Replace in its entirety the paragraph titled **Director Independence** on page 11 of the Proxy Statement with the following:

Director Independence

Although we are currently traded on the OTCQB Market, our Board of Directors has reviewed each of the Directors relationships with the Company in conjunction with NASDAQ Listing Rule 5605(a)(2) that provides that an independent director is a person other than an executive officer or employee of the Company or any other individual having a relationship which, in the opinion of the Company's Board of Directors, would interfere with the exercise of independent judgment in carrying out the responsibilities of a director. Our Board of Directors has affirmatively determined that the following directors, Dr. Joseph A. Miller, Jr., Ronald A. Bucchi, Siraj Nour El-Ahmadi and William C. Pickett, III (served as a director from 2008 to August 15, 2018) are/were independent directors in that they are/were independent of management and free of any relationship that would interfere with their independent judgment as members of our Board of Directors. In making such determination, our Board of Directors considered the relationships that each such non-employee director has with our Company and all other facts and circumstances that our Board of Directors deemed relevant in determining their independence, including the beneficial ownership of our capital stock by each non-employee director. The following members of our Board of Directors, Thomas E. Zelibor, Dr. Michael S. Lebbly, James S. Marcelli and Dr. Frederick J. Leonberger are not independent directors pursuant to the standards described above.

2.

Replace in its entirety the proxy card appended to the Schedule 14A with the proxy card appended to/enclosed with this Supplement.
