### Item 3. Source and Amount of Funds or Other Consideration

Personal funds, not loans, were used to previously acquire the Shares.

### Item 4. Purpose of the Transaction

The Adviser on behalf of the Owners (as defined below) acquired the Shares because it believes the Shares are undervalued and represent an attractive investment opportunity.

The Adviser is considering and evaluating strategic alternatives designed to lead to maximization of shareholder value in the Issuer. The Adviser believes that there may be opportunities to improve the Issuer's strategic direction and reduce the discount to net asset value reflected in its share price. In this connection, the Adviser may hold discussions with the management team of the Issuer, members of the board of directors (the "Board"), and other stockholders to address a number of issues, including the Adviser's views on the following:

- (a) Improving the Issuer's business, prospects and strategy;
- (b) The disposition of certain assets of the Issuer;
- (c) Limiting future investment activities of the Issuer;
- (d) The liquidation of the Issuer;
- (e) The use of available cash, including for debt repayment, dividends or share repurchases;
- (f) Changes to the composition of the management team of the Issuer;
- (g) Changes to the composition of the Board; and,
- (h) Other opportunities to improve shareholder value of the Issuer.

Depending upon overall market conditions, other investment opportunities available to the Adviser, and the availability of Shares at prices that would make the purchase or sale of Shares desirable, the Adviser may endeavor to increase or decrease their position in the Issuer through, among other things, the purchase or sale of Shares on the open market or in private transactions or otherwise, on such terms and at such times as the Adviser may deem advisable. The Adviser intends to review the Owner's investment in the Issuer on a continuing basis.

Except as set forth above, the Reporting Persons have no plans or proposals which relate to, or could result in, any of the matters referred to in paragraphs (a) through (j) inclusive of the instructions to Item 4 of Schedule 13D.
