Item 5.02 Departure of Directors or Certain Officers; Election of Directors; Appointment of Certain Officers; Compensatory Arrangements of Certain Officers.

Entergy Corporation (“Entergy”) held its 2011 Annual Meeting of Shareholders (“Annual Meeting”) on May 6, 2011 in The Woodlands, Texas. At the Annual Meeting, Entergy’s shareholders, upon the recommendation of the Board of Directors, approved the 2011 Equity Ownership and Long Term Cash Incentive Plan of Entergy Corporation and Subsidiaries (the “Plan”). The Plan authorizes the Personnel Committee of the Board of Directors to provide equity-based compensation of up to 5,500,000 shares of Entergy’s common stock in the form of stock options, stock

appreciation rights (“SARs”), restricted stock, restricted stock units, performance shares or performance units. Our directors, officers and other employees are eligible to receive awards under the Plan.

The Plan provides for a double trigger (instead of single trigger) accelerated vesting following a change in control, establishment of minimum vesting periods for all awards (three years for service-based vesting and one year for performance-based vesting, subject to limited exceptions) and a requirement that all awards are subject to the “clawback” policy adopted by our Board of Directors. It also provides that no underwater stock options or SARs will be repriced without shareholder approval and that no stock options or SARs will be granted with an exercise price less than the fair market value of our common stock on the date of grant. This summary of the Plan is qualified in its entirety by reference to the full text of the Plan, which is attached hereto as Exhibit 99.1 and incorporated herein by reference. A more detailed summary of the Plan can be found in Entergy’s definitive proxy statement for the Annual Meeting (the “Proxy Statement”), which was filed with the Securities and Exchange Commission (“SEC”) on March 24, 2011.
