannot attend. All stockholders can vote by

written Proxy card. Your submission of the enclosed Proxy will not limit your right to vote at the Annual Meeting if you later decide to attend in person. If your shares are held in street name, you must obtain a Proxy, executed in your favor, from the holder of record in order to be able to vote at the Annual Meeting. If you are a stockholder of record, you may revoke your Proxy at any time before the meeting either by filing with our Secretary, at its principal executive office, a written notice of revocation or a duly executed Proxy bearing a later date, or by attending the Annual Meeting and expressing a desire to vote your shares in person. All shares entitled to vote and represented by properly executed Proxies received prior to the Annual Meeting, and not revoked, will be voted at the Annual Meeting in accordance with the instructions indicated on those Proxies. If no instructions are indicated on a properly executed Proxy, the shares represented by that Proxy will be voted as recommended by the Board of Directors.

Quorum

The presence, in person or by Proxy, of a majority of the votes entitled to be cast by the stockholders entitled to vote at the Annual Meeting is necessary to constitute a quorum. Abstentions and broker non-votes will be included in the number of shares present at the Annual Meeting for determining the presence of a quorum. Broker non-votes occur when a broker holding customer securities in street name has not received voting instructions from the customer on certain non-routine matters, and, therefore, is barred by the rules of the applicable securities exchange from exercising discretionary authority to vote those securities. If by the date of the Annual Meeting we do not receive proxies representing sufficient shares to constitute a quorum, the Chairman of the Meeting, or the stockholders entitled to vote at the meeting, shall have power to adjourn the meeting, without notice other than announcement at the meeting, until a quorum is present or represented. At such adjourned meeting at which a quorum is present, any business may be transacted that might have been transacted at the meeting as originally noticed.

Voting and Required Votes

Each share of Talon common stock is entitled to one vote on each matter properly brought before the meeting. Abstentions will be counted toward the tabulation of votes cast on proposals submitted to stockholders and will have the same effect as negative votes, while broker non-votes will not be counted as votes cast for or against such matters.

If a quorum is present, a plurality of the shares voting will be sufficient to elect the director nominees (Proposal No. 1). This means that the four nominees for director receiving the highest number of votes “for” election will be elected. Approval of the advisory vote on executive compensation (Proposal No. 2) and ratification of the appointment of our independent registered public accounting firm (Proposal No. 3) will require the affirmative vote of a majority of the shares present or represented and entitled to vote at the Annual Meeting with respect to such proposal.

Other Matters

At the date this Proxy Statement went to press, we do not know of any other matter to be raised at the Annual Meeting.

In the event a stockholder proposal was not submitted to us prior to the date of this Proxy Statement, the enclosed Proxy will confer authority on the Proxy holders to vote the shares in accordance with their best judgment and discretion if the proposal is presented at the Annual Meeting. As of the date hereof, no stockholder proposal has been submitted, and management is not aware of any other matters to be presented for action at the Annual Meeting.

However, if any other matters properly come before the Annual Meeting, the Proxies solicited hereby will be voted by the Proxy holders in accordance with the recommendations of the Board of Directors. Such authorization includes authority to appoint a substitute nominee for any Board of Directors nominee identified herein where death, illness or other circumstance arises which prevents such nominee from serving in such position and to vote such Proxy for such substitute nominee.

Proposal NUMBER 1: ELECTION OF DIRECTORS

Proposal No. 1 is the re-election of four members of our Board of Directors.

Our bylaws provide that the authorized number of directors is a minimum of two and a maximum of nine, with the exact number set by our Board. Currently, the authorized number of directors of the Company is five and currently there are five Board members. Immediately prior to the Annual Meeting, the number of Board seats will be reduced to four.

The four nominees for director receiving the highest number of votes at the Annual Meeting will be elected. The term of office of each person elected as a director will continue until the next Annual Meeting of Stockholders, or until a successor has been elected and qualified, or until his or her earlier resignation or removal.

Unless otherwise instructed, the proxy holders will vote the proxies received by them for the nominees named below. Each nominee has consented to be named a nominee in this Proxy Statement and to serve as a director if elected. If any nominee becomes unable or declines to serve as a director, or if additional persons are nominated at the meeting, the proxy holders intend to vote all proxies received by them in such a manner as will ensure the election of as many of the nominees listed below as possible, and the specific nominees to be voted for will be determined by the proxy holders. We are not aware of any reason that any nominee will be unable or will decline to serve as a director. There are no arrangements or understandings between any director or executive officer and any other person pursuant to which he or she is or was to be selected as a director or officer.

The Board of Directors proposes the election of each of the following nominees as directors, all of whom currently serve on the Board of Directors:

Mark Dyne

Larry Dyne

David Ellis

Robert L. Golden

If elected, Mark Dyne, Larry Dyne, David Ellis and Robert L. Golden are expected to serve until the 2017 annual meeting of stockholders. The principal occupation and certain other information about the nominees and certain executive officers are set forth on the following pages.

The Board of Directors Unanimously Recommends a Vote “FOR” the Election of the Nominees Listed Above.

Board Meetings, Board Committees and Director Independence

A majority of our Board of Directors is comprised of “independent” directors as that term is defined in Section 5605 of the NASDAQ Marketplace Rules applicable to companies listed on The NASDAQ Stock Market. Our Board of Directors has determined that each of Messrs. Ellis, Weiss and Golden are independent and were independent at all times during 2015 while serving on the Board. Neither Larry Dyne nor Mark Dyne qualify as independent because Larry Dyne is a company employee and Mark Dyne is Larry Dyne’s brother.

In 2015, the Board of Directors held eight meetings. Each director serving at that time attended at least 75% of all the meetings of the Board of Directors and meetings of all committees of the Board on which the director served. While we have not established a policy with respect to members of the Board of Directors attending annual meetings, each director is encouraged to attend the annual meeting of stockholders. One director was present at the 2015 annual meeting of stockholders.

We do not currently maintain separately designated audit, compensation, nominating or governance committees of the Board of Directors. The Board of Directors has determined that these committees were not necessary in light of the composition of the Board and concentration of voting power among a single or small number of stockholders. The functions customarily delegated to these committees are performed by our full Board of Directors.

The Board forms ad hoc committees from time to time to assist our Board in fulfilling its responsibilities with respect to matters that are the subject of the ad hoc committee’s mandate.

The Company is not a “listed company” under SEC rules and is therefore not required to have a separate audit committee comprised of independent directors. Our full Board of Directors performs the functions of the audit committee. The Company has, however, determined that as of December 31, 2015, each of Messrs. Ellis, Weiss and Golden is “independent” as that term is defined in Section 5605 of the NASDAQ Marketplace Rules applicable to

companies listed on The NASDAQ Stock Market, and has also determined that each of Messrs. Ellis and Golden is an “audit committee financial expert” as defined in Item 407(d)(5) of Regulation S-K. The director biographies included above describe the relevant experience of each director.

Board Leadership Structure and Role in Risk Oversight

We separate the roles of Chief Executive Officer and Chairman of the Board in recognition of the different responsibilities fulfilled by the Chief Executive Officer and the Chairman of the Board at Talon. The Chief Executive Officer is responsible for setting our strategic direction and for our day-to-day leadership and performance, while the Chairman of the Board provides guidance to the Chief Executive Officer and sets the agenda for, and presides over, meetings of the Board of Directors.

The Board is led by the Chairman, Mark Dyne, who became a member of our Board in 1997. The benefits of Mr. Dyne's leadership of the Board stem both from his long-standing relationship and involvement with us, which provides a unique understanding of our culture and business, as well as his ongoing role as the Board's primary contact with our senior management team, which ensures that a constant flow of Company-related information is available. This flow of communication enables Mr. Dyne to identify issues, proposals, strategies and other considerations for future Board discussions and to assume the lead in many of the resulting discussions during Board meetings. Our Board of Directors has responsibility for the oversight of risk management. A fundamental part of risk management is not only understanding the risks we face and what steps management is taking to manage those risks, but also understanding what level of risk is appropriate for us. The involvement of the Board of Directors in setting our business strategy is a key part of its assessment of risk management and the determination of what constitutes our appropriate level of risk. The Board regularly discusses with management our major risk exposures, their potential impact on us and the steps taken to manage these risks. In addition, the Board may retain, on such terms as determined by the Board, in its sole discretion, independent legal, financial and other consultants and advisors to advise and assist the Board in fulfilling its oversight responsibilities.

Compensation of Directors and Officers

Our Board of Directors is responsible for determining the compensation to be paid to our officers and directors, with recommendations from management as to the amount and/or form of such compensation. During the course of 2013, the Company utilized the services of a nationally recognized compensation consulting firm to recommend improvements to our executive and board compensation plans for alignment with our current business strategy. The Board of Directors considered the results from this study in formulating compensation plans for our executives beginning in 2014.

Code of Ethics

We have adopted a Code of Ethical Conduct that applies to our principal executive officer, principal financial officer, principal accounting officer or controller, or persons performing similar functions, as well as to our other employees and directors generally. A copy of our Code of Ethical Conduct was filed as an exhibit to our Annual Report on Form 10-K.

Director Nominations

We do not currently have a standing nominating committee of our Board of Directors. The entire Board of Directors performs the duties of the nominating committee and is responsible for considering and approving nominations of candidates for directors, including determining the appropriate qualifications and experience required of such

candidates, and related matters.

In carrying out their function to nominate candidates for election to the Board of Directors, the Board considers the mix of skills, experience, character, commitment, and diversity of background of the Board of Directors at the time of such nominations. The Board of Directors believe that each candidate should be an individual who has demonstrated integrity and ethics in such candidate's personal and professional life, has an understanding of elements relevant to the success of a publicly-traded company and has established a record of professional accomplishment in such candidate's chosen field. Each candidate should be prepared to participate fully in Board activities, including attendance at, and active participation in, meetings of the Board of Directors, and not have other personal or professional commitments that would, in the Board's judgment, interfere with or limit such candidate's ability to do so. The Board of Directors has no stated specific, minimum qualifications that must be met by a candidate for a position on our Board.

The Board of Directors' methods for identifying candidates for election to the Board of Directors (other than those proposed by our stockholders, as discussed below) include the solicitation of ideas for possible candidates from a number of sources including members of the Board of Directors, our executives, and other sources. The Board of Directors may also from time to time retain one or more third-party search firms to identify suitable candidates.

Our stockholders may nominate one or more persons for election as a director at an annual meeting of stockholders if the stockholder complies with the notice, information and consent provisions contained in our Bylaws. The notice must be made in writing and include (1) the qualifications of the proposed nominee to serve on the Board of Directors, (2) the principal occupations and employment of the proposed nominee during the past five years, (3) directorships currently held by the proposed nominee and (4) a statement that the proposed nominee has consented to the nomination. The recommendation should be addressed to our Secretary.

Pursuant to the Subscription Agreement we entered into with Kutula Holdings Ltd. in connection with Kutula's 2013 investment in our common stock, we granted Kutula the right to nominate one member of the Company's Board of Directors, so long as Kutula continues to hold at least 15,500,000 of the shares purchased pursuant to its Subscription Agreement. However, at this time Kutula has not elected to nominate a director.

Stockholder Communications with the Board of Directors

The Board of Directors has adopted three methods by which our stockholders may communicate with the Board of Directors regarding matters of substantial importance to us. These methods are as follows:

Procedures for Submission of Communications Regarding Audit and Accounting Matters. Pursuant to the duties and responsibilities previously delegated to the audit committee of the Board of Directors in its audit committee charter, our Board of Directors adopted procedures for (1) the receipt, retention, and treatment of communications received by us regarding accounting, internal accounting controls, or auditing matters; and (2) the submission by our employees, on a confidential and anonymous basis, of communications regarding questionable accounting or auditing matters. These functions previously assigned to the audit committee are now performed by the full Board of Directors. These procedures allow any person to submit a good faith communication regarding these various audit, internal accounting control and accounting matters to the Board of Directors, or to our management, and any employee to do so on a confidential and anonymous basis, without fear of dismissal or retaliation of any kind. The "Complaint Procedures for Accounting and Auditing Matters" can be found on our website at www.talonzipper.com.

Code of Ethical Conduct. Our Code of Ethical Conduct identifies a mailing address of the Board of Directors. This allows individuals to contact Board of Directors' members in connection with matters concerning the code and our overall ethical values and standards.

Investor Relations. Our investor relations manager, Rayna Hernandez, coordinates the response to all of our investor relations matters. Stockholders are free to contact Ms. Hernandez at info@talonzipper.com, or our Investor Relations Department, at 818-444-4100. Ms. Hernandez determines whether inquiries or other communications with respect to investor relations should be relayed to the Board of Directors or to management. Typical communications relayed to the Board of Directors or management involve stockholder proposal matters, audit and accounting matters addressed in the section titled “Procedures for Submission of Communications Regarding Audit and Accounting Matters” above, and matters related to our code of ethical conduct addressed in the section titled “Code of Ethical Conduct” above.

COMPENSATION DISCUSSION AND ANALYSIS

The full Board of Directors is responsible for determining the compensation to be paid to our officers and directors, with recommendations from management as to the amount and/or form of officer compensation.

Our executive compensation program is administered by the Board of Directors. The Board is responsible for, among other functions: (1) reviewing and approving corporate goals and objectives relevant to the Chief Executive Officer's compensation and evaluating the performance of the Chief Executive Officer in light of these corporate goals and objectives; (2) administering our incentive-compensation and equity based plans; and (3) negotiating, reviewing and recommending the annual salary, bonus, stock awards and other benefits, direct and indirect, of the Chief Executive Officer, and other current and former executive officers.

The Board of Directors also has the authority to select and/or retain outside counsel, compensation and benefits consultants, or any other consultants to provide independent advice and assistance in connection with the execution of its responsibilities. During the course of 2013, the Company utilized the services of a nationally recognized compensation consulting firm to recommend improvements to our executive and board compensation plans for alignment with our current business strategy. The Board of Directors considered the results from this study in formulating compensation plans for our executives beginning in 2014.

Our named executive officers for 2015 were as follows:

Larry Dyne, Chief Executive Officer effective April 13, 2015 (President through April 10, 2015).

Lonnie D. Schnell, our Chief Executive Officer through April 10, 2015.

Nancy Agger-Nielsen, Chief Financial Officer.

Gary Dyne, Executive Vice President of Global Sales commencing on May 7, 2015.

Peter Vaz Vice President of Asia Operations commencing on May 7, 2015.

Compensation Philosophy

Our executive compensation program is designed to drive company performance to maximize stockholder value while meeting our needs and the needs of our employees. The specific objectives of our executive compensation program include the following:

Alignment – to align the interests of executives and stockholders through equity-based compensation awards;

Retention – to attract, retain and motivate highly qualified, high performing executives to lead our continued growth and success; and

Performance – to provide rewards commensurate with performance by emphasizing variable compensation that is dependent upon the executive’s achievements and company performance.

In order to achieve these specific objectives, our executive compensation program is guided by the following core principles:

Rewards under incentive plans are based upon our short-term and longer-term financial results and increasing stockholder value;

Senior executive pay is set at sufficiently competitive levels to attract, retain and motivate highly talented individuals who are necessary for us to achieve our goals, objectives and overall financial success;

Compensation of an executive is based on such individual's role, responsibilities, performance and experience, taking into account the desired pay relationships within the executive team; and

Our executive compensation program places a strong emphasis on performance-based variable pay to ensure a high pay-for-performance culture. Annual performance of our company, primarily in terms of performance measured by an adjusted earnings before interest, taxes, depreciation and amortization for the year, and the executive are taken into account in determining annual bonuses that ensure a high pay-for-performance culture.

Compensation Elements

We compensate senior executives through a variety of components, including base salary, annual incentives, equity incentives and benefits and perquisites, in order to provide our employees with a competitive overall compensation package. The mix and value of these components are impacted by a variety of factors, such as responsibility level, individual negotiations, performance and market practice. The purpose and key characteristics for each component are described below.

Base Salary

Base salary provides executives with a steady income stream and is based upon the executive's level of responsibility, experience, individual performance and contributions to our overall success. Competitive base salaries, in conjunction with other pay components, enable us to attract and retain highly talented executives. The Board typically sets base salaries for our senior executives at market levels. However, base salaries will vary in practice based upon an individual's performance, individual experience and negotiations, and for changes in job responsibilities.

Management Incentive Bonuses

Management incentive bonuses are a variable performance-based component of compensation. The primary objective of an annual incentive bonus is to reward executives for achieving corporate and individual goals and to align a meaningful portion of total pay opportunities for executives and other key employees to the attainment of our company's performance goals. These awards are also used as a means to recognize the contribution of our executive officers to overall financial, operational and strategic success.

Equity Incentives

Equity incentives are intended to align senior executive and stockholder interests by linking a meaningful portion of executive pay to long-term stockholder value creation and financial success over a multi-year period. Equity incentives are also provided to our executives to attract and enhance the retention of executives and other key employees and to facilitate stock ownership by our senior executives. The Board of Directors also considers individual and company performance when determining long-term incentive opportunities.

Health & Welfare and 401-K Benefits

The named executive officers participate in a variety of retirement, health and welfare and paid time-off benefits designed to enable us to attract and retain our workforce in a competitive marketplace. Health and welfare and paid time-off benefits help ensure that we have a productive and focused workforce.

Severance and Change of Control Arrangements

We do not have a formal plan for severance or separation pay for our employees, but we typically include a severance provision in the employment agreements of our executive officers that is triggered in the event of involuntary termination without cause or in the event of a change in control.

In order to preserve the morale and productivity and encourage retention of our key executives in the face of the disruptive impact of an actual or rumored change in control, we provide a bridge to future employment in the event that an executive's job is eliminated as a consequence of a change in control. This provision is intended to align executive and stockholder interests by enabling executives to consider corporate transactions that are in the best interests of the stockholders and other constituents without undue concern over whether the transactions may jeopardize the executive's own employment. Our employment agreements with some of our current named executive officers provide a lump sum payment and benefits continuation as a result of an involuntary termination without cause or for good reason following a change in control, plus accelerated vesting of stock or option awards.

Other Benefits

In order to attract and retain highly qualified executives, we provide some of our named executive officers, with automobile allowances that we believe are consistent with current market practices. Our executives also may participate in a 401(k) plan under which we matched contributions for all employees up to 100% of an employee's contributions to a maximum of \$1,000 through December 31, 2013, and to 50% of an employee's contribution to a maximum of \$2,000 beginning in January 2014, subject to any limitations imposed by ERISA. Our foreign executive officer in our Hong Kong operations participates in a Mandatory Provident Fund (MPF) plan under which we matched 100% the mandatory contributions of all employees, which was calculated based on 5% of their income up to a maximum of HKD 1,500 or \$194 per month, and amounted to HKD18,000 or \$2,322 for the year ended December 31, 2015.

Other Factors Affecting Compensation

Accounting and Tax Considerations

We consider the accounting implications of all aspects of our executive compensation program. Our executive compensation program is designed to achieve the most favorable accounting (and tax) treatment possible as long as doing so does not conflict with the intended plan design or program objectives.

Process for Setting Executive Compensation

When making pay determinations for named executive officers, the Board considers a variety of factors including, among others: (1) actual company performance as compared to pre-established goals; (2) overall company performance and size relative to industry peers; (3) individual executive performance and expected contribution to our future success; (4) changes in economic conditions and the external marketplace and (5) in the case of named executive officers, other than Chief Executive Officer, the recommendation of our Chief Executive Officer. Ultimately, the Board uses its judgment when determining how much to pay our executive officers. The Board evaluates each named executive officer's performance during the year against established goals, leadership qualities, business responsibilities, current compensation arrangements and long-term potential to enhance stockholder value. The opinions of outside consultants may also be taken into consideration in deciding what salary, bonus, long-term incentives and other benefits and severance to give each executive in order to meet our objectives stated above.

The Board considers compensation information data gathered from annual reports and proxy statements from companies that the Board generally considers comparable to us; compensation of other Company employees for internal pay and equity purposes; and levels of other executive compensation plans from compensation surveys.

The Board sets the pay for the named executive officers and other executives, by element and in the aggregate, at levels that it believes are competitive and necessary to attract and retain talented executives capable of achieving our long-term objectives.

Factors Considered

In administering the compensation program for senior executives, including named executive officers, the Board considers the following:

Cash versus non-cash compensation. The pay elements are cash-based except for the long-term incentive program, which may be cash-based, equity-based, or a combination;

Prior year's compensation. The Board of Directors considers the prior year's bonuses and long-term incentive awards when approving bonus payouts or equity grants;

Adjustments to Compensation. On an annual basis, and in connection with setting executive compensation packages, the Board of Directors reviews our operating income growth, earnings before interest and taxes growth, earnings per

share growth, cash flow growth, operating margin, revenue growth and total stockholder return performance. In addition, the Board of Directors considers peer group pay practices, emerging market trends and other factors. No specific weighting is assigned to these factors nor are particular targets set for any particular factor. Total compensation from year to year can vary significantly based on our and the individual executive's performance; and

Application of discretion. It is our policy and practice to use discretion in determining the appropriate compensation levels considering performance.

Executive Compensation

CEO. The 2014 and 2015 base salary and other compensation for Larry Dyne, our CEO effective April 13, 2015 and our President through April 10, 2015, were determined in accordance with our employment agreement and related amendments with Mr. Dyne. The terms and conditions established in this agreement were the result of consideration of our operating performance levels both prior to and at the time of entering into the agreement, comparative industry compensation levels and negotiations with Mr. Dyne. The base compensation was evaluated in conjunction with the long-term equity awards and annual bonus incentives to establish a compensation arrangement providing a substantial incentive for the achievement of our long-term objectives and for adding stockholder value. On July 30, 2010, Mr. Dyne was granted an RSU Award for 5,778,500 shares of our common stock. The RSU Award vested 50% on a date which was 13 months following the grant date, and vested an additional 10% on each date which was 18, 24, 30, 36 and 42 months following the grant date, subject to full acceleration of vesting upon a change in control of our Company, as defined in the RSU Award agreement. In addition to the long term incentive, Mr. Dyne was entitled to receive an annual cash bonus in 2013, 2014 and 2015 in an amount equal to a percentage of his base salary upon the Company achieving actual adjusted EBITDA, revenue and gross profits within a range of targets, and achievement of specific objectives. The EBITDA bonus award under Mr. Dyne's employment agreement and related amendments for 2013, 2014 and 2015 is shown in the table above as non-equity incentive plan compensation.

Chief Financial Officer. Effective March 3, 2015, base salary and other compensation for Nancy Agger-Nielsen, our CFO, were determined in accordance with our employment agreement with Ms. Agger-Nielsen. The terms and conditions established in this agreement were based on a consideration of our operating performance levels both at the time of entering into the agreement and for prior periods, comparative industry compensation levels and negotiations with Ms. Agger-Nielsen. The base compensation was evaluated in conjunction with the long-term equity awards and annual bonus incentives to establish a compensation arrangement providing a substantial incentive for the achievement of our long-term objectives and for adding stockholder value. Ms. Agger-Nielsen is entitled to receive an annual cash bonus for 2015 in an amount equal to a percentage of her base salary upon the Company achieving actual adjusted EBITDA, revenue and gross profits within a range of targets, and achievement of specific objectives. The EBITDA bonus award under Ms. Agger-Nielsen's employment agreement for 2015 is shown in the table above as non-equity incentive plan compensation.

Prior to March 3, 2015, the base salary payable to Ms. Agger-Nielsen was determined in accordance with our at-will employment agreement. The terms and conditions established in this agreement were the result of consideration of our operating performance levels, and consistent with comparative industry compensation levels. The base compensation was evaluated in conjunction with the long-term equity awards and annual bonus incentives to establish a compensation arrangement providing a substantial incentive for the achievement of our long-term objectives and for adding stockholder value. In 2014, long-term equity in the form of options for 250,000 shares of common stock were granted to Ms. Agger-Nielsen as an inducement to maximize performance and increase stockholder value. The option grants were established to vest monthly over a four-year term, after a minimum initial term of twelve months. In addition, a hiring bonus of \$15,000 was paid to Ms. Agger-Nielsen upon her employment as an incentive to join our organization, with a minimum bonus guarantee granted in her first year of employment of \$25,000 in accordance with the terms of our offer letter. A discretionary incentive bonus was awarded for 2014 based on Ms. Agger-Nielsen's individual performance and contributions.

Executive Vice President of Global Sales. The compensation for Gary Dyne, our Executive Vice President Global Sales, is determined in accordance with our at-will employment agreement with Mr. Dyne. The terms and conditions established in this agreement were the result of consideration of our operating performance levels, and consistent with comparative industry compensation levels. The base compensation was evaluated in conjunction with the long-term equity awards and annual bonus incentives to establish a compensation arrangement providing a substantial incentive for the achievement of our long-term objectives and for adding stockholder value. In 2015, long-term equity in the form of options for 100,000 shares of common stock were granted to Mr. Gary Dyne as an inducement to maximize performance and increase stockholder value. The option grants were established to vest monthly over a four-year term, after a minimum initial term of twelve months. Commissions were paid to Mr. Gary Dyne based on the Company achieving certain adjusted direct margin goals as described in Mr. Gary Dyne's 2015 commission plan. In addition, a discretionary incentive bonus was awarded for 2015 based on Mr. Gary Dyne's individual performance and contributions.

Executive Vice President of Asia Operations. The compensation for Peter Vaz, our Executive Vice President of Asia Operations, is as defined in his initial offer letter and in accordance with the standard terms of employment for our Hong Kong based employees. Mr. Vaz's base compensation was established as a result of consideration of our operating performance levels, consistent with comparative industry compensation levels, and evaluated in conjunction with the long-term equity awards and annual bonus incentives to establish a compensation arrangement providing a substantial incentive for the achievement of our long-term objectives and for adding stockholder value. In 2015, long-term equity in the form of options for 100,000 shares of common stock were granted to Mr. Vaz as an inducement to maximize performance and increase stockholder value. The option grants were established to vest monthly over a four-year term, after a minimum initial term of twelve months. The base compensation was evaluated in conjunction with the long-term equity awards and annual bonus incentives to establish a compensation arrangement providing a substantial incentive for the achievement of our long-term objectives and for adding stockholder value. In addition to the long-term equity incentive, Mr. Schnell was entitled to receive an annual cash bonus in 2014 and 2015 in an amount equal to a percentage of his base salary upon the Company achieving actual adjusted EBITDA, revenue and gross profits within a range of target, and achievement of specific objectives. The EBITDA bonus award under Mr. Schnell's employment agreement and related amendments for 2014 and 2015 is shown in the table above as non-equity incentive plan compensation.

Grants of Plan-Based Awards in Fiscal 2015

The following table provides information about equity-awards granted to each named executive officer in 2015.

Name	Grant Date ⁽¹⁾	Approval Date ⁽¹⁾	All Other	Exercise or Base Price of Option ⁽³⁾	Market Price on Grant Date ⁽³⁾	Grant Date Fair Value of Option Awards ⁽⁴⁾
			Option Awards: Number of Securities Underlying Options ⁽²⁾			
Gary Dyne	6/12/15	6/5/15	100,000	0.16	0.15	0.15
Peter Vaz	6/12/15	6/5/15	100,000	0.16	0.15	0.15

The grant date of an option award is the date that the Board of Directors fixes as the date the recipient is entitled to receive the award. The approval date is the date that the Board of Directors approves the award. Our policy is to set the exercise price of options as the average market price of the Company's stock for the five trading days following the date of approval of the grant, and the actual grant date is the last day of such five day period.

(2) Option awards have a 10 year term and vest over a four-year period.

The exercise price of option awards may differ from the market price on the date of grant. The exercise price of options granted in 2015 is equal to the average closing sales prices of our common stock for the five trading days prior to and including the grant date, as reported on the OTCQB, while the market price on the date of grant is the closing price of our common stock on that date.

(4) The grant date fair value is generally the amount we would expense in our financial statements over the award's service period, but does not include a reduction for forfeitures.

Employment Agreements, Termination of Employment and Change of Control Arrangements

Employment Agreements

We have entered into the following employment agreements and related amendments with Larry Dyne and Nancy Agger-Nielsen. Gary Dyne, Peter Vaz and Jamey Johns do not have an employment agreement with the Company. We have also included a description of the employment agreement we had with our former Chief Executive Officer, Lonnie Schnell.

Larry Dyne, CEO. On July 30, 2010, we entered into an Executive Employment Agreement with Mr. Dyne as amended on June 15, 2012, November 8, 2013, August 7, 2014 and March 11, 2016. Mr. Dyne's employment agreement, as amended, provided that he would continue to serve as our President. On April 13, 2015, Mr. Dyne was appointed as Chief Executive Officer of our Company, and was also appointed to our Board to fill the vacancy on the board resulting from Mr. Schnell's resignation. The employment agreement, as amended, has a term continuing through December 31, 2017, and may be extended to December 31, 2018. Pursuant to this agreement, Mr. Dyne received an annual base salary of \$350,000 for the years ended December 31, 2012 and 2013. Starting on January 1, 2014, and through December 31, 2015, Mr. Dyne's annual base salary increased to \$400,000 and beginning on January 1, 2016 and through the remaining term of the agreement, Mr. Dyne's annual base salary will be \$425,000. Mr. Dyne's base salary may be increased, but not decreased, at the discretion of the Board. Mr. Dyne is entitled to receive an annual cash bonus in an amount equal to a percentage of his base salary upon the Company achieving actual adjusted EBITDA, revenue and gross profits within a range and meeting certain performance objectives as determined by the Board of Directors.

Mr. Dyne is entitled to an auto allowance of \$950 per month, and reimbursement of up to \$10,000 for legal fees incurred in connection with the negotiation of his employment agreement. In the event that prior to the end of the term, Mr. Dyne's employment is terminated by us "without cause" (as defined in the agreement), by Mr. Dyne for "good reason" (as defined in the agreement) or due to Mr. Dyne's death or disability, then conditional upon his execution of a release of claims, Mr. Dyne or his estate will be entitled to receive, in addition to all accrued salary, (1) severance payments equal to 18 months of Mr. Dyne's base salary, (2) all options issued to Mr. Dyne shall remain outstanding for 18 months following termination, and (3) continued medical coverage for Mr. Dyne and his dependents for 18 months following termination.

Nancy Agger-Nielsen, CFO. On September 3, 2015, we entered into an Executive Employment Agreement with Ms. Agger-Nielsen. Ms. Agger-Nielsen's employment agreement provides that she will continue to serve as our Chief Financial Officer through December 31, 2016, which term may be extended to December 31, 2017. Pursuant to this agreement, Ms. Agger-Nielsen receives an annual base salary of \$225,000 for the period starting on March 3, 2015 through the term of this agreement. Ms. Agger-Nielsen's base salary may be increased, but not decreased, at the discretion of the Board. Ms. Agger-Nielsen is entitled to receive an annual cash bonus in an amount equal to a

percentage of her base salary upon the Company achieving actual adjusted EBITDA, revenue and gross profits within a range and meeting certain performance objectives as determined by the Board of Directors. In the event that prior to the end of the term, Ms. Agger-Nielsen's employment is terminated by us "without cause" (as defined in the agreement), by Ms. Agger-Nielsen for "good reason" (as defined in the agreement) or due to Ms. Agger-Nielsen's death or disability, then conditional upon her execution of a release of claims, Ms. Agger-Nielsen or her estate will be entitled to receive, in addition to all accrued salary, (1) severance payments equal to 3 months of Ms. Agger-Nielsen's current base salary, which will increase over time to a maximum of 6 months of base salary after 4 full years of employment and (2) reimbursement of up to \$1,500 per month in Cobra medical coverage for Ms. Agger-Nielsen and her dependents during the applicable severance period.

Lonnie D. Schnell, (former Chief Executive Officer through April 10, 2015 and former Chief Financial Officer through March 31, 2014). On July 30, 2010, we entered into an Executive Employment Agreement with Mr. Schnell as amended on June 15, 2012, November 8, 2013 and August 7, 2014. Mr. Schnell's employment agreement, as amended, provided that he would continue to serve as our Chief Executive Officer. The employment agreement and related amendments had a term continuing through December 31, 2016, and could be extended to December 31, 2017. Pursuant to this agreement, Mr. Schnell received an annual base salary of \$375,000 for the years ended December 31, 2012 and 2013. Starting on January 1, 2014, Mr. Schnell's annual base salary increased to \$425,000 for the remaining term of his agreement. Mr. Schnell was entitled to receive an annual cash bonus in an amount equal to a percentage of his base salary upon the Company achieving actual adjusted EBITDA within a range and meeting certain performance objectives as determined by the Board of Directors.

Mr. Schnell was entitled to an auto allowance of \$1,000 per month, and reimbursement of up to \$10,000 for legal fees incurred in connection with the negotiation of his employment agreement. In the event that prior to the end of the term, Mr. Schnell's employment was terminated by us "without cause" (as defined in the agreement), by Mr. Schnell for "good reason" (as defined in the agreement) or due to Mr. Schnell's death or disability, then conditional upon his execution of a release of claims, Mr. Schnell or his estate would be entitled to receive, in addition to all accrued salary, (1) severance payments equal to 18 months of Mr. Schnell's base salary, (2) all options issued to Mr. Schnell would remain outstanding for 18 months following termination, and (3) continued medical coverage for Mr. Schnell and his dependents for 18 months following termination. On April 10, 2015, Mr. Schnell resigned both as Chief Executive Officer and as a member of our Board of Directors. As a condition to Mr. Schnell's resignations, we agreed to pay Mr. Schnell the compensation under his employment agreement that he would have been entitled to receive if we had terminated his employment without cause.

Potential Severance Payments

Under the Executive Employment Agreements as described above, Mr. Dyne and Ms. Agger-Nielsen will be entitled to receive severance benefits in the event that the executive's employment is terminated due to the executive's death or disability, by us without "cause" or by the executive for "good reason." The following table sets forth severance payments and benefits that we would have been obligated to pay to Mr. Dyne and Ms. Agger-Nielsen assuming a triggering event had occurred under each of their respective employment agreements as of December 31, 2015:

Name	Cash Severance Payment	Non-Equity Incentive Plan Compensation	Continuation of Health Benefits	Total Severance Benefits (\$)
Larry Dyne	(\$)(1) 677,100	(\$) 220,200	(\$) 20,693	917,993
Nancy Agger-Nielsen	71,535	42,188	5,063	118,786

Includes (a) earned and unpaid base salary through the date of termination, (b) accrued but unpaid vacation and (c) severance payments equal to 18 months of base salary for Mr. Dyne and 3 months of base salary for Ms.

- (1) Agger-Nielsen, payable in a lump sum or periodic payments as provided in the executive's employment agreement, and (d) car allowance payments for Mr. Dyne due at the first day of the month during the severance period (18 months) as provided in the executive's employment agreement.

Potential Change in Control Payments

As described above, our employment agreement with Larry Dyne provides for accelerated vesting of all or a portion of the options held by Mr. Dyne upon a change in control. However, as of December 31, 2015, there were no unvested stock options held by Mr. Dyne that had an exercise price lower than the closing price of our common stock on December 31, 2015 of \$0.17 per share, as reported by the OTCQB. As a result, had a change in control occurred on December 31, 2015, Mr. Dyne would not have received additional compensation from the accelerated vesting of options upon a change of control. Currently, there are no other benefits payable to our named executive officers upon a change in control.

Director Compensation

The general policy of the Board of Directors is that compensation for independent directors should be a mix of cash and equity-based compensation. We do not pay management directors for Board service in addition to their regular employee compensation. The full Board of Directors has the primary responsibility for reviewing and considering any revisions to director compensation.

The following table details the total compensation earned by our non-employee directors in 2015.

Name	Fees earned or paid in cash	Option awards (5)	Total
Mark Dyne (1)	\$30,000	\$3,500	\$33,500
David Ellis (2)	47,500	3,500	51,000
Morris D. Weiss (3)	32,000	3,500	35,500
Robert L. Golden (4)	49,500	3,500	53,000
Total	\$159,000	\$14,000	\$173,000

(1) As of December 31, 2015, Mr. Mark Dyne held options to purchase a total of 490,000 shares.

(2) As of December 31, 2015, Mr. David Ellis held options to purchase a total of 400,000 shares.

(3) As of December 31, 2015, Mr. Morris D. Weiss held options to purchase a total of 300,000 shares.

(4) As of December 31, 2015, Mr. Robert L. Golden held options to purchase a total of 200,000 shares.

(5) The grant date fair value is generally the amount we would expense in our financial statements over the award's service period, but does not include a reduction for forfeitures.

Our current policy, adopted as of January 1, 2014, is to pay non-employee directors an annual retainer of \$25,000 for service on our Board of Directors as well as \$1,000 for their attendance at any meeting of the Board of Directors, regardless of whether such meeting is held in person or telephonically. In addition, our current policy is to annually grant to each non-employee director an option to purchase 50,000 shares of our common stock immediately following reelection as directors at each annual meeting of stockholders. The options vest in 12 equal monthly installments, and become fully vested one year from the date of grant.

Our Board of Directors does not have standing audit, compensation or nominating committees. The Board of Directors handles all audit, compensation and nominating committee matters. We also reimburse directors for their reasonable travel expenses incurred in attending board meetings or committee meetings.

The Board of Directors approved the foregoing new Board compensation policies effective for 2014 based, in part, on the results of a compensation study provided by a nationally recognized compensation consulting firm engaged by the Board in 2013.

On September 11, 2015, we issued 50,000 options to each of the Messrs. Mark Dyne, David Ellis, Morris D. Weiss and Robert L. Golden in connection with their reelection as directors.

Risk Assessment Regarding Compensation Policies and Practices

Our compensation program for employees does not create incentives for excessive risk taking by our employees or involve risks that are reasonably likely to have a material adverse effect on our Company. Our base salary component of compensation does not encourage risk-taking because it is a fixed amount. Our executive bonus plan for senior executives and our equity compensation awards have the following risk-limiting characteristics:

Cash awards to each executive officer under management incentive bonus plans are set in a market range and are limited by the terms of the plan for senior executives to a fixed maximum specified in the plan;

Equity and discretionary cash awards are made based on a review of a variety of indicators of performance, thus diversifying the risk associated with any single indicator of performance;

Neither cash nor equity awards are tied to formulas that could focus executives on specific short-term outcomes;

Members of the Board of Directors approve the final cash incentive awards made under the executive bonus plan for senior executives in their discretion, after the review of executive and corporate performance;

Members of the Board of Directors approve all equity awards for senior executives in their discretion;
and

An equity award's value is delivered in the form of stock and options that vest over multiple years, which aligns the interests of executive officers to long-term stockholder interests.

TRANSACTIONS WITH RELATED PERSONS

Review and Approval of Related Party Transactions

We have adopted a policy that requires Board of Directors' approval of transactions with related persons as defined by SEC regulations, including any sales or purchase transaction, asset exchange transaction, operating agreement, or advance or receivable transaction that could put our assets or operating performance at risk. All of our directors and executive officers are required at all times, but not less than annually, to disclose all relationships they have with companies or individuals that have conducted business with, or had an interest in, us. Our executive officers monitor our operations giving consideration to the disclosed relationships and refer potential transactions to the Board of Directors for approval. The Board of Directors considers a related party transaction for its potential economic benefit to us, to ensure the transaction is "arm's length" and in accordance with our policies and that it is properly disclosed in our reports to stockholders.

Reportable Related Party Transactions

Other than the employment arrangements described elsewhere in this report and the transactions described below, since January 1, 2014, there has not been, nor is there currently proposed, any transaction or series of similar transactions to which we were or will be a party:

in which the amount involved exceeds \$120,000; and

in which any director, executive officer, stockholder who beneficially owns 5% or more of our common stock or any member of their immediate family had or will have a direct or indirect material interest.

On August 10, 2015, we entered into a loan and reimbursement agreement ("Loan Agreement") with Princess Investment Holdings Limited ("Princess Investment") pursuant to which Princess Investment agreed to make available to the Company a loan of up to \$3,000,000 ("Revolving Line of Credit"). Princess Investment may be deemed an affiliate of Kutula Holdings, Ltd., a significant stockholder of our company, which also has the contractual right to designate a director to our Board of Directors. Advances under the Loan Agreement initially accrued interest on the unpaid principal balance at an annual rate of 12.5%. Accrued interest on the Revolving Line of Credit was payable monthly beginning September 1, 2015, and the principal amount was payable in monthly installments beginning September 1, 2016 and continuing through the maturity date of August 10, 2018. Pursuant to the Loan Agreement, we issued Princess Investment warrants to purchase 1,000,000 shares of the Company's common stock. The warrants are exercisable immediately upon issuance for a five-year period at an exercise price of \$0.18 per share on a cashless basis. On August 11, 2015, we received an advance from Princess Investment under the Loan Agreement in the

amount of \$1,500,000, of which \$1,440,278 was used to pay off the Term Loan Payable to Union Bank on August 12, 2015. The Company borrowed an additional \$500,000 through December 21, 2015, and had an outstanding balance of \$2,000,000 under the Revolving Line of Credit from Princess Investment at December 21, 2015.

On December 21, 2015, we entered into an amended and restated credit agreement (the “Princess Investment Credit Agreement”) with Princess Investment, which amended our existing Loan Agreement, dated August 10, 2015, with Princess Investment to, among other things, increase the borrowing availability under the Loan Agreement from \$3,000,000 to \$6,000,000 and extend the maturity date of the loan to December 21, 2020 (“the Maturity Date”).

Princess Investment will make advances under the Revolving Line of Credit from time to time as requested by the Company. We may prepay the Revolving Line of Credit at any time, and amounts prepaid may be re-borrowed through November 21, 2020. Pursuant to the terms of the amendment, the Revolving Line of Credit will accrue interest on the unpaid principal balance at an annual rate of 11.5%. Interest on the Revolving Line of Credit for the period from December 21, 2015 through December 1, 2016 will accrue and be added to principal on December 1, 2016, and thereafter interest will be payable monthly in arrears. No principal payments will be due during the period ending December 31, 2017. Thereafter, principal will payable \$25,000 per month during the twelve months ended December 31, 2018, \$35,000 per month during the twelve months ended December 31, 2019 and \$50,000 per month during the twelve months ended December 31, 2020, with the remaining outstanding principal amount payable on the Maturity Date. The Princess Investment Credit Agreement continues to require payment of a \$60,000 loan fee at maturity.

The payment and performance of all our indebtedness and other obligations to Princess Investment, including all borrowings under the Princess Investment Credit Agreement, are guaranteed by our subsidiaries Talon Technologies, Inc. and Tag-It Pacific Limited pursuant to a Guaranty Agreement entered into on August 10, 2015, as amended on December 21, 2015. The payment and performance of all of our indebtedness and other obligations to Princess Investment under the Princess Investment Credit Agreement and related agreements are secured by liens on substantially all of our assets and the assets of our subsidiary guarantors pursuant to a Pledge and Security Agreement entered into on August 10, 2015, as amended on December 21, 2015. Pursuant to the Princess Investment Credit Agreement, the Company issued to Princess Investment warrants to purchase 2,000,000 shares of our common stock. The warrants are exercisable immediately upon issuance for a five-year period at an exercise price of \$0.18 per share, and include a “cashless” exercise option.

On December 23, 2015, we received an advance from Princess Investment under the Princess Investment Credit Agreement in the amount of \$2,000,000, of which \$1,622,000 was used to pay in full all indebtedness outstanding under our Commercial Credit Agreement, dated December 31, 2013, with Union Bank, which indebtedness was scheduled to mature on December 31, 2015.

Total interest related to the Revolving Line of Credit for the year ended December 31, 2015 amounted to \$94,907. Total financing costs related to the Revolving Line of Credit during the year ended December 31, 2015 amounted to \$107,965, of which \$60,000 will be paid upon maturity. The financing costs are being amortized over the three year term of the Revolving Line of Credit.

At December 31, 2015, the Company had an outstanding principal balance of \$4,011,346 under the Revolving Line of Credit, and approximately \$2,000,000 remained in available borrowings under the Revolving Line of Credit as of December 31, 2015.

Report of Board of Directors Performing the Functions of an Audit Committee

The functions customarily delegated to the audit committee are performed by our full Board of Directors. The Board of Directors has furnished the report set forth below.

The Board of Directors is responsible for overseeing and monitoring the integrity of our financial reporting process, our compliance with legal and regulatory requirements and the quality of our internal and external audit processes. The Board reviews and reassesses the charter annually and recommends any changes to the Board for approval.

In fulfilling its responsibilities for the financial statements for fiscal year 2015, the Board of Directors:

Reviewed and discussed the audited financial statements for the year ended December 31, 2015 with management and SingerLewak LLP, our independent registered public accounting firm;

Discussed with SingerLewak LLP the matters required to be discussed by Statement on Auditing Standards No. 61 relating to the conduct of the audit;

Received written disclosures and a letter from SingerLewak LLP regarding its independence as required by Independence Standards Board Standard No. 1. The Board of Directors discussed with SingerLewak LLP their independence; and

Based on its review of the audited financial statements and discussions with management and SingerLewak LLP, recommended to the Board that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2015 for filing with the Securities and Exchange Commission.

The Board of Directors also considered the status of pending litigation and other areas of oversight relating to the financial reporting and audit process that the Board of Directors determined appropriate.

The Board of Directors considered whether the provision of non-audit services is compatible with maintaining the principal accountant's independence.

Security Ownership of Certain Beneficial Owners and Management

The following table presents information regarding the beneficial ownership of our common stock as of April 18, 2016:

each person who is known to us to be the beneficial owner of more than 5% of our outstanding common Stock;
each of our current directors and director nominees;
each of our named executive officers; and
all of our directors and executive officers as a group.

Beneficial ownership is determined in accordance with the rules of the Securities and Exchange Commission that deem shares to be beneficially owned by any person who has shares voting or investment power with respect to such shares. Shares of Common Stock underlying warrants or options currently exercisable or exercisable within sixty (60) days of the date of this information are deemed outstanding for purposes of computing the percentage ownership of the person holding such warrants or options but are not deemed outstanding for computing the percentage ownership of any other person. As a result, the percentage of outstanding shares of any person as shown in this table does not necessarily reflect the person's actual ownership or voting power with respect to the number of shares of Common Stock actually outstanding at April 18, 2016. Unless otherwise indicated, the persons named in this table have sole voting and sole investment power with respect to all shares shown as beneficially owned, subject to community property laws where applicable.

As of April 18, 2016, we had 92,267,831 shares of Common Stock issued and outstanding. The address of each person listed is in our care, at 21900 Burbank Boulevard, Suite 270, Woodland Hills, California 91367, unless otherwise set forth below such person's name.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires our executive officers, directors and persons who own more than ten percent of a registered class of our equity securities to file reports of ownership and changes in ownership with the Securities and Exchange Commission. Executive officers, directors and greater-than-ten percent stockholders are required by Securities and Exchange Commission regulations to furnish us with all Section 16(a) forms they file. Based solely on our review of the copies of the forms received by us and written representations from certain reporting persons that they have complied with the relevant filing requirements, we believe that during the year ended December 31, 2015, all of our executive officers, directors and greater-than-ten percent stockholders complied with all Section 16(a) filing requirements.

Proposal NUMBER 2: ADVISORY VOTE ON EXECUTIVE COMPENSATION

Under the Dodd-Frank Wall Street Reform and Consumer Protection Act (or “Dodd-Frank Act”), we are required to include in this Proxy Statement and present at the Annual Meeting a non-binding stockholder vote to approve the compensation of our executives, as described in this Proxy Statement, pursuant to the compensation disclosure rules of the SEC. This proposal, commonly known as a “say on pay” vote, gives stockholders the opportunity to endorse or not endorse the compensation of our executives as disclosed in this Proxy Statement. This proposal will be presented at the annual meeting as a resolution in substantially the following form:

RESOLVED, that the stockholders approve the compensation of the Company’s executives, as disclosed in the Compensation Discussion and Analysis, the compensation tables and related narrative disclosure in the Company’s Proxy Statement for the annual meeting.

This vote will not be binding on our Board of Directors and may not be construed as overruling a decision by the Board or creating or implying any change to the fiduciary duties of the Board. The vote will not affect any compensation previously paid or awarded to any executive. The Board of Directors may, however, take into account the outcome of the vote when considering future executive compensation arrangements.

The purpose of our compensation programs is to attract and retain experienced, highly qualified executives critical to our long-term success and enhancement of stockholder value.

Required Vote

Endorsement of the compensation of our executive officers will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting with respect to such proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” ENDORSEMENT OF THE COMPENATION OF OUR EXECUTIVE OFFICERS.

Proposal NUMBER 3: RATIFICATION OF SELECTION OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Our Board of Directors performs the functions of the audit committee and is responsible for the appointment, compensation, retention and oversight of the work of the independent auditors. The Board of Directors has selected SingerLewak LLP, an independent registered public accounting firm, to audit our financial statements for the fiscal year ending December 31, 2016, and recommends that stockholders vote for ratification of such appointment. SingerLewak, LLP has audited our financial statements since the fiscal year ended December 31, 2005. Although ratification by stockholders is not required by law, the Board has determined that it is desirable to request ratification of this selection by the stockholders as a matter of good corporate practice. Notwithstanding its selection, the Board, in its discretion, may appoint a new independent registered public accounting firm at any time during the fiscal year if the Board believes that such a change would be in the best interest of Talon and its stockholders. If the stockholders do not ratify the appointment of SingerLewak LLP, the Board may reconsider its selection.

Representatives of SingerLewak LLP are expected to be present at the Annual Meeting and will be afforded the opportunity to make a statement if they desire to do so. The representatives of SingerLewak LLP are also expected to be available to respond to appropriate questions.

Services Provided by the Independent Auditors

Audit Fees - The aggregate fees billed by our independent registered public accounting firm for professional services rendered for the audit of our annual financial statements and review of our financial statements included in our Forms 10-Q or services that are normally provided in connection with statutory and regulatory filings were \$354,000 and \$306,000 for fiscal years 2015 and 2014, respectively.

Audit-Related Fees – The aggregate fees billed by our independent registered public accounting firm for professional services rendered for assurance and related services reasonably related to the performance of the audit or review of our financial statements (other than those reported above) were none for fiscal year 2015 and \$7,000 for fiscal year 2014.

Tax Fees - No fees were billed by our independent registered public accounting firm for professional services rendered for tax compliance, tax advice and tax planning for fiscal years 2015 and 2014.

All Other Fees – The aggregate fees billed by our independent public registered accounting firm for services rendered to us other than the services described above under “Audit Fees,” “Audit-Related Fees” and “Tax Fees” were none for fiscal

year 2015 and 2014.

The Board of Directors approved all of the foregoing services provided by SingerLewak LLP.

31

Policy Regarding Pre-Approval of Services Provided by the Independent Auditors

The Board of Directors has established a general policy requiring its pre-approval of all audit services and permissible non-audit services provided by the independent auditors, along with the associated fees for those services. For both types of pre-approval, the Board of Directors considers whether the provision of a non-audit service is consistent with the SEC's rules on auditor independence, including whether provision of the service (1) would create a mutual or conflicting interest between the independent auditors and us, (2) would place the independent auditors in the position of auditing its own work, (3) would result in the independent auditors acting in the role of management or as our employee, or (4) would place the independent auditors in a position of acting as an advocate for us. Additionally, the Board of Directors considers whether the independent auditors are best positioned and qualified to provide the most effective and efficient service, based on factors such as the independent auditors' familiarity with our business, personnel, systems or risk profile and whether provision of the service by the independent auditors would enhance our ability to manage or control risk or improve audit quality or would otherwise be beneficial to us.

Required Vote

The approval of the ratification of the appointment of SingerLewak LLP as our independent registered public accounting firm for the fiscal year ending December 31, 2016 will require the affirmative vote of a majority of the shares of common stock present or represented and entitled to vote at the Annual Meeting with respect to such proposal.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" RATIFICATION OF THE SELECTION OF SINGERLEWAK LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM.

STOCKHOLDER PROPOSALS

Any stockholder who intends to present a proposal at the 2017 annual meeting of stockholders for inclusion in our Proxy Statement and Proxy form relating to such annual meeting must submit such proposal to us or our principal executive offices by January 10, 2017. In addition, in the event a stockholder proposal is not received by us by March 27, 2017, the Proxy to be solicited by the Board of Directors for the 2017 annual meeting will confer discretionary authority on the holders of the Proxy to vote the shares if the proposal is presented at the 2017 annual meeting without any discussion of the proposal in the Proxy Statement for such meeting.

SEC rules and regulations provide that if the date of our 2017 annual meeting is advanced or delayed more than 30 days from the first anniversary of the date of the 2016 annual meeting, stockholder proposals intended to be included in the proxy materials for the 2017 annual meeting must be received by us within a reasonable time before we begin to print and mail the proxy materials for the 2017 annual meeting. Upon determination by us that the date of the 2017 annual meeting will be advanced or delayed by more than 30 days from the first anniversary of the date of the 2016 annual meeting, we will publicly disclose such change.

SOLICITATION OF PROXIES

It is expected that the solicitation of Proxies will be by mail. The cost of solicitation by management will be borne by us. We will reimburse brokerage firms and other persons representing beneficial owners of shares for their reasonable disbursements in forwarding solicitation material to such beneficial owners. Proxies may also be solicited by certain of our directors and officers, without additional compensation, personally or by mail, telephone, telegram or otherwise.
