Item 1.01 Entry into a Material Definitive Agreement.

On October 8, 2018, CTI Industries Corporation, along with its subsidiaries Flexo Universal, S. De R.L. De C.V. and CTI Supply, Inc. (collectively, “the Company”), entered into Consent and Amendment No. 2 to Revolving Credit, Term Loan, and Security Agreement (collectively the “Agreement” with this consent and amendment the “Amendment 2”) with PNC Bank, National Association (“PNC”).

Previously, on June 1, 2018, the Company entered into Waiver and Amendment No. 1 to the Agreement, waiving the Company’s reported failure to meet two financial covenants during the period ended March 31, 2018, and amending those covenants for future periods in exchange for a one- time fee of \$58,750 and a temporary increase in the rate of interest by 2%. The original Agreement included a \$6 million term loan and up to \$18 million of availability under the revolving credit facility.

The following is a summary of certain material elements of the Amendment 2, and not a complete listing of terms and conditions. Amendment 2 and related documents are filed as Exhibits to this Form 8-K. The Agreement has a five year term, and is collateralized by the assets of the Company.

In consideration of the consent and amendments described in Amendment 2, the Company has agreed to pay \$34,500.

The Agreement includes certain restrictions in the use of funding proceeds, including the requirement that proceeds first be applied to the term loan, which is approximately \$5 million at the time of this filing. Amendment 2 reduces this repayment requirement to a total of \$2 million from the Company’s proposed stockholder rights offering. Amendment 2 also adds as a new one-time covenant that the Company will raise no less than \$7.5 million in net cash proceeds as of November 15, 2018, inclusive of the \$2 million term loan repayment.

The Agreement includes certain financial covenants including a maximum leverage ratio and a minimum fixed charge coverage ratio, as well as weekly and monthly reporting obligations, and the usual and customary events of default and certain restrictions related to the repayment of subordinated debt, capital expenses, affiliate transactions and indebtedness. Amendment 2 removes the calculation for the fixed charge coverage ratio and the leverage ratio during the period ended September 30, 2018. The next calculation of these ratios will not occur until the period ending December 31, 2018, which is unchanged by this Amendment 2.

Item 2.03 Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.

The information set forth in Item 1.01 above is incorporated by reference into this Item 2.03.
