**Item 1.01 Entry into a Material Definitive Agreement**

On October 4, 2015 General Employment Enterprises, Inc. (the “Company”) entered into a Stock Purchase Agreement (the “Access Data Agreement”) with William Daniel Dampier and Carol Lee Dampier (collectively, the “Sellers”). Pursuant to the terms of the Access Data Agreement the Company acquired on October 4, 2015, 100% of the outstanding stock of Access Data Consulting Corporation., a Colorado corporation (“Access Data”), for a purchase price (the “Purchase Price”) equal to \$13,000,000 or minus the NWC Adjustment Amount (as defined below) plus up to \$2 million of an “earnout”.

The consideration shall be paid as follows:

- Cash Payment to Sellers. At the closing, the Company paid to Sellers \$7,000,000 in cash (the “Closing Cash Payment”).
- Working Capital Reserve Fund. In addition to the Closing Cash Payment to Sellers, the Company shall pay to Sellers an additional \$1,000,000 (the “Working Capital Holdback”), plus or minus the NWC Adjustment Amount, in cash within twenty (20) days after the completion of an audit of Access Data's financial information from its most recent fiscal year end to the closing date, but in any event not later than ninety (90) days after the closing date.
- Purchase Price Adjustment – Working Capital. The Purchase Price will be adjusted (positively or negatively) based upon the difference in the book value of the “Closing Working Capital” as compared to the “Benchmark Working Capital” of \$2 million (such difference to be called the “NWC Adjustment Amount”). If the NWC Adjustment Amount is positive the Purchase Price will be increased by the NWC Adjustment Amount. If the NWC Adjustment Amount is negative, the Purchase Price will be decreased by the NWC Adjustment Amount. If the Purchase Price increases then the Company will pay to the Sellers the sum of the increase plus the Working Capital Holdback within twenty (20) days of a final determination. If the Purchase Price decreases then Sellers will pay the amount of the decrease to the Company within twenty (20) days of a final determination, which first shall be funded from the Working Capital Holdback held by the Company (which shall be credited to the Sellers). If the amount of the Purchase Price decrease exceeds the Working Capital Holdback then the Sellers will pay the difference to the Company within twenty (20) days of a final determination. If the Working Capital Holdback exceeds the payment due from the Sellers then the remaining balance of those funds after the payment to the Company shall be paid to the Sellers.
- Sellers’ Promissory Notes At the closing, the Company delivered to the Sellers a Subordinated Nonnegotiable Promissory Note (the “Sellers’ Promissory Note”) executed by the Company in the aggregate principal amount of \$3 million. A copy of the Sellers’ Promissory Note has been filed as Exhibit 4.1 to this Form 8-K. The Sellers’ Promissory Note is secured by the certain collateral of the Company pursuant to a Security Agreement dated as of October 4, 2015 by and among the Company and the Sellers (the “Security Agreement”), a copy of which has been filed as Exhibit 10.2 to this Form 8-K. The descriptions of each of the Sellers’ Promissory Note and the Security Agreement contained in this Current Report on the Form 8-K are qualified in their entirety by reference to Exhibits 4.1 and

10.2, respectively.

- Earnout Payment. Up to an additional \$2,000,000 (the “Earnout”) may be paid by the Company to the Sellers with respect to the fiscal year ended September 30, 2016, subject to the satisfaction of certain earnout provisions contained in the Access Data Agreement. Any earnout payment to be paid by the Company shall be paid 50% in the form of cash and 50% in the form of shares of Company common stock.
- Payment of Shares of Company Common Stock. Two Million Dollars (\$2,000,000) of the Purchase Price will be paid in issued shares of common stock of the Company. The number of shares of common stock payable to the Sellers will be 3,278,689 shares at \$0.61 per share (the “Issue Price”); provided however, that if, during such twenty (20) day trading period, the Company pays a dividend in, splits, combines into a smaller number of shares, or issues by reclassification any additional shares of its common stock (a “Stock Event”), then the closing prices used in the above calculation shall be appropriately adjusted to provide the Sellers the same economic effect as contemplated by this Agreement prior to such action. If the closing price of the shares of the Company’s common stock on the trading day immediately preceding the day on which the Issued Shares are first freely salable under Rule 144 (the “Rule 144 Date”) is less than 90% of the Issue Price, then the Company shall make a one-time adjustment and shall promptly pay to the Sellers, in stock in the form of additional shares of common stock of the Company at the market value on the Rule 144 Date, the difference between the aggregate value of the Issued Shares at the Issue Price and the aggregate value of the Issued Shares at the closing price on the Rule 144 Date.
