PROXY STATEMENT JANUARY 3, 2005

This Proxy Statement and the accompanying Notice of Annual Meeting of Stockholders are furnished in connection with the solicitation by the Board of Directors of Franklin Resources, Inc., a Delaware corporation ("Franklin" or the "Company"), of the accompanying proxy to be voted at the Annual Meeting of Stockholders (the "Annual Meeting"), which will be held on January 25, 2005, at 10:00 a.m., Pacific Standard Time, in the H. L. Jamieson Auditorium, One Franklin Parkway, Building 920, San Mateo, California. We expect that this Proxy Statement and the enclosed proxy will be mailed on or about January 3, 2005 to each stockholder entitled to vote.

All materials filed by the Company with the Securities and Exchange Commission (the "SEC") can be obtained at the SEC's Public Reference Room at 450 Fifth Street, N.W., Washington, D.C. 20549 or through the SEC's website at www.sec.gov. You may obtain information on the operation of the Public Reference Room by calling 1-800-SEC-0330.

VOTING INFORMATION

WHO CAN VOTE?

You may vote if you held shares of the Company's common stock directly as a stockholder of record or beneficially in street name, at the close of business on November 30, 2004 (the "Record Date"). You are entitled to one vote for each share owned on that date on each matter presented in person or by proxy at the meeting. As of the Record Date, Franklin had 251,352,866 shares outstanding.

HOW MANY VOTES ARE NEEDED TO HOLD THE MEETING?

In order to take any action at the Annual Meeting, a majority of Franklin's outstanding shares as of the Record Date must be present at the meeting. This is called a quorum.

WHO COUNTS THE VOTES?

The final voting results will be tallied by our Transfer Agent, The Bank of New York, and the Inspector of Elections, and published in our next quarterly report on Form 10-Q.

WHAT IS A PROXY?

A "proxy" allows someone else (the "proxy holder") to vote your shares on your

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

behalf. The Board of Directors of Franklin ("Board of Directors" or "Board") is asking you to allow any of the persons named on the proxy card (Charles B. Johnson, Chairman of the Board; Martin L. Flanagan, President and Co-Chief Executive Officer; and Barbara J. Green, Secretary) to vote your shares at the Annual Meeting.

HOW DO I VOTE BY PROXY?

Whether you hold shares directly as a stockholder of record or beneficially in street name, you may vote without attending the Annual Meeting. You may vote by granting a proxy or, for shares held in street name, by submitting voting instructions to your stockbroker or nominee. You will be able to do this by telephone, using the Internet or by mail. The deadline for voting by telephone or by using the Internet is 11:59 p.m., Eastern Standard Time, on January 24, 2005. Please see your proxy card or the information your bank, broker, or other holder of record provided to you for more information on these options. Unless you indicate otherwise on your proxy card,

1

the persons named as your proxy holders on the proxy card will vote your shares FOR all nominees to the Board of Directors, FOR the ratification of the appointment of PricewaterhouseCoopers LLP as the independent registered public accounting firm (the "independent auditors") for the fiscal year ending September 30, 2005, FOR the approval of the amendment and restatement of the Franklin Resources, Inc. 2002 Universal Stock Incentive Plan, and FOR the approval of the amendment of the Company's Certificate of Incorporation, as amended, ("Certificate of Incorporation") to increase the number of shares of common stock authorized for issuance. If any other matters come before the Annual Meeting to be voted on, the persons named as your proxy holders on the proxy card will vote, act and consent on those matters in their discretion.

CAN I CHANGE OR REVOKE MY VOTE AFTER I RETURN MY PROXY CARD?

Yes. You can change or revoke your proxy by submitting another proxy with a later date before the beginning of the Annual Meeting. You may also revoke your proxy by attending the Annual Meeting and voting in person.

CAN I VOTE IN PERSON AT THE ANNUAL MEETING INSTEAD OF VOTING BY PROXY?

Yes. However, we encourage you to complete and return the enclosed proxy card to ensure that your shares are represented and voted.

HOW ARE VOTES COUNTED?

To be counted as "represented", either a proxy card must have been returned for those shares, or the stockholder must be present at the meeting. Under New York Stock Exchange ("NYSE") rules, the proposals to elect Directors (Proposal No. 1) and to ratify the appointment of the independent auditors (Proposal No. 2) are considered routine items. This means that brokers may vote in their discretion on these matters on behalf of clients who have not furnished voting instructions. The proposal to approve the amendment and restatement of the Franklin Resources, Inc. 2002 Universal Stock Incentive Plan (Proposal No. 3) and to approve the amendment of the Company's Certificate of Incorporation, as amended, to increase the number of shares of common stock authorized for issuance (Proposal No. 4) are considered "non-routine" items. This means brokers that have not received voting instructions from their clients may not vote on this proposal. Broker "non-votes" are considered as represented for purposes of determining a quorum, but will not be considered as entitled to vote with

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

respect to Proposal No. 3. Broker "non-votes" will have the same effect as a vote against Proposal No. 4 to increase the number of shares of common stock that the Company may issue.

WHAT IS THE VOTING REQUIREMENT TO APPROVE EACH OF THE PROPOSALS?

For the election of Directors, a plurality of the votes cast is required (Proposal No. 1). This means that the eleven (11) candidates who receive the most votes will be elected to the eleven (11) available positions on the Board. An affirmative vote of the holders of shares of common stock, having a majority of the votes present in person or represented by proxy at the Annual Meeting and entitled to vote on the matters, are necessary to ratify the appointment of PricewaterhouseCoopers LLP (Proposal No. 2), as amended, and to approve the amendment and restatement of the Franklin Resources, Inc. 2002 Universal Stock Incentive Plan (Proposal No. 3). In order to approve the amendment of the Company's Certificate of Incorporation to increase the number of shares of common stock authorized for issuance (Proposal No. 4), a majority of the outstanding common stock of the Company will be required to vote in favor of the amendment. Shares properly voted "ABSTAIN" on a particular matter are considered as shares present at the meeting for quorum purposes, but are treated as having voted against the matter, although such abstentions will have no effect on the voting for the election of directors (Proposal No. 1).

WHO PAYS FOR THIS PROXY SOLICITATION?

Your proxy is being solicited by the Board of Directors of Franklin. Franklin pays the cost of soliciting your proxy and reimburses brokerage costs and other fees for forwarding proxy materials to you.

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

as necessary, but at least once annually, commercial, charitable, family and other relationships that directors have with the Company to determine whether the Company's directors are independent.

For a director to be considered independent, the Board must determine affirmatively that the director does not have material relationships with the Company either directly or as a partner, shareholder or officer of an organization that has a relationship with the Company. Such determination will be made and disclosed pursuant to applicable NYSE rules. A material relationship can include, but is not limited to, commercial, industrial, banking, consulting, legal, accounting, charitable and family relationships. The Board has established the following guidelines to assist it in determining whether a director does not have material relationships and thereby qualifies as independent:

A. A director will not be independent if, at any time within the preceding three years (unless otherwise specified below):

1. (a) the director was employed by the Company; or

(b) an immediate family member /1/ of the director was employed by the Company as an executive officer /2/ of the Company;
2. the director (or an immediate family member of the director who in the capacity of an executive officer of the Company) received direct compensation from the Company (other than for prior service as a director, or as pension or deferred compensation) of more than \$100,000 in any 12-month period;
3. (a) the director or an immediate family member of the director is currently a partner of the Company's internal auditor or external independent auditor;

(b) the director is currently employed by the Company's internal auditor or external independent auditor;

(c) an immediate family member of the director is currently employed by the Company's internal auditor or external independent auditor and participates in the auditor's audit assurance or tax compliance (but not tax planning) practice; or

(d) the director or an independent family member of the director was formerly employed by or a partner of the Company's internal auditor or external independent auditor and personally worked on the Company's audit;
4. the director or an immediate family member of the director was an executive officer of another company and an executive officer of the Company served on the compensation committee of such other company; or
5. (a) the director is an employee of a company that made payments to or received payments from the

/1/ An immediate family member includes a spouse, parent, child, sibling, father- and mother-in-law, son- and daughter-in-law, brother- and sister-in-law and anyone (other than a domestic employee) sharing the director's home.

/2/ An executive officer means a Section 16 reporting person under the Securities Exchange Act of 1934, as amended.

Company for property or services, in any single fiscal year, of more than the greater of \$1 million or 2% of the other company's consolidated gross revenues;

(b) an immediate family member of the director is an executive officer of a company that made payments to or received payments from the Company for property or services, in any single fiscal year, of more than the greater of \$1 million or 2% of the Company's consolidated gross revenues; or

(c) the director or an immediate family member of the director serves as an officer, director or trustee of a tax exempt organization, and the Company's contributions to the organization, in any single fiscal year, are more than the greater of \$3 million or 5% of that organization's consolidated gross revenues.

B. The following relationships are not by themselves considered to be material and would not by themselves impair a director's independence:

1. a director (or an immediate family member of the director) serves as an executive officer, employee, partner or significant owner (more than 10%) of a company that made payments to or received payments from the Company, in any single fiscal year, of less than the greater of \$1 million or 2% of the consolidated gross revenues of the other entity;
2. a director is an executive officer of another company, which is indebted to the Company, or to which the Company is indebted, and the total amount of either company's indebtedness to the other, in any single fiscal year, is less than 2% of the total consolidated assets of the other company;
3. a director (or an immediate family member of a director) serves as an officer, director or trustee of a tax exempt organization, and the Company's contributions to the organization, in any single fiscal year, are more than the greater of \$1 million or 2% of that organization's consolidated gross revenues, provided that such contributions do not exceed the limits set forth in Paragraph A.5(c) above and that disclosure is made in the Company's annual proxy statement; or
4. a director serves or served as a director of a subsidiary, which is a privately held, wholly-owned, direct or indirect subsidiary of the Company.

C. For all relationships not specifically and clearly addressed by the guidelines above, the determination of whether or not a director has a material relationship, and therefore whether or not the director qualifies as independent or not, shall be made by the Board based on the totality of circumstances.

BOARD MEETINGS AND ANNUAL MEETING OF STOCKHOLDERS

The Board held in the fiscal year ended September 30, 2004 ("fiscal year 2004") nine (9) meetings (not including committee meetings). For fiscal year 2004, each director attended at least seventy-five percent (75%) of the aggregate of the total number of meetings held by the Board and the total number of meetings held by all committees of the Board on which he served. The Board has an Audit Committee, a Compensation Committee and a Corporate Governance Committee. To promote open discussion among the non-management directors (those directors who are not officers or employees of the Company), the non-management directors generally meet in executive session after regularly scheduled Board meetings without management. The independent directors (as defined below) meet in executive session a minimum of two times per year. Charles Crocker, an independent director, has been appointed to preside at the executive sessions of the non-management and the independent directors. The Board encourages directors to attend the annual meeting of stockholders. All of the Company's directors standing for re-election, other than Mr. Armacost who was elected to the Board as of December 21, 2004, attended last year's annual meeting.

Below is a description of each standing committee of the Board. The Board has affirmatively determined that each standing committee consists entirely of independent directors pursuant to rules established by the NYSE and promulgated under the Securities Exchange Act of 1934, as amended, and the Director Independence Standards established by the Board. See also "Director Independence Standards" above.

The Board has also determined that each current member of the Audit Committee is independent under the criteria established by the NYSE and the SEC for audit committee members.

THE AUDIT COMMITTEE

The Audit Committee currently consists of Messrs. Ratnathicam (Chairman), Crocker and Woodworth. The primary purpose of the Audit Committee is to assist the Board in fulfilling its responsibility to oversee: (1) the Company's financial reporting, auditing and internal control activities, including the

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

integrity of the Company's financial statements; (2) the Company's compliance with legal and regulatory requirements; (3) the independent auditors' qualifications and independence; and (4) the performance of the Company's internal audit function and independent auditors. The Audit Committee also prepares the report the Audit Committee is required to include in the Company's proxy statement. In addition, the Audit Committee is responsible for the appointment,

8

compensation, retention and oversight of the work of the independent auditors, including approval of all services and fees of the independent auditors. The Audit Committee meets with the Company's independent auditors and reviews the scope of their audit, the related reports and any recommendations they may make. The Audit Committee also reviews the annual audited financial statements for the Company.

The Audit Committee operates under a written charter adopted by the Board. The Audit Committee met ten (10) times during fiscal year 2004. The Audit Committee Charter, as amended, is attached as Appendix A and posted in the corporate governance section of the Company's website. A written copy of the Charter may also be obtained by making a written request to the Company's Secretary at the Company's principal executive offices. The Board has determined that all Audit Committee members are financially literate under the NYSE listing standards and that Mr. Chutta Ratnathicam is an audit committee financial expert within the meaning of the rules and regulations of the SEC.

THE COMPENSATION COMMITTEE

The Compensation Committee currently consists of Messrs. Crocker (Chairman), Kean and Woodworth. The Compensation Committee has the responsibilities set forth in its charter and reviews and sets compensation for the Co-Chief Executive Officers, determines the general policies and guidelines for compensating other executive officers, and performs other duties as assigned from time to time by the Board. The Compensation Committee also administers the 2002 Universal Stock Incentive Plan, as amended and restated, (the "2002 Stock Plan"), the Amended and Restated Annual Incentive Compensation Plan, and the 2004 Key Executive Incentive Compensation Plan. The Compensation Committee met seven (7) times during fiscal year 2004. The Compensation Committee Charter, as amended, is attached as Appendix B and posted in the corporate governance section of the Company's website. A written copy of the Charter may also be obtained by making a written request to the Company's Secretary at the Company's principal executive offices.

THE CORPORATE GOVERNANCE COMMITTEE

The Corporate Governance Committee currently consists of Messrs. Joffe (Chairman), Kean and Woodworth. The Corporate Governance Committee has the responsibilities set forth in its charter and provides counsel to the Board of Directors with respect to the organization, function and composition of the Board and committees, and oversees the evaluation of the Board and management of the Company. The Corporate Governance Committee is also responsible for developing and recommending to the Board corporate governance policies and procedures applicable to Franklin. The Corporate Governance Committee met six (6) times during fiscal year 2004. The Corporate Governance Committee Charter, as amended, is attached as Appendix C and posted in the corporate governance section of the Company's website. A written copy of the Charter may also be obtained by making a written request to the Company's Secretary at the Company's principal executive offices.

The Corporate Governance Committee is responsible for identifying candidates for election to the Board at the annual meeting of stockholders and uses a variety of means as it determines are necessary or appropriate, including recommendations of stockholders. The Corporate Governance Committee has adopted policies regarding nominations and qualifications of Directors. Under such policy, the Corporate Governance Committee may solicit recommendations from current and former directors, management or others who may be familiar with qualified candidates, and may consider current directors for re-nomination. The Corporate Governance Committee may, in its sole discretion, retain and terminate any search firm (and approve such search firm's fees and other retention terms) to assist in the identification of candidates.

9

The Corporate Governance Committee believes there are certain minimum skills and qualifications that each director nominee must possess or satisfy, including:

- * high personal and professional integrity and ethical character;
- * significant accomplishments in business, finance, government, education, law, technology or other fields important to the operation of the Company;
- * the ability to exercise sound business judgment on a broad range of issues;
- * sufficiently broad experience and professional and educational background to have a general appreciation of the major issues facing public companies;
- * the willingness and ability to devote the necessary time to Board duties, including preparing for and attending meetings of the Board and its Committees; and
- * being prepared to represent the best interests of the Company and its stockholders and committed to enhancing stockholder value.

The Corporate Governance Committee also believes there are other skills and qualifications that at least one or more directors must possess or satisfy, including:

- * experience and knowledge of the industry sector in which the Company operates its businesses;
- * a majority of the directors being "independent" directors in accordance with the corporate governance listing standards of the NYSE;
- * at least three directors meeting the additional independence requirements for members of the Audit Committee of the Board in accordance with the applicable rules of the NYSE and the SEC;
- * at least three directors who are eligible to serve on the Audit Committee of the Board being "financially literate" or capable of becoming "financially literate" within a reasonable period of time; and
- * at least one director who is eligible to serve on the Audit Committee of the Board being an "audit committee financial expert" in accordance with applicable rules of the SEC.

In considering candidates for director nominee, the Corporate Governance Committee generally assembles all information regarding a candidate's background and qualifications, evaluates a candidate's mix of skills and qualifications and determines the contribution the candidate could be expected to make to the overall functioning of the Board, giving due consideration to the overall Board

balance of diversity of perspectives, backgrounds and experiences. With respect to current directors, the Corporate Governance Committee considers past attendance at meetings and assesses the participation in and contributions to the activities of the Board. The Corporate Governance Committee, in its discretion, may designate one or more of its members to interview any candidate. In addition, the Corporate Governance Committee may seek input from the Company's management or the Board, who may interview any candidate. The Corporate Governance Committee recommends director nominees to the Board based on its assessment of overall suitability to serve on the Board in accordance with the Company's policies.

The Corporate Governance Committee will consider candidates recommended for nomination to the Board by stockholders of the Company. Stockholders may make such a recommendation by submitting a completed Director Nomination Form, which is posted in the corporate governance section of the Company's website at WWW.FRANKLINTEMPLETON.COM, at least 120 days prior to the one-year anniversary of the date of the proxy statement for the preceding annual meeting. Completed Director Nomination Forms shall be sent to: Corporate Governance Committee, Franklin Resources, Inc., c/o Barbara J. Green, Secretary, One Franklin Parkway, San Mateo, CA 94403. This year our proxy statement is dated January 3, 2005; therefore we must receive any notice of recommendation by September 5, 2005.

The manner in which the Corporate Governance Committee evaluates candidates recommended by stockholders is generally the same as any other candidate. However, the Corporate Governance Committee will also seek and consider information concerning any relationship between the stockholder and the candidate to determine if the candidate can represent the interests of all of the stockholders. The Corporate Governance Committee will not

10

evaluate a candidate recommended by a stockholder unless the Director Nomination Form provides that the potential candidate has indicated a willingness to serve as a director, to comply with the expectations and requirements for Board service as publicly disclosed by the Company and to provide all of the information necessary to conduct an evaluation.

NON-EMPLOYEE DIRECTOR FEES

PAYMENTS TO DIRECTORS. In fiscal year 2004, directors who were not Franklin employees were paid \$10,000 per quarter, plus \$3,000 per meeting attended. These directors received a grant of restricted stock valued at \$25,000 in December of 2003, and a stock grant valued at \$40,000 in January of 2004. In addition to the per committee meeting fee of \$1,500 paid to directors who serve on Board committees, Chairpersons of the Compensation Committee and the Corporate Governance Committee receive \$1,250 per quarter and the Chairperson of the Audit Committee receives \$2,500 per quarter. Effective January 1, 2005, directors who are not Franklin employees will be paid \$12,500 per quarter, plus \$3,000 per meeting and will receive an annual stock grant valued at \$75,000 on the date of grant on January 25, 2005 and on the date of the annual organizational meeting of the Board in subsequent fiscal years. In addition, the Company has a policy of reimbursing certain health insurance coverage for a director who is retired from other employment and is not otherwise eligible for group health coverage under Franklin's group health plan or any other company's health plan. Franklin will reimburse the cost of health insurance coverage comparable to that provided to Franklin employees. During the fiscal year 2004, Mr. Woodworth, a director, was reimbursed \$15,904 for health insurance expenses. In connection with their service as members of the Board of Directors of Fiduciary Trust Company International ("Fiduciary Trust"), a subsidiary of the Company, Messrs. Crocker,

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

Joffe and Kean also received from Fiduciary Trust an annual retainer fee for Board services of \$25,000 (paid quarterly) and an annual retainer fee for committee services of \$5,000 (paid quarterly). Mr. Crocker also received \$4,000 for his service as the Chairman of a committee.

DEFERRED DIRECTOR FEES. Franklin also allows directors to defer payment of their directors' fees, and to treat the deferred amounts as hypothetical investments in Franklin common stock. Upon termination, the number of shares of stock that the director hypothetically purchased are added together, and Franklin must pay the director an amount equal to the value of the hypothetical investment, including dividend reinvestment. Either Franklin or the individual director can terminate the fee deferral with ninety (90) days notice. Pursuant to the Deferred Compensation Agreement for Directors Fees, as amended, Mr. Woodworth elected to defer all of his director's fees. Mr. Crocker elected to defer all of his director's fees relating to his service as a director of Fiduciary Trust and 50% of his directors fees related to his service as a director of the Company. Mr. Joffe elected to defer fifty percent (50%) of his director's fees and receive the remainder in cash. Mr. McCarthy, a former director of the Company during fiscal year 2004, elected to defer his quarterly director's fee of \$10,000 and receive all meeting fees and Chairman fees in cash.

LONG-TERM INCENTIVE PLAN AWARDS

On December 15, 2004, after the fiscal year 2004, the Compensation Committee of the Board of Directors approved the grant of restricted stock awards under the 2002 Stock Plan to the Co-Chief Executive Officers. The following were the numbers of shares and value of the restricted stock awards that were granted to Mr. Flanagan: 15,625 shares, (\$1,000,000) and Mr. G. Johnson: 15,625 shares, (\$1,000,000). The restricted stock awards vest upon the achievement of certain increases in pre-tax operating income for a fiscal year of the Corporation. Pre-tax operating income is defined as total operating revenue less total operating expenses determined on a consolidated basis and is reported in the Corporation's annual financial statements as operating income. One-third of the shares of restricted stock shall vest if pre-tax operating income for the 2005, 2006 or 2007 fiscal year is at least 15% greater than pre-tax operating income for the 2004 fiscal year. Two-thirds of the shares of restricted stock shall vest if pre-tax operating income for the 2005, 2006 or 2007 fiscal year is at least 32.25% greater than pre-tax operating income for the 2004 fiscal year. All of the shares of restricted stock shall vest if pre-tax operating income for the 2005, 2006 or 2007 fiscal year is at least 52.09% greater than pre-tax operating income for the 2004 fiscal year. After the conclusion of the 2007 fiscal year,

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

any shares of restricted stock that do not vest based upon the achievement of the foregoing performance goals related to increases in pre-tax operating income shall be forfeited back to the Corporation. These awards differ in structure from those granted to other top contributing employees and officers of the Company, in that specific installments of restricted stock are subject to company-related performance metrics in order to be vested over a three-year period. Should those performance metrics not be achieved, the awards will be forfeited either in whole or in part at the end of the performance-vesting period. The Compensation Committee intended that the design and structure of the Co-Chief Executive Officer performance share awards be aligned wholly and clearly with the Company's performance, and therefore, the stockholders' interests.

EMPLOYMENT CONTRACTS AND CHANGE-IN-CONTROL ARRANGEMENTS

During the first quarter of fiscal year 2004, Mr. Charles B. Johnson had an employment contract with Franklin, which terminated on December 31, 2003, pursuant to which the Company was obligated, in the event of Mr. C. Johnson's death or permanent disability, to pay one year's salary to his estate. Under the contract, Mr. C. Johnson was employed as the Chairman of the Board, Chief Executive Officer, and Member - Office of the Chairman at a salary determined from time to time by the Board, which assigned the review of Mr. C. Johnson's compensation arrangements to the Compensation Committee.

Ms. Anne M. Tatlock has a five year employment agreement with Franklin and Fiduciary Trust, which commenced in April 2001. Under the employment agreement, Ms. Tatlock was entitled to a base salary equal to a minimum of \$590,000 per year, which is subject to review by the Chief Executive Officer and Franklin's Compensation Committee (which shall not result in a decrease in such base salary). Ms. Tatlock was also entitled to, at a minimum, the following bonus and incentive compensation: (a) a bonus for each period (i) commencing January 1, 2001 and ending December 31, 2001 and (ii) commencing January 1, 2002 and ending September 30, 2002, on an annualized basis, of not less than \$609,281, of which Ms. Tatlock is entitled to receive an annualized short-term bonus of \$296,500 payable in cash and an annualized long-term bonus of \$312,781 to be granted in the form of restricted stock that vests over 3 years; (b) after September 30, 2002, awards, grants or payments that may be awarded under Franklin's incentive compensation plan; (c) additional services compensation, in the amount of \$2,125,000, which is payable in equal annual cash payments of \$425,000 over five years, subject to certain conditions relating to Ms. Tatlock's continued employment; (d) stock options representing 38,836 shares of common stock of Franklin, 50% of which were exercisable on April 10, 2004 and 50% of which are exercisable on April 10, 2005, subject to Ms. Tatlock's continued employment with Franklin; (e) an allowance for financial and tax planning of up to \$15,000 for fiscal year 2001 and \$5,000 for each subsequent fiscal year during the term of the employment agreement; and (f) such luncheon club memberships and other memberships in accordance with Fiduciary Trust's policy and practices.

COMPENSATION COMMITTEE REPORT ON EXECUTIVE COMPENSATION

The Compensation Committee of the Board of Directors is composed entirely of non-employee directors who are independent, as defined under the New York Stock Exchange listing standards. The role of the Compensation Committee is to oversee our compensation plans and policies, review and set compensation for the Company's Co-Chief Executive Officers, determine the general policies and guidelines for compensating other executive officers, and perform other duties as assigned from time to time by the Board of Directors of the Company. The Compensation Committee also administers the Company's Amended and Restated Annual Incentive Compensation Plan (the "Incentive Plan"), the 2004 Key Executive Incentive Compensation Plan ("Key Executive Incentive Plan") and the 2002 Universal Stock Incentive Plan (the "2002 Stock Plan") which is the successor to the Amended and Restated 1998 Universal Stock Incentive Plan. The Compensation Committee's charter reflects these various responsibilities, and the Committee and the Board periodically review and revise the charter. The current Compensation Committee charter is posted in the corporate governance section of the Company's website.

This report discusses the Committee's overall objectives in designing the Company's compensation programs. It also reviews the Compensation Committee's compensation determinations in 2004 for the Co-Chief Executive Officers and the Company's executive officers, including other executive officers named (the "Named Executive Officers") in the Summary Compensation Table elsewhere in this Proxy Statement.

COMPENSATION PHILOSOPHY AND POLICIES

The Compensation Committee believes that total compensation should vary with the Company's performance in achieving financial and non-financial objectives and that compensation should be aligned with the interests of the stockholders. The Committee further believes that at least a portion of compensation should encourage executive officers to focus on the Company's long-range growth and development. The Company's compensation program for executive officers (including the Co-Chief Executive Officers) consists primarily of salary and annual cash and equity incentive bonuses based upon individual and Company performance.

In its review of executive officer compensation, and, in particular, in determining the amount and form of awards under the Incentive Plan, Key Executive Incentive Plan and 2002 Stock Plan, the Compensation Committee generally considers, among other things: market survey information with respect to cash and long-term compensation for comparable companies; amounts paid to the executive officer in prior years as salary, bonus and other compensation; the officer's responsibilities and performance during the fiscal year ended September 30, 2004; and the Company's overall performance during prior fiscal years and its future objectives and challenges.

The Company generally uses a combination of employee benefit plans to award bonuses to employees including executive officers. The overall bonus pool is determined pursuant to the Incentive Plan, which allows for both cash and stock awards to Company employees, including executive officers. Bonuses awarded to the Co-Chief Executive Officers are generally made under the Key Executive Incentive Plan, which was ratified and approved by stockholders in fiscal 2004. A component of such awards may be in the form of equity securities, as was the case in fiscal 2004, which awards are granted through the 2002 Stock Plan. As a general matter, the size of the award pool available for bonus payments is a percentage of the Company's net operating income, exclusive of passive income and calculated before interest, taxes, extraordinary and certain special items, and before the accrual of awards under both the Incentive Plan and the Key Executive Incentive Plan (referred to as "Pre-Tax Operating Income"). In

determining the percentage of the Pre-Tax Operating Income that will go into the award pool, the Compensation Committee considers a variety of factors, including the performance of the Company's stock compared to the indices set forth in the performance graph included in this Proxy Statement and the increase or decrease in market price of the Company's common stock.

20

In 2004, the Compensation Committee directly engaged a third-party compensation consultant to provide independent analyses of, and counsel on, the Company's executive compensation program and practices. The role of the independent consultant is to objectively assess all comparative elements of executive officer compensation, including market competitiveness and the judiciousness of base, variable and long-term compensation.

SALARIES

Base salaries are evaluated annually for all executive officers, including the Co-Chief Executive Officers. In connection with a Company-wide review of base salaries, the Compensation Committee determined that employees, including the Named Executive Officers (Messrs. C. Johnson, M. Flanagan, G. Johnson, M. Simpson, and J. Baio and Mes. A. Tatlock, and J. Bolt), whose salary levels were in excess of a pre-determined amount would not be eligible to receive an increase to base salary for fiscal 2004. This decision was based upon several considerations, including the desire to limit base salary increases to executive officers who, the Committee believes, should have a majority component of their annual pay in variable compensation tied to Company performance, while judiciously managing the Company's compensation expenses. Consequently, the base salaries of each of the Named Executive Officers were not increased for fiscal 2004.

INCENTIVE COMPENSATION

The Compensation Committee determined that each of the Named Executive Officers, including the Co-Chief Executive Officers, warranted incentive bonus awards in respect of fiscal 2004 performance. Each bonus award was comprised of a combination of cash and restricted stock. In contrast to past years, and in light of pending accounting treatment of stock options, there were no stock options granted in fiscal 2004. In the compensation tables included in this Proxy Statement, stock options reported reflect the prior fiscal year grant, consistent with the Company's past practice. In particular, the Company reports the cash and restricted stock portion of any bonus award earned during a particular fiscal year by a Named Executive Officer, and reports the stock option related portion of any bonus awarded for a particular fiscal year only after it has actually been awarded, which normally occurs in the subsequent fiscal year.

In making the awards to the Named Executive Officers, the Compensation Committee considers, as discussed above, a number of different individual and Company performance factors. In particular, the Committee considered the following: the 54.4% increase to Pre-Tax Operating Income between the end of fiscal year 2003 through fiscal year 2004; the 26.1% increase in the Company's simple monthly average assets under management; and the 26.1% increase in the value of the Company's common stock from the end of fiscal year 2003. The foregoing performance factors were taken into consideration in determining to increase both the award pool and size of awards granted to employees.

The Compensation Committee notes that Ms. A. Tatlock, in addition to her

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

incentive bonus award, received the third of five equal annual \$425,000 cash payments pursuant to the terms of her 2001 employment agreement, in respect of a previously agreed upon integration services cash bonus.

For fiscal year 2004, the Compensation Committee awarded other employees, including other executive officers, bonuses consisting of cash and restricted stock. Consistent with the practice established in fiscal year 2000, bonuses awarded were comprised of 65% cash and 35% deferred vesting restricted stock. Certain non-executive officer Company employees, whose awards were in excess of \$1.0 million, were awarded those amounts in excess of \$1.0 million in the form of 50% cash and 50% of such restricted stock. The Compensation Committee determined that the bonuses awarded to Messrs. G. Johnson and M. Flanagan should be treated in a consistent manner as that of other highly compensated non-executive officer employees.

In addition, in cases where special recognition of contributions was warranted, additional performance-based restricted stock awards were granted to employees, including executive officers. While these awards have an established vesting date of September 28, 2007, a performance feature was designed to accelerate vesting of a portion of shares should corporate performance measures exceed established target levels.

21

CO-CEO COMPENSATION

On January 1, 2004, Messrs. G. Johnson and M. Flanagan became Co-Chief Executive Officers of the Company. In determining incentive compensation for Messrs. G. Johnson and M. Flanagan, the Compensation Committee considered a number of individual and Company performance factors, as described in the Key Executive Incentive Plan. In light of the Company's very strong performance this fiscal year, the Compensation Committee awarded Messrs. G. Johnson and M. Flanagan cash and restricted stock incentive bonuses valued at \$5 million each under the Key Executive Incentive Plan. The Compensation Committee also determined that an additional performance-based restricted stock award would be granted to each Co-Chief Executive Officer under the 2002 Stock Plan. These awards differ in structure from those granted to other top contributing employees and officers of the Company, in that specific installments of restricted stock are subject to company-related performance metrics in order to be vested over a three-year period. Should those performance metrics not be achieved, the awards will be forfeited either in whole or in part at the end of the performance-vesting period. The Compensation Committee intended that the design and structure of the Co-Chief Executive Officer performance share awards be aligned wholly and clearly with the Company's performance and therefore the stockholders interests.

The compensation of Mr. C. Johnson, who was Chief Executive Officer of the Company until January 1, 2004, at which time he assumed his current role as Chairman, reflects his status as a principal stockholder of the Company. Mr. C. Johnson's compensation is significantly lower than that received by chief executive officers or chairmen of comparable companies. The Compensation Committee considers a number of individual factors and Company performance factors in determining incentive compensation for Mr. C. Johnson, as they would with the other executive officers of the company. The Compensation Committee also took into account Mr. C. Johnson's position as a principal stockholder of the Company, and the dividends received on those holdings, in determining his compensation and bonus. The Compensation Committee believes that because of his large share holdings of Company common stock, Mr. C. Johnson is materially impacted by changes in the Company's stock price. Therefore, the Compensation

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

Committee determined not to award an incentive bonus to Mr. C. Johnson for fiscal 2004.

OTHER BENEFITS AND PERQUISITES

All executive officers are entitled to receive medical, life and disability insurance coverage and other corporate benefits available to most employees of the Company. All executive officers participate in a combined Profit Sharing/401(k) Plan. The Board determines contributions to this Plan.

TAX DEDUCTIBILITY OF COMPENSATION

In evaluating compensation program alternatives, the Compensation Committee considers the potential impact on the Company of Section 162(m) of the U.S. Internal Revenue Code of 1986, as amended. Section 162(m) limits to \$1 million the amount that a publicly traded corporation, such as the Company, may deduct for compensation paid in any year to its chief executive officer or any other of its four most highly compensated executive officers. However, compensation which qualifies as "performance-based" is excluded from the \$1 million per executive officer limit if, among other requirements, the compensation is payable only upon attainment of pre-established, objective performance goals under a plan approved by the Company's stockholders.

The Compensation Committee endeavors to maximize deductibility of compensation under Section 162(m) to the extent practicable while maintaining competitive compensation. The Company expects that performance-based awards either in the form of cash or restricted stock should qualify for the performance-based compensation exception to Section 162(m). The Compensation Committee, however, believes that it is important for it to retain maximum flexibility in designing compensation programs that are in the best interests of the Company and its stockholders. Therefore, the Compensation Committee, while considering tax deductibility as a factor in determining compensation, will not limit compensation to those levels or types of compensation that will be

22

deductible if it believes that the compensation is commensurate with the performance of the covered employee and is necessary and appropriate to meet competitive requirements.

PERFORMANCE GRAPH

The following performance graph compares the performance of an investment in Franklin's common stock for the last five (5) fiscal years to that of the Standard & Poor's 500 Composite Stock Price Index (the "S&P 500 Index"), an index to which the Company was added in April 1998, and to the Standard & Poor's 500 Financials Index (the "S&P 500 Financials Index"). The S&P 500 Index consists of 500 stocks chosen for market size, liquidity, and industry group representation. It is a market-value weighted index (stock price times number of shares outstanding), with each stock's weight in the index proportionate to its market value. The S&P 500 Index is one of the most widely used benchmarks of U.S. equity performance. The S&P 500 Financials Index is a capitalization-weighted index of the stocks of approximately 70 companies that are in the S&P 500 Index and whose primary business is in a sub-sector of the financial industry. It is designed to measure the performance of the financial sector of the S&P 500 Index. The graph assumes that the value of the investment in the Company's common stock and each index was \$100 on September 30, 1999 and that all dividends were reinvested.

REPORT OF THE AUDIT COMMITTEE

MEMBERSHIP AND ROLE OF THE AUDIT COMMITTEE

The Audit Committee of the Board of Directors of Franklin Resources, Inc. (the "Company") consists of Chutta Ratnathicam, Charles Crocker and Louis E. Woodworth. FEES PAID TO INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

The Board, with the ratification of the stockholders, engaged PricewaterhouseCoopers LLP ("PwC") to perform an annual audit of the Company's financial statements for the fiscal year 2004.

The following table sets forth the approximate aggregate fees billed or expected to be billed to the Company for fiscal years 2004 and 2003 by PwC for the audit of the Company's annual financial statements and services rendered by PwC.

(in thousands)	FISCAL YEARS ENDED

TAX FEES (b)	\$ 700	\$ 1,000
ALL OTHER FEES (c)	\$ 200	\$ 1,100
TOTAL FEES	\$ 3,400	\$ 4,100

(a) Audit Related Fees consist of assurance and related services that are reasonably related to the performance of the audit or review of the Company's financial statements. (c) All Other Fees consist principally of services rendered in connection with assistance in regulatory reporting in various jurisdictions and tax advice and tax planning.

PRE-APPROVAL PROCESS AND POLICY

The audit and non-audit services provided to the Company and its subsidiaries by PwC, the independent auditors, during fiscal year 2004 were pre-approved by the Audit Committee. The Audit Committee has adopted policies and procedures for pre-approving all audit and non-audit services provided by PwC. This policy describes the permitted audit, audit-related, tax and other services that the

independent auditors may perform.

Any requests for audit, audit-related, tax and other services must initially be submitted to the Company's Chief Financial Officer (the "CFO"). Any requests preliminarily approved by the CFO are then submitted to the Audit Committee for final and specific pre-approval. Normally, pre-approval is considered at regularly scheduled meetings. However, the authority to grant specific pre-approval between meetings up to a designated approval amount (the "Chairman Approval Amount"), has been delegated to the Chairman of the Audit Committee. The decision of the Chairman to grant specific pre-approval of a service shall be presented to the Audit Committee at its next scheduled meeting. If the estimated fees for proposed services exceed the Chairman Approval Amount, specific pre-approval by the entire Audit Committee shall be required.

CERTAIN RELATIONSHIPS AND RELATED TRANSACTIONS

Prior to the time that Franklin acquired substantially all of the assets of Templeton, Galbraith & Hansberger Ltd. ("Templeton") in 1992, Templeton made a loan to Mr. Martin L. Flanagan secured by a deed of trust on Mr. Flanagan's then residence in Nassau, Bahamas. Such loan was outstanding to a subsidiary of the Company and bore interest at the annual rate of 5.98%. The largest aggregate amount outstanding during fiscal year 2004 was \$330,380. On or about December 4, 2004, Mr. Flanagan paid off the outstanding amount of the loan.

In October 1997, prior to the time that Mr. Charles R. Sims became an executive officer of Franklin, in connection with his relocation from Canada to California, Franklin made a loan to Mr. Sims, which is secured by a deed of trust on his residence and bears interest at the annual rate of 5%. The largest amount outstanding on the loan during fiscal year 2004 was \$586,203 and as of November 30, 2004, \$573,355 was outstanding.

In accordance with the Sarbanes-Oxley Act of 2002, the Company will not enter into any similar such loan transactions with its executive officers or directors.

During fiscal year 2004, Franklin Templeton Bank & Trust, F.S.B., and various bank related subsidiaries of Fiduciary Trust, a subsidiary of Franklin, entered into various transactions in the ordinary course of their business with certain directors or executive officers of Franklin and members of their immediate families. In particular, these transactions involved loans, deposits and sales of commercial paper, certificates of deposit and other money market instruments and certain other banking transactions, including, among others, a loan made in March 2002 to Harmon E. Burns, Vice Chairman and Director of the Company. As transactions made in the ordinary course of business, all such transactions were made on substantially the same terms, including interest rates and collateral, that prevailed at the time for comparable transactions with other persons and did not involve more than the normal risk of collectibility or present other unfavorable features.

In fiscal year 2004, Robert Dean, a vice president and portfolio manager for Franklin Advisers, Inc., a subsidiary of the Company, and the son-in-law of Mr. Burns, a Vice Chairman and director of the Company, was paid \$300,976, which included a cash bonus of \$162,500. Mr. Dean also received 1,568 shares of restricted stock. Mr. Dean's base salary for fiscal year 2005 is \$152,500. Mr. Dean is entitled to receive medical, life and disability insurance coverage and other benefits available generally to employees of the Company.

Under a stock repurchase program first authorized by the Board of Directors of the Company in September of 1985, the Company can repurchase shares of its common stock from time to time on the open market and in private transactions in accordance with applicable securities laws. Pursuant to this stock repurchase program, the Company repurchased shares of the Company's common stock from, among others, certain directors, executive officers and greater than five percent (5%) beneficial owners of the Company's common stock, and certain members of the immediate family of the foregoing persons, during fiscal year 2004 and in the current fiscal year. In particular, Mr. Charles B. Johnson, the Company's Chairman of the Board, Member-Office of the Chairman, and a director of the Company, sold back to the Company 123,000 shares of common stock for an aggregate amount of \$8,372,610 on December 15, 2004. Similarly, on the same date, Mr. Rupert H. Johnson, Jr., a Company Vice Chairman, Member-Office of the Chairman, and a director of the Company, sold back to the Company 50,000 shares of common stock for an aggregate amount of \$3,403,500. On the same date, Mr. Greg E. Johnson, President and Co-Chief Executive Officer of the Company, sold back to the Company 11,981 shares of common stock for an aggregate amount of \$815,547. On December 15, 2004, Mr. Sims, a Vice President of the Company, also sold back to the Company 6,000 shares of common stock for an aggregate amount of \$408,420. On the same date, Mr. Kenneth A. Lewis, a Vice President and Treasurer of the Company, sold back to the Company 3,000 shares of common stock for an aggregate amount of \$204,120. On February 11, 2004,

28

Penelope Alexander, Vice President, Human Resources - U.S. of the Company, sold back to the Company 11,014 shares of common stock for an aggregate amount of \$638,041. The price per share paid by the Company for each repurchase was the average of the high and low price of the Company's common stock on the NYSE on the repurchase date.

Separately, each of Elizabeth S. Wiskemann, for the benefit of the Elizabeth Wiskemann Rollover Individual Retirement Account, and The Esther B. Wiskemann Trust under agreement dated 04/19/02 amended 11/13/02, The Christine Y. Wiskemann Trust under agreement dated 5/7/03, and Kim D. Wiskemann sold back to the Company 226,000 shares, 350,000 shares, 370,000 shares, and 354,000 shares, for an aggregate amount of \$15,383,820, \$23,824,500, \$25,185,900, and \$24,096,780, respectively, on December 15, 2004. Esther B. Wiskemann, Christine Y. Wiskemann and Kim D. Wiskemann are children of Elizabeth S. Wiskemann. The price per share paid by the Company for each repurchase was the average of the high and low price of the Company's common stock on the NYSE on the repurchase date.

The Company also makes purchases of the Company's common stock from employees and executive officers on the same terms and conditions to pay taxes due in connection with the vesting of restricted stock awards and matching grants, which the Company provides under the Employee Stock Incentive Plan. On January 2, 2004 and in connection with the vesting of certain restricted stock awards, the Company purchased 1,205 shares from Ms. Anne M. Tatlock at the price of \$52.05 per share. On October 1, 2004 and in connection with the vesting on

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

September 30, 2004 of certain restricted stock awards, the Company purchased 4,442 shares from Mr. Flanagan, 1,112 shares from Mr. Murray L. Simpson, 2,737 shares from Ms. Tatlock, and 691 shares from Mr. James R. Baio (each an executive officer of the Company) at the price of \$55.55 per share. The price per share paid by the Company for each purchase was the average of the high and low price of the Company's common stock on the NYSE on the vesting date.

Additional information regarding a former director of the Company is described under "Compensation Committee Interlocks and Insider Information".

SECTION 16(a) BENEFICIAL OWNERSHIP REPORTING COMPLIANCE

Section 16(a) of the Securities Exchange Act of 1934 requires officers, directors and persons who beneficially own more than 10% of Franklin's common stock (the "Reporting Persons") to file reports of ownership and changes in ownership with the SEC. Based solely on review of copies of such report received or written representations from the Reporting Persons, except in one instance where Ms. Jennifer J. Bolt did not timely file one Form 4 disclosing one transaction, and one instance where Mr. Rupert H. Johnson, Jr. did not timely file one Form 4 disclosing one transaction, the Company believes that with respect to the fiscal year 2004, all other Reporting Persons complied with applicable filing requirements.

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

PROPOSAL NO. 3

APPROVAL OF THE AMENDMENT AND RESTATEMENT OF THE FRANKLIN RESOURCES, INC. 2002 UNIVERSAL STOCK INCENTIVE PLAN

Franklin's stockholders are being asked to approve an amendment and restatement of the 2002 Universal Stock Incentive Plan (the "2002 Stock Plan"). The primary purpose of the amendment and restatement is to (a) add additional performance measures applicable to the grant of awards under the 2002 Stock Plan intended to qualify as "performance-based compensation" under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code") and (b) expand the ability of the administrator of the 2002 Stock Plan to adjust awards issued under the 2002 Stock Plan in connection with various changes in the capitalization of Franklin.

The Board of Directors approved the 2002 Stock Plan on October 10, 2002 and the 2002 Stock Plan was approved by the stockholders in January 2003. The Board of Directors approved the amendment and restatement of the 2002 Stock Plan on December 16, 2004. Stockholder approval of the amendment and restatement of the 2002 Stock Plan requires the affirmative vote of a majority of the shares of Franklin's common stock present in person or represented by proxy and entitled to vote on the proposal. It is the intention of the persons named as proxy holders to vote to approve the amendment and restatement of the 2002 Stock Plan. If stockholder approval is not received, the 2002 Stock Plan will not be amended and restated.

GENERAL DESCRIPTION OF THE 2002 STOCK PLAN, AS AMENDED AND RESTATED.

The following summary describes the material features of the 2002 Stock Plan, as amended and restated, but is not intended to be complete and is qualified in its entirety by reference to the 2002 Stock Plan, a copy of which is attached as Appendix E to this Proxy Statement. In Appendix E the locations of proposed deletions are indicated by carets "^" and proposed additions are indicated as bracketed. Capitalized terms not otherwise defined are used as set forth in the 2002 Stock Plan.

PURPOSE.

The 2002 Stock Plan is intended to (i) attract and retain persons eligible to participate in the plan; (ii) motivate employees, by means of appropriate incentives, to achieve long-range performance goals; (iii) provide incentive compensation opportunities that are competitive with those of other similar companies; and (iv) further align employees' interests with those of Franklin's other stockholders through compensation that is based on Franklin's common stock.

ADMINISTRATION OF 2002 STOCK PLAN.

The Compensation Committee, as the administrator of the 2002 Stock Plan, determines and approves the grant of incentive stock options, non-qualified stock options, stock appreciation rights, stock units, restricted stock, restricted stock units and performance shares to employees. The Compensation Committee will, with regard to each stock option, determine the number of shares subject to the option, the manner and time of the option's exercise and vesting, and the exercise price per share of stock subject to the option. The exercise price for incentive stock options may not be less than 100% of the fair market value of the common stock on the date the option is granted (or 110%, in the case of an incentive stock option granted to any employee who owns stock representing more than 10% of the combined voting power of Franklin or any parent or subsidiary of Franklin). In the case of all other awards granted under

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

the 2002 Stock Plan, the exercise or purchase price shall be determined by the Compensation Committee.

SHARES AUTHORIZED.

The 2002 Stock Plan authorizes 30,000,000 shares of common stock for issuance under the 2002 Stock Plan.

31

ELIGIBILITY AND PARTICIPATION.

As of November 30, 2004, approximately 1,100 employees were eligible to participate in the 2002 Stock Plan. Under the terms of the plan, any key executive or other employee of Franklin or any of its subsidiaries is eligible to participate.

TERM OF AWARDS.

The term of any incentive stock option may not be for more than ten years (or five years in the case of an incentive stock option granted to any participant who owns stock representing more than 10% of the combined voting power of Franklin or any parent or subsidiary of the Company). The term of all other awards shall be determined by the Compensation Committee.

TRANSFERABILITY.

An employee's rights under the 2002 Stock Plan may not be assigned, transferred, pledged or otherwise disposed of, except by will or the laws of descent and distribution.

PERFORMANCE BASED COMPENSATION.

The maximum number of shares with respect to which options and stock appreciation rights may be granted to a participant during a calendar year is 400,000 shares. The foregoing limitation shall be adjusted proportionately by the Compensation Committee in connection with any change in Franklin's capitalization due to a stock split, stock dividend or similar event affecting the common stock of Franklin. Under Code Section 162(m) no deduction is allowed in any taxable year of Franklin for compensation in excess of \$1 million paid to Franklin's chief executive officer and the four other most highly compensated officers of Franklin. An exception to this rule applies to compensation that is paid pursuant to a stock incentive plan approved by stockholders and that specifies, among other things, the maximum number of shares with respect to which options and stock appreciation rights may be granted to eligible participants under such plan during a specified period. Compensation paid pursuant to options or stock appreciation rights granted under such a plan and with an exercise price equal to the fair market value of Franklin's common stock on the date of grant is deemed to be inherently performance-based, since such awards provide value to participants only if the stock price appreciates.

For awards of stock units, restricted stock, restricted stock units and performance shares that are intended to be performance-based compensation under Section 162(m) of the Code, the maximum number of shares subject to such awards that may be granted to a participant during a calendar year is 1,000,000 shares (regardless of when such shares are deliverable to the participant). In order for such awards to qualify as performance-based compensation, the Compensation Committee must establish a performance goal with respect to such award in writing not later than 90 days after the commencement of the services to which

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

it relates and while the outcome is substantially uncertain. In addition, the performance goal must be stated in terms of an objective formula or standard. Under the current version of the 2002 Stock Plan, the Compensation Committee may use the following performance criteria when granting performance-based awards: earnings per share, pre-tax operating income and the value of Franklin stock (i.e., stock price). If the amendment and restatement of the 2002 Stock Plan is approved by the stockholders of Franklin, the Compensation Committee may use the following additional performance criteria when granting performance-based awards: annual revenue, budget comparisons, controllable profits, expense management, improvements in capital structure, operating income, net income, net sales, profit margins, profitability of an identifiable business unit or product, return on investments, return on sales, return on stockholders' equity, total return to stockholders and performance of Franklin relative to a peer group of companies on any of the foregoing measures. The performance criteria may be applicable to Franklin and/or any of its individual business units and may differ from participant to participant.

CHANGES IN CAPITALIZATION.

As amended, the 2002 Stock Plan provides that subject to any required action by the stockholders of Franklin, (a)

32

the number and/or class of securities covered by each outstanding award, (b) the price per share covered by each such outstanding award, (c) the number and/or class of securities which have been authorized for issuance under the 2002 Stock Plan but as to which no awards have yet been granted or which have been returned to the 2002 Stock Plan upon cancellation or expiration of an award, and (d) the maximum number of options, stock appreciation rights, stock unit awards, restricted stock awards, restricted stock unit awards and performance share awards which may be granted to any participant in any one-calendar-year period shall be proportionately adjusted for any increase or decrease in the number of issued shares of common stock resulting from a stock split, reverse stock split, stock dividend, combination or reclassification of the common stock, or any other increase or decrease in the number of issued shares of common stock effected without receipt of consideration by Franklin. Such adjustment will be made by the Compensation Committee. The Compensation Committee may also make, in its discretion, adjustments described in (a)-(d) above in the event of any distribution of cash or other assets to stockholders other than an ordinary cash dividend.

In determining adjustments to be made, the Compensation Committee may take into account such factors as it deems appropriate, including (i) the restrictions of applicable law, (ii) the potential tax, accounting or other consequences of an adjustment and (iii) the possibility that some participants might receive an adjustment and a distribution or other unintended benefit, and in light of such factors or circumstances may make adjustments that are not uniform or proportionate among outstanding awards, modify vesting dates, defer the delivery of stock certificates or make other equitable adjustments. Any such adjustments to outstanding awards will be effected in a manner that precludes the enlargement of rights and benefits under such awards. Any adjustments, determinations or interpretations made by the Compensation Committee shall be final, binding and conclusive.

AMENDMENT AND TERMINATION.

The Board of Directors of Franklin may at any time terminate or amend the 2002 Stock Plan. However, no such termination may affect awards previously granted,

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

nor may an amendment make any change in any award previously granted which adversely affects the rights of any participant. In addition, to the extent necessary to comply with securities and tax laws, Franklin will obtain stockholder approval of such termination or such amendments.

FEDERAL INCOME TAX CONSEQUENCES.

The following discussion summarizes certain tax considerations for participants and certain tax effects to Franklin. The statements in the following paragraphs of the principal U.S. federal income tax consequences of benefits under the 2002 Stock Plan are based on statutory authority and judicial and administrative interpretations, as of the date of this Proxy Statement, which are subject to change at any time (possibly with retroactive effect). The law is technical and complex, and the discussion below represents only a general summary.

INCENTIVE STOCK OPTIONS.

Incentive stock options ("ISOs") granted under the 2002 Stock Plan are intended to meet the definitional requirements of Section 422(b) of the Code for "incentive stock options". An employee who receives an ISO does not recognize any taxable income upon the grant of such ISO. Similarly, the exercise of an ISO generally does not give rise to federal income tax to the employee, provided that (i) the federal "alternative minimum tax", which depends on the employee's particular tax situation, does not apply and (ii) the employee is employed by Franklin from the date of the grant of the option until three months prior to the exercise thereof, except where such employment terminates by reason of disability (where the three month period is extended to one year) or death (where this requirement does not apply). If any employee exercises an ISO after the requisite periods referred to in clause (ii) above, the ISO will be treated as an NSO (as defined below) and will be subject to the rules set forth below under the caption "Non-Qualified Stock Options and Stock Appreciation Rights". Further, if after exercising an ISO, an employee disposes of the common stock so acquired more than two years from the date of grant and more than one year from the date of transfer of the common stock pursuant to the exercise of such ISO (the "applicable holding period"), the employee will generally recognize capital gain or loss equal to the

33

difference, if any, between the amount received for the shares and the exercise price.

If, however, any employee does not hold the shares so acquired for the applicable holding period, thereby making a "disqualifying disposition", the employee would recognize ordinary income equal to the excess of the fair market value of the shares at the time the ISO was exercised over the exercise price and the balance, if any, would generally be treated as capital gain. If the disqualifying disposition is a sale or exchange that would permit a loss to be recognized under the Code (were a loss in fact to be realized), and the sales proceeds are less than the fair market value of the shares on the date of exercise, the employee's ordinary income would be limited to the gain (if any) realized on the sale. An employee who exercises an ISO by delivering common stock previously acquired pursuant to the exercise of another ISO is treated as making a "disqualifying disposition" of such common stock if such shares are delivered before the expiration of their applicable holding period. Upon the exercise of an ISO with previously acquired shares as to which no disqualifying disposition occurs, despite some uncertainty, it appears that the employee would not recognize gain or loss with respect to such previously acquired shares.

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

Franklin will not be allowed a federal income tax deduction upon the grant or exercise of an ISO or the disposition, after the applicable holding period, of the common stock acquired upon exercise of an ISO. In the event of a disqualifying disposition, Franklin generally will be entitled to a deduction in an amount equal to the ordinary income included by the employee, provided that such amount constitutes an ordinary and necessary business expense to Franklin and is reasonable and the limitations of Section 162(m) of the Code (discussed above) do not apply.

NON-QUALIFIED STOCK OPTIONS AND STOCK APPRECIATION RIGHTS.

Non-qualified stock options ("NSOs") granted under the 2002 Stock Plan are options that do not qualify as ISOs. An employee who receives an NSO or Stock Appreciation Right ("SAR") will not recognize any taxable income upon the grant of such NSO or SAR. However, the employee generally will recognize ordinary income upon exercise of an NSO in an amount equal to the excess of the fair market value of the shares of common stock at the time of exercise over the exercise price. Similarly, upon the receipt of cash or shares pursuant to the exercise of an SAR, the individual generally will recognize ordinary income in an amount equal to the sum of the cash and the fair market value of the shares received. Under certain circumstances, the timing of income recognition may be deferred for any individual who is an executive officer or director of Franklin or a beneficial owner of more than ten percent (10%) of any class of equity securities of Franklin. The ordinary income recognized with respect to the receipt of shares or cash upon exercise of an NSO or an SAR (whether or not deferred) will be subject to both wage withholding and other employment taxes. In addition to the customary methods of satisfying the withholding tax liabilities that arise upon the exercise of an SAR for shares or upon the exercise of an NSO, Franklin may satisfy the minimum tax withholding liability in whole or in part by withholding shares of common stock from those that otherwise would be issuable to the individual or by the employee tendering other shares owned by him or her, valued at their fair market value as of the date that the tax withholding obligation arises. A federal income tax deduction generally will be allowed to Franklin in an amount equal to the ordinary income included by the individual with respect to the exercise of his or her NSO or SAR, provided that such amount constitutes an ordinary and necessary business expense to Franklin and is reasonable and the limitations of Section 162(m) of the Code do not apply. If an individual exercises an NSO by delivering shares of common stock, other than shares previously acquired pursuant to the exercise of an ISO which is treated as a "disqualifying disposition" as described above, the individual will not recognize gain or loss with respect to the exchange of such shares, even if their then fair market value is different from the individual's tax basis. The individual, however, will be taxed as described above with respect to the exercise of the NSO as if he or she had paid the exercise price in cash, and the Company likewise generally will be entitled to an equivalent tax deduction.

RESTRICTED STOCK AWARDS.

Restricted Stock Awards granted by Franklin fall within the Code's guidelines for awards that are restricted as to transferability or subject to a substantial risk of forfeiture and, absent a written election pursuant to Section 83(b) of the Code filed with the Internal Revenue Service within 30 days after the date of transfer of such shares

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

pursuant to the award (a "Section 83(b) election"), an individual will recognize ordinary income at the earlier of the time at which (i) the shares become transferable or (ii) the restrictions that impose a substantial risk of forfeiture of such shares lapse, in an amount equal to the excess of the fair market value (on such date) of such shares over the price paid for the award, if any.

If a Section 83(b) election is made, the individual will recognize ordinary income, as of the transfer date, in an amount equal to the excess of the fair market value of the common stock as of that date over the price paid for such award, if any. The ordinary income recognized with respect to the receipt of cash, shares of common stock or other property under the 2002 Stock Plan will be subject to both wage withholding and other employment taxes. Franklin generally will be allowed a deduction for federal income tax purposes in an amount equal to the ordinary income recognized by the employee, provided that such amount constitutes an ordinary and necessary business expense and is reasonable and the limitations of Section 162(m) of the Code do not apply.

Individuals will recognize gain upon the disposition of any shares received equal to the excess of (i) the amount realized on such disposition over (ii) the ordinary income recognized with respect to such shares under the principles set forth above. That gain will be taxable as long or short-term capital gain depending on whether the shares were held for more than one year.

RESTRICTED STOCK UNITS.

Recipients of restricted stock units generally should not recognize income until such units are converted into cash or shares of common stock. Upon conversion, the individual will normally recognize ordinary income equal to the amount of cash and fair market value the shares, if any, received upon such conversion. The ordinary income recognized with respect to the receipt of cash or shares of common stock will be subject to both wage withholding and other employment taxes. Franklin generally will be allowed a deduction for federal income tax purposes in an amount equal to the ordinary income recognized by the employee, provided that such amount constitutes an ordinary and necessary business expense and is reasonable and the limitations of Section 162(m) of the Code do not apply.

Individuals will recognize gain upon the disposition of any shares received upon conversion of the restricted stock units equal to the excess of (i) the amount realized on such disposition over (ii) the ordinary income recognized with respect to such shares under the principles set forth above. That gain will be taxable as long or short-term capital gain depending on whether the shares were held for more than one year.

DIVIDENDS AND DIVIDEND EQUIVALENTS.

To the extent unvested and/or unexercised shares subject to such awards under the 2002 Stock Plan earn dividends or dividend equivalents, whether paid currently or credited to an account established under the 2002 Stock Plan, an individual generally will recognize ordinary income, which income is subject to both wage withholding and other employment taxes. Franklin generally will be allowed a deduction for federal income tax purposes in an amount equal to the ordinary income recognized by the employee, provided that such amount constitutes an ordinary and necessary business expense and is reasonable and the limitations of Section 162(m) of the Code do not apply.

NEW PLAN BENEFITS.

Since no awards have yet been made under the 2002 Stock Plan, as amended and restated by the Board on December 16, 2004, it is not possible to determine the benefits that will be received by executive officers and other employees if the

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

amendment and restatement of the 2002 Stock Plan is approved by the stockholders.

BOARD OF DIRECTORS RECOMMENDATION.

PROPOSAL NO. 4

APPROVAL OF THE AMENDMENT OF THE CERTIFICATE OF INCORPORATION, AS AMENDED, TO INCREASE THE NUMBER OF SHARES OF COMMON STOCK AUTHORIZED FOR ISSUANCE

GENERAL

The Board of Directors by unanimous vote of all directors on December 16, 2004 adopted resolutions approving and recommending that the stockholders of the Company approve an amendment to Article Fourth of the Company's Certificate of Incorporation ("Article Fourth"), to increase the total number of shares of stock that the Company is authorized to issue from Five Hundred One Million (501,000,000) shares to One Billion One Million (1,001,000,000) by increasing the number of shares of common stock (the "Common Stock") from Five Hundred Million (500,000,000) shares to One Billion (1,000,000,000) shares. The proposed amendment does not change the provisions of Article Fourth permitting the Board to adopt resolutions authorizing the issuance of up to One Million (1,000,000) shares of \$1.00 par value preferred stock (the "Preferred Stock") upon terms and conditions approved by the Board. The relative rights and limitations of the Common Stock and Preferred Stock would remain unchanged under the proposed amendment and the additional shares of Common Stock would be identical to the shares of Common Stock presently authorized. The Common Stock and Preferred Stock do not have preemptive rights.

Under Article Fourth, the Board of Directors has the authority to issue authorized shares of the Preferred Stock in series and to fix the number, designation, relative rights, preferences and limitations of the shares of each series, subject to applicable law and the provisions of Article Fourth. The authority of the Board includes the right to fix for each series the dividend rate, redemption price, liquidation rights, cumulation rights, sinking fund provisions, conversion rights, and voting rights.

The full text of the proposed amendment to Article Fourth is set forth as Appendix F to this Proxy Statement.

REASONS FOR THE PROPOSED AMENDMENT

The proposed increase in the authorized Common Stock has been recommended by the Board to assure that an adequate supply of authorized unissued shares is available for valid corporate purposes, including future stock dividends or stock splits, acquisitions, financings and incentive compensation. Such Common Stock and the presently authorized Preferred Stock would be available for issuance without further action by the stockholders, unless required by the Company's Certificate of Incorporation, its Amended and Restated By-Laws, by applicable law or stock exchange listing standard.

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

As of the Record Date, 251,352,866 shares of Common Stock were issued and outstanding and no shares of Preferred Stock were issued and outstanding. In addition, approximately 17,623,490 shares were reserved for issuance (i) under existing employee benefit plans and (ii) upon conversion of the Company's Liquid Yield Option Notes ("LYONs") at the rate of 9.3604 shares of common stock per \$1,000 principal amount at maturity of the LYONs. Authorized shares of Common Stock, outstanding shares and reserved shares are as summarized in

36

the approximate amounts set forth in the table below:

Presently Authorized Common Shares	500,000,000
Outstanding Shares	251,352,866
Reserved Shares:	
Liquid Yield Option Notes	8,209,071
Universal Stock Incentive Plan	7,204,400
Employee Stock Investment Plan	1,436,376
Universal Stock Plan	773,164

Subtotal Reserved	17,623,011

REMAINING AUTHORIZED SHARES	231,024,123
	=====

The issuance of additional shares of Common Stock could, among other things, have a dilutive effect on earnings per share and on the equity and voting power of existing holders of Common Stock. The issuance of additional shares of Common Stock by the Company also may potentially have an anti-takeover effect by making it more difficult to obtain stockholder approval of various actions, such as a merger or removal of management.

If approved, the increase in authorized shares would become effective as soon as reasonably practicable after the meeting by our filing an Amendment to our Certificate of Incorporation with the Delaware Secretary of State.

BOARD RECOMMENDATION

The Board has unanimously approved the proposed amendment and has determined that the increase in authorized Common Stock is in the best interests of the Company and its stockholders. The Board recommends a vote "FOR" the approval of the amendment to the Company's Certificate of Incorporation, as amended, to increase the authorized shares of common stock from 500,000,000 to 1,000,000,000 shares. The voting requirements for this proposal are described in the "Voting Information" section.

APPENDIX D

FRANKLIN RESOURCES, INC.

CORPORATE GOVERNANCE GUIDELINES

These Corporate Governance Guidelines (the "Guidelines") have been adopted by the Board of Directors (the "Board") of Franklin Resources, Inc. (the "Company") in connection with its oversight of the Company's management and business affairs.

1. COMPOSITION OF BOARD OF DIRECTORS.

- (a) INDEPENDENCE OF DIRECTORS. A majority of directors must be "independent" directors in accordance with the corporate governance listing standards of the New York Stock Exchange (the "Independence Rules"). In addition, at least three directors must also satisfy the additional independence requirements for audit committee members under the Independence Rules and the applicable rules of the United States Securities and Exchange Commission (the "SEC").
- (b) DIRECTOR QUALIFICATIONS AND SELECTION. The Corporate Governance Committee of the Board is responsible for establishing a policy setting forth the specific, minimum qualifications that the Corporate Governance Committee believes must be met by a nominee recommended by the Corporate Governance Committee for a position on the Board, and describing any specific qualities or skills that the Corporate Governance Committee believes are necessary for one or more of the directors to possess. Such qualifications shall include the requirements under the Independence Rules as well as consideration of the individual skills, experience and perspectives that will help create an effective Board. The Corporate Governance Committee shall establish a policy setting forth the process for identifying and evaluating nominees for directors, including the consideration of any director candidates recommended by stockholders, and shall recommend to the Board candidates for election as directors. The Board shall nominate such candidates for election as directors by the Company's stockholders or fill vacancies that may arise.
- (c) SIZE OF BOARD. The Board shall periodically evaluate the size of the Board and make any changes it deems appropriate in accordance with the Amended and Restated By-Laws of the Company (the "By-Laws").
- (d) TERM LIMITS. The Board does not believe that it should establish term limits for its members. The Board recognizes the value of continuity of directors who have experience with the Company and who have gained over a period of time a level of understanding about the Company and its operations that enable the director to make a significant contribution to the deliberations of the Board.
- (e) RETIREMENT. Persons are not eligible to be recommended for nomination as a director for a term commencing on or after their 75th birthday, except for any person who beneficially owns 5% or more of the outstanding shares of the Company. Incumbent directors reaching the age of 75 during their term may complete such term.

2. CONFLICTS OF INTEREST AND OTHER COMMITMENTS.

- (a) With respect to any matter under discussion by the Board, directors must disclose to the Board any potential conflicts of interest they may have and, if appropriate, refrain from voting on a matter in which they may have a conflict.
- (b) Each director is responsible for ensuring that other commitments do not conflict or materially interfere with the director's responsibilities to the Company. To ensure that serving as a director of another company or any other change in circumstances such as employment, business or "immediate family" relationships (as defined under the Independence Rules) would not conflict with his or her duties to the Company, and to evaluate whether disclosure needs to be made in the Company's proxy statement or the director's status under the Independence Rules is changed, the director should consult the Chairman of the Board and the Corporate Secretary in advance of accepting an invitation to serve on another company's board and should report any change in circumstances to the Corporate Secretary. The Chairman of the Board and the Corporate Secretary should report to the Corporate Governance Committee in writing the results of such consultation.

3. DIRECTOR RESPONSIBILITIES.

- (a) DUTIES. The directors are responsible for exercising care, loyalty and good faith; acting in a manner they reasonably believe is in the best interests of the Company and its stockholders and in a manner consistent with their fiduciary duties. In fulfilling their responsibilities, directors may ask such questions and conduct such investigations as they deem appropriate, and may reasonably rely on the information provided to them by the Company's senior executives and its outside advisors and auditors. The directors shall be entitled to have the Company purchase directors' and officers' liability insurance on their behalf and receive the benefits of indemnification and exculpation to the fullest extent permitted by law, the Company's Certificate of Incorporation, as amended (the "Certificate"), and By-Laws and any indemnification agreements, as applicable.
- (b) MEETINGS AND PREPARATION. Directors are expected to regularly attend Board meetings and meetings of committees on which they serve, to spend the time needed in preparation for such meetings and to meet as frequently as they deem necessary to properly discharge their responsibilities. In addition, directors should stay abreast of the Company's business and markets. To the fullest extent possible, directors should review agendas and other meeting materials in advance of any Board or committee meetings.
- (c) MEETING AGENDAS. The Chairman of the Board and the Corporate Secretary will establish and disseminate the agenda for each Board meeting. Each Board member is free to suggest the inclusion of items on the agenda. Each Board member is free to raise at any Board meeting subjects that are not on the agenda for that meeting.
- (d) COMPANY REPRESENTATION. The Board believes that management speaks for the Company. Individual directors may, from time to time, expressly represent the Company in meetings or otherwise communicate with various third parties on the Company's behalf. When representing the Company, it is generally expected that directors will do this with the knowledge of management and, unless warranted by unusual circumstances or as contemplated by the committee charters, only at the request of

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

management.

4. EXECUTIVE SESSIONS. The non-management directors (i.e., directors who are not Company officers) will meet separately without management in regular executive sessions. The "independent" directors as defined in the Independence Rules will meet at least twice a year in executive session.

D-2

5. BOARD COMMITTEES.

- (a) COMMITTEES. The Board shall have an Audit Committee, a Compensation Committee and a Corporate Governance Committee. All members of these committees will be "independent" directors, as defined in the Independence Rules. In addition, Audit Committee members shall satisfy the additional independence requirements for audit committee members under the Independence Rules and the applicable rules of the SEC.
- (b) APPOINTMENT, REMOVAL AND TERM. Committee members shall be appointed and may be removed by the Board. Each member of a committee shall serve until his or her successor is duly appointed and qualified, or until his or her earlier removal or resignation or such time as he or she no longer meets the qualifications to serve on the committee.
- (c) CHAIRMAN. Each committee shall designate a Chairman of the committee from among its members from time to time.
- (d) CHARTERS. Each committee shall have its own written charter. The charters will set forth the purpose, authority and responsibilities of the committees as well as qualifications for committee membership, procedures for committee member appointment and removal, committee structure and operations, reporting to the Board, and annual performance evaluations of the committee. The charters of each committee will be reviewed periodically with a view toward delegating to the standing committees the full authority of the Board concerning specified matters appropriate to such committee.
- (e) MEETINGS. Each committee shall meet on a regular basis, but not less frequently than quarterly, and hold special meetings as circumstances require. The timing of the meetings shall be determined by the Chairman of the committee, in consultation with the other committee members. The Chairman of each committee, in consultation with the appropriate members of the committee and management, will develop the committee's agenda.
- (f) ADDITIONAL COMMITTEES. The Board may, from time to time, establish or maintain additional committees as it deems appropriate and delegate to such committees such authority permitted by applicable laws and the By-Laws as the Board sees fit.

6. DIRECTOR ACCESS TO OFFICERS, EMPLOYEES AND INDEPENDENT ADVISORS.

- (a) OFFICERS AND EMPLOYEES. Directors shall have full and free access to officers and employees of the Company. Any meetings or contacts that a director wishes to initiate may be arranged directly by the director or through the Chief Executive Officer(s) or the Corporate Secretary.
- (b) INDEPENDENT ADVISORS. The Board and each Board committee shall have full and free access to the Company's independent advisors and each shall have the power to retain legal, accounting, financial or other advisors as they may deem appropriate at the expense of the Company,

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

without the need to obtain the prior approval of any officer of the Company. The Corporate Secretary of the Company will arrange for payment of the invoices of any such third party advisors.

7. DIRECTOR COMPENSATION. The form and amount of director compensation will be determined by the Compensation Committee in accordance with the policies and principles set forth in its charter, and the Compensation Committee will conduct an annual review of director compensation.
8. DIRECTOR ORIENTATION AND CONTINUING EDUCATION.
 - (a) ORIENTATION. The Board, with the assistance of the Corporate Governance Committee, shall establish, or identify and provide access to, appropriate orientation programs, sessions or material for newly elected directors of the Company for their benefit either prior to or within a reasonable period of time after their nomination or election as a director. This orientation may include

presentations by senior management to familiarize new directors with the Company's strategic plans, its significant financial, accounting and risk management issues, its compliance program, its Code of Ethics and Business Conduct and these Guidelines, its principal officers, and its internal and independent auditors. In addition, the orientation will include visits to Company headquarters and, to the extent appropriate, other of the Company's significant facilities. All other directors are also invited to attend orientation.

- (b) EDUCATION. The Board, with the assistance of the Corporate Governance Committee, shall also identify and/or develop continuing education opportunities for the directors. Directors are encouraged to attend continuing education programs sponsored by universities, stock exchanges or other organizations. The Company will reimburse the reasonable costs and expenses associated with such programs.
9. MANAGEMENT SUCCESSION. The Board shall oversee the succession planning for the management of the Company, including policies and principles for the selection and performance review of the Chief Executive Officer(s), as well as policies regarding succession in the event of an emergency or the retirement of the Chief Executive Officer(s).
10. COMPANY'S LONG-TERM STRATEGIC PLANS. The Board will periodically review with management the Company's long-term strategic plans.
11. ANNUAL PERFORMANCE EVALUATION. The Board, with the assistance of the Corporate Governance Committee, shall annually review its own performance in such manner as it deems appropriate to determine whether the Board and its committees are functioning effectively. The full Board will discuss the evaluation to determine what action, if any, could improve Board and committee performance.
12. REVIEW OF CORPORATE GOVERNANCE GUIDELINES. The Corporate Governance Committee, as appropriate, shall periodically review and reassess the adequacy of these Guidelines to determine whether any changes are appropriate and recommend to the Board any such changes for the Board's approval.
13. GENERAL. These Guidelines are intended as a component of the flexible framework within which the Board, assisted by its committees, directs the

affairs of the Company. While they should be interpreted in the context of applicable laws, regulations and listing requirements, as well as in the context of the Company's Certificate and By-Laws, they are not intended to establish by their own force any legally binding obligations.

FRANKLIN RESOURCES, INC.

2002 UNIVERSAL STOCK INCENTIVE PLAN

[(as amended and restated December 16, 2004)]

1. GENERAL

1.1 PURPOSE. The Franklin Resources, Inc. 2002 Universal Stock Incentive Plan (the "2002 Stock Plan") has been established by Franklin Resources, Inc., a Delaware corporation (the "Company") to (i) attract and retain persons eligible to participate in the 2002 Stock Plan; (ii) motivate employees, by means of appropriate incentives, to achieve long-range performance goals; (iii) provide incentive compensation opportunities that are competitive with those of other similar companies; and (iv) further identify employees' interests with those of the Company's other stockholders through compensation that is based on the Company's common stock; and thereby promote the long-term financial interest of the Company and the Subsidiaries.

1.2 PARTICIPATION. Subject to the terms and conditions of the 2002 Stock Plan, the Committee shall determine and designate, from time to time, from among the Participants, those persons who will be granted one or more Awards under the 2002 Stock Plan. In the discretion of the Committee, a Participant may be granted any Award permitted under the provisions of the 2002 Stock Plan, and more than one Award may be granted to a Participant. Awards may be granted as alternatives to or replacement of awards outstanding under the 2002 Stock Plan, or any other plan or arrangement of the Company or a Subsidiary (including a plan or arrangement of a business or entity, all or a portion of which is acquired by the Company or a Subsidiary).

1.3 OPERATION, ADMINISTRATION, AND DEFINITIONS. The operation and administration of the 2002 Stock Plan, including the Awards made under the 2002 Stock Plan, shall be subject to the provisions of Section 4 (relating to operation and administration). Capitalized terms in the 2002 Stock Plan shall be defined as set forth in the 2002 Stock Plan (including the definition provisions of Section 8 of the 2002 Stock Plan).

1.4 STOCK SUBJECT TO 2002 STOCK PLAN; SHARE COUNTING. Subject to the provisions of this Section 1.4 and Section 6.1 of the 2002 Stock Plan, the maximum aggregate number of shares which may be delivered pursuant to Awards, including without limitation, Options and SAR's granted under the 2002 Stock Plan, is 30,000,000. The shares may be authorized, but unissued, or reacquired Common Stock.

(a) To the extent any Shares covered by an Award are not delivered to a Participant or beneficiary because the Award is forfeited or canceled, or the Shares are not delivered because the Award is settled in cash, such Shares shall

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

not be deemed to have been delivered for purposes of determining the maximum number of Shares available for delivery pursuant to Awards granted under the 2002 Stock Plan.

(b) If the exercise price of any Option granted under the 2002 Stock Plan is satisfied by tendering Shares to the Company (by either actual delivery or by attestation), only the number of Shares issued net of the Shares tendered shall be deemed delivered for purposes of determining the maximum number of Shares available for delivery pursuant to Awards (other than Options) granted under the 2002 Stock Plan.

(c) Subject to adjustment under Section 6.1, (i) the maximum number of shares that may be granted to any one individual pursuant to Section 2 (relating to Options and SARs) shall be 400,000 Shares during any one-calendar-year period and (ii) the maximum number of Shares that may be granted to any one individual subject to Section 3 (relating to Stock Unit Awards, Restricted Stock Awards, Restricted Stock Unit Awards and Performance Share Awards) shall be 1,000,000 Shares during any one-calendar-year period (regardless of when such Shares are deliverable).

2. OPTIONS AND SARs

2.1 OPTIONS.

(a) An Option is a grant of rights to purchase Shares at an Exercise Price established by the Committee. Options granted under this Section 2 may be either Incentive Stock Options ("ISO") or Nonstatutory Stock Options ("NSO"), as determined in the discretion of the Committee.

(b) Each Option shall be designated in the written option agreement as either an Incentive Stock Option or a Nonstatutory Stock Option. However, notwithstanding such designations, to the extent that the aggregate Fair Market Value of the Shares with respect to which Options designated as Incentive Stock Options are exercisable for the first time by any Optionee during any calendar year (under all plans of the Company or any Parent or Subsidiary) exceeds \$100,000, such excess Options shall be automatically treated as Nonstatutory Stock Options. For purposes of this paragraph 2.1(b), Incentive Stock Options shall be taken into account in the order in which they were granted, and the Fair Market Value of the Shares shall be determined as of the original date the Option with respect to such Shares is granted.

(c) The term of each Option shall be the term stated in the Option Agreement; provided, however, that in the case of any Incentive Stock Option, the term shall be no more than ten (10) years from the date of grant thereof or such shorter term as may be provided in the Option Agreement. However, in the case of an Incentive Stock Option granted to an Optionee who, at the time the Option is granted, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the term of the Option shall be five (5) years from the date of grant thereof or such shorter term as may be provided in the Option Agreement.

(d) The date of grant of an Option shall, for all purposes, be the date on which the Committee makes the determination granting such Option, or such other date as is determined by the Board. Notice of the determination shall be given to each Participant to whom an Option is so granted within a reasonable time after the date of such grant.

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

2.2 STOCK APPRECIATION RIGHTS. A "Stock Appreciation Right" ("SAR") is a grant of rights to receive, in cash or Stock (as determined by the Committee), value equal to (or otherwise based on) the excess of: (a) the Fair Market Value of a specified number of Shares at the time of exercise; over (b) an Exercise Price established by the Committee.

2.3 EXERCISE PRICE. The Exercise Price of each Option and SAR shall be established by the Committee or shall be determined by a method established by the Committee at the time the Option or SAR is granted; provided that:

(a) In the case of an ISO,

(i) granted to an employee who, at the time of the grant of such Incentive Stock Option, owns stock representing more than ten percent (10%) of the voting power of all classes of stock of the Company or any Parent or Subsidiary, the per Share exercise price shall be no less than 110% of the Fair Market Value per Share on the date of grant.

(ii) granted to any employee, the per Share exercise price shall be no less than 100% of the Fair Market Value per Share on the date of grant.

2.4 TIME AND MANNER OF EXERCISE. Options and SARs shall be exercisable in accordance with such terms and conditions and during such periods as may be established by the Committee; subject to the following terms regarding Options:

(a) TERMINATION OF EMPLOYMENT. In the event of termination of an Optionee's Continuous Status as an employee with the Company, such Optionee may, but only within ninety (90) days after the date of such termination (or such other period as is set out by the Committee in the Option Agreement, but in no event

E-2

later than the expiration date of the term of such Option as set forth in the Option Agreement), exercise the Option to the extent that Optionee was entitled to exercise it at the date of such termination. To the extent that Optionee was not entitled to exercise the Option at the date of such termination, or if Optionee does not exercise such Option to the extent so entitled within the time specified herein, the Option shall terminate.

(b) DISABILITY OF OPTIONEE. Notwithstanding the provisions of paragraph 2.4(a) above, in the event of termination of an Optionee's Continuous Status as an employee as a result of disability (as determined by the Board in accordance with the policies of the Company), Optionee may, but only within six (6) months from the date of such termination (or such other period as is set out by the Committee in the Option Agreement, but in no event later than the expiration date of the term of such Option as set forth in the Option Agreement), exercise the Option to the extent otherwise entitled to exercise it at the date of such termination. To the extent that Optionee was not entitled to exercise the Option at the date of termination, or if Optionee does not exercise such Option to the extent so entitled within the time specified herein, the Option shall terminate.

(c) DEATH OF OPTIONEE. In the event of the death of an Optionee, the Option may be exercised, at any time within twelve (12) months following the date of death (or such other period as is set out by the Committee in the Option Agreement, but in no event later than the expiration date of the term of such Option as set forth in the Option Agreement), by the Optionee's estate or by a

Edgar Filing: FRANKLIN RESOURCES INC - Form PRE 14A

person who acquired the right to exercise the Option by bequest or inheritance, but only to the extent the Optionee was entitled to exercise the Option at the date of death. To the extent that Optionee was not entitled to exercise the Option at the date of termination, or if Optionee does not exercise such Option to the extent so entitled within the time specified herein, the Option shall terminate.

2.5 PAYMENT OF EXERCISE PRICE. Payment of the Exercise Price of an Option shall be subject to the following:

(a) The full Exercise Price for Shares purchased upon the exercise of any Option shall be paid at the time of such exercise (except that, in the case of an exercise arrangement approved by the Committee and described in paragraph 2.5(b), payment may be made as soon as practicable after the exercise).

(b) The consideration to be paid for the Shares to be issued upon exercise of an Option, including the method of payment, shall be determined by the Committee (and, in the case of an Incentive Stock Option, shall be determined at the time of grant) and may consist entirely of (i) cash, (ii) check, (iii) other Shares (by delivery of certificates or attestation) which (x) either have been owned by the Optionee for more than six months on the date of surrender or were not acquired, directly or indirectly, from the Company, and (y) have a Fair Market Value on the date of surrender equal to the aggregate exercise price of the Shares as to which said Option shall be exercised, (iv) delivery of authorization for the Company to retain from the total number of Shares as to which the Option is exercised that number of Shares having a Fair Market Value on the date of exercise equal to the exercise price for the total number of Shares as to which the Option is exercised, (v) delivery of a properly executed exercise notice together with irrevocable instructions to a broker to promptly deliver to the Company the amount of sale or loan proceeds required to pay the exercise price, (vi) irrevocably authorizing a third party to sell Shares (or a sufficient portion of the shares) acquired upon exercise of the Option and remit to the Company a sufficient portion of the sale proceeds to pay the entire Exercise Price and any tax withholding resulting from such exercise, (vii) any combination of the foregoing methods of payment, (viii) or such other consideration and method of payment for the issuance of Shares to the extent permitted under Applicable Laws.

2.6 SETTLEMENT OF AWARD. Shares delivered pursuant to the exercise of an Option or SAR shall be subject to such conditions, restrictions and contingencies as the Committee may establish in the applicable Award Agreement at the time of grant. Settlement of SARs may be made in Shares (valued at their Fair Market Value at the time of exercise), in cash, or in a combination thereof, as determined in the discretion of the Committee. The Committee, in its discretion, may impose such conditions, restrictions and contingencies with respect to Shares acquired pursuant to the exercise of an Option or an SAR as the Committee determines to be desirable.

3.2 RESTRICTIONS ON STOCK AWARDS. Each Stock Unit Award, Restricted Stock Award, Restricted Stock Unit Award and Performance Share Award shall be subject to the following:

(a) Any such Award shall be subject to such conditions, restrictions and contingencies as the Committee shall determine.

(b) The Committee may designate whether any such Award being granted to any Participant are intended to be "performance-based compensation" as that term is used in Section 162(m) of the Code. Any such Awards designated as intended to be "performance-based compensation" shall be conditioned on the achievement of one or more Performance Measures. The Performance Measures that may be used by the Committee for such Awards shall be based on any one or more of the criteria attached hereto on Attachment I, as selected [and further defined] by the Committee. [The Performance Measures may be applicable to the Company and/or any of its individual business units and may differ from Participant to Participant.] For Awards intended to be "performance-based compensation," the grant of the Awards and the establishment of the Performance Measures shall be made during the period required under Section 162(m) of the Code and shall be subject to the individual share limit set out in Section 1.4(c) above.

4. OPERATION AND ADMINISTRATION

4.1 EFFECTIVE DATE. [The] 2002 Stock Plan [became] effective as of October 10, 2002[^]. The 2002 Stock Plan shall be unlimited in duration and, in the event of [the] 2002 Stock Plan termination, shall remain in effect as long as any Awards under it are outstanding; provided, however, that, to the extent required by the Code, no ISO may be granted under the 2002 Stock Plan [after October 9, 2012].

4.2 GENERAL RESTRICTIONS. Delivery of Shares or other amounts under the 2002 Stock Plan shall be subject to the following:

(a) Notwithstanding any other provision of the 2002 Stock Plan, the Company shall have no liability to deliver any Shares under the 2002 Stock Plan or make any other distribution of benefits under the 2002 Stock Plan unless such delivery or distribution would comply with all applicable laws (including, without limitation, the requirements of the Securities Act of 1933), and the applicable requirements of any securities exchange or similar entity.

(b) To the extent that the 2002 Stock Plan provides for issuance of stock certificates to reflect the issuance of Shares, the issuance may be effected on a non-certificated basis, to the extent not prohibited by applicable law or the applicable rules of any stock exchange.

4.3 TAX WITHHOLDING. All distributions under the 2002 Stock Plan are subject to withholding of all applicable taxes, and the Committee may condition the delivery of any shares or other benefits under the 2002 Stock Plan on satisfaction of the applicable withholding obligations. The Committee, in its discretion, and subject to such requirements as the Committee may impose prior

to the occurrence of such withholding, may permit such

E-4

withholding obligations to be satisfied through cash payment by the Participant, through the surrender of Shares which the Participant already owns, or through the surrender of Shares to which the Participant is otherwise entitled under the 2002 Stock Plan, provided; however, that in either case only the number of Shares sufficient to satisfy the Company's minimum required tax withholding obligations may be surrendered to the Company.

4.4 USE OF SHARES. Subject to the overall limitation on the number of Shares that may be delivered under the 2002 Stock Plan, the Committee may use available Shares as the form of payment for compensation, grants or rights earned or due under any other compensation plans or arrangements of the Company or a Subsidiary, including the plans and arrangements of the Company or a Subsidiary assumed in business combinations.

4.5 DIVIDENDS AND DIVIDEND EQUIVALENTS. An Award (including without limitation an Option or SAR Award) may provide the Participant with the right to receive dividend payments or dividend equivalent payments with respect to Stock subject to the Award (both before and after the Stock subject to the Award is earned, vested, or acquired), which payments may be either made currently or credited to an account for the Participant, and may be settled in cash or Stock as determined by the Committee. Any such settlements, and any such crediting of dividends or dividend equivalents or reinvestment in Shares, may be subject to such conditions, restrictions and contingencies as the Committee shall establish, including the reinvestment of such credited amounts in Stock equivalents.

4.6 PAYMENTS. Awards may be settled through cash payments, the delivery of Shares, the granting of replacement Awards, or combination thereof as the Committee shall determine. Any Award settlement, including payment deferrals, may be subject to such conditions, restrictions and contingencies as the Committee shall determine. The Committee may permit or require the deferral of any Award payment, subject to such rules and procedures as it may establish, which may include provisions for the payment or crediting of interest, or dividend equivalents, including converting such credits into deferred Stock equivalents. Each Subsidiary shall be liable for payment of cash due under the 2002 Stock Plan with respect to any Participant to the extent that such benefits are attributable to the services rendered for that Subsidiary by the Participant. Any disputes relating to liability of a Subsidiary for cash payments shall be resolved by the Committee.

The terms and conditions of any Award to any Participant shall be reflected in such form of written document as is determined by the Committee. A copy of such document shall be provided to the Participant, and the Committee may, but need not require that the Participant shall sign a copy of such document. Such document is referred to in the 2002 Stock Plan as an "Award Agreement" regardless of whether any Participant signature is required.

4.10 ACTION BY COMPANY OR SUBSIDIARY. Any action required or permitted to be taken by the Company or any Parent or Subsidiary shall be by resolution of its board of directors, or by action of one or more members of the board (including a committee of the board) who are duly authorized to act for the board, or (except to the extent prohibited by applicable law or applicable rules of any stock exchange) by a duly authorized officer of the Company.

E-5

A Participant shall have only a contractual right to the Stock or amounts, if any, payable under the 2002 Stock Plan, unsecured by any assets of the Company or any Parent or Subsidiary, and nothing contained in the 2002 Stock Plan shall constitute a guarantee that the assets of the Company or any Parent or Subsidiary shall be sufficient to pay any benefits to any person.

(b) The 2002 Stock Plan does not constitute a contract of employment, and selection as a Participant will not give any Participant the right to be retained in the employ of the Company or any Subsidiary, nor any right or claim to any benefit under the 2002 Stock Plan, unless such right or claim has specifically accrued under the terms of the 2002 Stock Plan. Except as otherwise provided in the 2002 Stock Plan, no Award under the 2002 Stock Plan shall confer upon the holder thereof any rights as a stockholder of the Company prior to the date on which the individual fulfills all conditions for receipt of such rights.

5. COMMITTEE

5.1 COMMITTEE. The authority to control and manage the operation and administration of the 2002 Stock Plan shall be vested in a committee (the "Committee") in accordance with this Section 5. The Committee shall be selected by the Board, and shall be comprised[,] unless otherwise determined by the Board, solely of not less than two members [of the Board] who shall be "outside" directors within the meaning of Treasury Regulation Section 1.162-27(e)(3) under Section 162(m) of the Code^. (b) To the extent that the Committee determines that the restrictions imposed by the 2002 Stock Plan preclude the achievement of the material purposes of the Awards in jurisdictions outside the United States, the Committee will have the authority and discretion to modify those restrictions as the Committee determines to be necessary or appropriate to conform to applicable requirements or practices of jurisdictions outside of the United States.

(c) The Committee may grant Awards to Participants who are subject to the tax laws of nations other than the United States, which Awards may have terms and conditions as determined by the Committee as necessary to comply with applicable foreign laws. The Committee may take any action which it deems advisable to obtain approval of such Awards by the appropriate foreign government entity; provided however that no such Awards may be granted under this 2002 Stock Plan and no action may be taken which would result in a violation of the Exchange Act, the Code or any other applicable law.

(d) The Committee will have the authority and discretion to interpret the 2002 Stock Plan, to establish, amend, and rescind any rules and regulations relating to the 2002 Stock Plan, to determine the terms and provisions of any Award Agreement made pursuant to the 2002 Stock Plan, and to make all other determinations that may be necessary or advisable for the administration of the 2002 Stock Plan.

Except to the extent prohibited by Applicable Law or the applicable rules of a stock exchange, the Committee may allocate all or any portion of its responsibilities and powers to any one or more of its members and may delegate all or any part of its administrative duties to any person or persons selected by it. Any such allocation or delegation may be revoked by the Committee at any time.

5.4 INFORMATION TO BE FURNISHED TO COMMITTEE. The Company and its Parent and Subsidiaries shall furnish the Committee with such data and information as it determines may be required for it to discharge its duties. 6.1 CHANGES IN CAPITALIZATION. Such adjustment shall be made by the ^[Committee. The Committee may also make, in its discretion, adjustments described in (a)-(d) of this Section 6.1 in the event of any distribution of cash or other assets to stockholders other than an ordinary cash dividend. In determining adjustments to be made under this Section 6.1, the Committee may take into account such factors as it deems appropriate, including (i) the restrictions of applicable law, (ii) the potential tax, accounting or other consequences of an adjustment and (iii) the possibility that some Participants might receive an adjustment and a distribution or other unintended benefit, and in light of such factors or circumstances may make adjustments that are not uniform or proportionate among outstanding Awards, modify vesting dates, defer the delivery of stock certificates or make other equitable adjustments. Any such adjustments to outstanding Awards will be effected in a manner that precludes the enlargement of rights and benefits under such Awards. Adjustments, if any, and any determinations or interpretations, including any determination of whether a distribution is other than an ordinary cash dividend, made by the Committee] shall be final, binding and conclusive. Except as expressly provided herein, no issuance by the Company of Shares of any class, or securities convertible into Shares of any class, shall affect, and no adjustment by reason thereof shall be made with respect to, the number or price of shares of Common Stock subject to an Award.

To the extent it has not been previously exercised, an Award will terminate immediately prior to the consummation of such proposed Transaction.

The Board may, at any time, amend or terminate the 2002 Stock Plan, provided that no amendment or termination may, in the absence of written consent to the change by the affected Participant (or, if the Participant is not then living, the affected beneficiary), adversely affect the rights of any Participant or beneficiary under any Award granted under the 2002 Stock Plan prior to the date such amendment is adopted by the Board; provided that adjustments pursuant to ^Section 6.2 shall in no event be deemed to have an adverse ^[effect] on any Award.
