**SECTION 2 FINANCIAL INFORMATION**

**ITEM 2.02 RESULTS OF OPERATIONS AND FINANCIAL CONSOLIDATION**

On October 28, 2004, the registrant issued a press release announcing earnings for the quarter ended September 30, 2004. A copy of the release is furnished herewith as Exhibit 99 and is incorporated herein by reference. This Current Report on Form 8-K and the press release attached hereto are being furnished by Standex International Corporation pursuant to Item 2.02 of Form 8-K.

The Company has included non-GAAP financial information in the press release furnished herewith because it believes that it is important for investors to see the trends in operating income without the impact of special charges and without the impact of businesses that the Company has elected to divest. The former were incurred as part of a significant restructuring program designed to improve the long-term profitability of the Company. Although the charges associated with the program are important to an understanding of the Company's financial performance, disclosing the operating results of the Company and comparing them year over year is also important to an understanding of the performance of the Company's businesses. With respect to excluding the results of discontinued businesses, the Company believes it is important for investors to see clearly the performance of the ongoing businesses of the Company.

This information furnished under Item 2.02 is not filed pursuant to the Securities Exchange Act of 1934 and is not incorporated by reference into any registrations under the Securities Act of 1933.
