Item 2.

• Identity and Background of Filing Person.

(a) Name and Address. The name, address and telephone number of Greenway, which is the person filing this Schedule 14D-9 and the subject company, are set forth in Item 1(a) above. Our website is <http://www.greenwaymedical.com>. The website and the information on or available through the website are not a part of this Schedule 14D-9, are not incorporated herein by reference and should not be considered a part of this Schedule 14D-9.

(b) Tender Offer.

This Schedule 14D-9 relates to the Tender Offer Statement on Schedule TO filed with the Securities and Exchange Commission (“SEC”) on October 4, 2013 (together with any amendments and supplements thereto, the “Schedule TO”) by (i) VCG Holdings, LLC, a Delaware limited liability company (“Parent”), (ii) Crestview Acquisition Corp., a Delaware corporation and a direct wholly-owned subsidiary of Parent (“Merger Sub”), (iii) Vitera Healthcare Solutions, LLC, a Delaware limited liability company that is wholly owned by VEPF IV (“Vitera”) and (iv) Vista Equity Partners Fund IV, L.P., an affiliate of each of Parent and Merger Sub (“Vista”). The Schedule TO relates to the tender offer for all of the outstanding Shares of Greenway, at a price of \$20.35 per Share (the “Offer Price”) net to the seller in cash without interest and less any applicable withholding taxes (the “Per Share Amount”), if any, upon the terms and conditions set forth in the offer to purchase dated October 4, 2013 (as amended or supplemented from time to time, the “Offer to Purchase”), and in the related letter of transmittal (the “Letter of Transmittal”), which, together with any amendments or supplements, collectively constitute the “Offer.”

The Offer to Purchase and the Letter of Transmittal are being mailed to the Company’s stockholders together with this Schedule 14D-9 and filed as Exhibits (a)(1)(A) and (a)(1)(B) hereto, respectively, and are incorporated herein by reference.

The Offer is being made pursuant to the Agreement and Plan of Merger, dated as of September 23, 2013 (as it may be amended from time to time, the “Merger Agreement”), by and among Parent, Merger Sub and Greenway. Pursuant to the Merger Agreement, following the consummation of the Offer and the satisfaction or waiver of each of the applicable conditions set forth in the Merger Agreement, Merger Sub and Greenway will merge (the “Merger”), with Greenway as the surviving corporation in the Merger continuing as a direct wholly-owned subsidiary of Parent (the “Surviving Corporation”). The Merger Agreement also provides that the Merger may be consummated regardless of whether the Offer is completed, but if the Offer is not completed and is terminated in accordance with the Merger Agreement, and the Merger Agreement is not terminated, the Merger will only be able to be consummated, subject to the terms and conditions of the Merger Agreement, after the stockholders of Greenway have adopted the Merger Agreement at a special meeting of its stockholders. As a result of the Merger, each outstanding Share (other than Shares owned by Parent, Merger Sub or Greenway (or held in its treasury), any subsidiary of Parent or Greenway, or by any stockholder of Greenway who or which is entitled to and properly demands and perfects appraisal of such Shares pursuant to, and complies in all respects with, the applicable provisions of Delaware law) will at the effective time of the Merger (the “Effective Time”) be converted into the right to receive the Per Share Amount (the “Merger

Consideration”). As a result of the Merger, Greenway will cease to be a publicly traded company and will become wholly-owned by Parent.

The Offer, the Merger and the other transactions contemplated by the Merger Agreement are collectively referred to as the “Transactions”.

Potential for Future Arrangements

To our knowledge, no employment, equity contribution or other agreement, arrangement or understanding between any executive officer or director of Greenway, on the one hand, and Parent, Merger Sub, any of their affiliates or Greenway, on the other hand, existed as of the date of this Schedule 14D-9, and neither the Offer nor the Merger is conditioned upon any executive officer or director of Greenway entering into any such agreement, arrangement or understanding.

It is possible that certain members of our current management team will enter into employment arrangements with the Surviving Corporation after the completion of the Offer and the Merger. Such arrangements may include the right to purchase or participate in the equity of the Surviving Corporation or its affiliates. Any such arrangements with the existing management team are currently expected to be entered into after the completion of the Offer and will not become effective until after the Merger is completed, if at all. There can be no assurance that any parties will reach an agreement on any terms, or at all.

Director Compensation

We reimburse non-employee directors for reasonable costs and expenses incurred in attending board meetings. Governance Committee each receives an additional annual cash retainer of \$15,000, \$10,000, and \$7,500, respectively. Non-employee directors also receive an additional cash payment of \$750 per meeting attended. Cash fees are paid quarterly to the non-employee directors.

These options were 2/12 vested upon the date of grant, and 1/12 vested on the last day of each month thereafter for the following ten months.

Indemnification of Directors and Officers; Insurance

The Merger Agreement provides that all existing rights to indemnification that the present directors and officers of the Company and our subsidiaries are entitled to that are contained in the organizational documents of the Company or the organizational documents of any of our subsidiaries as in effect as of September 23, 2013, or as provided in any indemnification agreement between the Company or our subsidiaries and any such person as in effect as of September 23, 2013, will survive the Merger and will be observed by the Surviving Corporation to the fullest extent permitted by Delaware law for a period of six years from the Effective Time.

In addition, the Merger Agreement provides that Parent and the Surviving Corporation will indemnify and hold harmless each director or officer of the Company or any of our subsidiaries against any losses, claims, damages, liabilities, fees, expenses, judgments or fines in connection with any threatened or actual action, suit, charge, complaint, litigation, arbitration, proceeding (including any civil, criminal, administrative, investigative or appellate proceeding), hearing, inquiry, audit, examination or investigation based on, or arising out of, in whole or in part, the fact that such director or officer is or was a director or officer of the Company or any of our subsidiaries or any of their respective predecessors. The Merger Agreement also provides that Parent and the Surviving Corporation will also advance reasonable and documented out-of-pocket costs and expenses (including reasonable and documented attorneys' fees) incurred by such directors and officers in connection with matters for which such directors and officers are eligible to be indemnified pursuant to the Merger Agreement (to the extent permitted by applicable law).

The Merger Agreement also provides that, from the Effective Time until the sixth anniversary of the Effective Time, the Surviving Corporation will maintain in effect the Company's current insurance coverage with respect to the Company's directors and officers. Alternatively, the Company may, prior to the Effective Time, purchase a tail policy to the Company's current policy of directors' and officers' liability insurance for a period of six years from the Effective Time. If the tail policy is not purchased, the cost of such insurance coverage to be maintained by the Surviving Corporation will not exceed 250% of the annual premium currently paid by the Company for such insurance and, if the premium for such insurance coverage would exceed such amount, Parent shall be obligated to cause the Surviving Corporation to obtain a policy or policies with the greatest coverage available for a cost equal to such amount.

Representation on the Board of Directors

Upon the Acceptance Time and all times thereafter, Merger Sub has the right to elect or designate a certain number of directors (the "Merger Sub Designees") to our Board. The Merger Agreement also provides that in the event that the Merger Sub Designees are elected or designated to the board of directors of Merger Sub, then, until the Effective Time, our Board shall have at least three directors who are directors on or prior to the date of the Merger Agreement and not officers, directors, or employees of Parent or Merger Sub or any of their Affiliates each of whom shall be an "independent director" as defined by the New York Stock Exchange ("NYSE") Listing Company Manual Section 303A and eligible to serve on our audit committee under the Exchange Act and rules and regulations of the NYSE, and at least one of whom shall be an "audit committee financial expert" as defined in Items 407(d)(5)(ii) and (iii) of Regulation S-K.

TABLE OF CONTENTS

(b)

- Arrangements with Merger Sub and Parent and their Affiliates.

Merger Agreement

On September 23, 2013, Greenway, Parent and Merger Sub entered into the Merger Agreement. The summary of the material provisions of the Merger Agreement contained in Section 11 of the Schedule TO and the description of the Conditions of the Offer contained in Section 15 of the Schedule TO are incorporated herein by reference. Such summary and description are qualified in their entirety by reference to the Merger Agreement, which is filed as Exhibit (e)(1) hereto and is incorporated herein by reference.

The Merger Agreement has been provided solely to inform investors of its terms. The representations, warranties and covenants contained in the Merger Agreement were made only for the purposes of such agreement and as of specific dates, were made solely for the benefit of the parties to the Merger Agreement and may be intended not as statements of fact, but rather as a way of allocating risk to one of the parties if those statements prove to be inaccurate. In addition, such representations, warranties and covenants may have been qualified by certain disclosures not reflected in the text of the Merger Agreement and may apply standards of materiality in a way that is different from what may be viewed as material by stockholders of, or other investors in, Greenway. The Company's stockholders and other investors are not third-party beneficiaries under the Merger Agreement and should not rely on the representations, warranties and covenants or any descriptions thereof as characterizations of the actual state of facts or conditions of Greenway, Parent, Merger Sub or any of their respective subsidiaries or affiliates.

Equity and Debt Commitments

Parent has received an equity commitment letter from Vista (the "Equity Commitment Letter"), pursuant to which Vista has committed to contribute to Parent an amount equal to \$650 million (subject to adjustment as set forth in the Equity Commitment Letter) in cash in immediately available funds, which will be sufficient for Parent to consummate the transactions contemplated by the Merger Agreement even if Parent's debt financing is not available, including the aggregate Offer Price and/or Merger Consideration, as applicable, pursuant to and in accordance with the Merger Agreement, and certain other amounts required to be paid pursuant to the Merger Agreement, including fees and expenses directly related to the debt financing required to be paid by Parent, Merger Sub and the Surviving Corporation. We refer to the financing contemplated by the Equity Commitment Letter, as may be amended, restated, supplemented or otherwise modified from time to time, as the "Equity Financing." The funding of the Equity Financing is subject to (i) the satisfaction, or waiver by Parent and Merger Sub (with the prior written approval of Vista), of all conditions of the Offer or the Merger, as applicable, and (ii) the contemporaneous consummation of the acquisition of the Shares tendered in the Offer at the closing of the Offer, if the closing of the Offer shall occur, or the Merger (regardless of whether the closing of the Offer occurs). The Company is a third-party beneficiary of the Equity Commitment Letter for the limited purposes provided in the Equity Commitment Letter, which include the right of Greenway to seek and obtain specific performance to cause Parent and Merger Sub to cause, or to directly cause, Vista to fund the Equity Financing in accordance with the terms of the Equity Commitment Letter and the Merger Agreement. Concurrently with the execution and delivery of the Equity Commitment Letter, Vista executed and delivered to Greenway a limited guaranty in favor of Greenway in respect of certain of Parent's and Merger Sub's liabilities and obligations under the Merger Agreement (which we refer to as the "Limited Guaranty"), provided that in no event will Vista incur obligations totaling more than \$48,273,000 in the aggregate (plus the amount of any reimbursement or indemnification obligations payable pursuant to the Merger Agreement) under the Limited Guaranty. Vista's obligation to fund its equity commitment will expire upon the earliest to occur of (i) immediately following the Effective Time and the deposit of the Payment Fund, (ii) the valid termination of the Merger Agreement in accordance with its terms, (iii) the date on which any claim is brought by Greenway under, or any legal proceeding is brought by Greenway with respect to, the Limited Guaranty, Vista or certain affiliates of Vista (other than in respect of certain obligations guaranteed as set forth in the Limited Guaranty or a claim for specific performance under and in accordance with the terms of the Equity Commitment Letter) or (iv) the date on which any other claim is brought under, or legal proceeding is initiated against Vista or any affiliate thereof in connection with the Equity Commitment Letter, the Limited Guaranty, the Merger Agreement or any transaction contemplated thereby or otherwise relating

thereto (with the exception of certain claims related to the merger or the equity funding or under the Limited Guaranty, all as specified in the Limited Guaranty).

Tender and Support Agreements

Concurrently with the execution of the Merger Agreement, certain of the Company's stockholders (Investor Group L.P., Investor Growth Capital Limited and Pamlico Capital II, L.P.), each of the Company's directors (W. Thomas Green, Jr., Wyche T. Green, III, Robert Hensley, Neal Morrison, Thomas T. Richards, Walter Turek and Noah Walley), Gregory H. Schulenburg (the Company's Executive Vice President and Chief Operating Officer), James A. Cochran (the Company's Chief Financial Officer) and William G. Esslinger, Jr. (the Company's Vice President, General Counsel and Secretary), entered into tender and support agreements with Parent and Merger Sub pursuant to which, subject to the terms and conditions set forth therein, such stockholders have agreed to tender their Shares in the Offer and vote their Shares (including any Shares that the holders receive as a result of exercising Company Options) in favor of adopting the Merger Agreement and the Merger.

The shares subject to the tender and support agreements comprise approximately 50.9% of the outstanding Shares.

The tender and support agreements will terminate upon termination of the Merger Agreement in accordance with its terms in order for the Company to accept a Superior Offer and upon certain other circumstances.

The foregoing summary of the Support Agreements does not purport to be complete and is qualified in its entirety by reference to the Support Agreements, which are filed as Exhibits (d)(6)-(18) to the Schedule TO and are incorporated herein by reference.

Confidentiality Agreement

On June 14, 2013, Vista Equity Partners III, LLC ("VEP"), an affiliate of Parent and Merger Sub, and Greenway entered into a Confidentiality Agreement (the "Confidentiality Agreement"), as amended on September 6, 2013 (the "First Amendment to the Confidentiality Agreement"). Under the terms of the Confidentiality Agreement, VEP agreed that, subject to certain exceptions, any non-public information regarding Greenway and its subsidiaries or affiliates furnished to VEP or to its representatives solely to carry out discussions concerning, and the undertaking of, any negotiated business transaction between the parties would, for a period of one year from the date of the Confidentiality Agreement, be kept confidential, except as provided in the Confidentiality Agreement. Additionally, VEP further agreed that, subject to certain exceptions, VEP would not solicit for employment any employee of Greenway for a period of one year from the date of the Confidentiality Agreement. VEP also agreed, among other things, to certain "standstill" provisions which prohibit VEP and its representatives from taking certain actions involving or with respect to Greenway (except that VEP may submit a private proposal to us) for a period ending on the one year anniversary of the date of the Confidentiality Agreement.

This summary and description of the Confidentiality Agreement, as amended, is qualified in its entirety by reference to the (1) Confidentiality Agreement, which is filed as Exhibit (d)(2) to the Schedule TO and (2) First Amendment to the Confidentiality Agreement, which is filed as Exhibit (d)(3) to the Schedule TO, and each is incorporated herein by reference.

Item 4.

- The Solicitation or Recommendation.

On September 23, 2013, our Board unanimously (i) determined that the Merger Agreement, the Support Agreements and the Transactions, including the Offer and the Merger and other transactions contemplated by the Merger Agreement and the Support Agreements, are advisable to, and in the best interest of, Greenway and its stockholders, (ii) approved the execution, delivery and performance by Greenway of the Merger Agreement and the consummation of the Transactions, including the Offer and the Merger, (iii) authorized and approved the Top-Up and the issuance of the Top-Up Shares (as defined below), and (iv) resolved to recommend that the stockholders of Greenway tender their Shares to Parent pursuant to the Offer, and, if applicable, approve the adoption of the Merger Agreement and the Merger.

Accordingly, and for other reasons described in more detail below, our Board unanimously recommends that holders of Shares accept the Offer and tender their Shares pursuant to the Offer, and, if applicable, that holders of Shares adopt the Merger Agreement and approve the Merger.

(i)

- Background of Offer and Merger

Greenway is a leading provider of integrated information technology solutions and managed business services to physician and mid-level healthcare providers, many of whom are organized in group practices that are independent, part of healthcare enterprises, or owned by hospitals, as well as retail and other ambulatory clinics, and alternative care venues.

Prior to and following the time of Greenway's initial public offering in February 2012, Greenway's management and Board have focused on implementing a business strategy that is designed to guide Greenway to becoming the most trusted and effective provider of technology solutions and managed business services to medical providers.

Greenway's strategic plan has not historically included a sale of the company. However, the decision of the Board on September 23, 2013 to, among other things, unanimously determine that the Merger Agreement and the Transactions, including the Offer and the Merger, are advisable to, and in the best interests of, Greenway and its stockholders, ultimately resulted from the following series of events.

On March 1, 2013, representatives of Vista contacted representatives of J.P. Morgan Securities LLC ("J.P. Morgan") (due to J.P. Morgan's involvement in Greenway's initial public offering) to indicate Vista's interest in potentially combining Greenway with one of Vista's portfolio companies, Vitera Healthcare Solutions, LLC ("Vitera"), and to ask J.P. Morgan about the possibility of arranging a call or a meeting with Greenway. Neither Greenway nor J.P. Morgan solicited this indication of interest.

On or about March 5, 2013, representatives of J.P. Morgan contacted Wyche T. Green, III (Greenway's President Chief Executive Officer). After some discussion, Mr. Green asked J.P. Morgan to arrange a potential meeting with Vista. Mr. Green subsequently informed the Board of his conversation with J.P. Morgan, Vista's potential interest in Greenway, and the potential meeting with Vista.

On May 17, 2013, Mr. Green, James Cochran (Greenway's Chief Financial Officer) and D. Neal Morrison (a member of Greenway's Board) met with members of the Vista team, as well as a member of Vitera's management team, at Greenway's headquarters in Carrollton, Georgia. At the meeting, representatives of Greenway, Vista and Vitera each discussed their perspective on the ambulatory healthcare market, presented an overview of their respective businesses and discussed potential strategic benefits and synergies of combining Greenway with Vitera.

After the May 17, 2013 meeting, Vista reiterated to J.P. Morgan its interest in pursuing further discussions relating to the possibility of combining Greenway with Vitera, and requested that Greenway provide limited and targeted data to help inform Vista's interest in Greenway.

Between May 18, 2013 and June 4, 2013, representatives from Greenway and J.P. Morgan had several discussions relating to the status and possibility of a business combination, as well as other topics related to a possible transaction.

On May 22, 2013, Mr. Green and a representative of Vista spoke telephonically about the possible combination transaction and the information Vista would need from Greenway at that stage. A representative of Vista sent a follow up email on May 24, 2013, with targeted questions and data requests meant to assist Vista in preparing a more informed sense of valuation.

On May 31, 2013, a representative of Vista followed up with Mr. Green to ask when Vista would receive the information that they had requested. Shortly after this call, representatives from J.P. Morgan advised Vista that in order for Greenway to provide the requested information, Vista would first need to execute a confidentiality agreement.

On June 5, 2013, J.P. Morgan sent Vista a draft confidentiality agreement, which was prepared by Paul Hastings LLP ("Paul Hastings"), Greenway's outside corporate counsel. Greenway and Vista negotiated the terms of the confidentiality agreement, including customary "standstill" provisions, over the next several days.

On June 10, 2013, J.P. Morgan met telephonically with members of Greenway's management team. J.P. Morgan recommended that Greenway's management begin reviewing and collecting the requested information for Vista, and J.P. Morgan indicated that it would form a preliminary view on Greenway's valuation and a potential pro forma combination between Greenway and Vitera, as well as prepare a list of potential next steps and guidance relating to the process going forward for the Board. After informal consultation with the Board, Greenway's management team began collecting the relevant information.

On June 13, 2013, the Board met telephonically to discuss a potential business combination with Vitera. J.P. Morgan led a discussion relating to an overview of a potential transaction, and provided a draft preliminary valuation analysis. J.P. Morgan also presented background information on both Vista and Vitera, reviewed recent transactions in the healthcare information technology sector, and provided an overview of Vista's due diligence request. After a discussion, the Board concluded that, while the Board was satisfied with Greenway's performance and strategy as a stand-alone company, it should continue to review and consider Vista's interest in Greenway as it could potentially be advantageous for its stockholders. The Board directed management to continue limited discussions with Vista, to provide information on a limited basis to Vista, to finalize, with the assistance of Paul Hastings, a confidentiality agreement between Greenway and Vista, which should take into consideration that Vitera is in the same industry as Greenway and should address the Board's concern that Greenway should not share proprietary or sensitive information with certain people at Vitera. The Board also instructed management that any discussion with Vista about going forward with a potential transaction would be premature at this point. The Board also discussed the appropriateness of formally engaging J.P. Morgan to assist with the process and any resulting transaction as well as the need for confidentiality, as rumors of a possible transaction could create customer concerns and disruptions, and impact Greenway's business.

On June 14, 2013, Greenway and Vista signed the confidentiality agreement, which included customary "standstill" provisions prohibiting Vista and its representatives from taking certain actions involving or with respect to Greenway (except that Vista was permitted to submit a private proposal to Greenway) for a period of one year, and a prohibition against Vista disclosing any confidential information to Vitera without Greenway's prior written consent (the "Confidentiality Agreement").

Beginning on or around June 18, 2013 and through the signing of the Merger Agreement, the management of Greenway provided representatives of Vista and Vitera responses to various due diligence requests, participated in due diligence calls with representatives of Vista and Vitera and provided product demonstrations to representatives of Vista.

On June 24, 2013, the Board met telephonically to discuss engaging J.P. Morgan to act as Greenway's financial advisor, and considered J.P. Morgan's previous relationships with Vista and its portfolio companies, as well as the terms of such an engagement. William G. Esslinger, Jr. (Greenway's Vice President, General Counsel and Secretary) and a representative from Paul Hastings led the discussion with the Board and answered the Board's questions.

On June 25, 2013, Greenway's management met telephonically with Vista's management to review the information provided during the week of June 17, 2013, and to answer initial due diligence questions.

On June 28, 2013, subsequent to Vista's review of the initial and limited information provided to by Greenway's management, representatives of Vista called representatives of J.P. Morgan to express Vista's continued interest in Greenway and to indicate that Vista was interested in combining Vitera with Greenway in a transaction at a cash price of \$18.50 per share. Representatives of Vista indicated that Vista thought \$18.50 per share was extremely compelling, and was deliberately high in order to demonstrate Vista's seriousness as its initial offer was well above the closing price of \$12.14 on that date. Representatives of Vista also indicated that, while Vista was willing to structure the deal in such a manner as to provide a high degree of deal certainty, including its willingness to explore a nontraditional commitment to consummate the transaction even if Vista's debt financing was not available, Vista would expect certain key deal terms in exchange for such transaction certainty and approach.

On June 30, 2013, the Board met telephonically and representatives of J.P. Morgan updated the Board on their discussion with Vista on June 28, 2013. Representatives of J.P. Morgan then led the Board through another presentation on Greenway's preliminary valuation. Representatives of Paul Hastings and

TABLE OF CONTENTS

J.P. Morgan also discussed issues related to deal structure, financing, closing certainty and risks related to the offer and a deal with Vista. The Board agreed that Vista's offer was serious and worth pursuing further, but that the offer was not at a point that could be accepted without further consideration of all issues and negotiation of a possibly higher price. The Board then authorized Greenway's management to continue discussions with Vista and to provide Vista with additional information, including the Company Case 1 Projections, to attempt to increase Vista's offer. On July 2, 2013, the Board met telephonically to discuss the draft engagement letter with J.P. Morgan, and the Board instructed Greenway's management to negotiate and finalize J.P. Morgan's engagement.

On July 7, 2013, representatives from Greenway's management sent the Company Case 1 Projections to J.P. Morgan for review, and subsequently met telephonically with J.P. Morgan to discuss these projections.

On July 9, 2013, J.P. Morgan provided the Company Case 1 Projections to Vista. In addition, on July 9, 2013, Greenway's management held a call with representatives of J.P. Morgan to finalize the engagement. The engagement letter between Greenway and J.P. Morgan was executed on July 10, 2013, and was effective as of June 6, 2013.

On July 11, 2013, representatives of Vista participated on a call with representatives of Greenway's management team and representatives of J.P. Morgan to discuss the Company Case 1 Projections.

On July 16, 2013, the Board met telephonically, and Mr. Green provided a summary of events to date, and representatives of Paul Hastings gave a detailed presentation regarding the Board's fiduciary duties in the context of the potential combination of Greenway with Vitera. Representatives of Paul Hastings discussed the Board's duties in general and specifically with respect to how they applied to the potential strategic combination transaction with Vitera, including discussion related to deal certainty coupled with Vista's desire for certain deal terms, and Delaware cases regarding pre-agreement and post-agreement market checks.

On July 24, 2013, the Board met telephonically, and representatives of J.P. Morgan gave a presentation on Greenway's preliminary valuation, and noted that a price within the range of \$20.00 to \$22.00 would be attractive to Greenway and its stockholders. In addition, representatives of J.P. Morgan provided a summary of events to date and led a detailed discussion on, among other things, Vista's ability to finance the possible transaction. The Board considered that, while Vista's profile as a private equity firm was traditionally that of a financial buyer, the potential strategic combination of Greenway with Vitera could generate strategic benefits unique to Vitera which would allow it to offer a higher price than other potential buyers. The Board also reviewed the Company Case 1 Projections that were provided to Vista and determined that, while they were within the range of possible outcomes, the projections could be viewed as being too aggressive, and Vista could question Greenway's ability to achieve them.

On July 26, 2013, representatives of Vista contacted representatives of J.P. Morgan and, among other things, indicated that Vista was willing to raise its offer for an all-cash transaction from \$18.50 to \$19.25 per share based on the additional information and Company Case 1 Projections that Greenway had provided to Vista. Representatives of Vista further indicated that the new offer was at Vista's high end of supportability in light of the fact that Vista believed that the Company's budget and projections were very aggressive and were in large part based on large increases in the number of providers and assumed adoption rates for the new clinically driven revenue cycle management product recently released by Greenway that were significantly above any historical achievements.

On July 27, 2013, the Board met telephonically, and representatives of J.P. Morgan provided a summary of their conversation with a representative of Vista the night before. In addition, J.P. Morgan offered a preliminary financial analysis of the new offer, and concluded that Vista's new offer was at the high end of what the public equity research forecasts would support. J.P. Morgan observed that Vista's willingness to pay such a high price for Greenway was potentially driven by the unique strategic benefits obtainable from a combination with Vitera, rather than a purely financial perspective, but that, nonetheless, Vista's willingness to raise its price further may be limited. Following discussions and considering the advice and information they received, the Board authorized J.P. Morgan to "test the waters" and inform Vista that the merger price had to be at or near \$22.00 per share for the Board to favorably consider the offer.

TABLE OF CONTENTS

On July 30, 2013, the Board met telephonically, and Mr. Green provided an update on J.P. Morgan's conversations with Vista. Mr. Green indicated that J.P. Morgan had a call with Vista on July 29, 2013 and that J.P. Morgan had informed Vista of the Board's views on the merger price and also informed Vista that the Board was unwilling to accept any offer that contained a financing condition or provided for Vista to terminate the transaction (even if a reverse termination fee were to be paid) in the event that Vista's debt financing was not funded. Mr. Green said that J.P. Morgan reported that Vista indicated it would be very difficult to offer a price that high, and that going any higher than \$19.25 per share would necessarily be conditioned on certain key deal terms, including Greenway agreeing to a period of pre-signing exclusivity with Vista and customary "no shop" provisions in any definitive merger agreement. Mr. Green also reported that, subsequent to the call between J.P. Morgan and Vista on July 29, 2013, Vista had reached out to Mr. Green directly and indicated that they wanted to have a one-on-one conversation with Mr. Green about the deal to reiterate the message that Vista delivered to J.P. Morgan on the July 29, 2013 call. Representatives of Paul Hastings then reviewed with the Board considerations relating to key deal terms, including market checks and fiduciary outs for the Board. The Board also discussed who the alternative bidders might be that could be interested and able to finance a transaction similar to Vista's proposal, and deferred further consideration of those issues until a revised offer and terms were received from Vista.

On July 31, 2013, Mr. Green met with a representative of Vista for dinner, at which, among other things, the representative of Vista indicated that Vista would seek to form a senior leadership team for the combined company comprised of key executives of both Greenway and Vitera. While not a condition of Vista's willingness to proceed, it was very important to Vista that Mr. Green was committed to remaining actively involved in the leadership of the combined company. As instructed by the Board on July 30, 2013, Mr. Green did not inquire about any details or any other terms relating to his future employment. The representative of Vista and Mr. Green also discussed the status of negotiations, and the representative of Vista communicated to Mr. Green that, at that time, Vista had no basis to increase their offer from \$19.25 a share, and certainly could not contemplate increasing its offer price based on the limited information provided by Greenway to Vista in response to Vista's diligence requests to date.

On August 2, 2013, representatives of Vista called representatives of J.P. Morgan, to indicate that, if Vista was granted further access to Greenway in order to conduct a more detailed diligence process, Vista might be able to make an offer for an all-cash transaction at a range between \$20.00 and \$21.00 per share, but that, regardless of any additional due diligence, Vista would not be willing to go higher than \$21.00 per share. Representatives of Vista also indicated that, in order to even contemplate making an offer in this price range, Greenway would need to agree to a 30-day exclusivity period with Vista during which Vista would conduct in-depth due diligence on Greenway.

On August 3, 2013, the Board met telephonically, and Mr. Green provided an update to the Board about his dinner with the representative of Vista. Representatives from J.P. Morgan also provided an update on the increased offer from Vista and once again summarized the preliminary valuation of Greenway, noting that the offer was attractive and well within the full value range for the Company. After a discussion, the Board agreed that the price range provided by Vista was within the full value range for the Company, eliminated operating and market risks and provided an excellent liquidity opportunity for all stockholders. The Board then authorized J.P. Morgan to obtain a written indication of interest from Vista, which would include a specific price, rather than a range, and would specify other key deal terms, including those key deal terms that Vista had indicated would be necessary for its current proposed range.

Between August 3, 2013 and August 8, 2013, representatives from J.P. Morgan had a series of conversations with representatives from Vista about the offer price and the terms of a potential deal.

On August 8, 2013, after a call from Vista, J.P. Morgan received via email from Vista a preliminary non-binding letter of interest relating to the proposed transaction. The letter indicated that the acquisition would be by way of an all-cash tender offer for all of the Company Common Stock at \$20.35 per share. In addition, the letter indicated that Vista would obtain a commitment for all sources of financing before the signing of a definitive agreement and, that while any definitive agreement would have a customary "no-shop" with a fiduciary termination right for superior proposals, matching rights, break-up fees and remedies consistent with precedent leveraged transactions, closing of the transaction would not be

TABLE OF CONTENTS

contingent on financing. Also, Vista indicated that, in light of the significant amount of time and resources Vista was prepared to commit to this opportunity, Vista's willingness to proceed with the proposal was conditioned on Vista being given a 30-day period of exclusivity, with extensions if necessary and mutually agreed to by both parties. On August 9, 2013, the Board met telephonically to review and discuss Vista's preliminary non-binding letter of interest. Representatives from J.P. Morgan gave a presentation on Greenway's preliminary valuation, and indicated that Vista's new offer price placed a very strong value on the Company. In addition, representatives from J.P. Morgan noted that it would be difficult for any other likely financial buyers to be able to match Vista's new offer price or to commit sufficient equity to cover the entire offer price without the availability of benefits common to strategic buyers, and that the multiples that were implied by Vista's offer were extremely high for likely strategic buyers. Representatives from J.P. Morgan then reviewed Vista's letter, including the fact that the offer would not be contingent on financing. Representatives from J.P. Morgan also noted that it was clear from their conversation with representatives of Vista that this was Vista's best and final offer and that the increased per share price was a package deal, with the \$20.35 price per share being contingent upon Greenway's acceptance of Vista's proposed key deal terms that Vista had included in its offer. The Board was of the opinion that the offered price represented the most Vista would pay, and instructed Mr. Green, J.P. Morgan and Paul Hastings to seek clarity on some of the terms set forth in Vista's letter and to discuss and, if possible, negotiate with Vista certain requests for key deal terms in exchange for enhanced deal certainty, including Greenway's desire to obtain Vista's commitment to consummate the transaction even if Vista's debt financing was not available and ability to seek full specific performance as a remedy. On August 14, 2013, Mr. Green and a representative of Vista discussed the terms of Vista's letter, and Vista agreed to deliver an equity commitment letter that would be sufficient to consummate the transaction even if Vista's debt financing was not available and to grant Greenway full specific performance to enforce this commitment (as opposed to being limited to a reverse termination fee in such circumstances). Pursuant to the Board's instructions, Mr. Green and the representative of Vista also preliminarily agreed to a customary "no-shop" provision, which would permit Greenway to respond to unsolicited proposals and ultimately terminate the Vista deal to accept a superior proposal, and a termination fee of 3.75% of the equity value of the deal payable on certain circumstances. On August 14, 2013, J.P. Morgan received a revised preliminary non-binding letter of interest from Vista that reflected Mr. Green's discussion with the representative of Vista earlier in the day. On August 15, 2013, the Board met in person in Carrollton, Georgia. Mr. Green updated the Board on his conversation with the representative of Vista, and the Board reviewed the negotiated deal terms and the revised letter from Vista with representatives of Paul Hastings and J.P. Morgan. Following a discussion, the Board unanimously agreed to move forward to pursue the Vista offer and authorized Mr. Green to sign a 30-day exclusivity agreement with Vista. The exclusivity agreement was executed on August 17, 2013, and Vista confirmed by email that certain members of Vitera and Vista's potential lenders would be considered "associates" under the Confidentiality Agreement. Between August 17, 2013 and August 28, 2013, Greenway received many due diligence requests from Vista and its advisors, and Greenway responded to these requests. Greenway provided Vista and its representatives with access to a virtual data room on August 23, 2013. On August 28 and August 29, 2013, Greenway's senior management team met with representatives of Vista and with members from Vitera's senior management team, along with Vista's potential lenders, at Paul Hastings' offices in Atlanta, Georgia. Greenway delivered several presentations on its business, operations and market trends, and both Vista and Vitera delivered presentations providing a general overview of their respective businesses. Representatives of Paul Hastings and J.P. Morgan were also in attendance at these meetings. On August 30, 2013, Kirkland & Ellis LLP ("Kirkland"), outside corporate counsel to Vista, sent an initial draft of the Merger Agreement to Paul Hastings. Among other things, this draft provided for a "dual track" structure with the tender offer to start within six business days of signing the agreement, matching rights in the event of a potential superior offer, and a cap on Vista's total monetary damage set at 7.5% of the equity value of the deal.

TABLE OF CONTENTS

Between August 30, 2013 and September 10, 2013, Greenway continued to respond to Vista's due diligence requests, and representatives of Paul Hastings and J.P. Morgan continued to discuss the terms of the transaction with Vista and its representatives.

On September 6, 2013, Greenway and Vista agreed to amend the Confidentiality Agreement (the "First Amendment to the Confidentiality Agreement") to further document the scope of Vista's "associates" to include Vitera and Vista's potential lenders, which had been previously confirmed by email on August 17, 2013, and to provide for certain additional protections of confidential Greenway information obtained during the due diligence process.

On September 10, 2013, the Board met telephonically, and representatives from J.P. Morgan provided an update on the ongoing negotiations with Vista. They also reiterated that in their opinion it would be difficult for financial buyers to be able to match Vista's offer price or to commit sufficient equity to cover the entire offer price without the availability of the strategic benefits obtainable from a combination with Vitera, and the multiples that were implied by Vista's offer were extremely high for likely strategic buyers. The Board also discussed the draft Merger Agreement and considered its terms, including Vista's position on key deal terms. With this in mind, the Board directed Paul Hastings, among other things, to seek a longer period between announcement and commencement of the tender offer to allow additional time for a third party to consider making an unsolicited acquisition proposal while locking in Vista's offer which presented an attractive transaction at a premium price, to limit the number of Vista's matching rights and to remove the cap on Vista's monetary damages. On September 10, 2013, Paul Hastings sent a revised version of the Merger Agreement to Kirkland that was consistent with the Board's authorization.

On September 15, 2013, representatives of Paul Hastings, J.P. Morgan, Vista and Kirkland met telephonically to discuss the draft Merger Agreement, during which, among other things, Vista indicated that many of the changes to the Merger Agreement were unacceptable given that Vista latest offer was a package deal and in light of the nontraditional deal certainty terms that Vista had agreed to provide to the Board in exchange for other deal terms. In addition, on September 15, 2013, Mr. Green and representatives of Vista spoke telephonically, and representatives of Vista reiterated Vista's position that the current offer was a package deal that included both the terms of the Merger Agreement and the per share offer price of \$20.35. Mr. Green also had several conversations with representatives of Paul Hastings and J.P. Morgan relating to key deal terms and deal certainty. Late on September 15, 2013, Kirkland sent a revised version of the Merger Agreement to Paul Hastings.

On September 17, 2013, the Board met telephonically, and Mr. Green provided an update to the Board on the ongoing negotiations with Vista and the recent discussions with Vista and its representatives. The Board discussed the revised Merger Agreement, as well as Vista's negotiating posture and Greenway's negotiating strategy, with representatives of Paul Hastings and J.P. Morgan. The Board concluded that the most important remaining issue in the latest draft of the Merger Agreement was the length of the period between announcement and commencement of the tender offer, and directed Paul Hastings and J.P. Morgan to, among other things, continue to seek a longer period, as well as to seek a termination fee in an amount equal to Vista's proposed cap on monetary damages payable by Vista in certain circumstances instead of removing such cap.

On September 18, 2013, Paul Hastings sent a revised version of the Merger Agreement to Kirkland that was consistent with the Board's direction, and indicated to Kirkland that the Board was scheduled to meet during the early evening on September 19, 2013 and asked that they raise any significant objections before that time so that they could be discussed with the Board.

During the afternoon of September 19, 2013, representatives of Vista called Mr. Green and representatives of J.P. Morgan, and representatives of Kirkland called Paul Hastings, to indicate that, with very few exceptions, none of the proposed changes in the September 18 draft of the Merger Agreement would be accepted. During the early evening of September 19, 2013, the Board met telephonically, and Mr. Green, along with representatives of Paul Hastings and J.P. Morgan, provided an update to the Board and their discussions with Vista and its representatives earlier in the day. The Board reviewed with J.P. Morgan how much time it could take for a potential third party, if any were interested, to emerge with a superior offer and sign a definitive agreement with Greenway after the announcement of the transaction with Vista. After its review, J.P. Morgan stated that, given that any third party would likely be a large and

TABLE OF CONTENTS

experienced strategic buyer with cash on hand or pre-existing financing that would enable it to make a credible superior offer, the existing timeframe in the draft Merger Agreement was likely sufficient, but that adding several days would obviously be preferable. After discussing Greenway's ongoing negotiating strategy, the Board instructed Mr. Green and J.P. Morgan to inform Vista that, notwithstanding Vista's position, the Board could not proceed without there being at least nine business days between the announcement and commencement of the tender offer, so that there would be at least approximately 40 total calendar days between the announcement and the initial expiration of the tender offer.

During the evening of September 19, 2013, Mr. Green and representatives of J.P. Morgan spoke to Vista, and the parties agreed to the increase in the number of days between announcement and the commencement of the tender offer. Kirkland provided a revised draft of the Merger Agreement, which also included, among other things, a termination fee in the amount of \$48,273,000 payable by Vista in certain circumstances and a cap on monetary damages in an equal amount, and Paul Hastings and Kirkland continued to finalize the Merger Agreement over the next three days.

On September 20, 2013, Mr. Green met with representatives of Vista in Boulder, Colorado. At this meeting, the parties discussed how Vista manages its businesses and what a combined Greenway-Vitera company might look like, including reiterating Vista's intent, should the deal proceed, to form a senior leadership team for the combined company comprised of key executives of both Greenway and Vitera. Representatives of Vista and Mr. Green did not discuss any employment arrangements or terms and, as instructed by the Board, Mr. Green did not inquire about any details or other terms relating to his potential future employment.

On September 23, 2013, the Board met in person in Atlanta, Georgia to review the final terms of the Merger Agreement. Representatives of J.P. Morgan reviewed with the Board its financial analyses of the consideration of \$20.35 in cash per share of Company Common Stock and delivered to the Board its oral opinion, which was confirmed by delivery of a written opinion dated September 23, 2013, to the effect that, as of such date and based upon and subject to the assumptions made, procedures followed, matters considered and limitations on the review undertaken by J.P. Morgan in preparing the opinion, the consideration to be paid to the holders of the Company's common stock in the proposed transaction was fair, from a financial point of view, to such holders. Following further discussion, and after consultation with its advisors, the board of directors unanimously, among other things, (i) determined that the Merger Agreement, the Support Agreements and the Transactions, including the Offer, the Merger and the transactions contemplated in the Support Agreements, are advisable to, and in the best interest of, Greenway and its stockholders, (ii) approved the execution, delivery and performance by Greenway of the Merger Agreement and the consummation of the Transactions, including the Offer and the Merger, (iii) authorized and approved the Top-Up Option and the issuance of the Top-Up Shares (as defined below), and (iv) resolved to recommend that the stockholders of Greenway tender their Shares to Parent pursuant to the Offer, and, if applicable, approve the adoption of the Merger Agreement and the Merger.

During the evening of September 23, 2013, Vista executed the Equity Commitment Letter and Greenway and Vista executed the Merger Agreement and the Limited Guaranty and issued a joint press release announcing the execution of the Merger Agreement.

(ii)

- Reasons for Recommendation

On September 23, 2013, our Board unanimously (i) determined that the Merger Agreement and the Transactions, including the Offer and the Merger, are advisable to, and in the best interest of, Greenway and its stockholders, (ii) approved the execution, delivery and performance by Greenway of the Merger Agreement and the consummation of the Transactions, including the Offer and the Merger, (iii) authorized and approved the Top-Up Option and the issuance of the Top-Up Option Shares, and (iv) resolved to recommend that our stockholders tender their Shares to Parent pursuant to the Offer, and, if applicable, approve the adoption of the Merger Agreement and the Merger.

In evaluating the Merger Agreement and the Transactions, our Board consulted with our senior management regarding the business and financial condition of Greenway, trends in our industry, future prospects and the terms and conditions of the Transactions. In addition, our Board consulted with our outside legal advisor, Paul Hastings, regarding the

proposed terms and conditions of the Transactions and

the obligations of the members of the Board in their consideration of the Transactions, and our financial advisor, J.P. Morgan, regarding the fairness, from a financial point of view, of the consideration to be paid to the holders of Shares in the proposed Transactions. In the course of reaching its determination to approve the Merger Agreement and the Transactions and to recommend that our stockholders accept the Offer and tender their Shares pursuant to the Offer and, if required, adopt the Merger Agreement and approve the Merger, our board carefully considered numerous factors, including the following factors (which are not listed in any relative order of importance):

-
- the fact that the Offer price of \$20.35 per share will be paid in cash, providing certainty, immediate value and liquidity to our stockholders;
-
- the transaction consideration represents a 62% premium to Greenway's 90-day volume weighted average stock price, and a 20% premium to Greenway's closing share price the day before the merger agreement was signed;
-
- the possibility that it could take a considerable period of time before the trading price of our common stock would reach and sustain trading at or above the per share Offer Price of \$20.35, as adjusted for present value;
-
- the fact that the Offer cannot start any earlier than nine (9) business days after the date of the Merger Agreement, which provides additional time for a potential third-party to make a Superior Offer;
-
- the belief of our Board, after a thorough review of our business, market trends and financial condition, and discussions with our management and advisors, that the value offered to stockholders pursuant to the Transactions is more favorable to our stockholders than the potential value that might have resulted from remaining an independent public company, considering:
 - the changing nature of our client base and related risks;
 -
 - the shift to subscription-based pricing models;
 -
 - the risks inherent in the introduction of new products and services;
 -
 - the size of the Company relative to its competitors in the industry;
 -

- the substantial growth rates that are required to meet our financial projections; and
-
- the execution and other risks and uncertainties relating to future execution of our strategic plan;
-
- our Board’s familiarity with our current and historical financial condition, results of operations, prospects, business strategy, competitive position, properties, assets and prospects;
-
- the belief of our Board based upon arm’s length negotiations with Vista that the price to be paid by Merger Sub is the highest price per share that Vista was willing to pay for Greenway and that the terms of the Merger Agreement include the most favorable terms to us to which Vista was willing to agree;
-
- the fact that the Merger Agreement was unanimously approved by our Board, which is comprised of a majority of independent directors who are not affiliated with Parent or Merger Sub or any of their affiliates and are not employees of Greenway or any of its subsidiaries, and which retained and received advice from our financial advisor and legal advisor in evaluating, negotiating and recommending the terms of the Merger Agreement;
-
- the oral opinion of J.P. Morgan delivered to the Board on September 23, 2013, which was confirmed by delivery of a written opinion dated September 23, 2013, to the effect that, as of such date and based upon and subject to the assumptions made, procedures followed, matters considered and limitations on the review undertaken by J.P. Morgan in preparing the opinion, the consideration to be paid to the holders of the Shares in the proposed Transaction was fair, from a financial point of view, to such holders, as more fully described below under the caption “— Opinion of J.P. Morgan Securities LLC”. The full text of the written opinion of J.P. Morgan,

dated September 23, 2013, which sets forth, among other things, the assumptions made, procedures followed, matters considered and limitations on the review undertaken in rendering the opinion, is attached as Annex II to this Schedule 14D-9;

-
- the fact that Parent has received an equity commitment letter that will be sufficient for Parent to consummate the transactions contemplated by the Merger Agreement even if Parent's debt financing is not available, and the reputation of the financing sources, each of which, in the reasonable judgment of our Board, increases the likelihood of such financings being completed;
-
- the fact that the Merger Sub must extend the Offer if requested by us for successive periods of ten business days until the earliest to occur of (i) the valid termination of the Merger Agreement, (ii) three business days after the date on which the SEC has, orally or in writing, confirmed that it has no further comments on the proxy statement to be filed by the Company in connection with the adoption of the Merger Agreement, including by informing the Company that it does not intend to review the proxy statement or (iii) March 22, 2014 (the "End Date"), if, on any scheduled expiration date, any of the conditions to the consummation of the Offer is not satisfied and has not been waived;
-
- the terms and conditions of the Merger Agreement, including the following related factors:
-
- the transaction is structured as a tender offer, which can be completed, and the cash Offer Price can be delivered to our stockholders, on a prompt basis, following satisfaction or, in certain cases, waiver of the conditions to the Offer, reducing the period of uncertainty during the pendency of the Transactions to stockholders, with a second-step merger in which stockholders who do not tender their Shares in the Offer will receive cash consideration equal to the Offer Price;
-
- our ability to convert the structure into a one-step merger in the event the conditions to the Offer are not met;
-
- the nature of the conditions to Merger Sub's obligations to consummate the Offer, the Merger and other Transactions and the risks of non-satisfaction of such conditions;
-
- the ability of our Board under the Merger Agreement to withdraw or modify its recommendation that our stockholders accept the Offer and tender their Shares or vote in favor of adoption of the Merger Agreement in certain circumstances, including, most importantly, in connection with a Superior Offer, and our right to terminate the Merger Agreement in order to accept a Superior Offer and enter into a definitive agreement with respect to such Superior Offer, in both cases subject to payment of a termination fee;
-

- the conclusion of our Board that the termination fee and the circumstances when such termination fee may be payable, are reasonable in light of the benefit of the Offer, Merger and the other Transactions, and would not be a significant impediment to third parties interested in making a Superior Offer;
-
- the fact that pursuant to the Merger Agreement we are entitled to specific performance and other equitable remedies to prevent breaches of the Merger Agreement, and can cause Parent to enforce the obligations of Vista under the Equity Commitment Letter in order to cause the Equity Financing to be timely completed;
-
- the fact that the Merger Agreement provides that, in the event of a failure of the Transactions to be consummated under certain circumstances, and as an alternative to specific performance under the Merger Agreement, Parent will pay us a \$48,273,000 termination fee, without our having to establish any damages, and the guarantee of such payment obligation by an entity affiliated with Vista pursuant to the Limited Guaranty;
-
- the likelihood that the Offer or Merger will be consummated on a timely basis, including the likelihood that the Transactions will receive all necessary regulatory approvals;

TABLE OF CONTENTS

-
- the availability of statutory appraisal rights to our stockholders who do not tender their Shares in the Offer or vote in favor of the adoption of the Merger Agreement and otherwise comply with all required procedures under the General Corporation Law of the State of Delaware (“DGCL”); and
-
- the fact that the End Date under the Merger Agreement on which either party, subject to certain exceptions, can terminate the Merger Agreement allows for sufficient time to consummate the Transaction.

Our Board also considered a variety of risks and other potentially negative factors of the Merger Agreement and the Transactions, including the following:

-
- the fact that our stockholders will not participate in any potential future earnings or growth of Greenway and will not benefit from any appreciation in the value of the Company as a private company;
-
- that, under certain circumstances, we will be required to pay Parent a termination fee and reimburse Parent’s reasonable and documented out-of-pocket fees and expenses (up to \$4,505,000), in connection with the termination of the Merger Agreement;
-
- the fact that, if the Offer and the other Transactions are not consummated in a timely manner or at all:
-
- the trading price of Shares could be adversely affected;
-
- we will have incurred significant transaction and opportunity costs attempting to consummate the Transactions;
-
- we may lose employees after announcement of the Merger Agreement;
-
- our business may be subject to significant disruption; and
-
- our directors, officers and other employees will have expended considerable time and effort to consummate the Transactions;

-
- the restrictions in the Merger Agreement on our actively soliciting competing bids to acquire Greenway;
-
- the fact that Parent and Merger Sub are newly formed entities with essentially no assets other than equity and debt commitments, and that, notwithstanding our specific performance remedy under the Merger Agreement, our remedy in the event of breach of the Merger Agreement by Parent or Merger Sub may be limited to receipt of the termination fee provided under the Merger Agreement, which is guaranteed by an entity affiliated with Vista and that under certain circumstances we may not be entitled to a termination fee at all;
-
- the \$24,136,000 termination fee payable by Greenway to Merger Sub upon the occurrence of certain events, including the potential effect of such termination fee to deter other potential acquirors from making a competing offer for Greenway that might be more advantageous to our stockholders, and the impact of the termination fee on our ability to engage in another transaction for twelve months if the Merger Agreement is terminated in certain circumstances;
-
- the fact that the gain realized by our stockholders as a result of the Offer and the Merger generally will be taxable to the stockholders for U.S. federal income tax purposes;
-
- the restrictions in the Merger Agreement on the conduct of our business prior to the consummation of the Merger, which may delay or prevent us from undertaking business or other opportunities that may arise prior to the consummation of the Offer or the Merger; and
-
- the fact that our executive officers and directors may have interests in the Transactions, including the Offer and the Merger, that are different from, or in addition to, those of our stockholders. See “Item 3. Past Contacts, Transactions, Negotiations and Agreements.”

TABLE OF CONTENTS

Our Board concluded that the risks, uncertainties, restrictions and potentially negative factors associated with the Offer and Merger were outweighed by the potential benefits of the Offer and Merger.

The foregoing discussion of the reasons of our Board for its recommendation to accept the Offer is not meant to be exhaustive, but addresses the material information and factors considered by our Board in consideration of its recommendation. In view of the wide variety of factors considered by our Board in connection with the evaluation of the Offer and the complexity of these matters, our Board did not find it practicable to, and did not, quantify or otherwise assign relative weights to the specific factors considered in reaching its determination and recommendation. Rather, the directors made their determinations and recommendations based on the totality of the information presented to them, and the judgments of individual members of our Board may have been influenced to a greater or lesser degree by different factors.

- Financial Projections

The Company does not, as a matter of course, publicly disclose long-term forecasts or projections as to future performance, earnings or other results. The Company's management provided certain unaudited forecasts (the "Company Case 1 Projections") regarding the Company's future operations to the Board for its evaluation in connection with the Offer and the Merger. The Company Case 1 Projections were also provided to Vista in connection with its review of the Company and also to J.P. Morgan for use in connection with its opinion to the Board.

The Company Case 1 Projections were not prepared with a view toward public disclosure, nor were they prepared with a view toward compliance with published guidelines of the SEC, the guidelines established by the American Institute of Certified Public Accountants for preparation and presentation of financial forecasts, or U.S. generally accepted accounting principles ("GAAP"). Neither the Company's independent auditors, nor any other independent public accounting firm has compiled, examined, or performed any procedures with respect to the prospective financial information contained in the Company Case 1 Projections nor has expressed any opinion or given any form of assurance with respect to such information or their reasonableness, achievability or accuracy. The inclusion of the Company Case 1 Projections herein should not be deemed an admission or representation by the Company that they are viewed by the Company as material information of the Company. The Company Case 1 Projections should not be regarded as an indication that any of the Company, Parent or any of their respective affiliates, advisors or other representatives, considered, or now considers, them to be necessarily predictive of actual future results, and the Company Case 1 Projections should not be relied upon as such. None of the Company, Vista or any of their respective affiliates, advisors or other representatives makes any representation or warranty regarding the ultimate performance of the Company relative to the Company Case 1 Projections.

The Company Case 1 Projections were largely prepared beginning in mid-2013 based on information available at that time using various assumptions and estimates. The assumptions and estimates may not be realized and are inherently subject to significant business, economic and competitive uncertainties, risks and contingencies, all of which are difficult to predict and many of which are beyond the Company's control. The assumptions and estimates underlying the information contained in the Company Case 1 Projections involve judgments made with respect to, among other things, general business, economic, regulatory, market and financial conditions, as well as factors specific to the Company, including but not limited to, the number of provider adds per year and the rate at which existing customers would transition to the Company's clinically driven revenue cycle management services, all of which are difficult to predict. The Company Case 1 Projections also reflect assumptions as to certain business decisions that do not reflect the effects of the Offer or the Merger, or any other changes that may in the future affect the Company or its assets, business, operations, properties, policies, corporate structure, capitalization and management. Accordingly, the Company Case 1 Projections constitutes forward-looking information, and there can be no assurance that the assumptions and estimates used to prepare the information contained in the Company Case 1 Projections will be achieved, and actual results may materially differ. The Company Case 1 Projections cover multiple years and such information by its nature becomes less certain with each successive year.

In preparing these projections, the Company’s management considered the Company’s current financial condition, global economic conditions generally and in the industries and markets in which the Company competes, and a variety of other factors relating to the Company’s current and potential future operations. These two projections included more conservative assumptions relative to the Company Case 1 Projections, in particular relating to the number of provider adds per year and the rate at which existing customers would transition to the Company’s clinically driven revenue cycle management services.

In connection with its evaluation of the Offer, the Board also considered the Company Case 2 Projections and the Company Case 3 Projections and provided these projections to J.P. Morgan. - Opinion of J.P. Morgan Securities LLC

Pursuant to an engagement letter dated July 10, 2013, which was effective as of June 6, 2013, the Company retained J.P. Morgan as its financial advisor in connection with the proposed transaction.

At the meeting of the Board on September 23, 2013, J.P. Morgan rendered its oral opinion to the Board that, as of such date and based upon and subject to the factors and assumptions set forth in its opinion, the consideration to be paid to the holders of Shares in the proposed transaction was fair, from a financial point of view, to such holders. J.P. Morgan confirmed its September 23, 2013 oral opinion by delivering its written opinion to the Board, dated September 23, 2013, that, as of such date, the consideration to be paid to the holders of Shares in the proposed transaction was fair, from a financial point of view, to such holders. No limitations were imposed by the Board upon J.P. Morgan with respect to the investigations made or procedures followed by it in rendering its opinion.

The full text of the written opinion of J.P. Morgan dated September 23, 2013, which sets forth the assumptions made, procedures followed, matters considered and limitations on the review undertaken in rendering its opinion, is attached as Annex II to this Schedule 14D-9 and is incorporated herein by reference. The Company's stockholders are urged to read the opinion in its entirety. J.P. Morgan's written opinion is addressed to the Board of Directors of the Company, is directed only to the consideration to be paid to the holders of Shares in the transaction and does not constitute a recommendation to any stockholder as to whether such stockholder should tender its Shares into the Offer or how such stockholder should vote with respect to the transaction or any other matter. The summary of the opinion of J.P. Morgan set forth in this Schedule 14D-9 is qualified in its entirety by reference to the full text of such opinion.

In arriving at its opinion, J.P. Morgan, among other things:

-
- reviewed the Merger Agreement;
-
- reviewed the Tender and Support Agreements;
-
- reviewed certain publicly available business and financial information concerning the Company and the industries in which it operates;

-
- compared the proposed financial terms of the transaction with the publicly available financial terms of certain transactions involving companies J.P. Morgan deemed relevant and the consideration paid for such companies;

-
- compared the financial and operating performance of the Company with publicly available information concerning certain other companies J.P. Morgan deemed relevant and reviewed the current and historical market prices of the Shares and certain publicly traded securities of such other companies;

TABLE OF CONTENTS

•

- reviewed certain internal financial analyses and forecasts prepared by the management of the Company relating to its business; and

•

- performed such other financial studies and analyses and considered such other information as J.P. Morgan deemed appropriate for the purposes of its opinion.

J.P. Morgan also held discussions with certain members of the management of the Company with respect to certain aspects of the transaction, the past and current business operations of the Company, the financial condition and future prospects and operations of the Company and certain other matters J.P. Morgan believed necessary or appropriate to its inquiry.

J.P. Morgan relied upon and assumed the accuracy and completeness of all information that was publicly available or was furnished to or discussed with J.P. Morgan by the Company or otherwise reviewed by or for J.P. Morgan, and J.P. Morgan did not independently verify (nor did J.P. Morgan assume responsibility or liability for independently verifying) any such information or its accuracy or completeness. J.P. Morgan did not conduct and was not provided with any valuation or appraisal of any assets or liabilities, nor did J.P. Morgan evaluate the solvency of the Company or Parent under any state or federal laws relating to bankruptcy, insolvency or similar matters. In relying on financial analyses and forecasts provided to it, or derived therefrom, J.P. Morgan assumed that they were reasonably prepared based on assumptions reflecting the best currently available estimates and judgments by management as to the expected future results of operations and financial condition of the Company to which such analyses or forecasts relate. J.P. Morgan expressed no view as to such analyses or forecasts or the assumptions on which they were based. J.P. Morgan also assumed that the transaction and the other transactions contemplated by the Merger Agreement will be consummated as described in the Merger Agreement. J.P. Morgan also assumed that the representations and warranties made by the Company and Parent in the Merger Agreement and the related agreements were and will be true and correct in all respects material to J.P. Morgan's analysis. J.P. Morgan is not a legal, regulatory or tax expert and relied on the assessments made by advisors to the Company with respect to such issues. J.P. Morgan further assumed that all material governmental, regulatory or other consents and approvals necessary for the consummation of the transaction will be obtained without any adverse effect on the Company or on the contemplated benefits of the transaction.

The projections furnished to J.P. Morgan for the Company were prepared by the Company's management. The Company does not publicly disclose internal management projections of the type provided to J.P. Morgan in connection with J.P. Morgan's analysis of the transaction, and such projections were not prepared with a view toward public disclosure. These projections were based on numerous variables and assumptions that are inherently uncertain and may be beyond the control of the Company's management, including, without limitation, factors related to general economic and competitive conditions and prevailing interest rates. Accordingly, actual results could vary significantly from those set forth in such projections.

J.P. Morgan's opinion is based on economic, market and other conditions as in effect on, and the information made available to J.P. Morgan as of, the date of the opinion. Subsequent developments may affect J.P. Morgan's opinion, and J.P. Morgan does not have any obligation to update, revise, or reaffirm such opinion. J.P. Morgan's opinion is limited to the fairness, from a financial point of view, of the consideration to be paid to the holders of Shares in the proposed transaction, and J.P. Morgan has expressed no opinion as to the fairness of the transaction, or any consideration paid in connection with the transaction, to the holders of any other class of securities, creditors or other constituencies of the Company or as to the underlying decision by the Company to engage in the transaction. Furthermore, J.P. Morgan has expressed no opinion with respect to the amount or nature of any compensation to any officers, directors, or employees of any party to the transaction, or any class of such persons relative to the consideration to be paid to the holders of Shares in the transaction or with respect to the fairness of any such compensation.

J.P. Morgan was not authorized to and did not solicit any expressions of interest from any other parties with respect to the sale of all or any part of the Company or any other alternative transaction.

In accordance with customary investment banking practice, J.P. Morgan employed generally accepted valuation methods in reaching its opinion. The following is a summary of the material financial analyses

These transactions were selected, among other reasons, because their participants, size and other factors, for purposes of J.P. Morgan's analysis, may be considered similar to the transaction.

Using publicly available information, J.P. Morgan calculated, for each selected transaction, the ratio of the target company's enterprise value (calculated as the equity purchase price, plus any debt, plus any non-controlling interest, less cash and cash equivalents) to the consensus equity research analyst estimate for the target company's one year forward estimate of revenue ("Enterprise Value/Forward Revenue") at the time of the transaction; and the ratio of the target company's enterprise value to the consensus equity research analyst estimate for the target company's one year forward estimate of EBITDA ("Enterprise Value/Forward EBITDA") at the time of the transaction.

The following table represents the results of this analysis:

	Enterprise Value / Forward Revenue	Enterprise Value / Forward EBITDA
Healthcare IT: Mean	3.5x	14.2x
Healthcare IT: Median	2.6x	10.9x
Software: Mean	3.9x	20.8x
Software: Median	3.0x	19.7x

Based on this analysis and other factors J.P. Morgan deemed relevant, J.P. Morgan applied a valuation range of 3.5x to 4.5x to the Company's fiscal year 2014 revenue estimate under the Company Case 1 Projections and 20.0x to 25.0x to the Company's fiscal year 2014 EBITDA estimate under the Company Case 1 Projections, and derived an implied per share price range for the Shares. The analysis indicated the following implied per share price ranges for the Shares:

Valuation Basis (Applied Range)	Implied Per Share Price Range
Enterprise Value/FY 2014E Revenue (3.5x – 4.5x)	\$17.25 – \$22.00
Enterprise Value/FY 2014E EBITDA (20.0x – 25.0x)	\$12.50 – \$15.50

Discounted Cash Flow Analysis. J.P. Morgan conducted a discounted cash flow analysis for the purpose of determining the fully diluted equity value per Share. J.P. Morgan calculated the unlevered free cash flows that the Company is expected to generate during the period beginning on October 1, 2013 and ending on December 31, 2023 based upon (i) from October 1, 2013 through December 31, 2015, the Company Case 1 Projections as provided by the Company and (ii) from January 1, 2016 through December 31, 2023, extrapolations from Company Case 1 Projections that were reviewed and approved by the Company's management for J.P. Morgan's use in connection with its financial analyses and rendering its fairness opinion. J.P. Morgan also calculated a range of terminal firm values for the Company by applying a terminal growth rate ranging from 3.00% to 4.00% to the Company's unlevered free cash flow

in 2023. The unlevered free cash flows and the terminal firm values were then discounted to present values using a range of discount rates from 9.0% to 10.0%. This discount rate range was based upon J.P. Morgan's analysis of the Company's weighted average cost of capital.

26

TABLE OF CONTENTS

Based on the foregoing, this analysis indicated an implied per share price range for the Shares of approximately \$19.00 to \$25.25.

The foregoing summary of certain material financial analyses does not purport to be a complete description of the analyses or data presented by J.P. Morgan. The preparation of a fairness opinion is a complex process and is not necessarily susceptible to partial analysis or summary description. J.P. Morgan believes that the foregoing summary and its analyses must be considered as a whole and that selecting portions of the foregoing summary and these analyses, without considering all of its analyses as a whole, could create an incomplete view of the processes underlying the analyses and its opinion. In arriving at its opinion, J.P. Morgan did not attribute any particular weight to any analyses or factors considered by it and did not form an opinion as to whether any individual analysis or factor (positive or negative), considered in isolation, supported or failed to support its opinion. Rather, J.P. Morgan considered the totality of the factors and analyses performed in determining its opinion. Analyses based upon forecasts of future results are inherently uncertain, as they are subject to numerous factors or events beyond the control of the parties and their advisors. Accordingly, forecasts and analyses used or made by J.P. Morgan are not necessarily indicative of actual future results, which may be significantly more or less favorable than suggested by those analyses. Moreover, J.P. Morgan's analyses are not and do not purport to be appraisals or otherwise reflective of the prices at which businesses actually could be bought or sold. None of the selected companies reviewed as described in the above summary is identical to the Company, and none of the selected transactions reviewed was identical to the transaction. However, the companies selected were chosen because they are publicly traded companies with operations and businesses that, for purposes of J.P. Morgan's analysis, may be considered similar to those of the Company. The transactions selected were similarly chosen because their participants, size and other factors, for purposes of J.P. Morgan's analysis, may be considered similar to the transaction. The analyses necessarily involve complex considerations and judgments concerning differences in financial and operational characteristics of the companies involved and other factors that could affect the companies compared to the Company and the transactions compared to the transaction.

As part of its investment banking business, J.P. Morgan and its affiliates are continually engaged in the valuation of businesses and their securities in connection with mergers and acquisitions, investments for passive and control purposes, negotiated underwritings, secondary distributions of listed and unlisted securities, private placements and valuations for estate, corporate and other purposes. J.P. Morgan was selected to advise the Company with respect to the transaction on the basis of such experience and its familiarity with the Company.

For services rendered in connection with the transaction, the Company has agreed to pay J.P. Morgan a fee of approximately \$7.7 million, \$1 million of which was payable upon the delivery by J.P. Morgan of its opinion and the remainder of which is contingent upon the consummation of the transaction. In addition, the Company has agreed to reimburse J.P. Morgan for its expenses incurred in connection with its services, including the fees and disbursements of counsel, and will indemnify J.P. Morgan against certain liabilities, including liabilities arising under the federal securities laws.

During the two years preceding the date of J.P. Morgan's opinion, J.P. Morgan and its affiliates have had commercial or investment banking relationships with the Company and with certain other portfolio companies of Vista Equity Partners, for which J.P. Morgan and such affiliates have received approximately \$1.0 million of fees from the Company and approximately \$6.4 million of fees from Vista Equity Partners and its affiliates. Such services during such period have included acting as lead left bookrunner on the Company's initial public offering in February 2012 and acting as an arranger of certain credit facilities for certain of Vista Equity Partners' other portfolio companies. In addition, J.P. Morgan's commercial banking affiliate is an agent bank and a lender under outstanding credit facilities of certain of Vista Equity Partners' other portfolio companies, for which it receives customary compensation or other financial benefits. In the ordinary course of their businesses, J.P. Morgan and its affiliates may actively trade the debt and equity securities of the Company for their own accounts or for the accounts of customers and, accordingly, they may at any time hold long or short positions in such securities.

(v)

- Intent to Tender

To our knowledge, after making reasonable inquiry, all of Greenway's executive officers, directors, and affiliates currently intend to tender or cause to be tendered, pursuant to the Offer, all Shares held of record

27

or beneficially owned by them (other than Shares for which such holder does not have discretionary authority or holds in a fiduciary or representative capacity). Each director and executive officer of Greenway, and certain of the Company's stockholders (Investor Group L.P., Investor Growth Capital Limited and Pamlico Capital II, L.P.), has entered into a tender and support agreement with Parent and Merger Sub concurrently with the execution of the Merger Agreement, each of which provides, among other things, that these stockholders will tender their Shares to Merger Sub in the Offer. These stockholders may withdraw their Shares from the Offer if, among other things, the Merger Agreement is terminated in accordance with its terms, including for the Company to accept a Superior Offer from a third-party. Pursuant to these tender and support agreements, Greenway's directors and executive officers collectively agreed to tender approximately 15,178,780 Shares, or approximately 50.9% of the Shares outstanding on September 19, 2013.

Item 5.

- Person/Assets Retained, Employed, Compensated or Used.

We retained J.P. Morgan as our financial advisor in connection with the Transaction and, in connection with such engagement, J.P. Morgan provided the opinion described in "Item 4. The Solicitation or Recommendation — Opinion of J.P. Morgan Securities LLC," which is filed as Annex II hereto and is incorporated herein by reference. Our board selected J.P. Morgan as Greenway's financial advisor because it is an internationally recognized investment banking firm that has substantial experience in transactions similar to the Transaction, and because of its reputation in the investment community and its familiarity with Greenway and its business, in particular from J.P. Morgan's participation in our initial public offering as joint book-running manager and representative of the underwriters. Pursuant to a letter agreement dated July 10, 2013, which was effective as of June 6, 2013, we retained J.P. Morgan to act as our financial advisor in connection with the Company's response, if any, to an unsolicited indication of interest made by a third party, and the consummation of a resulting transaction. Under the terms of the letter agreement, we have agreed to pay J.P. Morgan for its services in connection with the Transaction an aggregate fee currently estimated to be approximately \$7.7 million, \$1.0 million of which was payable in connection with its opinion and the remainder of which is contingent upon the completion of the Transaction. In addition, under the letter agreement, we agreed to reimburse J.P. Morgan for a portion of its expenses incurred in connection with J.P. Morgan's engagement and to indemnify J.P. Morgan, any controlling person of J.P. Morgan and each of their respective directors, officers, employees, agents and affiliates against specified liabilities, including liabilities under federal securities laws. Except as set forth above, neither Greenway nor any person acting on its behalf has or currently intends to directly or indirectly employ, retain or compensate any person to make solicitations or recommendations to the stockholders of Greenway on its behalf with respect to the Offer.

Item 6.

- Interest in Securities of the Subject Company.

No transactions with respect to shares of our common stock have been effected by us or, to our knowledge after making reasonable inquiry, by any of our executive officers, directors, affiliates or subsidiaries during the 60 days prior to the date of this Schedule 14D-9.

Item 7.

- Purposes of the Transaction and Plans or Proposals.

Except as set forth in this Schedule 14D-9 (including in the exhibits and annexes hereto), no negotiations are being undertaken or are underway by us in response to the Offer which relate to a tender offer or other acquisition of our securities by Greenway, any subsidiary of Greenway or any other person. Except as set forth in this Schedule 14D-9 (including in the exhibits and annexes hereto), no negotiations are being undertaken or are underway by us in response to the Offer which relate to, or would result in (i) any extraordinary transaction, such as a merger, reorganization or liquidation, involving Greenway or any subsidiary of Greenway, (ii) any purchase, sale or transfer of a material

amount of assets by Greenway or any its direct or indirect subsidiary or (iii) any material change in the present dividend rate or policy, or indebtedness or capitalization of Greenway.

We have agreed to certain restrictions on our ability to solicit or initiate discussions or furnishing any person with information in connection with the encouragement or facilitation of an acquisition proposal and have agreed to cease any current discussions and negotiations with third-parties for the purpose of

28

TABLE OF CONTENTS

facilitating competing acquisition proposals. These restrictions will continue until the earlier to occur of the termination of the Merger Agreement pursuant to its terms and the time at which the Merger is consummated.

Notwithstanding this limitation, prior to the consummation of the Offer or the adoption of the Merger Agreement by our stockholders if required to consummate the Merger, we may under certain circumstances provide information to third parties and clarify the terms and conditions with respect to any unsolicited alternative acquisition proposal that our Board has determined constitutes or could reasonably be expected to lead to a “Superior Offer” (which is generally defined to refer to a bona fide written acquisition proposal that our Board determines, in its good faith judgment, after consultation with its legal and financial advisors, is reasonably likely to be consummated and is more favorable from a financial point of view to our stockholders than the transactions contemplated by the Merger Agreement).

Item 8.

- Additional Information.

Golden Parachute Compensation

We do not have any employment or severance agreements with any of our executive officers. Except with respect to the potential vesting of options in connection with a merger or consolidation, none of the executive officers are entitled to receive any payments upon termination of employment or change in control, regardless of the reason thereof, including the Offer and Merger described in this Schedule 14D-9. See “Item 3. Past Contacts, Transactions, Negotiations and Agreements.”

Information Statement

The Information Statement attached as Annex I hereto is being furnished in connection with the possible designation by Merger Sub, pursuant to the Merger Agreement, of certain persons to be appointed to our Board other than at a meeting of our stockholders and is incorporated herein by reference.

Top-Up Option

We also granted to Parent and Merger Sub an option (the “Top-Up Option”) to purchase, at a price per share equal to the Offer Price, from Greenway the number of shares of our common stock (the “Top-Up Shares”) equal to the lesser of (i) the number of Top-Up Shares that, when added to the number shares of our common stock already directly or indirectly owned by Parent and Merger Sub following consummation of the Offer, constitutes one share more than 90% of the Total Share Number or (ii) the aggregate number of Top-Up Shares that Greenway is authorized to issue under its certificate of incorporation but that are not issued and outstanding (and are not subscribed for or otherwise committed to be issued) at the time of exercise of the Top-Up Option. If Parent, Merger Sub and any of their respective affiliates acquire at least 90% of the outstanding shares of our common stock, including through exercise of the Top-Up Option, the parties have agreed to take all necessary and appropriate action to complete the Merger through the “short form” procedures available under the DGCL.

For purposes of this Schedule 14D-9, “Total Share Number” means (x) the total outstanding shares of our common stock as of the expiration of the Offer plus (y) the aggregate number of shares of our common stock issuable to holders of Greenway stock options from which Greenway or its representatives have received notices of exercise prior to the expiration of the Offer (and as to which shares of our common stock have not yet been issued to such exercising holders of Greenway stock options), plus (z) the number of shares to be purchased by Merger Sub under the Top-Up Option.

This summary is qualified in its entirety by reference to the Merger Agreement, which is filed as Exhibit (e)(1) hereto and is incorporated herein by reference.

Conditions to the Offer

The information set forth in Section 15 of the Offer to Purchase is incorporated herein by reference.

Vote Required to Approve the Merger

On September 23, 2013, our board of directors unanimously (i) determined that the Merger Agreement, the Support Agreements and the Transactions, including the Offer and the Merger, and the other transactions contemplated by this Agreement and the Support Agreements, are advisable to, and in

TABLE OF CONTENTS

the best interest of, Greenway and its stockholders, (ii) approved the execution, delivery and performance by Greenway of the Merger Agreement and the consummation of the Transactions, including the Offer and the Merger, (iii) authorized and approved the Top-Up Option and the issuance of the Top-Up Shares, and (iv) resolved to recommend that the stockholders of Greenway tender their Shares to Parent or Merger Sub pursuant to the Offer, and, if applicable, approve the adoption of the Merger Agreement and the Merger.

Under Section 253 of the DGCL, if Parent or Merger Sub acquires, pursuant to the Offer, the Top-Up Option or otherwise, at least 90% of the outstanding Shares, determined on a fully diluted basis, Merger Sub will be able to effect the Merger after consummation of the Offer without a vote by our stockholders. If Parent or Merger Sub acquires, pursuant to the Offer or otherwise, less than 90% of the outstanding Shares, the affirmative vote of the holders of a majority of the outstanding Shares will be required under the DGCL to effect the Merger. The Merger Agreement also provides that the Merger may be consummated regardless of whether the Offer is completed through a one-step merger. We also intend to file a preliminary proxy statement for a special meeting of stockholders to approve the adoption of the Merger Agreement, and the transaction will be consummated either through the Offer followed by a merger or directly through a one-step merger depending on which transaction can be consummated first. If the Offer is consummated prior to the date of the special meeting to adopt the Merger Agreement, then the special meeting will not be held. The Company will not solicit votes for the special meeting, if ever, until the Offer has terminated.

State Takeover Laws

A number of states (including Delaware, where we are incorporated) have adopted takeover laws and regulations which purport, to varying degrees, to be applicable to attempts to acquire securities of corporations which are incorporated in such states or which have substantial assets, stockholders, principal executive offices or principal places of business therein.

In general, Section 203 of the DGCL prevents a Delaware corporation from engaging in a “business combination” (defined to include mergers and certain other actions) with an “interested stockholder” (including a person who owns or has the right to acquire 15% or more of a corporation’s outstanding voting stock) for a period of three years following the time such person became an “interested stockholder” unless, among other things, the “business combination” is approved by the Board of such corporation before such person became an “interested stockholder.”

Pursuant to our certificate of incorporation, we have, however, opted out of Section 203 of the DGCL.

Appraisal Rights

No appraisal rights are available in connection with the Offer. However, if the Offer is successful and the Merger is consummated, stockholders of Greenway who have not properly tendered in the Offer and have neither voted in favor of the adoption of the Merger Agreement nor consented thereto in writing, and who otherwise comply with the applicable procedures under Section 262 of the DGCL, will be entitled to exercise appraisal rights for the “fair value” of their Shares in accordance with Section 262 of the DGCL. Any stockholder contemplating the exercise of such appraisal rights should review carefully the provisions of Section 262 of the DGCL, particularly the procedural steps required to perfect such rights.

The obligations of Greenway to notify stockholders of their appraisal rights will depend on how the Merger is effected. If a meeting of Greenway’s stockholders is held to adopt the Merger Agreement, Greenway will be required to send a notice to each stockholder of record not less than 20 days prior to the meeting that appraisal rights are available, together with a copy of Section 262 of the DGCL. Within ten days after the Effective Time, the Surviving Corporation in the Merger will be required to send a notice that the Merger has become effective to each stockholder who delivered to Greenway a demand for appraisal prior to the vote and who did not vote in favor of the adoption of the Merger Agreement. Alternatively, if the Merger is consummated through a short-form procedure, the Surviving Corporation will be required to send a notice within ten days after the date the Merger has become effective to each stockholder of record on the effective date of the Merger. The notice will inform stockholders of the effective date of the Merger and of the availability of, and procedure for demanding, appraisal rights, and will include a copy of Section 262 of the DGCL. FAILURE TO FOLLOW THE STEPS REQUIRED BY SECTION 262 OF THE

TABLE OF CONTENTS

DGCL FOR PERFECTING APPRAISAL RIGHTS MAY RESULT IN THE LOSS OF SUCH RIGHTS. This summary of appraisal rights under the DGCL is not complete and is qualified in its entirety by reference to Section 262 of the DGCL and the Offer.

APPRAISAL RIGHTS CANNOT BE EXERCISED AT THIS TIME. THE INFORMATION SET FORTH ABOVE IS FOR INFORMATIONAL PURPOSES ONLY WITH RESPECT TO ALTERNATIVES AVAILABLE TO STOCKHOLDERS IF THE MERGER IS COMPLETED. STOCKHOLDERS WHO WILL BE ENTITLED TO APPRAISAL RIGHTS IN CONNECTION WITH THE MERGER WILL RECEIVE ADDITIONAL INFORMATION CONCERNING APPRAISAL RIGHTS AND THE PROCEDURES TO BE FOLLOWED IN CONNECTION THEREWITH BEFORE SUCH STOCKHOLDERS HAVE TO TAKE ANY ACTION RELATING THERETO.

STOCKHOLDERS WHO SELL SHARES IN THE OFFER WILL NOT BE ENTITLED TO EXERCISE APPRAISAL RIGHTS WITH RESPECT THERETO BUT, RATHER, WILL RECEIVE THE OFFER PRICE.

Antitrust Compliance

Under the HSR Act, and the related rules and regulations that have been issued by the Federal Trade Commission (the "FTC"), certain acquisition transactions may not be consummated until required information and documentary material has been furnished for review by the FTC and the Antitrust Division of the Department of Justice (the "Antitrust Division") and certain waiting period requirements have been satisfied. These requirements apply to Merger Sub's acquisition of the Shares in the Offer and the Merger.

Under the HSR Act, the purchase of Shares in the Offer may not be completed until the expiration of a fifteen (15) calendar day waiting period which begins when Parent files a Premerger Notification and Report Form under the HSR Act with the FTC and the Antitrust Division, unless such waiting period is earlier terminated by the FTC and the Antitrust Division. If the end of the fifteen (15) calendar day waiting period is set to fall on a federal holiday or weekend day, the waiting period is automatically extended until 11:59 P.M., New York City time, the next business day. Parent filed a Premerger Notification and Report Form under the HSR Act with the FTC and the Antitrust Division in connection with the purchase of Shares in the Offer and the Merger on September 27, 2013, and the required waiting period with respect to the Offer and the Merger will expire at 11:59 P.M., New York City Time, on October 15, 2013, unless earlier terminated by the FTC and the Antitrust Division, or Parent receives a request for additional information or documentary material prior to that time. If prior to the expiration or termination of this waiting period either the FTC or the Antitrust Division requests additional information or documentary material from Parent, the waiting period with respect to the Offer and the Merger would be extended for an additional period of ten (10) calendar days following the date of Parent's substantial compliance with that request. Only one extension of the waiting period pursuant to a request for additional information is authorized by the HSR Act rules. After that time, absent the Parent's and Greenway's agreement, they can be prevented from closing only by court order. The FTC or the Antitrust Division may terminate the additional ten (10) calendar day waiting period before its expiration. In practice, complying with a request for additional information and documentary material can take a significant period of time. At any time before or after Parent's or Merger Sub's acquisition of Shares pursuant to the Offer, the Antitrust Division or the FTC could take such action under the antitrust laws as either deems necessary or desirable in the public interest, including seeking to enjoin the purchase of Shares pursuant to the Offer, or seeking the divestiture of Shares acquired by Parent or Merger Sub or the divestiture of substantial assets of Greenway or its subsidiaries or Parent or its subsidiaries. State attorneys general may also bring legal action under both state and Federal antitrust laws, as applicable. Private parties may also bring legal action under the antitrust laws under certain circumstances. There can be no assurance that a challenge to the Offer on antitrust grounds will not be made or, if such a challenge is made, the result thereof.

Cautionary Note Regarding Forward-Looking Statements

This Schedule 14D-9 may contain forward-looking statements. Forward-looking statements include, without limitation, statements regarding prospective performance and opportunities and the outlook of our

TABLE OF CONTENTS

business, performance and opportunities, the anticipated timing of filings and approvals relating to the Transaction; the expected timing of the completion of the Transaction; the ability to complete the Transaction considering the various closing conditions; and any assumptions underlying any of the foregoing. The actual results of the Transaction could vary materially as a result of a number of factors, including: uncertainties as to the timing of the Offer and the Merger; uncertainties as to how many of our stockholders will tender their stock in the Offer; the possibility that competing offers will be made; the possibility that various closing conditions for the Transaction may not be satisfied or waived; the possibility that the Transaction may not be timely completed, if at all; and that, prior to the completion of the Transaction, if at all, our business may experience significant disruptions due to Transaction-related uncertainty. Other factors that may cause actual results to differ materially include those set forth in the reports that we file from time to time with the United States Securities Exchange Commission, including our annual report on Form 10-K for the fiscal year ended June 30, 2013 and quarterly and current reports on Form 10-Q and 8-K, the Tender Offer Statement on Schedule TO and other tender offer documents filed by Merger Sub and Parent and the Proxy Statement on Schedule 14A to be filed by Greenway. All of these materials related to the Transactions (and all other Transaction documents filed with the SEC) will be available at no charge from the SEC through its website at www.sec.gov. Investors may also obtain free copies of the documents filed by contacting Greenway's Investor Relations Department at 1.866.242.3805 or by email through Greenway's investor relations page at <http://ir.greenwaymedical.com/>. We Are Not Asking You for a Proxy and You Are Requested Not to Send us a Proxy.

Greenway Medical Technologies, Inc. (“Greenway,” the “Company,” “we” or “our”) is mailing this Information Statement on or about October 4, 2013 to holders of our common stock as part of the Solicitation/Recommendation Statement on Schedule 14D-9 (the “Schedule 14D-9”). The Schedule 14D-9 relates to our position with respect to the tender offer by Crestview Acquisition Corp., a Delaware corporation (“Merger Sub”) and a wholly-owned subsidiary of VCG Holdings, LLC, a Delaware limited liability company (“Parent”), for all of our issued and outstanding shares of our common stock. You are receiving this Information Statement in connection with the possible election of persons designated by Parent to at least a majority of the seats on our board of directors. Such designation is to be made pursuant to the Agreement and Plan of Merger, dated as of September 23, 2013, by and among Greenway, Parent and Merger Sub (the “Merger Agreement”).

Pursuant to the Merger Agreement, Merger Sub commenced a cash tender offer on October 4, 2013 to purchase all of our issued and outstanding shares at a price of \$20.35 per share, net to the holder in cash, without interest and less any required withholding taxes, upon the terms and conditions set forth in the Offer to Purchase dated October 4, 2013 (the “Offer to Purchase”) and the related Letter of Transmittal (which, together with any amendments or supplements, collectively, constitute the “Offer”). The initial expiration date of the Offer is midnight, New York City time, on November 1, 2013, subject to extension in certain circumstances as required or permitted by the Merger Agreement. At that time, if all conditions to the Offer have been satisfied or waived, Merger Sub will purchase all shares validly tendered pursuant to the Offer and not validly withdrawn. Copies of the Offer to Purchase and the related Letter of Transmittal have been mailed with the Schedule 14D-9 to stockholders and are filed as exhibits to the Schedule 14D-9 filed by Greenway with the Securities and Exchange Commission (the “SEC”) on October 4, 2013.

The Merger Agreement provides that, upon acceptance for payment of shares pursuant to and subject to the conditions of the Offer, Parent shall be entitled to designate, from time to time, to serve on our board of directors, such number of directors as will give Parent representation equal to at least that number of directors (rounded up to the next whole number) determined by multiplying (i) the total number of directors on our board of directors (giving effect to the directors elected or appointed pursuant to the right of Parent described in this paragraph) by (ii) the percentage that (A) the number of shares owned by Parent and its subsidiaries (including shares accepted for payment pursuant to the Offer) bears to (B) the number of shares then outstanding. Subject to applicable law, we have agreed to take, upon Parent’s request, all action requested by Parent necessary to cause Parent’s designees to be elected or appointed to our board of directors, including (at the election of Parent) obtaining resignations of incumbent directors and, subject to our certificate of incorporation and bylaws, increasing the size of our board of directors. As a result, Parent will have the ability to designate a majority of our board of directors following the consummation of the Offer.

This Information Statement is required by Section 14(f) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), and Rule 14f-1 thereunder, in connection with the appointment of Parent’s designees to our board of directors. You are urged to read this Information Statement carefully. You are not, however, required to take any action. The information contained in this Information Statement, including information incorporated herein by reference, concerning Parent and Merger Sub’s designees has been furnished to us by Parent, and we assume no responsibility for the accuracy or completeness of such information.

CORPORATE GOVERNANCE AND BOARD MATTERS

Board of Director Committees

The Board has established an Audit Committee, a Compensation Committee, and a Nominations and Governance Committee. The Board and each Committee of the Board individually has the authority to retain outside advisers including consultants, accountants and legal counsel as needed.

The current charters of the Audit Committee, the Compensation Committee and the Nominations and Governance Committee may be accessed on the Company's website at ir.greenwaymedical.com and are available upon written request to the General Counsel and Secretary of the Company, William G. Esslinger, Jr., at 100 Greenway Boulevard, Carrollton, GA 30117. The information contained on Greenway's website should not be deemed filed with, and is not incorporated by reference into, this information statement or any of Greenway's other filings under the Securities Act of 1933, as amended, or the Exchange Act of 1934, as amended (the "Exchange Act"), except to the extent that Greenway specifically so provides.

Audit Committee

Greenway's Audit Committee consists of Messrs. Hensley, Turek, and Richards, all of whom are "independent" as defined under the federal securities laws and the New York Stock Exchange rules. The Board has determined that each of the Audit Committee members satisfies the requirements for financial literacy under current SEC and New York Stock Exchange requirements. The Board has determined that Mr. Hensley is an "audit committee financial expert," as that term is defined by the SEC. The Audit Committee operates pursuant to a written charter.

The primary function of the audit committee is to assist the Board of Directors in monitoring (1) the integrity of the Company's financial statements, (2) the qualifications, performance and independence of the independent registered public accounting firm, (3) the performance of the internal auditors, and (4) the Company's compliance with regulatory and legal requirements. The audit committee has direct responsibility for the appointment, compensation, retention and oversight of the work of our independent registered public accounting firm, Grant Thornton LLP. In addition, approval of the audit committee is required prior to our entering into any related party transaction. It is also responsible for "whistle-blowing" procedures and certain other compliance matters.

Compensation Committee

Greenway's Compensation Committee consists of Messrs. Walley, Morrison, and Turek, all of whom are "independent" as defined under the federal securities laws and the New York Stock Exchange rules. In addition, Messrs. Walley, Morrison, and Turek are all "outside directors" as defined under Section 162(m) of the Internal Revenue Code. The Compensation Committee operates pursuant to a written charter.

Among other things, the Compensation Committee is required to review, and make recommendations to our Board of Directors regarding, the compensation and benefits of the Company's executive officers. The Compensation Committee also administers the issuance of stock options and other awards under the Company's equity incentive plans and establishes and reviews policies relating to the compensation and benefits of the Company's employees and consultants.

Nominations and Governance Committee

Greenway's Nominations and Governance Committee consists of Messrs. Turek, Richards, and Morrison, all of whom are "independent" as defined under the federal securities laws and the New York Stock Exchange rules. The Nominations and Governance Committee operates pursuant to a written charter.

The Nominations and Governance Committee is responsible for, among other things, developing and recommending to the Board of Directors the Company's corporate governance guidelines, identifying individuals qualified to become board members, overseeing the evaluation of the performance of the Board of Directors, selecting the director nominees for the next annual meeting of stockholders, and selecting director candidates to fill any vacancies on the Board of Directors.

TABLE OF CONTENTS

Compensation Committee Interlocks and Insider Participation

No member of the Compensation Committee has ever been an officer or employee of Greenway. None of our executive officers serve, or have served during the past fiscal year, as a member of the Board of Directors or compensation committee of any other company that has one or more executive officers serving as a member of Greenway's Board of Directors or Compensation Committee.

The members of our compensation committee do not have any interlocking relationships as defined under SEC regulations.

Director Qualifications

The Nominations and Governance Committee is responsible for identifying qualified individuals to become members of the Board of Directors. The Company selects individuals as director nominees with the goal of creating a balance of knowledge, experience and interest on the Board of Directors. Candidates are evaluated for their character, judgment, business experience and acumen. At a minimum, a director candidate must possess personal and professional integrity, sound judgment and forthrightness. A director candidate must also have sufficient time and energy to devote to the affairs of the Company and be free from conflicts of interest with the Company. The following criteria are also considered when reviewing a director candidate:

-
- The extent of the director candidate's educational, business, non-profit or professional acumen and experience;
-
- Whether the director candidate assists in achieving a mix of Board members that represents a diversity of background, perspective and experience;
-
- Whether the director candidate meets the independence requirements of New York Stock Exchange listing standards; and
-
- Whether the director candidate possesses the ability to work as part of a team in an environment of trust.

Specific weights are not assigned to any particular criteria and no particular criterion is necessarily applicable to all prospective director candidates.

The Nominations and Governance Committee will also consider nominating for service on the Company's Board candidates recommended by stockholders. Such recommendations will only be considered by the Nominations and Governance Committee if they are submitted to the Nominations and Governance Committee in accordance with the requirements of the Company's bylaws (the "Bylaws") and accompanied by all the information that is required to be disclosed in connection with the solicitation of proxies for election of director nominees pursuant to Regulation 14A under the Exchange Act, including the candidate's written consent to serve as director, if nominated and elected.

Meeting Attendance

During the fiscal year ended June 30, 2013, the Board of Directors met fourteen times, the Audit Committee met nine times, the Compensation Committee met three times, and the Nominations and Governance Committee met two times. All members of the Board of Directors attended at least 75% of the aggregate of the total number of Board meetings and meetings of the Committees on which they served.

The Board does not have a policy requiring director attendance at the annual stockholders meeting. However, all Board members are recommended to attend. Board members may attend annual meetings of stockholders in person, by telephone or by webcast. Prior to the Company's initial public offering in February 2012, stockholders held annual meetings or adopted resolutions by written consent.

Director Independence

Our Board of Directors consists of seven members, a majority of whom are independent under the New York Stock Exchange rules. Pursuant to the corporate governance listing standards of the New York Stock Exchange, a director employed by us cannot be deemed to be an “independent director,” and each other director will qualify as “independent” only if our Board of Directors affirmatively determines that he has no material relationship with us, either directly or as a partner, stockholder or officer of an organization that has a relationship with us. Ownership of a significant amount of our stock, by itself, does not constitute a material relationship.

I-9

TABLE OF CONTENTS

Our Board of Directors has affirmatively determined that each of Messrs. Walley, Richards, Turek, Morrison, and Hensley is “independent” in accordance with New York Stock Exchange rules. The independent directors hold executive sessions on a regular basis. We do not have a lead independent director, but we anticipate that the chairs of the independent board committees will rotate as presiding director, and the presiding director will act as a liaison between the non-management directors and the chairman and CEO in connection with each regular meeting.

Leadership Structure

The Board of Directors determines what leadership structure it deems appropriate from time to time based on factors such as the experience of the Company’s Board members and executive officers, the current business environment of the Company and other relevant factors. After considering these factors, the Board has determined that the appropriate leadership structure for the Company at this time is a Board of Directors led by a Chairman of the Board (W. Thomas Green, Jr.) and a President and Chief Executive Officer (Wyche T. Green, III) who also serves on the Company’s Board. This structure provides strength to the Company by giving the Chief Executive Officer a respected voice on our Board, while at the same time giving leadership of the Board to another individual who, together with the other directors, provides oversight of management and its implementation of our strategic plans.

In order to set a framework for its leadership structure and assist the Board in the exercise of its responsibilities, the Board has adopted a set of corporate governance guidelines (the “Guidelines”), a copy of which is posted on the Company’s website at <http://ir.greenwaymedical.com> and which is available in print, without charge, to any stockholder who requests them. The Guidelines acknowledge the leadership exercised by the Board’s standing committees and their chairs and are intended to serve as a flexible framework within which the Board and these committees may conduct their business. The Nominations and Governance Committee is responsible for overseeing the Guidelines and annually reviews them and makes recommendations to the Board concerning corporate governance matters. The Board may amend, waive, suspend, or repeal any of the Guidelines at any time, with or without public notice, as it determines necessary or appropriate in the exercise of the Board’s judgment or fiduciary duties.

Risk-Management Oversight

The Board of Directors is actively involved in the oversight of risks that could affect the Company. This oversight is conducted primarily through committees of the Board of Directors, but the full Board has retained responsibility for general oversight of risks. The Board of Directors satisfies this responsibility through full reports by each committee chair regarding the committee’s considerations and actions, as well as through regular reports directly from officers responsible for oversight of particular risks within the Company. In performing its risk oversight function, the Board considers strategic and operational risks associated with the Company’s annual operating plan and other matters that may present material risks to the Company’s operations, plans, prospects or reputation.

The Audit Committee considers risks associated with the financial reporting and disclosure process and material operational risks identified by management. In addition, based upon information brought to its attention by management, the Company’s auditors and external advisors, the Audit Committee evaluates the adequacy of the Company’s risk management processes and systems and determines whether it believes that such processes and systems are reasonably designed to respond to and mitigate the risks faced by the Company. Throughout the year, the Audit Committee receives periodic reports from management and the Company’s auditors and advisors identifying and explaining key areas of risk applicable to the Company and an explanation of the policies and procedures in place to monitor and access those risks. The Nominations and Governance Committee monitors the Company’s governance risk with assistance from outside advisers as appropriate. The Compensation Committee is responsible for monitoring the Company’s compensation policies and assuring that the compensation structures for the Company’s executive officers and other employees do not encourage excessive or otherwise undesirable risk-taking. In addition, the Compensation Committee considers risks associated with management and development and succession.

CERTAIN RELATIONSHIPS AND RELATED PARTY TRANSACTIONS

Greenway's "Code of Business Conduct and Ethics for Employees, Officers and Directors" deals with conflicts of interest and requires each director and executive officer to seek authorization from the Audit Committee prior to entering into any transaction in which Greenway's business transactions are conducted with a director, executive officer or related person. Upon disclosure by a director or executive officer, the proposed transaction will be reviewed by the Audit Committee. In addition, pursuant to the Audit Committee's charter, the Audit Committee must pre-approve all of the Company's related party transactions.

The following is a description of transactions since July 1, 2012, to which we have been a party in which the amount involved exceeded or will exceed \$120,000 and in which any of our directors, executive officers, beneficial holders of more than 5% of our capital stock, or persons or entities affiliated with them, had or will have a direct or indirect material interest. Headquarters Lease

Preferred Stock

In connection with the Company's reincorporation from a Georgia to a Delaware corporation and the Company's initial public offering, upon the closing of the Company's initial public offering in February 2012, the Company's Series A Convertible Preferred Stock (the "Series A Preferred Stock") and Series B Convertible Preferred Stock (the "Series B Preferred Stock") automatically converted to common stock of the Company. Each share of Series A Preferred Stock converted into 1.263 shares of the Company's common stock, while each share of Series B Preferred Stock converted into one share of the Company's common stock. In connection with such conversion, in February 2012 the Company was also required to make cash payments to the holders of outstanding preferred stock. Each Series A Preferred stockholder received a payment of \$6 per share and each Series B Preferred stockholder received \$4.75 per share, which holders of Series A Preferred Stock and Series B Preferred Stock could elect to receive in the form of shares of the Company's common stock in an amount equal to the quotient obtained by the dividing (i) the total amount of the payment then due to such holder of Preferred Stock by (ii) the per share price of the Company's common stock based on the initial price to the public in this offering.

Greenway Air, LLC

The Company utilizes a private plane owned by Greenway Air, LLC, a Delaware limited liability company ("Greenway Air") when necessary for business operations. Both the Company and W. Thomas Green, Jr. own minority membership interests in Greenway Air, and W. Thomas Green, Jr. is the manager of Greenway Air. In September 2012, Greenway Air purchased a private plane for approximately \$2.6 million. The Company contributed approximately \$427,000, and W. SECTION 16(A) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires each director and certain officers of Greenway, and any person or entity that owns more than 10% of Greenway common stock to file with the SEC, by a specified date, certain reports of ownership and changes in ownership of Greenway's common stock. The Sarbanes-Oxley Act of 2002 mandates that most of these reports under Section 16(a) must be filed by the second business day after the event that gave rise to the required filing has occurred. Based upon a review of reports that were filed by Greenway's directors, and officers and 10% owners and written representations from directors and officers that no other reports were required, the Company believes that during fiscal year 2013 its directors, officers and 10% owners complied with all such requirements.

TABLE OF CONTENTS**SECURITY OWNERSHIP OF
CERTAIN BENEFICIAL OWNERS AND MANAGEMENT**

The following table sets forth information with respect to the beneficial ownership of our common stock as of October 2, 2013, subject to certain assumptions set forth in the footnotes, for:

-
- each stockholder, or group of affiliated stockholders, who we know beneficially owns more than 5% of the outstanding shares of our common stock;
-
- each of our current directors;
-
- each of our named executive officers; and
-
- all of our current directors and current executive officers as a group.

Beneficial ownership is determined in accordance with rules of the SEC and generally includes any shares over which a person exercises sole or shared voting and/or investment power. Shares of common stock subject to options and warrants currently exercisable or exercisable within 60 days are deemed outstanding for computing the percentage ownership of the person holding the options but are not deemed outstanding for computing the percentage ownership of any other person. Except as otherwise indicated, we believe the beneficial owners of the common stock listed below, based on information furnished by them, have sole voting and investment power with respect to the number of shares listed opposite their names.

The number of shares and percentages of beneficial ownership set forth below are based on 29,837,187 shares of common stock outstanding as of October 2, 2013.
