Item 1.01 Entry into a Material Definitive Agreement

On July 3, 2014, Sensata Technologies Minnesota, Inc. (“STMI”), an indirect, wholly-owned subsidiary of Sensata Technologies Holding N.V., entered into a Stock Purchase Agreement (the “SPA”) with CoActive Holdings, LLC, a Delaware limited liability company (the “Seller”), and CoActive US Holdings, Inc., a Delaware corporation. Pursuant to the SPA, STMI will purchase from the Seller all of the outstanding equity interests of CoActive US Holdings, Inc., the direct or indirect parent of companies comprising the Seller's DeltaTech Controls business, for an aggregate purchase price of \$190.0 million, including the assumption of certain liabilities in the amount of \$14.2 million, resulting in an aggregate cash purchase price of \$175.8 million. The amount payable to the Seller is subject to adjustment for certain closing and post-closing items, including transaction expenses, working capital, and repayment of Seller indebtedness. The SPA contains customary representations, warranties, and covenants. STMI expects to complete the transactions contemplated by the SPA in the third quarter of 2014, subject to the satisfaction of customary closing conditions, including, among others, the approval of certain regulatory authorities in the United States and Germany. Each of the parties has certain customary termination rights under the SPA.

The foregoing description of the SPA is qualified in its entirety by reference to the full text of the SPA, which is attached as Exhibit 2.1 and is incorporated in this report by reference.

A copy of the press release announcing entry into the SPA is attached as Exhibit 99.1 and is incorporated in this report by reference.
