PROXY STATEMENT

Important Notice Regarding the Availability of Proxy Materials
for the Shareholder Meeting to be held on May 22, 2012:

The Notice of Annual Meeting of Shareholders, Proxy Statement, Form of Proxy and 2011 Annual Report to Shareholders are available on our corporate website at www.odfl.com/company/proxy.shtml.

This proxy statement is being sent to shareholders on or about April 19, 2012, in connection with the solicitation of proxies by and on behalf of the Board of Directors of Old Dominion Freight Line, Inc. for use at the Annual Meeting of Shareholders to be held in our principal executive offices, 500 Old Dominion Way, Thomasville, North Carolina 27360 on Tuesday, May 22, 2012, at 10:00 a.m. Eastern Daylight Time, and at any adjournment thereof. If you need directions so you can attend the Annual Meeting and vote in person, please contact our Corporate Secretary at (336) 889-5000.

GENERAL INFORMATION

The accompanying proxy is solicited by and on behalf of our Board of Directors, and the entire cost of such solicitation will be borne by us. This solicitation is being made by mail and may also be made in person or by fax, telephone, or Internet by our officers or employees. In addition, arrangements will be made with brokerage houses and other custodians, nominees and fiduciaries to send proxy materials to their principals, and we will reimburse them for their reasonable expenses in so doing.

The accompanying proxy is for use at the Annual Meeting if a shareholder either will be unable to attend in person or will attend but wishes to vote by proxy. "Registered holders" who have shares registered in the owner's name through our transfer agent may vote by either (i) completing the enclosed proxy card and mailing it in the postage-paid envelope provided; (ii) voting over the Internet by accessing the website identified on the proxy card and following the on-line instructions; or (iii) calling the toll-free telephone number identified on the proxy card. Proxies submitted via the Internet or by telephone must be received by 11:59 p.m. Eastern Daylight Time on Monday, May 21, 2012. For shares held in "street name," that is, shares held in the name of a brokerage firm, bank or other nominee, a voting instruction form should be received from that institution by mail in lieu of a proxy card. The voting instruction form should indicate whether the institution has a process for beneficial holders to vote over the Internet or by telephone. A large number of banks and brokerage firms are participating in the Broadridge Financial Solutions, Inc.'s online program. This program provides eligible shareholders who receive a paper copy of the proxy statement the opportunity to vote over the Internet or by telephone. The Broadridge Internet and telephone voting facilities will close at 11:59 p.m. Eastern Daylight Time on Monday, May 21, 2012. The Broadridge Internet and telephone voting procedures are designed to authenticate the shareholder's identity and to allow shareholders to vote their shares and confirm that their instructions have been properly recorded. If the voting instruction form does not reference Internet or telephone information, or if the shareholder prefers to vote by mail, please complete and return the paper voting instruction form in the self-addressed, postage-paid envelope provided.

If you decide to attend the meeting in person, upon your arrival you will need to register with our receptionist in the main lobby of our principal executive offices at 500 Old Dominion Way, Thomasville, North Carolina 27360. Please be sure to have your state or government issued photo identification with you at the time of registration. After a

determination that you are a registered holder of Old Dominion common stock as of the record date, you will be allowed to access the meeting room and attend our annual meeting. If you are not a registered shareholder, please be sure that you bring your state or government issued photo identification as well as either (i) a proxy issued to you in your name by your brokerage firm, bank or other nominee, or (ii) a brokerage statement showing your beneficial ownership of our common stock as of the record date (and a legal proxy from your brokerage firm, bank or other nominee if you wish to vote your shares at the meeting), to present to us at the time of registration.

The Board of Directors has fixed March 16, 2012, as the record date for the determination of shareholders entitled to notice of and to vote at the Annual Meeting. On March 16, 2012, there were 57,443,324 outstanding shares of our common stock, each entitled to one vote. The presence in person or by proxy of a majority of the shares of common stock outstanding on the record date constitutes a quorum for purposes of conducting business at the Annual Meeting. Shareholders do not have cumulative voting rights in the election of directors.

Brokers that are members of certain securities exchanges and that hold shares of our common stock in street name on behalf of beneficial owners have authority to vote on certain items when they have not received instructions from beneficial owners. Under the applicable rules governing such brokers, the proposals to ratify the appointment of our independent registered public accounting firm and to amend our articles of incorporation are considered “discretionary” items. This means that brokers may vote using their discretion on these proposals on behalf of beneficial owners who have not furnished voting instructions. In contrast, certain items are considered “non-discretionary,” and a “broker non-vote” occurs when brokers do not receive voting instructions from beneficial owners with respect to such items because the brokers are not entitled to vote such uninstructed shares. The proposals to elect our directors and approve the compensation of our named executive officers are considered “non-discretionary,” which means that brokers cannot vote your uninstructed shares when they do not receive voting instructions from you.

The voting options for each proposal presented in this proxy statement, as well as the vote required to approve each proposal at the Annual Meeting, are as follows:

Proposal 1 - Election of Directors: With respect to this proposal, you may cast your vote “for all,” “withhold all” or “for all except” with respect to the director nominees. Assuming the existence of a quorum, the nominees receiving a plurality of the votes cast by the shares entitled to vote will be elected as directors.

Proposal 2 - Advisory Vote to Approve the Compensation of Our Named Executive Officers: With respect to this proposal (the results of which will not be binding upon Old Dominion or the Board), you may vote “for,” “against,” or “abstain” from voting. For this advisory, non-binding vote to be approved by the shareholders, the votes cast “for” this proposal must exceed the votes cast “against” this proposal.

Proposal 3 - Approval of an Amendment to our Amended and Restated Articles of Incorporation to Increase the Number of Authorized shares of Our Common Stock: With respect to this proposal, you may vote “for,” “against,” or “abstain” from voting. Approval of this proposal requires the affirmative vote of the holders of more than two-thirds of the outstanding shares of our common stock.

Proposal 4 - Ratification of the Appointment of Our Independent Registered Public Accounting Firm: With respect to this proposal, you may vote “for,” “against,” or “abstain” from voting. For this proposal to be approved by the shareholders, the votes cast “for” this proposal must exceed the votes cast “against” this proposal.

Abstentions, shares that are withheld as to voting and broker non-votes will be counted for determining the existence of a quorum, but will not be counted as a vote cast with respect to Proposals 1, 2 and 4 and, therefore, will have no effect on the outcome of the vote for any of these proposals presented at the Annual Meeting. Because Proposal 3 requires the vote of outstanding shares, as opposed to votes cast, abstentions will have the effect of a negative vote on Proposal 3.

Where a choice is specified on any proxy as to the vote on any matter to come before the Annual Meeting, the proxy will be voted in accordance with such specification. If no specification is made but the proxy is otherwise properly completed, the shares represented thereby will be voted “for” the election of the director nominees named in this proxy statement, “for” the advisory vote to approve the compensation of our named executive officers, “for” the amendment to our articles of incorporation and “for” the ratification of the appointment of our independent registered public

accounting firm. Any shareholder submitting the accompanying proxy has the right to revoke it by notifying our Secretary in writing at any time prior to the voting of the proxy. A proxy is suspended if the person giving the proxy attends the Annual Meeting and elects to vote in person.

Management is not aware of any matters, other than those specified above, that will be presented for action at the Annual Meeting. If any other matters do properly come before the Annual Meeting, the persons named as agents in the proxy will vote upon such matters in accordance with their best judgment.

PROPOSAL 1 - ELECTION OF DIRECTORS

Our Bylaws currently provide that the number of directors shall be not less than five nor more than twelve. The Governance and Nomination Committee of our Board of Directors has determined that the number of directors should remain at nine in 2012. Unless authority is withheld, it is intended that proxies received in response to this solicitation will be voted in favor of the nominees. In accordance with its charter and our Corporate Governance Guidelines, the Governance and Nomination Committee has recommended, and the Board of Directors has approved, the nine individuals named below to serve as directors until our next annual meeting and until their successors have been elected and qualified or until their death, resignation, removal or disqualification or until there is a decrease in the number of directors. The age and a brief biographical description of each director nominee, their qualifications as a Board member and the other public company boards on which they serve are set forth below. This information and certain information regarding beneficial ownership of securities by such nominees contained in this proxy statement has been furnished to us by the nominees or obtained from filings with the SEC. All of the nominees have consented to serve as directors, if elected.

Each nominee for election as a director is identified below, together with the nominee's position with us, age and certain other biographical information provided to us and the nominee's specific experience, qualifications, attributes and skills that led our Board to conclude that he is well qualified to serve as a member of our Board.

Earl E. Congdon (81) joined us in 1949 and has served as a director since 1952. Mr. Congdon was our President and Chief Executive Officer from 1962 until 1985 and served as Chairman of our Board of Directors and Chief Executive Officer from 1985 until 2007. In October 2007, the Board of Directors appointed Mr. Congdon to his current position as Executive Chairman of the Board of Directors, effective January 1, 2008. He is a son of E. E. Congdon, one of our founders, the brother of John R. Congdon, the father of David S. Congdon and the uncle of John R. Congdon, Jr. Through his 63 years of experience with us, including 45 years as our Chief Executive Officer, Mr. Congdon helped transform Old Dominion from a small regional company to an international, publicly-traded company through geographic expansion and acquisitions. As a result, he brings to our Board first-hand knowledge of the opportunities and challenges facing us and the less-than-truckload ("LTL") industry. Mr. Congdon has valuable insight into the execution of our strategic, long-term objectives and is keenly aware of the operating complexities of the transportation industry.

David S. Congdon (55) was appointed President and Chief Executive Officer effective January 1, 2008. Mr. Congdon served as our President and Chief Operating Officer from May 1997 to December 2007 and in various positions in operations, maintenance and engineering between 1978 and 1997. He became a director in 1998 and is the son of Earl E. Congdon. Mr. Congdon, through his 34 years of service to us, including 15 years of service as an executive officer of Old Dominion, has played a critical role in helping us develop our strategic plan and grow our operations through geographic expansion and acquisitions. He has experience leading through difficult operating conditions and has guided Old Dominion to sustained profitability. Mr. Congdon has critical knowledge of the LTL industry, as well as the operational and regulatory complexities that we face.

John R. Congdon (79) joined us in 1951 and currently serves as a Senior Vice President. He has served as Vice Chairman of the Board of Directors since 1985 and as a director since 1955. He is also the Chairman of the Board of Directors of Old Dominion Truck Leasing, Inc., a North Carolina corporation that is primarily engaged in the full-service leasing of tractors, trailers and other equipment. He is a son of E. E. Congdon, one of our founders, the brother of Earl E. Congdon, the uncle of David S. Congdon and the father of John R. Congdon, Jr. During Mr. Congdon's 61 years of experience with us, he has assisted in growing Old Dominion through geographic expansion and acquisitions. Through his service as our employee and as founder of Old Dominion Truck Leasing, Mr. Congdon has extensive knowledge of fleet management services, dedicated logistics and the purchase and sale of equipment. He provides valuable insights into equipment specifications and maintenance, as well as into areas of potential growth, such as logistics.

J. Paul Breitbart (74) was elected a director in 2003. From 1992 until his retirement in 2001, Mr. Breitbart was employed by Krispy Kreme Doughnuts, Inc., where he held Executive Vice President positions in Finance and Administration, as well as Support Operations. As Executive Vice President of Finance and Administration, Mr. Breitbart also served as Krispy Kreme's Chief Financial Officer. He was employed by Price Waterhouse from 1960 to 1992 and served in various audit and management positions, including Audit Partner. From May 2002 to December 2008, Mr. Breitbart also served on the Board of Directors of the Shepherd Street Funds, Inc. As a result of his prior experiences, including 32 years of experience in public accounting, Mr. Breitbart brings to the Board extensive knowledge of accounting and management and a solid understanding of financial statement oversight and disclosures.

John R. Congdon, Jr. (55) was elected a director in 1998. He currently serves as the Vice Chairman of the Board of Directors of Old Dominion Truck Leasing, Inc., where he has been employed since May 1979. He is the son of John R. Congdon. Mr. Congdon has 33 years of experience in the trucking industry and has extensive knowledge of dedicated logistics, fleet management services and the purchase and sale of equipment. His knowledge of dedicated logistics services, an area of potential growth for us, is of particular importance. As Vice Chairman of the Board of Old Dominion Truck Leasing, Mr. Congdon also brings experience in board management.

Robert G. Culp, III (65) was elected a director in 2003 and has served as our Lead Independent Director since January 2010. Mr. Culp is the Chairman of the Board of Directors of Culp, Inc., a High Point, North Carolina-based producer of upholstery and mattress fabrics, which he co-founded in 1972. Culp, Inc. has been publicly-traded for 27 years; therefore, Mr. Culp has first-hand knowledge of leading a business and is aware of the complexities of the financial and regulatory requirements facing public companies. Mr. Culp has also gained experience regarding the challenges and opportunities of developing global operations, as Culp, Inc. expanded operations into Canada and China under his leadership. Mr. Culp also served on the Board of Directors of Stanley Furniture Company, Inc. until he resigned from that position effective in December 2011. His guidance in international business matters is valuable to our Board as Old Dominion continues to expand its global operations.

John D. Kasarda, Ph.D. (66) has served as a director since January 2008. Dr. Kasarda is the Kenan Distinguished Professor of Entrepreneurship and has served as the Director of the Kenan Institute of Private Enterprise at the University of North Carolina at Chapel Hill since 1990. Dr. Kasarda has been employed by this university since 1977. He brings a unique perspective to our Board due to his breadth of knowledge in economic development, transportation and logistics, combined with his entrepreneurial experience and insight with respect to the trucking industry. Dr. Kasarda also serves on the Board of Directors of AMB Real Estate Investment Trust II.

Leo H. Suggs (72) was elected as a director in 2009. Mr. Suggs has a long and distinguished career in the trucking industry that began in 1958, holding a wide range of positions that included Chairman, President and Chief Executive Officer of Overnite Transportation Company from 1996 to 2005 and President and Chief Executive Officer of UPS Freight from 2005 to 2006. As President and Chief Executive Officer of Overnite Transportation, and as a member of its Board of Directors from November 2003 to May 2005, Mr. Suggs gained extensive knowledge of managing a union-free carrier in the LTL industry. He understands the opportunities and challenges facing the LTL industry, and has first-hand knowledge of acquisitions and merger mechanics. Mr. Suggs currently serves as Chairman of the Board of Greatwide Logistics Services, a provider of transportation and logistics management services, and on the Board of The Kenan Advantage Group, Inc., a tank truck hauler and logistics provider. We believe that Mr. Suggs is invaluable to our Board as an advisor on logistics services and LTL operations.

D. Michael Wray (51) was elected as a director in 2008 and is the President of Riverside Brick & Supply Company, Inc., a distributor of masonry materials in central Virginia. Mr. Wray has served in that position since 1998 and was formerly its Vice President and General Manager from 1996 to 1998. From 1992 to 1995, Mr. Wray

-6-

was employed by Ruff Hewn, Inc., an apparel designer and manufacturer, where he held positions including Chief Financial Officer and Treasurer. Mr. Wray also served in various audit and management positions with Price Waterhouse from 1982 to 1992. The Board benefits from his experience in public accounting, which included experience with the transportation industry. In addition, he has extensive knowledge of accounting and a valuable understanding of financial statement oversight and disclosures gained from his experience as a chief financial officer. Mr. Wray also brings company leadership and business management expertise to his service on our Board as a result of his ongoing responsibilities as President of Riverside Brick & Supply Company, Inc.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE "FOR" THE ELECTION OF EACH OF THE NOMINEES IDENTIFIED ABOVE.

CORPORATE GOVERNANCE

Board Leadership Structure

Historically, our Chairman of the Board has also served as our Chief Executive Officer, and these dual roles were held for many years by our current Executive Chairman of the Board, Earl E. Congdon. In 2007, however, following Mr. Earl Congdon's decision to resign from the Chief Executive Officer position effective on January 1, 2008, the Board

determined that it was in the best interests of our shareholders to appoint David S. Congdon, who had been serving as our President and Chief Operating Officer, as our Chief Executive Officer and redesignate Mr. Earl Congdon as Executive Chairman of the Board. The Board took these actions because it wanted to preserve the ability of Mr. Earl Congdon to continue to have a significant executive role on our management team. The Board also believes that strong, independent Board leadership is an important aspect of effective corporate governance and, as a result, appointed Robert G. Culp, III on January 25, 2010 to serve as our Lead Independent Director. Our Lead Independent Director's responsibilities and authority include presiding at meetings of our independent directors, coordinating with our Executive Chairman and Chief Executive Officer on Board meeting

-7-

agendas, schedules and materials and otherwise acting as a liaison between the independent directors, our Executive Chairman and our Chief Executive Officer. For these reasons, the Board believes that our current leadership structure is appropriate for us at this time. The Board believes that there is no specific generally accepted leadership structure that applies to all companies, nor is there one specific leadership structure that permanently suits us. As a result, our decision as to whether to combine or separate the positions of Chairman and Chief Executive Officer and whether to have a Lead Independent Director may vary from time to time, as industry or our own conditions and circumstances warrant. The independent directors of the Board consider the Board's leadership structure on an annual basis to determine the structure that is most appropriate for the governance of Old Dominion.

Independent Directors

In accordance with the listing standards of The NASDAQ Stock Market LLC (“NASDAQ”), our Board of Directors must consist of a majority of independent directors. The Board has determined that Messrs. Breitbach, Culp, Kasarda, Suggs and Wray (collectively, the “independent directors”) are independent in accordance with NASDAQ listing standards. The Board performed a review to determine the independence of its members and made a subjective determination as to each of these independent directors that no transactions, relationships or arrangements exist that, in the opinion of the Board, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director of Old Dominion. In making these determinations, the Board reviewed information provided by the directors and obtained by us with regard to each director's business and personal activities as they may relate to us and our management. While our Corporate Governance Guidelines direct the independent directors of the Board to meet in executive session at least twice each year, they met four times in 2011. Shareholders may communicate with the independent directors by following the procedures set forth in “Shareholder Communications with the Board” in this proxy statement.

Attendance and Committees of the Board

Pursuant to our Corporate Governance Guidelines, directors are expected to attend the Annual Meeting and all meetings of the Board, including all meetings of Board committees of which they are members. All directors were present at the previous Annual Meeting that was held on May 17, 2011. Our Board of Directors held four meetings during 2011. The Board of Directors has four standing committees: the Executive Committee, the Audit Committee, the Compensation Committee and the Governance and Nomination Committee. Each member of the Audit Committee, the Compensation Committee and the Governance and Nomination Committee is an “independent director” as such term is defined under applicable SEC rules and regulations and NASDAQ listing standards. All incumbent directors attended at least 75% of the aggregate meetings held by the Board and their assigned committees in 2011.

Executive Committee

The Executive Committee consists of Earl E. Congdon (Chairman), John R. Congdon and David S. Congdon. The Executive Committee is empowered to act between meetings of the Board of Directors with powers of the full Board, to the extent permitted by our bylaws and applicable law. This committee did not find it necessary to meet between regular scheduled meetings of the Board and, therefore, did not meet in 2011.

Audit Committee

The Audit Committee, which is a separately-designated standing Audit Committee established in accordance with section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), consists of J. Paul Breitbach (Chairman), Robert G. Culp, III and D. Michael Wray, each of whom the Board of Directors has determined is independent pursuant to applicable SEC rules and regulations and NASDAQ listing standards. The Board of Directors has determined that all Audit Committee members are financially literate and that Mr. Breitbach and Mr.

Wray each qualify as an “audit committee financial expert” as defined by applicable SEC rules. Please refer to the experience described for each of these members under “Proposal 1 - Election of Directors” in this proxy statement. The Audit Committee is governed by a written charter approved by the Board of Directors, which is available on our website at <http://www.odfl.com/company/corpGovernance.shtml>. The Committee annually reviews this charter to reassess its adequacy and recommends any proposed changes to the Board of Directors for approval. Committee members are nominated annually by the Governance and Nomination Committee and approved by our Board of Directors to serve for one-year terms. Information regarding the functions performed by this committee is set forth in the “Report of Audit Committee,” which is included in this proxy statement. The Audit

-8-

Committee met four times and held seven telephonic meetings in 2011. The telephonic meetings of the Audit Committee included, among other things, a telephonic meeting after each quarterly period to discuss with both management and our independent registered public accounting firm, Ernst & Young LLP (“E&Y”), the quarterly financial results to be included in our periodic filings with the SEC prior to their release.

Compensation Committee

Our Compensation Committee consists of Robert G. Culp, III (Chairman), Leo H. Suggs and D. Michael Wray, each of whom the Board of Directors has determined to be independent pursuant to applicable NASDAQ listing standards. Committee members are nominated annually by the Governance and Nomination Committee and approved by our Board of Directors to serve for one-year terms.

The Compensation Committee is responsible for reviewing the components of our compensation plans for our officers, including an evaluation of the components of compensation, the standards of performance measurements and the relationship between performance and compensation. Please refer to our compensation philosophy and actions taken in 2011 described in the “Compensation Discussion and Analysis” section of this proxy statement for further discussion, including the role of executive officers in determining or recommending the amount or form of executive and director compensation. The Compensation Committee also reviews and evaluates the fees paid to members of our Board of Directors, and recommends changes to our Board of Directors as deemed necessary to maintain alignment with our compensation philosophy.

The Compensation Committee has established and maintains a written charter, which has been approved by the Board of Directors and is published on our website at <http://www.odfl.com/company/corpGovernance.shtml>. The Committee annually reviews this charter to reassess its adequacy and recommends any proposed changes to the Board of Directors for approval. The Committee meets periodically and is authorized to obtain opinions or reports from external or internal sources as it may deem appropriate or necessary to assist and advise it in connection with its responsibilities. The Compensation Committee met four times in 2011. In accordance with its charter, the Committee may delegate authority to one or more members of the Committee as deemed necessary to fulfill its responsibilities; however, no authority was delegated in 2011.

Governance and Nomination Committee

The Governance and Nomination Committee consists of John D. Kasarda (Chairman), J. Paul Breitbach and Leo H. Suggs, each of whom the Board of Directors has determined is independent pursuant to applicable NASDAQ listing standards. This Committee makes recommendations concerning the size and composition of the Board of Directors, evaluates and recommends candidates for election as directors (including nominees recommended by shareholders), coordinates the orientation (in conjunction with our Chief Executive Officer) and educational requirements of new and existing directors, develops and implements our corporate governance policies and assesses the effectiveness of the Board of Directors and its committees. The written charter for this committee is available on our website at <http://www.odfl.com/Company/corpGovernance.shtml>. The Committee annually reviews this charter to reassess its adequacy and recommends any proposed changes to the Board of Directors for approval. Committee members are appointed annually by a majority of the Board of Directors to serve for one-year terms. The Governance and Nomination Committee met four times in 2011.

Corporate Governance Guidelines

The Board has adopted written Corporate Governance Guidelines, which provide the framework for fulfillment of the Board's duties and responsibilities in light of various best practices in corporate governance and applicable laws and regulations. The Corporate Governance Guidelines address a number of matters applicable to directors, including

director qualification standards, our withheld vote policy, meeting requirements and responsibilities of the Board and its committees. The Corporate Governance Guidelines are available on our website at <http://www.odfl.com/company/corpGovernance.shtml>.

Code of Business Conduct

We have adopted a Code of Business Conduct that applies to all of our directors, officers (including our Chief Executive Officer, Chief Financial Officer, Chief Accounting Officer and any person performing similar functions) and employees. Our Code of Business Conduct is available on our website at <http://www.odfl.com/company/corpGovernance.shtml>. Any waivers or substantive amendments to our Code of Business Conduct applicable to

-9-

our directors or executive officers will be disclosed, as required and to the extent permissible under applicable law, the rules of the SEC or NASDAQ listing standards, and filed with the SEC on a Form 8-K. Any waiver or substantive amendment of the Code of Business Conduct for directors or executive officers may be made only by the Board or a Board committee.

Shareholder Communications with the Board

Any shareholder desiring to contact the Board or any individual director serving on the Board may do so by written communication mailed to: Board of Directors (Attention: (name of director(s), as applicable)), care of the Corporate Secretary, Old Dominion Freight Line, Inc., 500 Old Dominion Way, Thomasville, North Carolina 27360. Any communication so received will be processed by our Corporate Secretary and be promptly delivered to each member of the Board or, as appropriate, to the member(s) of the Board named in the communication.

Director Nominations

The Governance and Nomination Committee will consider qualified director nominees recommended by shareholders when such recommendations are submitted in accordance with our bylaws and policies regarding director nominations. Shareholders may submit in writing the names and qualifications of potential director nominees to our Corporate Secretary (500 Old Dominion Way, Thomasville, North Carolina 27360) for delivery to the Chairman of the Governance and Nomination Committee for consideration. When submitting a nomination to the Governance and Nomination Committee for consideration, a shareholder must provide the following minimum information for each director nominee: full name, address, age, principal occupation during the past five years, current directorships on publicly-held companies and investment companies, number of our shares of common stock owned, if any, and a signed statement by the nominee consenting to serve as a director if elected. Shareholder nominations for director must also be made in a timely manner and otherwise in accordance with our bylaws, as described in more detail in Article 3, Section 6 of our bylaws. If the Governance and Nomination Committee receives a director nomination from a shareholder or group of shareholders who (individually or in the aggregate) have beneficially owned greater than 5% of our outstanding stock for at least one year prior to the date of nomination, we, to the extent required by applicable securities law, will identify the candidate and shareholder or group of shareholders recommending the candidate and will disclose in our proxy statement whether the Governance and Nomination Committee chose to nominate the candidate, as well as certain other information required by SEC rules and regulations.

In addition to any director nominees submitted by shareholders, the Governance and Nomination Committee considers candidates submitted by directors, as well as self-nominations by directors, and, from time to time, it may consider candidates submitted by a third-party search firm hired for the purpose of identifying director candidates. The Governance and Nomination Committee investigates potential director candidates and their individual qualifications, and all such candidates, including those submitted by shareholders, are similarly evaluated by the Governance and Nomination Committee.

In evaluating prospective nominees, the Governance and Nomination Committee considers the criteria outlined in our Corporate Governance Guidelines, which include personal and professional ethics, integrity and values; director independence; relevant educational and business experience; willingness to devote the time required to fulfill the duties of a director and to develop additional insight into our operations; and a willingness to represent the best interests of us and our shareholders and be objective in evaluating management's effectiveness. After this evaluation process is concluded, the Governance and Nomination Committee selects and submits nominees to the Board of Directors for further consideration and approval.

Although we do not have a formal policy for the consideration of diversity in identifying director nominees, we and the Governance and Nomination Committee consider the criteria outlined above and as set forth in our Corporate

Governance Guidelines when recommending director nominees so that the Board, as a whole, will possess the appropriate skills and expertise to oversee our business. We and the Governance and Nomination Committee believe that the current composition of the Board of Directors reflects a highly talented group of individuals best suited to perform oversight responsibilities for us and our shareholders.

-10-

Effect of Withheld Votes on an Uncontested Election

In an uncontested election of directors, any director nominee who receives a greater number of votes "withheld" from his or her election than votes "for" such election shall immediately offer his or her resignation for consideration by the Governance and Nomination Committee. This resignation is conditioned upon the Board's acceptance and thus shall not be effective unless and until the Board of Directors, after considering the recommendation of the Governance and Nomination Committee, accepts the director nominee's offer to resign. Nevertheless, if the director nominee does not wish to remain a director, he or she shall so state and shall tender a non-conditional resignation, which shall be effective as of the date thereof.

The Governance and Nomination Committee will promptly consider the director nominee's offer to resign and will recommend to the Board of Directors whether to accept or reject it. In making this recommendation, the Governance and Nomination Committee will consider all factors deemed relevant by its members, including, without limitation, the stated reasons, if any, why shareholders "withheld" votes for election from such director nominee, the length of service and qualifications of the director nominee, the director nominee's contributions to us, our Corporate Governance Guidelines, whether accepting the offered resignation would cause us to fail to meet any applicable SEC or NASDAQ requirements and whether the director's resignation from the Board of Directors would be in the best interests of us and our shareholders.

The Board of Directors will act on the Governance and Nomination Committee's recommendation no later than 90 days following the date of the shareholders' meeting at which the election occurred. In considering the Governance and Nomination Committee's recommendation, the Board of Directors will consider the information and factors considered by the Governance and Nomination Committee and such additional information and factors as the Board of Directors deems relevant.

Any director nominee who offers his or her resignation for consideration pursuant to the Company's Corporate Governance Guidelines will not participate in the Governance and Nomination Committee or Board of Directors deliberations regarding whether to accept the director nominee's offer to resign.

Risk Management

Our Chief Financial Officer and Chief Executive Officer are responsible for the assessment and management of our risks. The Board of Directors is responsible for the oversight of our policies, procedures and systems in place to manage our risk exposure. The Chief Financial Officer regularly reviews, with the Chief Executive Officer and the Audit Committee, our significant risk factors, as well as the steps management has taken to identify, monitor and mitigate those risks. In addition, our Director of Internal Audit also reports any identified risks resulting from internal audit work separately to the Chief Executive Officer and the Audit Committee. The Audit Committee then reports the results of these reviews to the Board on a regular basis.

Other committees of the Board have risk oversight responsibility as well. The Governance and Nomination Committee is responsible for the oversight of risks associated with succession planning and corporate governance matters, and the Compensation Committee is primarily responsible for the oversight of risks associated with employment agreements, compensation arrangements and the attraction and retention of qualified employees. The Chairmen of both the Governance and Nomination Committee and the Compensation Committee report the results of their meetings and reviews to the Board on a regular basis.

Audit Committee Pre-Approval Policies and Procedures

The Audit Committee has adopted a written policy that requires advance approval of all audit services, audit-related services, tax services and other services performed by our independent registered public accounting firm. The policy provides for pre-approval by the Audit Committee of specifically defined audit and permissible non-audit services. Unless the specific service has been pre-approved with respect to that year, the Audit Committee must approve the permitted service before the independent registered public accounting firm is engaged to perform it. The Audit Committee has delegated to the Chairman of the Audit Committee authority to pre-approve permitted services under \$20,000 provided that the Chairman reports any decisions to all members of the Audit Committee at the earliest convenience. In the event the Chairman is unavailable, the remaining members must unanimously approve any request for permitted services, not to exceed \$20,000, and notify the Chairman at the earliest convenience.

Policy for Accounting Complaints

The Audit Committee has established procedures for (i) the receipt, retention and processing of complaints related to accounting, internal accounting controls and auditing matters and (ii) the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters, in compliance with Section 301 of the Sarbanes-Oxley Act of 2002 (the "Sarbanes-Oxley Act") and related SEC rules and regulations. The Audit Committee has contracted with a third party to provide a toll-free telephone number and Internet service that is staffed 24 hours a day, seven days a week. This service documents the complaint, assigns a reference number to the complaint for tracking purposes and forwards that information, through email, to the Audit Committee Chairman and the Director of Internal Audit. In the event the complaint concerns an internal audit matter, only the Audit Committee Chairman is notified. Either the Audit Committee Chairman or Director of Internal Audit, using whatever resources are required, investigates the complaint. Corrective action, if deemed necessary, is decided upon by the Audit Committee Chairman and then implemented as needed. The identity of the individual submitting the complaint and the details of the complaint remain anonymous throughout this process. We periodically test this process to ensure that complaints are handled in accordance with these procedures.

Compensation Committee Interlocks and Insider Participation

The current members of the Compensation Committee are Messrs. Culp (Chairman), Suggs and Wray. None of the current members of the Compensation Committee has ever served as an officer or employee of our Company or had any relationship during the year ended December 31, 2011 that would be required to be disclosed pursuant to the SEC's Item 404 of Regulation S-K. No interlocking relationships exist between our current Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company.

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Exchange Act requires certain of our officers, directors and persons who own more than 10% of a registered class of our equity securities to file reports of ownership and changes in ownership with the SEC. Such officers, directors and shareholders are required by SEC regulations to furnish us with copies of all such reports that they file. Based solely on a review of copies of the reports filed with the SEC since January 1, 2011 and on representations by certain officers and directors, all persons subject to the reporting requirements of Section 16(a) filed the reports required to be filed on a timely basis.

REPORT OF AUDIT COMMITTEE

The Audit Committee oversees our financial reporting, internal controls and audit functions on behalf of the Board of Directors and operates under a written charter, which is reviewed on an annual basis and was most recently revised on August 3, 2009. The charter is available on our website at <http://www.odfl.com/company/corpGovernance.shtml>. The Audit Committee is comprised solely of independent directors as defined by SEC rules and regulations and NASDAQ listing standards. Two of the three members of the Audit Committee, including the Chairman, have been designated as "audit committee financial experts" as that term is defined by SEC rules and regulations. The Chairman reports the Audit Committee's actions and deliberations to the Board at quarterly scheduled Board meetings.

During the fiscal year ended December 31, 2011, the Audit Committee fulfilled its duties and responsibilities as outlined in the charter. Among its actions, the Audit Committee:

reviewed and discussed our quarterly earnings releases and the quarterly financial statements filed on Forms 10-Q with the SEC, with management and our independent registered public accounting firm, E&Y;

reviewed with management, the internal auditor and E&Y the audit scope and plan for the audit of the fiscal year ended December 31, 2011; and

met with each of the internal auditor and E&Y, outside the presence of management, to discuss, among other things, our financial disclosures, accounting policies and principles and internal controls.

-12-

In fulfilling its oversight responsibilities, the Audit Committee also reviewed and discussed the audited financial statements in the Annual Report on Form 10-K with management, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. Management is responsible for the preparation, presentation and integrity of our financial statements; accounting and financial reporting principles; establishing and maintaining disclosure controls and procedures (as defined in Exchange Act Rule 13a-15(e)); establishing and maintaining internal control over financial reporting (as defined in Exchange Act Rule 13a-15(f)); evaluating the effectiveness of disclosure controls and procedures; evaluating the effectiveness of internal control over financial reporting; and evaluating any change in internal control over financial reporting. E&Y is responsible for performing an independent audit of those financial statements and expressing an opinion as to their conformity with U.S. generally accepted accounting principles, as well as expressing an opinion on the effectiveness of our internal control over financial reporting.

During the course of 2011, management completed the documentation, testing and evaluation of our system of internal control over financial reporting in response to the requirements set forth in Section 404 of the Sarbanes-Oxley Act and related SEC rules and regulations. The Audit Committee was kept apprised of the progress of the documentation, testing and evaluation and provided oversight to management during the process. The Audit Committee reviewed the report of management contained in our Annual Report on Form 10-K for the year ended December 31, 2011, filed with the SEC, as well as E&Y's Report of Independent Registered Public Accounting Firm included in our Annual Report on Form 10-K relating to its audit of (i) the financial statements and financial statement schedule and (ii) the effectiveness of our internal control over financial reporting.

The Audit Committee reviewed with our independent registered public accounting firm its judgments as to the quality, not just the acceptability, of our accounting principles and such other matters as are required to be discussed with the Audit Committee under the applicable Public Company Accounting Oversight Board (the "PCAOB") standards and SEC Rule 2-07 of Regulation S-X. In addition, the Audit Committee has received the written disclosures and the letter from E&Y required by applicable requirements of the PCAOB regarding E&Y's communications with the Audit Committee concerning independence, and has discussed with E&Y that firm's independence. The Audit Committee has also considered the compatibility of the provision of non-audit services with E&Y's independence.

Based on the review and discussions referred to above, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in our Annual Report on Form 10-K for the year ended December 31, 2011 for filing with the SEC.

The Audit Committee,

J. Paul Breitbach, Chairman
Robert G. Culp, III
D. Michael Wray

COMPENSATION DISCUSSION AND ANALYSIS

Overview

Our guiding principles in the development of our executive compensation philosophy have been to align executive compensation with both our business objectives and the interests of our shareholders. We have attempted to balance the principal elements of our compensation program (base salary, short-term performance-based pay and longer-term incentives) to motivate our executives to achieve our short-term financial objectives as well as our long-term goal of increasing shareholder value, which is substantially dependent on our achievement of our short-term objectives. We believe a significant portion of executive compensation should be based upon performance and we have designed our elements of compensation accordingly. We do not believe the elements of our executive compensation program encourage excessive risk-taking, and we and our Board review our program periodically to ensure it is operating in accordance with our objectives.

Old Dominion's executive compensation program ties a significant portion of current cash compensation directly to corporate performance primarily through the Performance Incentive Plan (the "PIP"). As described below, the PIP provides for monthly payouts to the participants of a specified percentage of our monthly pre-tax income, subject to a minimum level of profitability. We believe this plan has been instrumental in motivating our named executive officers and other participating officers to achieve and sustain superior profitability in our industry.

We believe long-term incentives are also necessary to reward loyalty and create shareholder value. Accordingly, our compensation program provides for awards under the Old Dominion Freight Line, Inc. Phantom Stock Plan (the "Phantom Stock Plan"), described below, which have vesting and continued service requirements and are linked to the value of our common stock. Other long-term components consist primarily of employee deferrals of short-term cash compensation into our Nonqualified Deferred Compensation Plan and contributions to our 401(k) retirement plan, which also are described in more detail below.

The principal factors in the Compensation Committee's executive compensation decisions for 2011 were the Company's financial performance, the relationship of executive compensation to the Company's income before taxes and the amount of compensation that is performance based. With the improvement in our Company's financial results during 2010 and the outlook for 2011, the Compensation Committee approved a 2% increase in the base salaries for our named executive officers as well as all other officers effective December 31, 2010. This increase followed an earlier increase of approximately 2% provided to non-officer employees effective September 3, 2010. The increase provided to our named executive officers was the first adjustment to their base salary since the increase that was effective on January 4, 2008. The improvement in our financial performance during 2011 also resulted in substantial increases in PIP payouts to our officers, including our named executive officers, as compared to 2010. As a result, total cash compensation as a group for our named executive officers increased 53.4% in 2011 from 2010, which is less than the 76.9% increase in the Company's income before taxes for the same period.

Objectives of Our Executive Compensation Programs

Our executive compensation programs are designed to achieve the following objectives, consistent with the principles and philosophy outlined above:

- motivate and reward our executives to increase earnings;
- provide the opportunity for a high level of compensation for superior corporate performance as a means to increase long-term shareholder value; and
- promote and foster an environment of cooperation and "team spirit."

We also believe it is critical that our compensation program is structured to:

- attract talented, knowledgeable and experienced executives, who are critical to our success in the highly competitive transportation industry;
- retain our executives so they can add further value in current and future roles by providing long-term incentives that reward loyalty and longevity; and
- provide a reasonable level of compensation protection to our executive officers to offset some of the risks of a change in ownership.

Role of Compensation Committee and Independent Directors

The Compensation Committee is comprised entirely of independent directors, and this committee is charged with recommending to our Board the compensation of our Chief Executive Officer and determining the compensation paid to our other named executive officers. Additionally, the Compensation Committee makes recommendations to the Board regarding the adoption of, and changes to, our executive compensation plans.

David S. Congdon, our President and Chief Executive Officer, has a significant role in the compensation-setting process, including:

- evaluating individual performance;
- establishing business performance targets and objectives; and
- providing recommendations to the Compensation Committee for salary and equity or non-equity based awards.

Neither Earl E. Congdon, our Executive Chairman, nor David S. Congdon participates in the Compensation Committee's deliberations regarding his individual performance, salary level, non-equity incentive plan compensation or other compensation that may be granted to him.

The Compensation Committee has the authority to hire outside advisors, such as compensation consultants, to render guidance and assistance when the Committee deems it appropriate and advisable. The Compensation Committee, at its discretion, determines both the frequency that outside consultants are engaged and the scope of work these consultants perform.

The Compensation Committee's Use of Benchmarking and Related Data

The Compensation Committee did not retain a compensation consultant for the purpose of making executive compensation determinations for 2011. In lieu of engaging a consultant for 2011, the Compensation Committee obtained from management a comparative compensation analysis, using public information filed with the SEC, for named executive officers at seven other publicly-traded LTL or transportation companies: YRC Worldwide, Inc., Con-way Inc., JB Hunt Transport Services, Inc., Landstar Systems Inc., Werner Enterprises, Inc., Arkansas Best Corporation and SAIA, Inc. The Compensation Committee reviewed this information and determined that no changes were needed to our executive compensation programs.

Elements of Compensation

The following discusses each of the components of our executive compensation program and the decisions the Compensation Committee made in connection with 2011, and where appropriate, 2012 compensation.

Annual Base Salary

We have historically increased the base salaries of our named executive officers annually for an inflationary factor and, in some instances, a modest incremental adjustment attributable to our overall growth and financial performance. The Compensation Committee also has approved additional salary increases for certain officers, including certain named executive officers, when job performance and/or increased job responsibilities warrant. As noted above, a 2% increase in base salary was provided to our named executive officers for 2011.

-15-

The Compensation Committee determined on October 27, 2011 that all officers, including our named executive officers, should receive a 3% increase in base salary for 2012. This followed an increase of approximately 3% for our non-officer employees that was effective September 2, 2011.

The table below reflects the annual base salaries for our named executive officers in 2012, 2011 and 2010:

Named Executive Officer	2012 Base Salary (\$)	2011 Base Salary ⁽¹⁾ (\$)	2010 Base Salary (\$)
Earl E. Congdon	525,300	510,000	499,980
David S. Congdon	525,300	510,000	499,980
Greg C. Gantt	386,250	375,000 ⁽²⁾	273,000
J. Wes Frye	313,630	304,495	298,524
Joel B. McCarty, Jr.	274,206	266,220	260,988

(1) The base salaries reported in this table and amounts reflected in the Summary Compensation Table may differ due to the timing of effective dates for base salary changes.

(2) Reflects Mr. Gantt's annual base salary effective June 30, 2011, the date he was appointed Executive Vice President and Chief Operating Officer. Prior to June 30, 2011, his 2011 annual base salary was \$310,000.

In approving the 2% increase in base salary for our named executive officers that was effective for 2011, the Compensation Committee considered the similar 2% increase provided to non-officer employees, the significant improvement in the Company's financial results and the Company's superior performance as compared to LTL industry. The Committee also considered that our named executive officers would likely experience significant increases in their total cash compensation due to forecasted increases in payouts under the PIP, which historically have been a significant component of the short-term cash compensation paid to our named executive officers. As a result, the inflationary adjustments of 2% and 3% for 2011 and 2012, respectively, were deemed appropriate for our named executive officers.

Non-equity Incentive Plan

During 2011, our named executive officers participated with certain other employees in our PIP, which is administered by the Compensation Committee. Participants were selected by the Compensation Committee, with input by senior management, to receive a monthly cash incentive payment based upon a fixed percentage, or participation factor, of our pre-tax income. The Compensation Committee approved the participation factors for our named executive officers and other key participants and monitored the compensation derived from the PIP.

The material terms of the PIP were approved by our shareholders at our annual meeting held on May 28, 2008. Shareholder approval enabled us to maximize our income tax deductions for compensation paid to certain employees under our cash incentive program pursuant to Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code").

The formula applied for each participant in the PIP is shown below:

$$\text{Monthly Income Before Income Taxes} \times \text{Participation Factor} = \text{Monthly Payout}$$

The Compensation Committee has determined that the long-term average of "at risk" performance-based cash compensation should be approximately 65% of total cash compensation for the group. As this component of compensation is "at risk" performance based, the Committee understands that there will be periods where the

compensation could be much lower or much higher than this average. As economic conditions and profitability improved in 2011, the “at risk” cash compensation paid to the named executive officers was between 66.9% and 81.8% of total cash compensation.

The Compensation Committee established the PIP's 2011 participation factor (that is, the percentage of our income before income taxes) for each of our named executive officers at the applicable 2010 level, with the exception of Greg C. Gantt who was promoted during the year. The Compensation Committee also made no change in the participation factors for our named executive officers in making its executive compensation decisions

-16-

for 2012. The following table shows the 2011 participation factor and the payout received by each of our named executive officers for 2011 and 2010:

Named Executive Officer	2011 PIP Participation Factors (%)	2011 PIP Payout (\$)	2010 PIP Payout (\$)
Earl E. Congdon	1.04	2,288,873	1,306,836
David S. Congdon	1.04	2,288,873	1,306,836
Greg C. Gantt	0.35 ⁽¹⁾	702,873	351,841
J. Wes Frye	0.28	616,235	351,841
Joel B. McCarty, Jr.	0.28	616,235	351,841

Commensurate with Greg C. Gantt's appointment as Executive Vice President and Chief Operating Officer, (1) effective June 30, 2011, the Compensation Committee approved an increase in his PIP participation factor from 0.28% for the first six months of 2011 to 0.35%.

The cash incentive provided by the PIP is determined on a monthly basis and paid to participants only if our pre-tax income exceeds 2% of revenue for that month. We met this minimum threshold of profitability for each month in 2011 and, as a result, our named executive officers received cash compensation from the PIP each month based upon their respective participation factor and our pre-tax income.

The Compensation Committee recognizes that a feature of the PIP is that it can produce higher-than-market cash compensation during periods of high profitability, including periods when our period-over-period performance may have declined. However, it is also the case that the PIP can produce lower-than-market cash compensation during periods of low profitability, including periods when our period-over-period performance has improved.

The Compensation Committee has considered whether our employee compensation policies and practices, including our PIP, create inadvertent incentives for executive management and other participants to make decisions that are reasonably likely to have a material adverse effect on us, and believes they do not. The Committee believes the overarching characteristic of the PIP is its ability to create a highly motivated management team that is focused on improving our performance and creating long-term value for our shareholders.

Phantom Stock Plan

The Old Dominion Freight Line, Inc. Phantom Stock Plan, as amended, provides a long-term retirement incentive for our named executive officers. While awards under this plan are discretionary, it has been our practice to award phantom stock annually during the first quarter of each year based upon the prior year's financial performance. Phantom Stock Plan awards are considered compensation in the year of the award.

The Compensation Committee generally determines the awards based on a percentage of annual base salary in relation to our operating ratio for the previous fiscal year. Prior to 2008, no awards under the Phantom Stock Plan were made unless our operating ratio was 91% or lower. However, in order to strengthen the long-term components of our executive compensation program and in response to advice the Compensation Committee received from its compensation consultant in 2007, the Committee adopted a policy to generally make an annual grant to participants in the plan equal to 20% of base salary, even if our operating ratio falls short of our minimum target. Beginning in 2008, the Compensation Committee has used the table below to determine the amount of phantom stock grants under the plan:

Operating Ratio

Phantom Stock Awards Granted as a

	<i>% of Annual Base Salary</i>
Greater than 90%	20%
89% to 90%	30%
88% to 89%	40%
Less than 88%	50%

-17-

Our operating ratio was 90.7%, 94.3% and 91.6% for years 2010, 2009 and 2008, respectively. By using the table presented above, the Compensation Committee approved awards of phantom stock equal to 20% of each named executive officer's annual base salary for those respective years. The following table reflects the value of phantom stock awarded to each of our named executive officers in the year of the award based on the prior year's operating ratio and valued at the grant date fair value. The value of each award is calculated based on the designated percentage of each named executive officer's annual base salary, and the number of shares awarded is calculated by dividing the value of each award by the average closing price of our common stock for the fourth, fifth and sixth trading days following the public release of our fourth quarter earnings.

Named Executive Officer	Value of Phantom Stock Award (\$)		
	2011	2010	2009
Earl E. Congdon	102,440	98,772	98,801
David S. Congdon	102,440	98,772	98,801
Greg C. Gantt	55,944	53,938	53,944
J. Wes Frye	61,165	58,987	58,975
Joel B. McCarty, Jr.	53,458	51,566	51,574

Our operating ratio was 87.6% in 2011. As a result, the Compensation Committee approved grants of phantom stock equal to 50% of base salary in February 2012, which are considered compensation for the fiscal year 2012.

Phantom stock awards vest on the earlier to occur of the following, provided the named executive officer is employed by us on such date: (i) the date of a change of control in our ownership; (ii) the fifth anniversary of the grant date; (iii) the date of the named executive officer's death; (iv) the date of the named executive officer's total disability; or (v) the date the named executive officer attains the age of 65. Under the Phantom Stock Plan, awards that are not vested upon termination of employment are forfeited. All vested and unvested awards generally are forfeited if termination of employment occurs for cause or prior to attaining the age of 55, unless the termination results from death or total disability or the Compensation Committee determines otherwise. Phantom stock awards are settled in cash after the required vesting period and upon termination of employment. Our named executive officers are each entitled to receive the fair market value of each share of phantom stock on the settlement date and, unless subject to restrictions under Section 409A of the Code, will be paid in 24 equal monthly installments in accordance with the plan. Because of the required vesting period and settlement provisions, this component of compensation generally rewards longevity and provides a retirement benefit to our named executive officers that is directly tied to shareholder value. The Compensation Committee has the authority under the plan to modify or accelerate vesting at its discretion.

401(k) Retirement Plan

Our named executive officers may participate in our 401(k) retirement plan, which includes a matching provision that is based upon the participant's contributions. We consider this match in our evaluation of overall compensation; however, we believe the maximum employee contribution and matching limits in our plan are, alone, insufficient to enable our named executive officers to save an amount that is adequate for their retirement or be competitive with similarly-situated executives at other companies in our industry.

Nonqualified Deferred Compensation Plan

Because we do not provide a significant retirement plan for our named executive officers, we offer them an alternative vehicle for funding their retirement in the form of the 2006 Nonqualified Deferred Compensation Plan. This plan allows eligible participants, including our named executive officers, to defer significant percentages of both their annual base salary and their monthly non-equity incentive compensation. The plan is described in further detail on

page 27 of this proxy statement.

-18-

Section 162(m) of the Code

Our shareholders approved the material terms of the PIP at the 2008 annual meeting of shareholders. This approval enabled us, pursuant to Section 162(m) of the Code, to maximize our income tax deductions for compensation paid to certain participants in the PIP. The Compensation Committee considers deductibility of executive compensation paid to our named executive officers, although historically it has awarded compensation despite non-deductibility when it believed such compensation was warranted. As a result of the deductibility of payouts under the PIP, the Committee does not believe deductibility of compensation awarded to our named executive officers will be an issue under Section 162(m) for the foreseeable future.

Employment Agreements

On May 17, 2004, based in part upon an analysis performed by a compensation consultant of our executive compensation program, we entered into employment agreements with Earl E. Congdon, our Executive Chairman of the Board; David S. Congdon, our President and Chief Executive Officer; and John R. Congdon, our Senior Vice President and Vice Chairman of the Board. We decided to enter into employment agreements with these executives for the following reasons:

- to establish non-competition and non-solicitation agreements, in order to limit our exposure to competition by any of these executives in the event of termination of his employment;
- to provide long-term incentives to retain David S. Congdon and to ensure the continuity of leadership upon the retirement of Earl E. Congdon and John R. Congdon;
- to provide protection to these executives in the event we experience a change in control; and
- to limit our exposure to a sudden and significant drop in the market value of our common stock that could result from a liquidation of shares by the estate of any of these executives in the event of his death.

Each agreement was tailored to address the competitive and financial exposures to both us and the employee referred to above.

In 2007, the Compensation Committee, with the assistance of a compensation consultant, conducted a study and identified several modifications to the employment agreements that the Compensation Committee believed to be appropriate. Following discussions with our executives who were parties to these agreements, on May 28, 2008, we entered into amended and restated employment agreements that replaced the May 17, 2004 agreements. In May 2010 and January 2012 (effective May 2012), we also extended the term of the employment agreements of each of Earl E. Congdon and John R. Congdon. A more detailed discussion of the terms and provisions of these agreements is provided on page 28 of this proxy statement.

Change of Control and Post-Employment Benefit Considerations

The employment agreements for each of Earl E. Congdon and David S. Congdon provide for post-employment benefits that result from a change in control. In addition, David S. Congdon is entitled to receive post-employment benefits upon termination for any reason, except for death, termination by us for cause and termination by the executive for a reason not constituting “good reason.” A “change of control” does not constitute “good reason,” but in the case of David S. Congdon's agreement, a fundamental disagreement with the Board following a change of control does constitute “good reason.” The employment agreements, including post-employment benefits, are described in more detail on page 28 of this proxy statement.

The Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives, as amended, provides for post-employment benefits that result from a change in control to eligible key executives, including three named

executive officers: Greg C. Gantt, J. Wes Frye and Joel B. McCarty, Jr. The benefits provided by this plan are described in more detail on page 30 of this proxy statement.

We believe that the employment agreements and the Change of Control Severance Plan for Key Executives provide a reasonable level of protection to our named executive officers in the event we experience a change of control. We also believe the post-employment benefits provided in the employment agreement for

-19-

David S. Congdon are an effective incentive for retaining this key executive officer, who we believe is critical to our continued success.

Other Benefits and Perquisites

Our named executive officers participate equitably, except as noted below, with all employees in our employee benefit plans, which include medical, dental, vision, short-term disability and group life insurance. Each named executive officer receives term-life insurance benefits insuring his life for \$300,000, if under the age of 70, or \$150,000, if over the age of 70. In addition, the employment agreement with David S. Congdon provides for the reimbursement of premiums for term-life insurance coverage up to \$10,000,000, subject to certain limitations. This perquisite was granted to Mr. Congdon to protect us from a sudden and significant drop in the market value of our common stock that could result from a liquidation of shares by his estate in the event of his death. Earl E. Congdon, at his own expense, has obtained additional life insurance benefits that we deem adequate in mitigating this risk; therefore, no additional life insurance benefits were provided to him.

We provide basic employee group health and dental coverage for all employees but charge a premium for dependent and family coverage. We have waived the premiums for basic coverage for our named executive officers' families, which are included in the "All Other Compensation" column of the Summary Compensation Table on page 22 of this proxy statement.

The named executive officers, with the exception of J. Wes Frye, are provided the use of a Company-provided automobile. We have adjusted the annual base salary commensurately for Mr. Frye to compensate for the absence of this perquisite.

The employment agreements for Earl E. Congdon and David S. Congdon allow for personal use of corporate aircraft. In 2011, personal use of our corporate aircraft by our named executive officers represented approximately 5.2% of the total hours that our aircraft were utilized. The incremental cost for the personal use of our corporate aircraft is included in the "All Other Compensation" column of the Summary Compensation Table on page 22 of this proxy statement.

The employment agreements for Earl E. Congdon and David S. Congdon provide for the payment of annual membership dues and initiation fees for memberships in private clubs in accordance with our general Company policy. Historically, we have utilized these club memberships for employee functions, vendor relations and customer events. In May 2011, we discontinued the payment of annual membership dues and initiation fees for private clubs for these executives.

Advisory Vote on Executive Compensation

We conducted our first advisory vote on the approval of compensation for our named executive officers at our 2011 Annual Meeting. While this was a non-binding vote, we believe it is important for our shareholders to have an opportunity to vote on this proposal on an annual basis as a means to express their views regarding our executive compensation philosophy, our compensation policies and programs and our decisions regarding executive compensation, all of which are disclosed in our proxy statement. Our Board of Directors and Compensation Committee value the opinions of our shareholders and, to the extent there is any significant vote against the compensation of our named executive officers as disclosed in the proxy statement, we will consider our shareholders' concerns and the Compensation Committee will evaluate whether any actions are necessary to address those concerns. In addition to our annual advisory vote on executive compensation, we are committed to ongoing engagement with our shareholders on executive compensation and corporate governance issues. These engagement efforts take place throughout the year through meetings, telephone calls and correspondence involving our senior management, directors

and representatives of our shareholders.

At the 2011 Annual Meeting, 69.0% of the votes cast on the advisory vote to approve the compensation of our named executive officers were in favor of the proposal. Our Compensation Committee and our Board of Directors have carefully considered the advisory vote results and continue to believe that our existing executive compensation program has been and remains tailored to our business strategies, aligns pay with performance, reflects competitive pay practices and appropriately rewards or penalizes our management team based on the level of financial success of our Company each year. Our strong, industry-leading financial performance in 2011 reinforces the view of our Compensation Committee and Board of Directors that our executive compensation program is achieving its objectives, and thus no significant changes to the program were recommended during

-20-

2011. The Compensation Committee and the Board of Directors will continue to consider shareholder sentiments about our core principles and objectives when determining executive compensation.

We have determined that our shareholders should vote on a say-on-pay proposal each year, consistent with the preference expressed by our shareholders at the 2011 Annual Meeting. Accordingly, our Board of Directors recommends that you vote "FOR" Proposal 2 at the 2012 Annual Meeting. For more information, see "Proposal 2 - ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS" in this proxy statement.

Conclusions

Our Compensation Committee has considered all of the elements of compensation described above and their role in determining the total amount of current compensation for our named executive officers. The Committee believes the amount of each element and the total amount of compensation for each named executive officer are reasonable and appropriate in light of the officer's experience and individual performance, our operational and financial performance and the officer's role in creating shareholder value. The Committee also considered whether our compensation policies and practices promote or encourage unnecessary and excessive risks and concluded they do not.

COMPENSATION COMMITTEE REPORT

Reflects the aggregate grant date fair value of awards granted during the year computed in accordance with Financial Accounting Standards Board Accounting Standards Codification 718, Compensation - Stock Compensation (“ASC 718”), disregarding the estimate of forfeitures related to applicable service-based vesting conditions. Awards were granted in 2011 pursuant to the provisions of the Old Dominion Freight Line, Inc. Phantom Stock Plan (the “Phantom Stock Plan”). These awards were based on fiscal year 2010 financial results and are included below in the Grants of Plan-Based Awards table. Each named executive officer was awarded a number of phantom shares equal to 20% of their December 30, 2010 base salary divided by the average closing price of our common stock for the three-day period commencing February 8, 2011 and ending February 10, 2011. (1) The value of these awards in the table was determined by multiplying the number of phantom stock shares awarded to each named executive officer by the closing share price of \$31.08 on the grant date of February 11, 2011, and assumes that all shares will vest based on the requirements of the Phantom Stock Plan. No shares of our common stock will be issued pursuant to the Phantom Stock Plan, as the awards are required to be settled in cash. While we used 2010 financial results to determine these awards, awards under the Phantom Stock Plan are discretionary and are considered earned in the year granted. Additionally, our Compensation Committee considers the value of the grant as part of the compensation in the year of grant when evaluating annual compensation for our named executive officers.

Pursuant to our Performance Incentive Plan, we pay monthly cash incentives to our named executive officers based (2) upon our pre-tax income during the fiscal year subject to certain restrictions. Cash incentives are generally paid in the month following the actual month in which the cash incentive is earned;

therefore, the table reflects the cash incentives earned for each of the 12 months of the respective year, regardless of when the incentive payment was actually made.

(3) See “All Other Compensation” below for the amounts and descriptions of these components of compensation in 2011.

All Other Compensation

The allocation of 2011 “All Other Compensation” from the Summary Compensation Table is presented below:

Name	Personal Use of Corporate Aircraft (\$) ⁽¹⁾	Life Insurance Premiums (\$) ⁽²⁾	Group Health Premiums (\$) ⁽³⁾	Personal Use of Corporate Automobile (\$) ⁽⁴⁾	Company Contributions to the 401(k) Plan (\$) ⁽⁵⁾	Club Memberships (\$) ⁽⁶⁾	Total (\$)
Earl E. Congdon	48,063	2,472	1,976	3,548	5,763	936	62,758
David S. Congdon	17,284	20,975	2,600	8,569	5,763	3,565	58,756
Greg C. Gantt	—	1,290	2,600	1,724	5,929	—	11,543
J. Wes Frye	—	1,980	2,520	—	5,767	—	10,267
Joel B. McCarty, Jr.	—	2,410	104	1,382	5,929	—	9,825

(1) For the purpose of this table, compensation for the personal use of the corporate aircraft is calculated using incremental variable cost per flight hour.

(2) Includes the following: (i) the taxable excess group term-life insurance premiums under our group term-life insurance policy for all employees and (ii) reimbursement of term-life premiums for a \$10,000,000 policy provided to David S. Congdon under his employment agreement that is further described in “Employment Agreement with David S. Congdon” on page 30 of this proxy statement.

(3) We offer our employees a choice in group health and dental plans that vary by the level of benefits available and premiums paid by the employee. Employee premiums for our basic group plans are waived for our named executive officers. If our named executive officers elect to enroll in plans with higher benefits and premiums, they are required to pay the difference in premiums between the basic plan and the more robust plan selected. The amount in the table reflects the value of the basic group health and dental premiums that we waived for our named executive officers in 2011.

(4) The amount reflected in the table for personal use of a Company-provided automobile is calculated by allocating the fixed and variable costs of the vehicle over the percentage of personal versus total mileage driven.

(5) Each of our named executive officers is eligible to participate in the Old Dominion 401(k) Employee Retirement Plan on the same basis as other employees. Employee contributions are limited to a percentage of their compensation, as defined in the plan. We guarantee a match of 30% of the first 6% of all employee contributions. Additional employer contributions may be awarded on a non-discriminatory basis to all participants at the discretion of our Board of Directors.

(6) Club membership dues and initiation fees are provided for in the employment agreements with Earl E. Congdon and David S. Congdon, which are further described in the “Employment Agreements” section on page 28 of this proxy statement. These benefits were discontinued effective May 2011.

2011 Grants of Plan-Based Awards

The following table provides information regarding plan-based awards made during fiscal 2011:

Name	Grant Date	Estimated Future Payouts Under Non-Equity Incentive Plan Awards ⁽¹⁾			All Other Stock Awards: Number of Grant Date Fair Value Shares of Stock or of Stock and Option Units Awards	
		Threshold	Target	Maximum	(#) ⁽²⁾	(\$) ⁽³⁾

Greg C. Gantt	2/11/2011	—	—	—	1,800	55,944
J. Wes Frye	2/11/2011	—	—	—	1,968	61,165
Joel B. McCarty, Jr.	2/11/2011	—	—	—	1,720	53,458

(1) All payments made pursuant to the PIP and relating to the 2011 fiscal year have been made and are reflected in the "Non-Equity Incentive Plan Compensation" column of the Summary Compensation Table.

(2) Shares of phantom stock granted in 2011 were based upon our financial performance in fiscal year 2010. Each named executive officer was awarded shares of phantom stock equal to 20% of their December 30, 2010 base salary divided by the average closing price of our common stock for the three-day period commencing February 8, 2011 and ending February 10, 2011. While 2010 financial results were used to determine these awards, awards under the Phantom Stock Plan are discretionary and are considered earned in the year granted. Additionally, our Compensation Committee considers the value of the grant as part of the compensation in the year of grant when evaluating compensation to our named executive officers. No shares of our common stock will be issued pursuant to the Phantom Stock Plan, as the awards are required to be settled in cash.

(3) The grant date fair value of phantom stock awards, computed in accordance with ASC 718, is determined by the number of shares set forth above multiplied by the February 11, 2011 closing share price of \$31.08 as reported on the NASDAQ Global Select Market.

Old Dominion Freight Line, Inc. Phantom Stock Plan

On May 16, 2005, our Board of Directors approved the Old Dominion Freight Line, Inc. Phantom Stock Plan, which provides a long-term retirement incentive for our key executives, including our named executive officers, that is tied directly to shareholder value. The Phantom Stock Plan was amended and restated effective January 1, 2009 to comply with the provisions of Section 409A of the Code. The Phantom Stock Plan was further amended on May 18, 2009 to permit the administrator to establish the fair market value of our common stock for award purposes using any good-faith method. On May 17, 2011, the Phantom Stock Plan was further amended to modify vesting requirements so that each award vests on the earlier to occur of the following, provided the participant is employed by us on such date: (i) a change of control in our ownership; (ii) the fifth anniversary of the grant date of the award; (iii) the date of the participant's death; (iv) the date of the participant's total disability; or (v) the date the participant attains the age of 65. Under this amendment, the Board of Directors has sole discretion to modify and/or accelerate vesting of an award with respect to a participant.

Each share of phantom stock awarded under the Phantom Stock Plan represents a contractual right to receive an amount in cash equal to the fair market value of a share of our common stock on the settlement date, to be paid out of our general funds. As a result, no shares of common stock will be issued pursuant to the Phantom Stock Plan.

All disclosures in this proxy statement concerning the number of shares and share value under the Phantom Stock Plan have been adjusted for the 3-for-2 common stock splits that were effected on November 30, 2005 and August 23, 2010. The maximum number of shares of phantom stock available for awards under the Phantom Stock Plan is 562,500, of which 399,221 shares have been awarded through April 19, 2012.

The Phantom Stock Plan is discussed in more detail in the “Compensation Discussion and Analysis” section of this proxy statement.

Outstanding Awards at 2011 Fiscal Year-End

The following table reflects the Phantom Stock Plan awards that have not vested at year-end 2011 due to the vesting requirements of the Phantom Stock Plan:

Name	Number of Shares or Units of Stock That Have Not Vested (#) ⁽¹⁾	Market Value of Shares or Units of Stock That Have Not Vested (\$) ⁽²⁾
David S. Congdon ⁽³⁾	22,920.5	928,968
Greg C. Gantt ⁽⁴⁾	12,964.5	525,451
J. Wes Frye ⁽⁵⁾	14,199.0	575,485

The vesting provisions of these phantom stock awards are described above under “Old Dominion Freight Line, Inc. Phantom Stock Plan.” No shares of common stock will be issued pursuant to the Phantom Stock Plan, as the awards (1) are required to be settled in cash. Each employee's unvested phantom stock awards are scheduled to vest in accordance with the vesting provisions described under “Old Dominion Freight Line, Inc. Phantom Stock Plan” in this proxy statement.

The market value of phantom stock awards that have not vested at year-end 2011 for each named executive officer (2) is determined by the number of shares set forth above multiplied by the December 31, 2011 closing share price of \$40.53 as reported on the NASDAQ Global Select Market.

Mr. Congdon's unvested phantom stock awards were granted as follows: 3,624 shares granted on February 12, (3) 2007; 5,004 shares granted on February 11, 2008; 5,626.5 shares granted on February 9, 2009; 5,370 shares granted on February 8, 2010; and 3,296 shares granted on February 11, 2011.

Mr. Gantt's unvested phantom stock awards were granted as follows: 2,427 shares granted on February 12, 2007; (4) 2,733 shares granted on February 11, 2008; 3,072 shares granted on February 9, 2009; 2,932.5 shares granted on February 8, 2010; and 1,800 shares granted on February 11, 2011.

2011 Phantom Stock Vested

The following table displays the Phantom Stock Plan awards that vested during 2011:

Name	Stock Awards	
	Number of Shares Acquired on Vesting (#)	Value Realized on Vesting (\$) ⁽²⁾
Earl E. Congdon ⁽¹⁾	3,296.0	-(3)
David S. Congdon	2,640.5	-(4)

Greg C. Gantt	1,674.5	_(5)
J. Wes Frye	1,961.0	_(6)
Joel B. McCarty, Jr. ⁽¹⁾	1,720.0	_(7)

(1) Earl E. Congdon and Joel B. McCarty, Jr. have attained the age of 65 while employed with us and therefore, under the plan, have fully vested in all phantom stock awards previously granted, including the

-25-

awards granted during 2011 as set forth in this table, and will vest immediately in any subsequent grants of phantom stock awards.

Participants are only entitled to receive cash amounts due for each vested share of phantom stock on the settlement date, which shall be made from our general funds. As a result, the value of the phantom shares vested during 2011, as well as prior-year grants, is deferred until the settlement date. The value realized on the settlement date will be (2) based on the market value of our common stock on such date. The settlement date generally is the earlier of: the date of the participant's termination of employment on or after attaining age 55 for any reason other than death, total disability, or for cause; the date of the participant's death while employed; or the date of the participant's termination of employment as a result of total disability.

The market value of phantom shares that vested during 2011 for Earl E. Congdon was \$133,587, as determined using the number of shares granted to Mr. Congdon in 2011 set forth above multiplied by the December 31, 2011 closing share price of \$40.53 as reported on the NASDAQ Global Select Market. The market value of Mr. Congdon's total vested phantom shares of 30,284 at year-end 2011 was \$1,227,411. (3)

The market value of phantom shares that vested during 2011 for David S. Congdon was \$107,019, as determined using the number of phantom shares that vested in 2011 set forth above multiplied by the December 31, 2011 closing share price of \$40.53 as reported on the NASDAQ Global Select Market. No phantom shares granted to Mr. Congdon vested before 2011. (4)

The market value of phantom shares that vested during 2011 for Greg C. Gantt was \$67,867, as determined using the number of phantom shares that vested in 2011 set forth above multiplied by the December 31, 2011 closing share price of \$40.53 as reported on the NASDAQ Global Select Market. No phantom shares granted to Mr. Gantt vested before 2011. (5)

The market value of phantom shares that vested during 2011 for J. Wes Frye was \$79,479, as determined using the number of phantom shares that vested in 2011 set forth above multiplied by the December 31, 2011 closing share price of \$40.53 as reported on the NASDAQ Global Select Market. No phantom shares granted to Mr. Frye vested before 2011. (6)

The market value of phantom shares that vested during 2011 for Joel B. McCarty, Jr. was \$69,712, as determined using the number of phantom shares granted to Mr. McCarty in 2011 set forth above multiplied by the December 31, 2011 closing share price of \$40.53 as reported on the NASDAQ Global Select Market. The market value of Mr. McCarty's total vested phantom shares of 14,008 at year-end 2011 was \$567,744. (7)

Contributions represent deferrals of certain amounts of salary and cash incentives awarded pursuant to our PIP for (1)2011. These amounts are included in the “Salary” and “Non-Equity Incentive Plan Compensation” columns of the Summary Compensation Table.

-26-

Aggregate earnings represent the earnings on the investment options selected by each named executive officer in (2)2011 in our deferred compensation plans. These earnings are not included in the Summary Compensation Table because they did not constitute above-market or preferential earnings.

2006 Nonqualified Deferred Compensation Plan of Old Dominion Freight Line, Inc.

Effective January 1, 2006, we adopted the 2006 Nonqualified Deferred Compensation Plan of Old Dominion Freight Line, Inc. (the “Nonqualified Deferred Compensation Plan”) to permit certain of our management employees, including each of the named executive officers, to defer receipt of current compensation. This plan was amended and restated effective January 1, 2009, and further amended effective January 1, 2010 and November 10, 2011. The Nonqualified Deferred Compensation Plan is an unfunded plan maintained primarily for the purpose of providing retirement benefits for eligible employees. Participating employees may elect to reduce their (i) regular base salary by a whole number percentage from one to fifty percent and/or (ii) non-equity incentive compensation by a whole number percentage from one to seventy-five percent. The deferred amount is credited to the deferred compensation account we maintain for each participant. While not funded, each participant is allowed to select one or more investment options that mirror the actual performance of publicly traded funds. As of each March 31, June 30, September 30 and December 31, the deferred compensation account of each participant is adjusted to reflect gains and losses from their selected investment options in which the amount in the account is deemed invested. The total deferrals, plus the cumulative gains and losses on the investment options, are eligible for distribution from our general corporate funds. Distributions are subject to elections made by the participants, which generally require a five-year waiting period for active employees; however, distributions can begin immediately in the event of retirement, disability, death or other termination of service. Distributions also may be made upon the occurrence of certain other events, such as an unforeseeable emergency, or delayed under certain circumstances, such as when a distribution might violate the terms of a Company borrowing agreement. Payments are made from the Nonqualified Deferred Compensation Plan in a lump sum or in annual installments over a certain term, as elected by the participant. The plan also allows us, in our sole discretion and without any participant discretion or election, to make a mandatory lump-sum payment in settlement of a participant's entire accrued benefit.

Prior to the adoption of the Nonqualified Deferred Compensation Plan, we offered a similar plan allowing participating employees to defer receipt of regular base salary and/or cash incentive compensation. The deferral of wages earned subsequent to December 31, 2004 is no longer allowed under this plan, as it did not fully comply with Section 409A of the Code. Gains and losses for this plan are determined in the same manner as for the Nonqualified Deferred Compensation Plan. Distributions are, and will be, handled in the same manner as described above.

Potential Payments Upon Termination or Change of Control

Below is a table of the amount of post-employment payments and benefits that would be provided to each named executive officer under the provisions of their employment agreements, the Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives, the Phantom Stock Plan and other welfare benefits, assuming that the triggering event occurred at December 31, 2011. Such amounts would be paid from our general funds.

Name and Principal Position	Employment Agreement or Severance Plan (\$)	Phantom Stock (\$) ⁽¹⁾	Other (\$) ⁽²⁾	Total (\$) ⁽⁶⁾
Earl E. Congdon	8,396,619 ⁽³⁾	1,227,411	—	9,624,030
David S. Congdon	6,287,409 ⁽⁴⁾	1,035,987	28,836	7,352,232

Joel B. McCarty, Jr.	1,926,799 ⁽⁵⁾	567,744	27,941	2,522,484
----------------------	--------------------------	---------	--------	-----------

Pursuant to the Phantom Stock Plan, all unvested awards of phantom stock are forfeited upon termination unless (1) otherwise determined by the administrator or termination results from a change of control, death or disability. All vested and unvested awards of phantom stock are forfeited if these named executive officers

-27-

are terminated by us "for cause." The values in this table were determined by multiplying the sum of all vested and unvested shares of phantom stock held by each named executive officer by the December 31, 2011 closing share price of our common stock of \$40.53, as reported on the NASDAQ Global Select Market.

- (2) Amount payable for welfare benefits under the named executive officer's employment agreement, if applicable, or the Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives.

Amount payable pursuant to the named executive officer's employment agreement is equal to three (3) times the sum of the executive's base salary before the change in control and the annual bonus paid to him for the preceding (3) calendar year under the PIP. This estimated amount is payable in a lump sum and due only if the executive's employment is terminated within 12 months after a change of control. There would be no payment upon termination of employment for retirement, death, disability or for cause.

- (4) Amount payable pursuant to the named executive officer's employment agreement under a three-year salary continuation provision on the normal payroll schedule for salaried employees. The settlement provisions of this agreement are further described in the "Employment Agreements" section below, but generally provide for the payment of this estimated amount at termination due to retirement, disability or a change of control. No payment would be made if termination resulted from (i) death; (ii) for cause; or (iii) termination by the executive for a reason not constituting "good reason." A "change of control" does not constitute "good reason," but a fundamental disagreement with the Board following a change of control does constitute "good reason." See also "Existing Life Insurance Policies," below.

- (5) Amount payable pursuant to the Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives, which is equal to three (3) times the sum of the executive's base salary in effect at the termination date and the average of cash incentives paid in the preceding three full calendar years. This estimated amount is payable over the compensation continuance period on the normal payroll schedule for salaried employees and due only if the executive's employment is terminated within 12 months of a change of control and is reduced to two-thirds of this amount if terminated within 13 to 24 months of a change in control and one-third of this amount if terminated within 25 to 36 months of a change in control. There would be no payment upon termination of employment for retirement, death, disability or for cause.

- (6) Our named executive officers, or their beneficiaries, will also receive payments due to them at retirement, death or disability pursuant to our non-discriminatory 401(k) retirement plan and our deferred compensation plans. The amounts due to each named executive officer under our deferred compensation plans are provided in the "2011 Nonqualified Deferred Compensation" section on page 26 of this proxy statement.

Existing Life Insurance Policies

David S. Congdon is eligible to receive a life insurance benefit that provides the executive and his family with up to \$10,000,000 in coverage at preferred rates, with premiums being paid or reimbursed by us under his employment agreement. Upon his death, Mr. Congdon's elected beneficiaries shall receive the death benefits provided for under the policy he has obtained, which are currently \$10,000,000.

Employment Agreements

In 2007, the Compensation Committee, with the assistance of an executive compensation consultant, conducted a study of the 2004 employment agreements and identified several modifications to the agreements that the Compensation Committee believed to be appropriate. On May 28, 2008, we entered into amended and restated employment agreements with Earl E. Congdon, John R. Congdon and David S. Congdon. We have subsequently

amended the agreements with Earl E. Congdon and John R. Congdon to extend the term of their respective agreements, which are currently set to expire in May 2014. The Board of Directors approved each of these agreements, based on the recommendation of the Compensation Committee of the Board. Each agreement requires the executive to perform duties customarily performed by a person holding his respective position and to perform other services and duties reasonably assigned from time to time by us or, with respect to the agreement with Earl E. Congdon, by the Board of Directors.

Employment Agreements with Earl E. Congdon and John R. Congdon

The employment agreements with Earl E. Congdon and John R. Congdon entitle each executive to receive a base salary to be reviewed annually in accordance with standard payroll practices and procedures applicable to our executive officers, to participate in our executive profit-sharing bonus programs, to participate in any of our other bonus or incentive plans (whether in existence on the date of the employment agreement or later established) in which our other senior executives are entitled to participate and to participate in certain other plans and benefits we offer to our senior executives generally. The Board may also award a discretionary bonus to be paid to each executive in the manner specified by the Board at the time any such bonus is approved; however, no such bonuses were approved or paid in 2011. Earl E. Congdon, while employed under his employment agreement, is also entitled to (i) personal use of our corporate aircraft and membership dues and initiation fees for membership in private clubs (in each case in accordance with our general policy), and (ii) an automobile for personal and business use. We discontinued the payment of membership dues and initiation fees in May 2011. So long as John R. Congdon is employed under his employment agreement, he is entitled to designate the beneficiary under two life insurance policies owned by us insuring his life in the aggregate amount of \$2,000,000. This right to designate a beneficiary will be relinquished upon the termination of Mr. Congdon's employment for any reason other than death.

Each of the employment agreements provide for a term that continues until the earliest of (i) May 31, 2014; (ii) the death of the executive; (iii) written notice by the executive or us of a desire to terminate, subject to a 120-day notice requirement; (iv) termination "for cause," which generally refers to termination resulting from (a) habitual intoxication that adversely affects job performance; (b) conviction of, or plea of guilty or no contest to, theft, fraud or embezzlement from us; (c) conviction of, or plea of guilty or no contest to, a felony involving moral turpitude that results in material harm to us; (d) any material act or omission by the executive involving gross malfeasance or gross negligence in the performance of his duties and responsibilities to us to the detriment of us; (e) any diversion by the executive for his personal gain of any clearly viable and significant business opportunity from us (other than with the prior written consent of the Board); (f) any willful violation of any provision of our Corporate Governance Guidelines, our Code of Business Conduct and Ethics or any covenant contained in the employment agreement; or (g) the executive's material violation of the requirements of the Sarbanes-Oxley Act of 2002 or any other federal or state securities law, rule or regulation; (v) termination resulting from total disability; or, in the case of Earl E. Congdon, (vi) the date Mr. Congdon fails to be elected by shareholders to serve as a member of the Board of Directors. The executive may terminate his employment and forego the 120-day notice requirement if the notice of termination is within 12 months after a change of control. Generally, a change of control is defined in each employment agreement to be either (i) the date any person or group of persons, directly or indirectly, becomes the beneficial owner of 35% or more of the combined voting power of the then outstanding shares of common stock (excluding the executive, our employee benefit plans, and any member of the executive's family unless a majority of the independent directors determines that such family member's beneficial ownership creates a substantial threat to corporate policy or effectiveness); (ii) the date when individuals who at the beginning of any two-year period constitute the Board, plus new directors whose nomination or election was approved by two-thirds of the directors still in office at the beginning of the two-year period, cease for any reason during the two-year period to constitute at least two-thirds of the members of the Board; (iii) the date of a merger or similar transaction that would result in our voting securities immediately prior to the transaction failing to represent at least 60% of the combined voting power of us or a surviving entity immediately after the transaction; (iv) the date of a complete liquidation; (v) the date of a sale or disposition of substantially all of our assets; or (vi) the date of a bankruptcy filing.

If the executive's employment is terminated as a result of our exercise of the 120-day notice provision described above, or as a result of the expiration of the term on May 31, 2014, or the executive voluntarily terminates his employment through exercise of the 120-day notice exception described above, or in the case of Earl E. Congdon, Mr. Congdon's employment is terminated as a result of the shareholders' failure to elect him to serve on the Board, and in each case such termination occurs within 12 months after a change of control, the executive is entitled to receive a

lump-sum payment for any compensation due but not yet paid plus a payment equal to three times the sum of his annual base salary in effect at that time and the annual bonus paid to him for the preceding calendar year under our non-equity incentive plan. If the excise tax under Section 4999 of the Code would apply to such payments, they will be reduced so that the excise tax will not apply. If employment is terminated as described above and such termination does not occur within 12 months after a change of control, the executive is only due any compensation earned but not paid through the termination date. Any amounts payable to the executive will be paid on or after the first day of the seventh calendar month following the month in which his termination occurs as required by Section 409A of the Code.

Each executive is also subject to a non-competition and non-solicitation clause, which covers the term of the executive's employment plus the twenty-four month period following such executive's termination of employment.

Employment Agreement with David S. Congdon

The employment agreement with David S. Congdon entitles him to (i) a base salary, to be reviewed annually in accordance with standard payroll practices and procedures applicable to our executive officers; (ii) participate in our executive profit-sharing bonus programs, any of our other bonus or incentive plans (whether in existence at the date of the employment agreement or later established) in which our other senior executives are entitled to participate and certain other plans and benefits we offer to our senior executives generally; (iii) a discretionary bonus as determined by the Board; (iv) the personal use of our corporate aircraft and membership dues and initiation fees for membership in private clubs (in each case in accordance with our general policy); (v) an automobile for personal and business use; and (vi) receive a life insurance benefit that provides him and his family with up to \$10,000,000 in coverage at preferred rates, with premiums being paid or reimbursed by us. We discontinued the payment of membership dues and initiation fees in May 2011.

This agreement provides for a term that continues until the earliest of (i) written notice of termination of the agreement by us or Mr. Congdon; (ii) the death of the executive; (iii) written notice by the executive or us of a desire to terminate, subject to a 90-day notice requirement; (iv) termination "for cause," which is generally defined above under "Employment Agreements with Earl E. Congdon and John R. Congdon"; (v) termination by the executive for "good reason," which generally includes a material breach by us of any provision of the employment agreement, the merger of us or transfer of a significant portion of our assets unless the successor assumes all of our duties and obligations under the employment agreement, a material reduction in the executive's base salary, the assignment of duties inconsistent with the executive's position, exclusion of the executive's participation in our employee benefit plans, transfer of the executive's primary work location more than 30 miles from his current primary work location or requiring that the executive relocate his principal residence more than 30 miles from his current primary work location, or requiring the executive to travel on business to a substantially greater extent than on the date of the employment agreement or the failure to be elected or re-elected to the Board or the occurrence of a fundamental disagreement (generally defined as a material disagreement between David S. Congdon and the Board that occurs within three years after a change of control, concerns the strategic direction of us or another issue of fundamental importance to us and is deemed a fundamental disagreement by a majority of the members of the Board who are not also members of Mr. Congdon's family); or (vi) termination resulting from total disability. Unless written notification is provided by Mr. Congdon or us, the term is automatically extended on the first day of each month for one additional calendar month, unless Mr. Congdon or we desire to fix the term for a definite three-year period.

If termination of the employment of Mr. Congdon, either voluntarily or by us, results in a compensation continuance termination event, Mr. Congdon is entitled to receive his base salary through the last day of the month of termination and, for the three-year period following termination, an annual amount equal to the average of Mr. Congdon's base salary and his annual bonus under our non-equity incentive plan for the three calendar years within the five calendar-year period preceding termination that produces the highest average annual compensation. A compensation continuance termination event is defined in the employment agreement to mean termination due to: (i) our exercise of the 90-day notice exception; (ii) Mr. Congdon's exercise of the 90-day notice exception after attaining the age of 65; (iii) disability; (iv) good reason; or (v) the expiration of a three-year term after being fixed by us. If the excise tax under Section 4999 of the Code would apply to such payments, they will be reduced or otherwise adjusted so that the excise tax will not apply. Mr. Congdon's final average compensation payable during the first six months of the compensation continuance period shall be paid to him in a lump sum as of the first day of the seventh calendar month of the compensation continuance period. During such period, he will also receive continued coverage under our medical, dental, vision and life insurance benefit programs. If the termination does not result in a compensation continuance termination event, Mr. Congdon is due only his base salary through the last day of the month in which the

termination date occurs.

Mr. Congdon is also subject to a non-competition and non-solicitation clause, which covers the term of his employment plus the 24-month period following his termination of employment.

Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives

On May 16, 2005, the Board approved and we immediately adopted the Old Dominion Freight Line, Inc. Change of Control Severance Plan for Key Executives (the "Severance Plan") for eligible key executives as determined by the Compensation Committee. Eligible key executives include three named executive officers,

-30-

Greg C. Gantt, J. Wes Frye and Joel B. McCarty, Jr., but exclude the other named executive officers who are parties to employment agreements, which provide change of control and severance benefits. The Severance Plan was amended and restated effective January 1, 2009 to comply with Section 409A of the Code. Under the Severance Plan, termination of a participant's employment by us for any reason other than for cause, death or total disability, or by the participant for good reason occurring within 36 months following a change in control, entitles the participant to receive the following benefits: (i) receipt of base salary through the last day of the month in which the termination date occurs; (ii) a monthly benefit equal to the participant's monthly termination compensation, as defined in the Severance Plan, during the compensation continuance period; and (iii) continued participation in our welfare benefit plans until the earlier of the participant's death or the last day of the calendar month in which the participant receives his final payment of termination compensation. The compensation continuance period is equal to 12 calendar months plus three additional calendar months for each year of service completed by the participant as of the termination date in excess of 10 years, not to exceed 36 calendar months.

DIRECTOR COMPENSATION

2011 Compensation of Directors

The following table reflects compensation earned for services performed in 2011 by members of our Board of Directors who were not named executive officers:

Name	Fees Earned or Paid in Cash (\$)	Stock Awards (\$) ⁽¹⁾	Non-Equity Incentive Plan Compensation (\$) ⁽²⁾	All Other Compensation (\$)	Total (\$)
J. Paul Breitbach	75,000	49,968	—	—	124,968
John R. Congdon ⁽⁴⁾	—	51,220	440,168	288,261	779,649
John R. Congdon, Jr.	55,000	49,968	—	6,615 ⁽³⁾	104,968
Robert G. Culp, III	85,000	49,968	—	1,069 ⁽³⁾	134,968
John D. Kasarda	65,000	49,968	—	—	114,968
Leo H. Suggs	55,000	49,968	—	534 ⁽³⁾	104,968
D. Michael Wray	55,000	49,968	—	2,068 ⁽³⁾	104,968

Reflects the aggregate grant date fair value of awards granted during the year computed in accordance with ASC 718, disregarding the estimate of forfeitures related to applicable service-based vesting conditions. Except for John R. Congdon, who is one of our executive officers, awards were granted in 2011 pursuant to the provisions of the Old Dominion Freight Line, Inc. Director Phantom Stock Plan (the "Director Phantom Stock Plan"), as discussed below. Each non-executive director was awarded a number of phantom shares equal to \$50,000, as determined by the average closing price of our common stock of \$36.34 on May 19, 2011 through May 23, 2011, the three (1) business days preceding the grant date of May 24, 2011. The value of these awards in the table was determined by multiplying the 1,375 phantom stock shares awarded to each non-employee director by the closing share price of \$36.34 on the grant date of May 24, 2011, the fifth business day following the 2011 Annual Meeting of Shareholders, and assumes that all shares will vest in accordance with the requirements of the Director Phantom Stock Plan. As of December 31, 2011, the 1,375 phantom stock shares granted on May 24, 2011 represented the only unvested shares for each non-employee director. No shares of our common stock will be issued pursuant to the plan, as the awards are required to be settled in cash.

(2) As one of our executive officers, John R. Congdon participates in our PIP. Pursuant to this plan we pay monthly cash incentives to eligible employees based upon our pre-tax income during the fiscal year. Cash incentives are generally paid in the month following the actual month earned; therefore, the table reflects only the incentives

earned for each of the 12 months of 2011, regardless of when the incentive payment was actually made.

Amounts reflect the value associated with the use of corporate aircraft, which was primarily for travel to our Board (3) of Directors' meetings. For the purpose of this table, these values are calculated using incremental variable cost per flight hour.

John R. Congdon is an employee director, and therefore was not paid an annual retainer fee for the services he performed as a director in 2011. As one of our executive officers, he was paid non-equity compensation under the PIP of \$440,168; received phantom stock awards valued at \$51,220, based on the closing share price of \$31.08 on the grant date of February 11, 2011, under the Phantom Stock Plan; and received other compensation that totaled (4) \$288,261. “All other compensation” includes (i) a base salary of \$254,904; (ii) use of corporate aircraft to attend our Board of Directors' meetings of \$2,378; (iii) group health and dental premiums waived by us of \$104; (iv) our matching contributions to our 401(k) retirement plan of \$5,763; and (v) the taxable benefit of excess term-life insurance policies of \$25,112, which includes the benefits under the split-dollar life insurance policies that are described in “Split-Dollar Life Insurance Policies” on page 33.

On January 31, 2011, the Board of Directors approved the current fee structure that became effective January 1, 2011 for non-executive directors and Chairmen of our Board Committees. This fee structure is provided below:

Director Role	2011 Annual Retainer Amount (\$)
Member (all non-executive directors)	55,000
Audit Committee Chairman ⁽¹⁾	20,000
Compensation Committee Chairman ⁽¹⁾	10,000
Governance and Nomination Committee Chairman ⁽¹⁾	10,000
Lead Independent Director ⁽¹⁾	20,000

⁽¹⁾ Each non-executive Chairman of a Board Committee and the Lead Independent Director receives this annual retainer in addition to the retainer of \$55,000 paid to all non-executive directors.

The annual retainers, for both the Board and its Committees, are paid ratably at the end of each fiscal quarter. Directors receive reimbursement of certain business and travel expenses incurred as a director. Otherwise, there is no additional compensation provided for attendance at in-person or telephonic meetings. As executive officers, each of Earl E. Congdon, David S. Congdon and John R. Congdon receive no retainers for Board service.

On May 28, 2008, our Board of Directors approved the Director Phantom Stock Plan. Effective April 1, 2011, the Board of Directors amended the Director Phantom Stock Plan to allow an annual award of phantom shares equal to \$50,000 on the grant date. Each participant is entitled to an amount in cash equal to the fair market value of a share of our common stock on the date service as a director terminates for any reason. No shares of common stock will be issued pursuant to the Director Phantom Stock Plan, as the awards are settled in cash.

Director Phantom Stock Plan awards generally vest upon the earlier to occur of the following, provided the participant is still serving as a director: (i) the one-year anniversary of the grant date; (ii) the date of the first annual meeting of shareholders that occurs after the grant date; (iii) the date of a change of control in our ownership; (iv) death; or (v) total disability. Awards that are not vested upon termination of service as a director are forfeited.

RELATED PERSON TRANSACTIONS

Family Relationships

Earl E. Congdon, the Executive Chairman of our Board of Directors, is the brother of John R. Congdon, the Vice Chairman of our Board of Directors, and is the father of David S. Congdon, our President and Chief Executive Officer. John R. Congdon, Jr., a director, is the son of John R. Congdon. At December 31, 2011, members of the

Congdon family, in the aggregate, beneficially owned approximately 26.7% of our outstanding common stock.

Transactions with Old Dominion Truck Leasing, Inc.

Old Dominion Truck Leasing, Inc. (“Leasing”), a North Carolina corporation whose voting stock is owned by an Earl E. Congdon Revocable Trust; the John R. Congdon Revocable Trust; and members of Earl E. Congdon's and John R. Congdon's families. Leasing is primarily engaged in the business of purchasing and leasing tractors, trailers and other vehicles. John R. Congdon is Chairman of the Board of Leasing, and Earl E. Congdon and John R. Congdon, Jr. are Vice Chairmen of the Board of Leasing. Since 1986, we have combined our requirements with Leasing for the purchase of tractors, trailers, equipment, parts, tires and fuel. We believe that the termination of this arrangement would not have a material adverse impact on our financial results.

We purchased \$278,000 of maintenance and other services from Leasing in 2011. We believe that the prices we pay for such services are no more than what would be charged by unaffiliated third parties for the same quality of work, and we intend to continue to purchase maintenance and other services from Leasing, provided that Leasing's prices continue to be favorable to us.

We charged Leasing \$18,000 for the rental of real estate in 2011. No other services were provided to Leasing for the year ended December 31, 2011.

Split-Dollar Life Insurance Policies

We are the owner of two split-dollar life insurance contracts insuring the life of John R. Congdon. We have endorsed the right to name the beneficiary of \$2,000,000 of the total death benefits provided by these policies to Mr. Congdon and the compensation to Mr. Congdon resulting from this transaction has been reported in the “All Other Compensation” column of the 2011 Compensation of Directors table in this proxy statement.

Audit Committee Approval and Related Person Transaction Policy

Each of the foregoing transactions or series of transactions was reviewed and approved by the Audit Committee of our Board of Directors. In considering whether to approve such transactions, the Audit Committee determined that they were fair to us and that the terms and conditions of the transactions were substantially the same as, or more favorable to us than, transactions that would be available from unaffiliated parties. Any extensions, modifications or renewals of the foregoing transactions, or any new transactions that involve us and a related party, must be approved by the Audit Committee and must be on terms no less favorable to us than the terms that could be obtained in a similar transaction with an unaffiliated party in accordance with our written Related Person Transactions Policy.

Our Related Person Transactions Policy governs the procedures for review and consideration of all related person transactions in which we are a participant to help ensure that any such transactions are identified and given appropriate consideration. Generally, any transaction, arrangement or relationship with a related person, as defined by Item 404 of Regulation S-K under the Exchange Act, in an amount exceeding \$120,000 and in which we are or would be a participant, requires the approval of the Audit Committee or a majority of the disinterested members of the Board. In making such approval, the Audit Committee will consider all of the relevant facts and circumstances to ensure that the proposed transaction is in the best interest of us and our shareholders.

In conducting its review of any proposed related person transaction, the Audit Committee will consider all of the relevant facts and circumstances available to the Audit Committee, including, but not limited to: (i) the benefits to us; (ii) the impact on a director's independence in the event the related person is a director, an immediate family member of a director or an entity in which a director is a partner, shareholder or executive officer; (iii) the availability of other sources for comparable products or services; (iv) the terms of the proposed related person transaction; and (v) the terms available to unrelated third parties or to employees generally in an arms-length negotiation. No member of the

Audit Committee will participate in any review, consideration or approval of any related person transaction with respect to which such member or any of his or her immediate family members is the related person.

Notwithstanding the foregoing, the Audit Committee has adopted a special approval process for certain transactions that we have entered into and will likely continue entering into with Leasing. These transactions include the following four types of transactions with Leasing, which have been separately approved by the Audit Committee: (i) vehicle repair, maintenance and other services that we provide to Leasing in an amount not to exceed \$120,000 in any period since the last review of services by the Audit Committee ("Type 1"); (ii) vehicle

-33-

repair, maintenance and other services that Leasing provides to us in an amount not to exceed \$120,000 in any period since the last review of services by the Audit Committee ("Type 2"); (iii) leases of dedicated equipment for specific customers, who reimburse us for the lease amount through a periodic billing process that includes charges for additional services we provide ("Type 3"); and (iv) combined purchasing with Leasing of tractors, trailers, equipment, parts, tires and fuel to obtain volume price discounts, subject to review by the Audit Committee no less frequently than quarterly to confirm that the combined purchasing arrangement continues to be in the best interests of us ("Type 4"). In the event of a Type 3 transaction and prior to providing leased equipment to our customers, we will obtain a minimum of three bids from vendors approved by the customer. When Leasing is one of the vendors approved to submit bids, we will disclose to the customer our affiliation with Leasing. Any Type 3 transaction in connection with which we receive commissions or other financial benefit from Leasing in an amount that, together with all other Type 3 transactions entered into since the last review of such transactions by the Audit Committee, exceeds \$120,000 will require the approval of the Audit Committee. With respect to each such transaction that is entered into or in conjunction with Leasing, the Audit Committee will not approve such transaction unless it determines that such transaction is in the best interest of us and our shareholders and that the terms are at least as favorable as those that could be obtained in an arms-length negotiation.

In accordance with the Related Person Transactions Policy, the Audit Committee will also perform an annual review of previously approved related person transactions greater than \$120,000 that remain ongoing and have a remaining term of more than six months. Based on the relevant facts and circumstances, the Audit Committee will determine if it is in our best interest to continue, modify or terminate any ongoing transaction, arrangement or relationship.

PROPOSAL 2 - ADVISORY VOTE TO APPROVE THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS

As required by Section 14A of the Exchange Act, we are providing our shareholders with the opportunity to approve, on a non-binding, advisory basis, the compensation of our named executive officers as disclosed in this proxy statement in accordance with the compensation disclosure rules of the SEC. Taking into consideration the voting results from our 2011 Annual Meeting of Shareholders concerning the frequency of the shareholder advisory vote to approve the compensation of our named executive officers, we have determined that we will hold an annual advisory vote to approve the compensation of our named executive officers until the next required advisory vote on the frequency of such votes.

As described more fully in the "Compensation Discussion and Analysis" section of this proxy statement beginning on page 14, our compensation policies are designed to align our key executives' compensation with both our business objectives and the interests of our shareholders. We also seek to provide compensation policies that attract, motivate and retain key executives who are critical to our success. A significant portion of the compensation we provide to our key executives is directly related to our financial performance and shareholder value. Highlights of our compensation program include the following:

Our Performance Incentive Plan, or PIP, is designed to tie a significant portion of current cash compensation directly to corporate performance. Just as our PIP can produce higher-than-market cash compensation during periods of high profitability, it can produce lower-than-market cash compensation during periods of low profitability.

Our phantom stock awards, which have vesting and continued service requirements and are linked to the value of our common stock, are designed to reward loyalty and create shareholder value.

After providing no increases in base salary to our named executive officers for almost three years, our Compensation Committee, given the improved economic conditions and performance of our Company, authorized an increase in annual base salary for each named executive officer effective December 2010 and January 2012 of 2% and 3%,

respectively.

We urge our shareholders to read the “Compensation Discussion and Analysis” section of this proxy statement for a more thorough discussion of our compensation philosophy, including the design and objectives of our elements of compensation. We also recommend that our shareholders review the application of our compensation philosophy and the elements of compensation provided to each named executive officer as reflected in the discussion and tables included in the “Executive Compensation” section of this proxy statement, beginning on page 22.

-34-

During 2011, our year-over-year revenue increased 27.1% to \$1.88 billion, our net income increased 84.4% to \$139.5 million and our earnings per diluted share grew 80.7% to \$2.44. We also produced the best annual operating ratio (87.6%) in our history, and our financial position at the end of 2011 was stronger than at any time in our history as a public company. We believe our record performance in 2011 was attributable to the execution of our strategic plan, which included key decisions made by our named executive officers. Given the PIP's design to tie cash compensation to corporate performance, the payouts under the PIP for fiscal 2011 are reflective, and rewarding, of each named executive officer's efforts in achieving this record financial performance. Our strong, industry-leading financial performance in 2011 reinforces the view of our Compensation Committee and Board of Directors that our executive compensation program is achieving its objectives, and thus no significant changes to the program were recommended during 2011.

We believe our executive compensation policies are designed appropriately and are functioning as intended to produce long-term value for our shareholders. Accordingly, we are asking our shareholders to approve the overall application of our compensation policies to our named executive officers through this advisory vote. The vote on this resolution is not intended to address any specific element of compensation, but rather the overall compensation of our named executive officers and the policies and procedures described in this proxy statement.

For the reasons stated above, the Board recommends that our shareholders vote “for” the following advisory resolution at our Annual Meeting:

“RESOLVED, that the compensation paid to Old Dominion's named executive officers, as disclosed in the proxy statement for our 2012 Annual Meeting of Shareholders pursuant to the compensation disclosure rules of the Securities and Exchange Commission, including the Compensation Discussion and Analysis, compensation tables and related narrative discussion, is hereby APPROVED.”

To be approved, the number of votes cast “for” this advisory resolution must exceed the votes cast “against” this advisory resolution. Because this proposal is advisory, the results of the vote on this proposal will not be binding on our Board, Compensation Committee or our management. To the extent there is any significant vote against the compensation of our named executive officers as disclosed in this proxy statement, however, the Compensation Committee will evaluate whether any actions are necessary in the future to address those concerns.

**THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR”
APPROVAL OF THE COMPENSATION OF OUR NAMED EXECUTIVE OFFICERS
AS DISCLOSED IN THIS PROXY STATEMENT.**

**PROPOSAL 3 - APPROVAL OF AN AMENDMENT TO OUR AMENDED AND RESTATED ARTICLES OF
INCORPORATION TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR COMMON STOCK**

The Board of Directors has unanimously approved, subject to shareholder approval, an amendment to Article II of our Amended and Restated Articles of Incorporation to increase the number of authorized shares of our common stock from 70,000,000 to 140,000,000. If this amendment is approved by our shareholders, Article II of our Articles will be amended and restated in its entirety as follows:

The Corporation shall have the authority to issue One Hundred Forty Million (140,000,000) shares of Common Stock having a par value of Ten Cents (\$0.10) per share.

The remaining provisions of our Articles would remain unchanged. The Board has determined that this amendment is in the best interest of Old Dominion and our shareholders and recommends that the shareholders approve this amendment.

We last increased the number of shares of common stock that we are authorized to issue under our Articles on July 30, 2004 following two 3-for-2 stock splits of our common stock (2003 and 2004) and the offer and sale of 370,000 shares in 2004 pursuant to an underwritten public offering. Since that time, we have effected two additional 3-for-2 stock splits of our common stock (2005 and 2010) and we offered and sold 1,516,379 shares of our common stock in 2011 pursuant to our at-the-market offering program. As of our record date of March 16, 2012, we have 57,443,324 shares outstanding - over 82% of the authorized shares of common stock under our Articles. This means that we currently have only 12,556,676 authorized but unissued shares of our common stock, which we believe is inadequate to provide us with the flexibility necessary to respond to future needs and opportunities.

-35-

If the amendment is approved, then the number of authorized but unissued shares of common stock would be increased to 82,556,676. Our Board believes that the proposed increase in the number of authorized shares of common stock will benefit us by improving our flexibility in responding to future business needs and opportunities. The additional authorized shares will be available for issuance from time to time to enable us to respond to future business opportunities requiring the issuance of shares, including stock splits or dividends, the consummation of common stock-based financings, acquisition or strategic joint venture transactions involving the issuance of common stock, issuances of common stock under any new equity compensation plans that we may adopt in the future and issuances of common stock for other general corporate purposes that our Board may deem advisable. Our Board is seeking approval for the amendment at this time because opportunities requiring prompt action may arise in the future, and the Board believes the delay and expense in seeking approval for additional authorized common stock at a special meeting of shareholders could deprive us and our shareholders of the ability to take advantage of potential opportunities. The terms upon which any such shares of common stock may be issued would be determined by the Board.

Our shareholders have no preemptive rights to acquire additional shares of common stock, which means that current shareholders do not have a right to purchase any new issuance of shares of common stock in order to maintain their proportionate ownership interests in Old Dominion. Since our shareholders have no preemptive rights, we could implement the amendment at any time following shareholder approval without further authorization from the shareholders of the Company, except to the extent otherwise required by law or regulation or Nasdaq rules and listing standards. The additional shares for which authorization is sought would be identical to the shares of our common stock now authorized.

The proposed increase in the number of authorized shares of common stock is not intended to impede a change of control of Old Dominion, and we are not aware of any current efforts to acquire control of Old Dominion or otherwise accumulate shares of our common stock. It is possible, however, that the additional shares contemplated by the amendment could be issued in connection with defending Old Dominion against a hostile takeover bid to dilute the equity ownership of a person or entity seeking to obtain control of Old Dominion, or in a private placement with purchasers who might side with the Board if it chose to oppose a specific change of control. These additional shares also could be issued in order to deter an attempt to replace our Board by diluting the percentage of shares held by persons seeking to control us by obtaining seats on the Board. Accordingly, the amendment could have the effect of discouraging efforts to gain control of Old Dominion in a matter not approved by our Board. The actual issuance of additional shares of our common stock in the future could have a dilutive effect on earnings per share and on the equity and voting rights of the present holders of our common stock. We currently have no formal plans, understandings, contracts, agreements or arrangements with respect to the issuance of additional shares of common stock not previously authorized for issuance by the Board.

Assuming the existence of a quorum, the proposal to amend Article II of our Articles to increase the number of authorized shares of common stock from 70,000,000 to 140,000,000 requires the affirmative vote of the holders of more than two-thirds of the outstanding shares of our common stock. Because the proposal requires the vote of outstanding shares, as opposed to votes cast, abstentions will have the effect of a negative vote on this proposal.

If the amendment is approved by our shareholders, it will become effective upon the filing of articles of amendment with the Virginia State Corporation Commission.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS THAT THE SHAREHOLDERS VOTE “FOR” THIS PROPOSAL TO AMEND OUR ARTICLES TO INCREASE THE NUMBER OF AUTHORIZED SHARES OF OUR COMMON STOCK FROM 70,000,000 TO 140,000,000.

The holders of more than two-thirds of the outstanding shares of our common stock entitled to vote at the meeting must vote in favor of this proposal in order for it to be approved.

PROPOSAL 4 - RATIFICATION OF THE APPOINTMENT OF OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Audit Committee has appointed Ernst & Young LLP to serve as our independent registered public accounting firm for the year ending December 31, 2012. Although ratification is not required by our bylaws or otherwise, the Board of Directors is submitting the appointment of Ernst & Young to the shareholders for ratification as a matter of good corporate governance. In the event the shareholders fail to ratify the appointment, the Audit Committee will consider whether to appoint another independent registered public accounting firm for the year ending December 31, 2012. Representatives of Ernst & Young are expected to be present at the Annual Meeting and will have an opportunity to respond to appropriate questions and to make a statement if they so desire.

THE BOARD OF DIRECTORS UNANIMOUSLY RECOMMENDS A VOTE “FOR” THE RATIFICATION OF THE APPOINTMENT OF ERNST & YOUNG LLP AS OUR INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM FOR THE YEAR ENDING DECEMBER 31, 2012.
