On June 17, 2013, the Registrant announced a definitive agreement to acquire Aragon Pharmaceuticals, Inc., a privately-held, pharmaceutical discovery and development company focused on drugs to treat hormonally-driven cancers. Under the terms of the agreement, the Registrant will make an upfront cash payment of \$650 million, plus additional contingent payments of up to \$350 million based on reaching predetermined milestones. The transaction is expected to close in the third quarter of 2013.

Prior to closing, Aragon will transfer all assets other than its androgen receptor antagonist program to a newly formed company, which Aragon will spin off. Johnson & Johnson will not have an ownership stake in the new company nor retain any rights to these products or programs. The closing is subject to clearance under the Hart-Scott-Rodino Antitrust Improvements Act, Aragon's consummation of the spin-off of the newly created company, and other customary closing conditions. The boards of directors of both Johnson & Johnson and Aragon have approved the transaction.
