IMPORTANT ADDITIONAL INFORMATION AND WHERE TO FIND IT

This communication may be deemed to be solicitation material in connection with the proposal to be submitted to WMIH’s stockholders at a special meeting seeking approval to effect a reverse stock split, a reduction in the number of authorized shares of its common stock and an increase in the par value of its common stock (collectively, the “Reverse Split Proposal”). In connection with the Reverse Split Proposal, WMIH intends to file a preliminary proxy statement on Schedule 14A with the SEC. Any definitive proxy statement will also be sent to WMIH stockholders seeking any required stockholder approval. Before making any voting decision, investors and security holders of WMIH are urged to carefully read the entire proxy statement when it becomes available, and any other relevant documents filed with the SEC, as well as any amendments or supplements to these documents, because they will contain important information about the Reverse Split Proposal. The documents filed by WMIH with the SEC may be obtained free of charge at the SEC’s website at www.sec.gov. In addition, the documents filed by WMIH may be obtained free of charge from WMIH at www.wmih-corp.com. Alternatively, these documents, when available, can be obtained free of charge from WMIH upon written request to WMIH Corp., 8950 Cypress Waters Blvd, Coppell, TX 75019, Attention: Corporate Secretary, or by calling (469) 549-2000.

WMIH and certain of their directors and executive officers may be deemed to be participants in the solicitation of proxies from WMIH stockholders in favor of the approval of Reverse Split Proposal. Information regarding WMIH’s directors and executive officers is contained in WMIH’s Annual Report on Form 10-K for the year ended December 31, 2017, its Quarterly Report on Form 10-Q for the quarterly periods ended March 31, 2018 and June 30, 2018, its Current Report on Form 8-K dated July 31, 2018 and its Proxy Statement on Schedule 14A, dated May 31, 2018, which are filed with the SEC. Additional information regarding the interests of those participants and other persons who may be deemed participants in the transaction may be obtained by reading the proxy statement and other relevant documents filed with the SEC when they become available. Free copies of these documents may be obtained as described in the preceding paragraph.

Forward Looking Statements

This press release contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995 including, but not limited to, WMIH’s expectations or predictions of future financial or business performance or conditions. All statements other than statements of historical or current fact included in this press release that address activities, events, conditions or developments that we expect, believe or anticipate will or may occur in the future are forward-looking statements. Forward-looking statements give our current expectations and projections relating to our financial condition, results of operations, plans, objectives, future performance and business and these statements are not guarantees of future performance. Forward-looking statements may include the words “anticipate,” “estimate,” “expect,” “project,” “intend,” “plan,” “believe,” “strategy,” “future,” “opportunity,” “may,” “should,” “be,” “will continue,” “will likely result,” and similar expressions. Such forward-looking statements involve risks and uncertainties that may cause actual events, results or performance to differ materially from those indicated by such statements. Certain of these risks are identified and discussed in documents WMIH has filed or will file from time to time with the SEC. These risk factors will be important to consider in determining future results and should be reviewed in their entirety. These forward-looking statements are expressed in good faith, and WMIH believes there is a reasonable basis for them. However, there can be no assurance that the events, results or trends identified in these forward-looking statements will occur or be achieved. Forward-looking statements speak only as of the date they are made, and WMIH is not under any obligation, and expressly disclaims any obligation, to update, alter or otherwise revise any forward-looking statement, except as required by law. Readers should carefully review the statements set forth in the reports that WMIH has filed or will file from time to time with the SEC.

In addition to factors previously disclosed in WMIH's reports filed with the SEC and those identified elsewhere in this press release, the following factors, among others, could cause actual results to differ materially from forward-looking statements or historical performance: the possibility that stockholder approval for the amendment to effect the reverse stock split, the authorized share reduction and the increase in par value will not be obtained; the possibility that the reverse stock split, the authorized share reduction and the increase in par value may not have its intended effects; and the possibility that factors unrelated to the reverse stock split, the authorized share reduction and the increase in par value may impact the per share trading price of WMIH's common stock.
