Item 1.01 Entry into a Material Definitive Agreement

On December 5, 2016, Altisource Asset Management Corporation (the “Company”) completed the repurchase of an aggregate of 100,000 shares (the “Shares”) of the Company’s common stock from affiliated funds of Luxor Capital Partners Group (“Luxor”) in a block trade at a price of \$24.00 per share, or an aggregate of \$2.4 million, pursuant to the Company’s previously reported \$300.0 million stock repurchase program.

Luxor may be considered an affiliate and a related party of the Company because Nathaniel Redleaf, a Luxor partner, is a member of the Board of Directors of the Company. The purchase price for the Shares was determined by the Audit Committee of the Company, with Mr. Redleaf recusing himself from the consideration and vote on the transaction. The price was negotiated with Luxor and represented a 14.3% discount to the closing share price of the Company’s common stock of \$28.00, as reported by the New York Stock Exchange on December 2, 2016. The purchase price per share also represents a 16.3% discount to the average closing price of the Company’s common stock for the previous five trading days, a 15.9% discount to the average closing price of the Company’s common stock for the previous ten trading days and a 26.1% discount to the average closing price per share of the Company’s common stock for the previous 30 trading days. The repurchased Shares represented approximately 6.3% of the Company’s outstanding common stock.

Following the transaction, Luxor, through its affiliates, will continue to hold shares representing approximately 6.0% of the Company’s outstanding common stock and will retain all its 150,000 shares of the Company’s Series A Convertible Preferred Stock. Mr. Redleaf will continue to serve as a member of the Company’s Board of Directors.

The Company now holds the acquired Shares as treasury shares.
