Explanation of Responses:

* If the form is filed by more than one reporting person, *see* Instruction 4(b)(v).

** Intentional misstatements or omissions of facts constitute Federal Criminal Violations. *See* 18 U.S.C. 1001 and 15 U.S.C. 78ff(a).

(1) This report on Form 4 relates to the settlement of a variable prepaid forward contract ("VPF Agreement") that the reporting person entered into on August 11, 2004 (the "Trade Date") through a family limited partnership (the "FLP") of which he and his spouse are the only general partners with an unrelated third party (the "Buyer") and with respect of which the reporting person filed a Form 4 with the SEC on August 13, 2004. The VPF Agreement related to 240,000 shares of Common Stock (the "Base Amount"). Under the VPF Agreement, the FLP agreed to sell the shares in accordance with footnotes 2 and 3 below. The FLP received a prepayment from the Buyer in the amount of \$9,222,936 within 3 business days of the Trade Date. Such proceeds were to be used for tax planning, charitable contribution, and estate planning purposes. The transaction settled in one tranche on August 13, 2007. In settlement of the VPF Agreement, the FLP delivered to the Buyer 240,000 shares of Common Stock.

(2) On the settlement date, the FLP, unless it had elected cash settlement as described in the following sentence, would deliver to an affiliate of Buyer a number of shares of Common Stock equal to the product of (A) the Base Amount and (B) the Settlement Ratio, rounded down to the nearest whole number, and cash in an amount equal to the value of any fractional share not delivered as a result of such rounding. In lieu of delivering shares, the FLP could have elected cash settlement. The Settlement Ratio was determined as outlined in footnote 3 below.

(3) If the "Settlement Price" (a market-based price determined under the terms of the VPF Agreement) was less than the Upside Limit but greater than the Hedged Value, the Settlement Ratio would be a ratio equal to the Hedged Value divided by the Settlement Price; (ii) if the Settlement Price was equal to or greater than the Upside Limit, the Settlement Ratio would be a ratio equal to the sum of the Hedged Value divided by the Settlement Price and a fraction the numerator of which is equal to the difference between the Settlement Price and the Upside Limit and the denominator of which is equal to the Settlement Price, and (iii) if the Settlement Price was equal to or less than the Hedged Value, the Settlement Ratio would be one (1). This Transaction had an Upside Limit of \$62.1418 and a Hedged Value of \$47.8014. Transaction Codes S and K also apply to the transaction reported herein.

(4) A family limited partnership of which the reporting person and his spouse are the only general partners.

(5) Various Grantor Retained Annuity Trusts of which reporting person is a beneficiary.

(6) Various Grantor Retained Annuity Trusts of which reporting person's spouse is a beneficiary.

(7) Transaction Code K also applies to the transaction reported herein.

Note: File three copies of this Form, one of which must be manually signed. If space is insufficient, *see* Instruction 6 for procedure.

Potential persons who are to respond to the collection of information contained in this form are not required to respond unless the form displays a currently valid OMB number.
