INFORMATION ABOUT THE MEETING AND VOTING

When were the Proxy materials mailed?

This Proxy Statement and Proxy Ballot were first mailed on or about November 7, 2011 to owners of voting shares of Shoshone in connection with the solicitation of Proxies by our Board of Directors for the **2011 Annual Meeting of Shareholders in Coeur d Alene, Idaho**. Proxies are solicited to give all shareholders of record at the close of business on **October 10, 2011** an opportunity to vote on matters that come before the Annual Meeting. This procedure is necessary because shareholders live in all U.S. states and abroad and most will not be able to attend.

What am I voting on?

The Board is soliciting your vote for:

- approval of an amendment to Shoshone's Articles of Incorporation to change the name of the Company from Shoshone Silver Mining Company to Shoshone Silver / Gold Mining Company;
- election of five Directors;
- ratification of the appointment by the Board of Directors of independent auditors; and
- action upon such other matters, including shareholder proposals, as may properly come before the meeting, or any adjournment or postponement of the meeting.

Who is entitled to vote?

Shareholders of record at the close of business on **October 10, 2011, the record date**, are entitled to vote on matters that come before the meeting. Shares can be voted only if the shareholder is present in person or is represented by Proxy.

How many votes do I have?

Each share of Shoshone common stock that you own as of the record date entitles you to one vote. On **October 10, 2011, the Company had 51,879,704 outstanding shares of its common stock.**

How do I vote?

All shareholders may vote by mail. To vote by mail, please sign, date, and mail your Proxy Ballot in the envelope provided. If you own your shares through a bank or broker, you should follow the separate instructions they provide you. Although most banks and brokers now offer telephone and Internet voting, availability and specific processes will depend on their voting arrangements. If you attend the Annual Meeting in person, you may request a Ballot when you arrive and vote at the meeting.

What if I return my Proxy but do not mark it to show how I am voting?

If your Proxy Ballot is signed and returned without specifying your choices, the shares will be voted as recommended by the Board.

What if other items come up at the Annual Meeting and I am not there to vote?

When you return a signed and dated Proxy Ballot, you give the persons specified as proxies the discretionary authority to vote on your behalf on any other matter that is properly brought before the annual meeting.

Can I change my vote?

You can change your vote by revoking your Proxy at any time before it is exercised in one of three ways: (1) notify our Corporate Secretary in writing before the Annual Meeting that you are revoking your Proxy; (2) submit another Proxy with a later date; or (3) vote in person at the Annual Meeting.

What does it mean if I receive more than one Proxy Ballot?

Your shares are likely registered differently or are in more than one account. You should vote each of your accounts. If you mail your Proxy Ballots, please sign, date, and return each Proxy Ballot to guarantee that all of your shares are voted.

What constitutes a quorum?

The presence of the owners of a majority of the shares entitled to vote at the Annual Meeting constitutes a quorum. Presence may be in person or by Proxy. You will be considered part of the quorum if you return a signed and dated Proxy Ballot or if you vote at the Annual Meeting. Abstentions and shares voted by a broker or bank holding shares for a beneficial owner are counted as present and entitled to vote for determining a quorum.

What vote is required to approve each proposal?

Amendment and Auditors. The proposals pertaining to approval or ratification of (i) the proposed amendment to the Articles of Incorporation to change the name of the Company from Shoshone Silver Mining Company to Shoshone Silver / Gold Mining Company, and (ii) the appointment of independent auditors each require the affirmative vote of a majority of the votes cast. Any shares not voted (whether by abstention or otherwise) have no impact on the vote.

Election of Directors. Each of the five Director positions is voted on separately. The persons who receive the most votes for each of the five Director positions will be elected. Any shares not voted (whether by abstention or otherwise) have no impact on the vote.

What are the Board's Recommendations?

The Board recommends a vote FOR:

- Approval of an Amendment to the Articles of Incorporation to change the name of the Company from Shoshone Silver Mining Company to Shoshone Silver / Gold Mining Company;
- Election as Directors of each of the persons nominated by the Board; and
- Ratifying the appointment of independent auditors.

How were the nominees for Directors selected?

Each of the five nominees currently serves as a Director and was approved for inclusion on the slate of Directors by the entire Board.

AMENDMENT TO ARTICLES OF INCORPORATION TO CHANGE THE NAME OF THE COMPANY

(Proposal No. 1 on the Proxy Ballot)

The Board of Directors has adopted a Resolution declaring it advisable and in the best interests of the Company, and the Company shareholders, that the Articles of Incorporation be amended to change the name of the Company from Shoshone Silver Mining Company to Shoshone Silver / Gold Mining Company. Such Resolution also recommends that such an amendment be approved and adopted by the Company's shareholders, and directs that such proposal be submitted to the Company's shareholders at the Annual Meeting.

The amendment to the Articles of Incorporation will become effective upon approval by the majority of the shares voting on the proposal and the filing of the Amendment to the Articles of Incorporation with the Secretary of State of Idaho. Such Articles of Amendment would amend Article I of the Company's Articles of Incorporation to read as follows:
