**Item 8.01. Other Events**

On August 3, 2012, the Company reached an agreement with various investors in the Corporation who held certain rights to buy common stock in the Corporation (Warrant Holders). The Warrant Holders and the Company agreed that it is in the best interests of the Warrant Holders, the Corporation and common stockholders to cancel a total of 60,825,660 million warrants. All of these warrants had strike prices that were below the closing bid price on the day before the agreement was reached, thus were considered "in the money" warrants.

No compensation of any type was given to Warrant Holders who canceled their warrant positions.

A press release was issued and an 8K was filed with the Securities & Exchange Commission on August 6, 2012 indicating these warrants were canceled. The company erroneously listed the number of cancelled warrants at 61.5 million. The correct number of warrants cancelled was 60,825,660.

The company also indicated in these previous disclosures that the strike prices of the cancelled warrants were above the current closing price of the common shares. This information was also erroneous. The strike prices for the cancelled warrants were below the current closing price of the stock and thus all warrants were in the money as was correctly outlined in the disclosures.

**The date the warrants were issued and the number of warrants canceled is detailed below:**

June 8, 2011	3,658,536
June 21, 2011	619,024
June 21, 2011	975,609
July 27, 2011	1,219,512
August 1, 2011	17,926,829

August 29, 2011	731,707
September 7, 2011	3,048,780

September 21, 2011	4,444,444
September 26, 2011	6,250,000
Total	60,825,660
