PROXY STATEMENT  
FOR 2008 ANNUAL MEETING OF SHAREHOLDERS

This statement and the accompanying proxy card, which are first being sent to shareholders on approximately January 16, 2008, are being furnished in connection with a solicitation of proxies by the Board of Directors of General Employment Enterprises, Inc. (the "Company"), an Illinois corporation, to be voted at the Annual Meeting of Shareholders to be held on Monday,

## Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

February 25, 2008, at 9:00 a.m., local time, in the Conference Center of the Oakbrook Terrace Tower, First Floor, One Tower Lane, Oakbrook Terrace, Illinois 60181.

### VOTING RIGHTS AND SOLICITATION

The voting securities of the Company entitled to be voted at the Annual Meeting are the shares of Common Stock, of which there were 5,165,265 outstanding on January 2, 2008, the record date for the Annual Meeting. Shareholders are entitled to one vote for each share held except that, in elections for directors, each shareholder has cumulative voting rights. When voting cumulatively, each shareholder has the number of votes equal to the number of directors to be elected (six) multiplied by the number of his or her shares. Such number of votes may be divided equally among all nominees, may be cumulated for one nominee, or may be distributed on any basis among as many nominees as is desired.

Each proxy that is properly signed and received before the Annual Meeting will, unless such proxy has been revoked, be voted in accordance with the instructions on such proxy. If no instruction is indicated on the proxy card, the shares will be voted for election of the six nominees for director listed in this proxy statement. The persons authorized to vote shares represented by executed proxies in the enclosed form (if authority to vote for the election of directors is not withheld) will have full discretion and authority to vote cumulatively and to allocate votes among any or all of the listed nominees for director as they may determine or, if authority to vote for a specified candidate or candidates has been withheld, among those nominees for whom authority to vote has not been withheld. In any case, and notwithstanding the foregoing, the proxies may be voted for less than the entire number of nominees if any situation arises which, in the opinion of the proxy holders, makes such action necessary or desirable.

### Quorum and Vote Required

A quorum of shareholders is necessary to take action at the Annual Meeting. A majority of the total outstanding shares of Common Stock of the Company, represented in person or by proxy, will constitute a quorum for purposes of the meeting. Abstentions or broker non-votes will be treated as shares of Common Stock that are present for purposes of determining the presence of a quorum. "Broker non-votes" refers to a broker or other nominee not voting on a proposal because the broker or other nominee does not have discretionary voting power regarding that item and has not received instructions from the beneficial owner.

Directors are elected by the affirmative vote of a majority of the shares represented at the meeting, in person or by proxy, and entitled to vote. Withheld votes will have the effect of votes against the directors. Broker non-votes will not affect the outcome of the vote.

### Voting Procedure, Revoking Proxies

Shareholders whose shares are registered in their own names may vote by mailing a completed proxy card as an alternative to voting in person at the Annual Meeting. To vote by mailing a proxy card, shareholders should sign and return the enclosed proxy card in the enclosed prepaid and addressed envelope.

If shares are registered in the name of a bank or brokerage firm (record holder), shareholders will receive instructions from their record holder that

## Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

must be followed in order for the record holder to vote the shares in accordance with the shareholder's instructions. If shares are held through a bank or brokerage firm and the shareholder wishes to be able to vote in person at the Annual Meeting, the shareholder must obtain a legal proxy from the brokerage firm, bank or other holder of record and present it to the inspector of election with the shareholder's ballot.

Registered shareholders may revoke or change a previously delivered proxy at any time before the Annual Meeting by delivering another proxy with a later date or by delivering written notice of revocation of their proxy to the Secretary of the Company at its principal executive offices before the beginning of the Annual Meeting. Shareholders may also revoke their proxy by attending the Annual Meeting and voting in person, although attendance at the Annual Meeting will not, in and of itself, revoke a valid proxy that was previously delivered. If shares are held through a bank or brokerage firm, shareholders must contact that bank or brokerage firm to revoke any prior voting instructions. Shareholders may also vote in person at the Annual Meeting if a legal proxy is obtained, as described in the preceding paragraph.

### Manner and Costs of Solicitation

The cost of preparing, assembling and mailing the proxy materials and of reimbursing brokers, nominees and fiduciaries for the out-of-pocket expenses of transmitting copies of the proxy materials to the beneficial owners of shares held of record by such persons will be borne by the Company. The Company intends to solicit proxies by the use of mail, but certain officers and regular employees of the Company or its subsidiary, without additional compensation, may use their personal efforts by telephone or otherwise, to obtain proxies. The Company also reserves the right to retain and compensate a professional solicitor to assist in the solicitation of proxies.

### ELECTION OF DIRECTORS

Six directors are to be elected at the Annual Meeting, to serve until the 2009 Annual Meeting of Shareholders, or until their successors are elected and qualified. Proxies will be voted, unless otherwise indicated, for the election of the nominees named below. The persons authorized to vote shares represented by executed proxies in the enclosed form (if authority to vote for the election of directors is not withheld) will have full discretion and authority to vote cumulatively and to allocate votes among any or all of the listed nominees for director as they may determine or, if authority to vote for a specified candidate or candidates has been withheld, among those nominees for whom authority to vote has not been withheld. In any case, and notwithstanding the foregoing, the proxies may be voted for less than the entire number of nominees if any situation arises which, in the opinion of the proxy holders, makes such action necessary or desirable.

### CORPORATE GOVERNANCE

#### Director Independence

The Board of Directors has determined that each nominee for director, other than Mr. Imhoff, Jr. and Mr. Yauch, is an independent director under the listing standards of the American Stock Exchange. In addition, the Board of Directors has determined that each current member of the Audit Committee meets the additional independence criteria required for audit committee membership under the listing standards of the American Stock Exchange and Rule 10A-3 of the Securities Exchange Act of 1934.

#### Board and Committee Meetings

The Board of Directors meets on a regularly scheduled basis to review significant developments affecting the Company and to act on matters requiring Board approval. It also holds special meetings when an important matter requires Board action between scheduled meetings. The Board held eight meetings during the last fiscal year. No director of the Company attended fewer than 75% of the total meetings of the Board and Committee meetings on which such Board members served during this period.

## Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

The members of the Board of Directors are expected to attend the Company's Annual Meeting of Shareholders. All of the current directors were present at the prior year's Annual Meeting, which was held on February 26, 2007.

There are three standing committees of the Board of Directors, which are the Nominating Committee, the Audit Committee and the Compensation Committee.

### Nominating Committee

The Nominating Committee is presently composed of five non-employee directors: Dennis W. Baker (Chairman), Sheldon Brottman, Andrew Dailey, Delain G. Danehey, and Joseph F. Lizzadro. The Board of Directors has adopted a written charter for the Nominating Committee, a copy of which is attached as an appendix to this proxy statement.

The functions of the Nominating Committee are to assist the Board of Directors in identifying, interviewing and recommending to the Board of Directors qualified candidates to fill positions on the Board. The Nominating Committee met once during fiscal 2007.

In evaluating candidates to serve on the Company's Board of Directors, consideration is given to the level of experience, financial literacy and business acumen of the candidate. In addition, qualified candidates for director are those who, in the judgment of the committee, have significant decision-making responsibility, with business, legal or academic experience. The Nominating Committee will consider recommendations for board candidates that are received from various sources, including directors and officers of the Company, other business associates and shareholders, and all candidates will be considered on an equal basis, regardless of source.

Shareholders may contact the Nominating Committee to make such recommendations by writing in care of the Secretary of the Company, at One Tower Lane, Suite 2200, Oakbrook Terrace, Illinois 60181. For a candidate to be considered for next year's Annual Meeting, a shareholder's recommendation must be received by the Secretary at least ninety days prior to the anniversary date of the mailing of the prior year's proxy statement. Submissions must include: (a) a statement that the writer is a shareholder and is proposing a candidate for consideration by the Nominating Committee; (b) the name, address and number of shares beneficially owned by the shareholder; (c) the name, address and contact information of the candidate being recommended; (d) a description of the qualifications and business experience of the candidate; (e) a statement detailing any relationships between the candidate and the Company and any relationships or understandings between the candidate and the proposing shareholder; and (f) the written consent of the candidate that the candidate is willing to serve as a director if nominated and elected.

4

### Audit Committee

The Audit Committee is presently composed of five non-employee directors: Delain G. Danehey (Chairman), Dennis W. Baker, Sheldon Brottman, Andrew Dailey, and Joseph F. Lizzadro. The Board of Directors has determined that Messrs. Dailey, Danehey and Baker are each an "audit committee financial expert" as defined by rules of the Securities and Exchange Commission. The Board of Directors has adopted a written charter for the Audit Committee, a copy of which is attached as an appendix to this proxy statement.

The Audit Committee is primarily concerned with the effectiveness of the Company's accounting policies and practices, its financial reporting and its

## Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

internal accounting controls. In addition, the Audit Committee reviews and approves the scope of the annual audit of the Company's books, reviews the findings and recommendations of the independent registered public accounting firm at the completion of their audit, and approves annual audit fees and the selection of an auditing firm. The Audit Committee met four times during fiscal 2007. In addition, the Chairman of the Audit Committee participated in three quarterly meetings in fiscal 2007, to review earnings press releases and the Company's filings on Form 10-QSB with members of management and the Company's independent registered public accounting firm.

### Compensation Committee

The Compensation Committee is presently composed of five non-employee directors: Sheldon Brottman (Chairman), Dennis W. Baker, Andrew Dailey, Delain G. Danehey, and Joseph F. Lizzadro. The Board of Directors has adopted a written charter for the Compensation Committee, which is attached as an appendix to this proxy statement. The Compensation Committee has the sole responsibility for approving and evaluating the officer compensation plans, policies and programs. It may not delegate this authority. It meets as often as necessary to carry out its responsibilities. The committee has the authority to retain compensation consultants, but has not done so. The Compensation Committee met four times during fiscal 2007.

In the past, the committee has met each September to consider the compensation of the Company's executive officers, including the establishment of base salaries and performance targets for the succeeding year, and the consideration of stock option awards. Management provides the committee with such information as may be requested by the committee, which in the past has included historical compensation information of the executive officers, tally sheets, internal pay equity statistics, and market survey data. Under the guidelines of the American Stock Exchange, the chief executive officer may not be present during the committee's deliberations regarding his compensation. If requested by the committee, the chief executive officer may provide recommendations regarding the compensation of the other officers.

The Compensation Committee also has the responsibility to make recommendations to the Board of Directors regarding the compensation of directors.

### Shareholder Communications

The Board of Directors has established a procedure by which shareholders of the Company can communicate with the Board of Directors. Shareholders interested in communicating with the Board as a group or with individual directors may do so, in writing. Correspondence to the directors should be sent by regular mail c/o the Secretary, General Employment Enterprises, Inc., One Tower Lane, Suite 2200, Oakbrook Terrace, Illinois 60181. Any such correspondence will be reviewed by the Secretary, who will then forward it to the appropriate parties. Communications that are solicitations or deemed to be irrelevant to the Board's responsibilities may be discarded, at the discretion of the Secretary.

### Nominations for Directors

The By-Laws of the Company establish procedures for the nomination of candidates for election to the Board of Directors. The By-Laws provide that the nominations may be made by the Board of Directors or by a committee appointed by the Board of Directors. Any shareholder entitled to vote in the election of directors generally may make nominations for the election of

## Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

directors to be held at an Annual Meeting of Shareholders, provided that such shareholder has given actual written notice of his intent to make such nomination or nominations to the Secretary of the Company not less than ninety days nor more than one hundred twenty days prior to the anniversary date of the immediately preceding Annual Meeting of Shareholders. Each such notice must set forth (a) the name and address of the shareholder who intends to make the nomination and of the person or persons to be nominated; (b) a representation that the shareholder is a holder of record of stock of the Company entitled to vote at such meeting and intends to appear in person or by proxy at the meeting to nominate the person or persons specified in the notice; (c) a description of all arrangements or understandings involving any two or more of the shareholders, each such nominee and any other person or persons (naming such person or persons) pursuant to which the nomination or nominations are to be made by the shareholder or relating to the Company or its securities or to such nominee's service as a director if elected; (d) such other information regarding such nominee proposed by such shareholder as would be required to be included in a proxy statement filed pursuant to the proxy rules of the Securities and Exchange Commission had the nominee been nominated, or intended to be nominated, by the Board of Directors; and (e) the consent of each nominee to serve as a director of the Company, if so elected.

Compensation expense is measured as the fair value of the stock options on the date of grant and is amortized over the vesting periods. The methods and assumptions used to determine the fair value of stock options granted are disclosed in "Stock Option Plans" in the notes to consolidated financial statements in the

## Edgar Filing: GENERAL EMPLOYMENT ENTERPRISES INC - Form DEF 14A

Company's Annual Report for fiscal 2007 accompanying this proxy statement.

All stock options awarded to the named executive officers during fiscal 2007 were at option prices that were equal to the market price on the date of grant, had vesting dates two years after the date of grant, and had expiration dates ten years after the date of grant.

### Non-Equity Incentive Plan Compensation

The Company has two incentive compensation plans designed to provide annual performance-based incentives to certain named executive officers. The annual threshold amount is determined by the Compensation Committee prior to the beginning of each fiscal year. The cash bonus is required to be paid to the executive within 2.5 months of the close of the Company's fiscal year.

During fiscal 2007, Ms. White participated in the Company's Operational Vice President Bonus Plan. The annual threshold amount is determined by the Compensation Committee prior to the beginning of each fiscal year. The cash bonus is required to be paid to the executive within 2.5 months of the close of the Company's fiscal year.

### All Other Compensation

The all other compensation column includes contributions to the Executive Retirement Plan during fiscal 2007 in the following amounts: \$45,000 for Mr. Imhoff, Jr.; \$19,000 for Ms. White; and \$18,000 for Mr. Yauch.

The Company does not maintain a tax-qualified defined benefit retirement plan for any of its executive officers or employees.

### Potential Payments upon Termination of Employment or Change in Control

Under the terms of the employment agreement with Mr. Imhoff, Jr., in the event the Company would terminate his employment for any reason other than for "cause," the executive would be entitled to receive outplacement assistance; a lump sum cash payment equal to the sum of his base salary and average annual performance bonus that would have been payable for the remainder of the term of the employment agreement; a severance bonus based on a fraction of his average annual performance bonus; and continuation of certain perquisites and fringe benefits for the remainder of the term of the employment agreement. In the event that any payment, benefit or distribution under the terms of his agreement is determined to be an "excess parachute payment" pursuant to section 280G of the Internal Revenue Code, with the effect that he would become liable for the payment of an excise tax, Mr. Imhoff, Jr. would be entitled to receive an additional gross-up payment.

The Company has individual employment agreements with Ms. White and Mr. Yauch. Each executive's agreement contains a covenant not to compete that extends for two years following their termination of employment with the Company. In the event of a change in control of the Company, if the executive's employment were to be terminated by the Company for any reason other than "cause," the executive would be entitled to receive a lump sum cash payment equal to two times the executive's base salary and average annual bonus; accelerated vesting of all previous cash or stock awards; a severance bonus based on a fraction of his average annual bonus; and continuation of certain fringe benefits for a period of two years.

### REPORT OF THE AUDIT COMMITTEE

The Audit Committee oversees the Company's financial reporting process on behalf of the Board of Directors. The Company's management has the primary responsibility for the financial statements, for maintaining effective internal control over financial reporting, and for assessing the effectiveness of internal control over financial reporting. In fulfilling its oversight responsibilities, the Committee reviewed and discussed the audited consolidated financial statements in the Annual Report with Company management, including a discussion of the quality, not just the acceptability, of the accounting principles; the reasonableness of significant judgments; and the clarity of disclosures in the financial statements.

The Committee reviewed with the independent registered public accounting firm, which is responsible for expressing an opinion on the conformity of those audited consolidated financial statements with U.S. generally accepted accounting principles, its judgments as to the quality, not just the acceptability, of the Company's accounting principles and such other matters as are required to be discussed with the Committee by Statement on Auditing Standards No. 61, Communication With Audit Committees (as amended), other standards of the Public Company Accounting Oversight Board (United States), rules of the Securities and Exchange Commission, and other applicable regulations. In addition, the Committee has discussed with the independent registered public accounting firm the firm's independence from Company management and the Company, including the matters in the letter from the firm required by Independence Standards Board Standard No. 1, Independence Discussions with Audit Committees, and considered the compatibility of non-audit services with the independent registered public accounting firm's independence.

The Committee discussed with the Company's independent registered public accounting firm the overall scope and plans for their audit. The Committee met with the independent registered public accounting firm, with and without management present, to discuss the results of their examinations; their evaluations of the Company's internal control; and the overall quality of the Company's financial reporting.

In reliance on the reviews and discussions referred to above, the Committee recommended to the Board of Directors, and the Board has approved, that the audited consolidated financial statements be included in the Annual Report on Form 10-KSB for the year ended September 30, 2007, filed by the Company with the Securities and Exchange Commission. The Committee selected the Company's independent registered public accounting firm for the year ending September 30, 2008.

The Committee is governed by a charter. The Committee held four meetings during fiscal year 2007. The Committee is comprised solely of independent directors as defined by the American Stock Exchange listing standards and Rule 10A-3 of the Securities Exchange Act of 1934.
