Due to this termination, the Company will no longer be treated as a "controlled company" under Section 303A of the NYSE Listed Company Manual. As a result, the Company will no longer be exempted from certain NYSE corporate governance requirements, including: (1) the requirement that a majority of its board of directors consist of independent directors; (2) the requirement that it have a Nominating and Governance Committee composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities; and (3) the requirement that it have a Compensation Committee composed entirely of independent directors with a written charter addressing the committee's purpose and responsibilities.
