The Reporting Persons are filing this Amendment No. 2 to report recent open-market sales of securities of the Issuer that have decreased the amount of Common Stock that the Reporting Person may be deemed to beneficially own by an amount greater than one percent of the outstanding Common Stock of the Issuer. discuss such matters with management or directors of the Issuer, other shareholders, industry analysts, existing or potential strategic partners or competitors, investment and financing professionals, sources of credit and other investors. Such factors and discussions may materially affect, and result in, the Reporting Persons modifying their ownership of Common Stock, exchanging information with the Issuer pursuant to appropriate confidentiality or similar agreements, proposing changes in the Issuer's operations, governance, management or capitalization, or in proposing one or more of the other actions.

The Reporting Persons reserve the right to formulate other plans and/or make other proposals, and take such actions with respect to their investment in the Issuer, or acquire additional Common Stock or dispose of all the Common Stock owned by them, in the public market or privately negotiated transactions. The Reporting Persons may at any time reconsider and change their plans or proposals relating to the foregoing.
