approximately \$1.3 million to date through its rights offering to its shareholders. The Company previously announced that the rights offering, which had been scheduled to terminate on July 15, 2002, had been extended to July 31, 2002 because of delays in the mailing of offering materials to shareholders whose shares are held in brokerage accounts.

The offer and sale of shares in the rights offering is being made by the Company's prospectus, dated June 17, 2002, a copy of which may be obtained by contacting the Company's information agent, Stock Surveillance LLC at (212) 497-9018.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to registration or qualification under the securities laws of any such state or other jurisdiction.

Statements included in this press release which are not historical in nature are intended to be forward looking statements.
