Report of Independent Auditors

The Board of Directors and Stockholders of Hudson Pacific Properties, Inc.

We have audited the accompanying statement of revenues and certain expenses of Pinnacle II (the “Property”) for the year ended December 31, 2012, and the related notes to the financial statement.

Management’s Responsibility for the Financial Statement

Management is responsible for the preparation and fair presentation of the statement of revenues and certain expenses in conformity with U.S. generally accepted accounting principles; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of the statement of revenues and certain expenses that are free of material misstatement, whether due to fraud or error.

Auditor’s Responsibility

Our responsibility is to express an opinion on the statement of revenues and certain expenses based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the statement of revenues and certain expenses is free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the statement of revenues and certain expenses. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the statement of revenues and certain expenses, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity’s preparation and fair presentation of the statement of revenues and certain expenses in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity’s internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the statement of revenues and certain expenses.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the statement of revenues and certain expenses referred to above presents fairly, in all material respects, the revenues and certain expenses described in Note 1 of the Property for the year ended December 31, 2012, in conformity with U.S. generally accepted accounting principles.

Basis of Accounting

As described in Note 1 to the financial statement, the statement of revenues and certain expenses was prepared for the purpose of complying with the rules and regulations of the Securities and Exchange Commission, and is not intended to be a complete presentation of the Property’s revenues and expenses. Our opinion is not modified with respect to this matter.

1. Basis of Presentation

The accompanying statements of revenues and certain expenses include the operations of Pinnacle II (the “Property”), an office building located in Burbank, California.

The accompanying statements of revenues and certain expenses relate to the Property and have been prepared for the purpose of complying with Rule 3-14 of Regulation S-X promulgated under the Securities Act of 1933, as amended. Accordingly, the statements are not representative of the actual operations for the periods presented as revenues and certain expenses, which may not be directly attributable to the revenues and expenses expected to be incurred in the future operations of the Property, have been excluded. Such items include depreciation, amortization, management fees, interest expense, interest income and amortization of above-and below-market leases.

2. Summary of Significant Accounting Policies

Revenue Recognition

The Property recognizes rental revenue from tenants on a straight-line basis over the lease term when collectability is reasonably assured and the tenant has taken possession or controls the physical use of the leased asset.

Tenant recoveries related to reimbursement of real estate taxes, insurance, repairs and maintenance, and other operating expenses are recognized as revenue in the period the applicable expenses are incurred. The reimbursements are recognized and presented gross, as the Property is generally the primary obligor with respect to purchasing goods and services from third-party suppliers, has discretion in selecting the supplier and bears the associated credit risk.

Parking and other revenue is revenue that is derived from the tenants’ use of parking. Parking and other revenue is recognized when the related services are utilized by the tenants.

Use of Estimates

Management has made a number of estimates and assumptions relating to the reporting and disclosure of revenues and certain expenses during the reporting periods to present the statements of revenues and certain expenses in conformity with U.S. generally accepted accounting principles. Actual results could differ from those estimates.

3. Minimum Future Lease Rentals

There is a lease agreement in place with Warner Brothers Entertainment to lease space in the Property. As of March 31, 2013, the minimum future cash rents receivable under noncancelable operating lease in each of the next five years and thereafter are as follows (unaudited):

2013 (nine months ending December 31, 2013)	\$6,478
2014	8,789
2015	8,943
2016	9,099
2017	9,281

2018	9,467
Thereafter	29,552
	\$81,609

Leases generally require reimbursement of the tenant's proportional share of common area, real estate taxes and other operating expenses, which are excluded from the amounts above.

4. Tenant Concentrations

For the year ended December 31, 2012 and the three-months ended March 31, 2013 (unaudited), one tenant represented 100% of the Property's rental revenues.

5. Related Party Transactions

An affiliate of the owner of the Property provides engineering services to the Property. For the year ended December 31, 2012 and the three-months ended March 31, 2013, \$40 and \$9 (unaudited) of engineering related services, respectively, are included in the Property's property operating expenses.

The Property shares a common area with another building. The common area expenses are allocated to both buildings by specific usage or relative parking spaces. For the year ended December 31, 2012 and the three-months ended March 31, 2013, \$385 and \$97 (unaudited) of allocated expenses, respectively, are included in the Property's property operating expenses.

6. Commitments and Contingencies

The Property is subject to various legal proceedings and claims that arise in the ordinary course of business. These matters are generally covered by insurance. Management believes that the ultimate settlement of these actions will not have a material adverse effect on the Property's revenues and certain expenses.

7. Subsequent Events

The Property evaluated subsequent events through August 26, 2013, the date the financial statements were available to be issued.

HUDSON PACIFIC PROPERTIES, INC.
