REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Board of Directors and Stockholders of  
Healthcare Trust of America, Inc.  
Scottsdale, Arizona

We have audited the accompanying statement of revenue and certain expenses of St. John Providence MOB, Novi, Michigan (the "Historical Summary"), for the year ended December 31, 2011. The Historical Summary is the responsibility of Healthcare Trust of America, Inc. and subsidiaries management. Our responsibility is to express an opinion on the Historical Summary based on our audit.

We conducted our audit in accordance with the standards of the Public Company Accounting Oversight Board (United States). Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the Historical Summary is free of material misstatement. St. John Providence MOB is not required to have, nor were we engaged to perform, an audit of its internal control over financial reporting as it relates to the Historical Summary. An audit includes consideration of internal control over financial reporting as it relates to the Historical Summary as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of St. John Providence MOB's internal control over financial reporting as it relates to the Historical Summary. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the Historical Summary, assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the Historical Summary. We believe that our audit provide a reasonable basis for our opinion.

The accompanying Historical Summary was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission (for inclusion in the current report on Form 8-K of Healthcare Trust of America, Inc. and subsidiaries) as discussed in Note 1 to the Historical Summary and is not intended to be a complete presentation of St. John Providence MOB's revenues and expenses.

In our opinion, such Historical Summary presents fairly, in all material respects, the revenue and certain expenses discussed in Note 1 to the Historical Summary of St. John Providence MOB for the year ended December 31, 2011, in conformity with accounting principles generally accepted in the United States of America.

NOTES TO STATEMENT OF REVENUES AND CERTAIN EXPENSES

For the Year Ended December 31, 2011

1. Organization and Summary of Significant Accounting Policies

Organization

The accompanying statement of revenues and certain expenses includes operations of the St. John Providence MOB (the "Property") which was acquired by Healthcare Trust of America, Inc. (the "Company"), from a nonaffiliated third party. The Property was acquired on January 13, 2012 for approximately \$51.3 million. There were no assumed mortgage loans for this acquisition.

Basis of Presentation

The statement of revenues and certain expenses (the "Historical Summary") has been prepared for the purpose of complying with the provisions of Article 3-14 of Regulation S-X promulgated by the Securities and Exchange Commission (the "SEC"), which requires certain information with respect to real estate operations to be included with certain filings with the SEC. The Historical Summary includes the historical revenues, and certain operating expenses of the Property, exclusive of items which may not be comparable to the proposed future operations of the Property. Material amounts that would not be directly attributable to future operating results of the Property are excluded, and the Historical Summary is not intended to be a complete presentation of the Property's revenues and expenses. Items excluded consist of depreciation, amortization, interest, and general and administrative expenses such as legal fees, accounting fees, bank charges and other professional services which are not expected to be comparable to future periods.

Revenue Recognition

Rental revenue is recognized on an accrual basis as it is earned over the lives of the respective tenant leases on a straight-line basis. Rental receivables are periodically evaluated for collectability. Tenant reimbursements for real estate taxes, common area maintenance and other recoverable costs are recognized as income in the period that the expenses are incurred.

Property Operating Expenses

Property operating expenses represent direct expenses of operating the Property and include maintenance, utilities, property management fees, repairs, and insurance costs that are expected to continue in the ongoing operations of the Property. Expenditures for maintenance and repairs are charged to operations as incurred.

Use of Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of revenues and certain expenses during the reporting period. Actual results could differ materially from the estimates in the near term.

Concentration of Credit Risk

The Property had one tenant that accounted for more than 10% of total revenues for the year ended December 31, 2011. For the year ended December 31, 2011, the one tenant represented approximately 31% of total revenues.

Healthcare Trust of America, Inc.  
Scottsdale, Arizona

We have audited the accompanying statement of revenue and certain expenses of Rush MOB, Oak Park, Illinois (the "Historical Summary"), for the year ended December 31, 2011. The Historical Summary is the responsibility of Healthcare Trust of America, Inc. and subsidiaries management. Our responsibility is to express an opinion on the Historical Summary based on our audit.
